> Finally, we wish to recognize two important factors in our success for many years. JoAnn Tallman has served the bank for almost 28 years holding several positions before Secretary and Board Meeting Recorder. JoAnn's calm, quiet demeanor has been a welcome

2013 was a year of modest growth in counterpoint to two Presidents and 19 loans, deposits, and assets. Inflation different Board Members. Marsha has been very low and the local economy has been tepid, though slowly improving. We would like to grow our assets at a brisker pace to allow us to spread regulatory and compliance costs over a larger base, but we resist "growth for growth's sake."

Mongeon has served as the bank's Chief Financial Officer for 24 years. Marsha will be remembered for her knowledge, professionalism, and dedication to the bank. Both of these fine individuals will be missed both personally and professionally. We are happy for both to enjoy well deserved retirement years.

There are several items of note that occurred in 2013. After careful analysis we chose to close our Green Mountain Mall branch office in St. Johnsbury. This was done to make our branch delivery system more efficient and without material attrition in customer accounts. We continue to evaluate our entire organization seeking areas where we can be more efficient.

Sincerely,
