This Amendment No. 1 on Form 10-K/A (this “Amendment”) amends Reading International, Inc.’s Annual Report on Form 10-K for the year ended December 31, 2014, originally filed with the Securities and Exchange Commission, or SEC, on March 7, 2015 (the “Original Filing”). We are amending and refileing Part III to include information required by Items 10, 11, 12, 13 and 14 because our definitive proxy statement will not be filed within 120 days after December 31, 2014, the end of the fiscal year covered by our Annual Report on Form 10-K.

He qualified as a Certified Public Accountant in the U.S. and a Chartered Accountant in the U.K., and holds an Honors Degree in Physics from the University of Delhi, India and an Executive M.B.A. from the University of California, Los Angeles.

Relationships

Ellen M. Cotter, Margaret Cotter and James J. Cotter, Jr. are directors and officers of our company and of various of its subsidiaries, affiliates or consultants. According to their respective Schedules 13D filed with the SEC, all three consider their beneficial stock holdings in our company to be long-term family assets, and they intend to continue our company in the direction established by their father.

Committees of the Board of Directors

Our board has a standing Executive Committee, Audit and Conflicts Committee, Compensation and Stock Options Committee, and Tax Oversight Committee. These committees are discussed in greater detail below.

The Cotter family members who serve as directors and officers of our company collectively own beneficially shares of our Class B Stock representing more than 70% of the voting power for the election of directors of our company. Therefore, our board has determined that our company is a "Controlled Company" under section 5615(c)(1) of the listing rules of The NASDAQ Capital Stock Market (the "NASDAQ Rules"). After reviewing the benefits and detriments of taking advantage of the exceptions to the corporate governance rules set forth in section 5605 of the NASDAQ Rules, our board has unanimously determined to take advantage of all of the exceptions from the NASDAQ Rules afforded to our company as a Controlled Company.

A Controlled Company is not required to have an independent nominating committee or independent nominating process. It was noted by our directors that the use of an independent nominating committee or independent nominating process would be of limited utility, since any nominee would need to be acceptable to James J. Cotter, Sr., our former controlling stockholder, in order to be elected. The Cotter family, as the holders of a majority of the voting

power of our company, are able under Nevada corporations law and our charter documents to elect candidates to our board and to remove a director from the board without the vote of

4

our other stockholders. Historically, Mr. Cotter, Sr. identified and recommended all nominees to our board in consultation with our other incumbent directors.

Our directors have not adopted any formal criteria with respect to the qualifications required to be a director or the particular skills that should be represented on our board, other than the need to have at least one director and member of our Audit and Conflicts Committee who qualifies as an “audit committee financial expert,” and have not historically retained any third party to identify or evaluate or to assist in identifying or evaluating potential nominees. We have no policy of considering diversity in identifying director nominees.

James J. Cotter, Sr. served as our Chair and Chief Executive Officer until August 7, 2014, when he stepped down for health reasons. Mr. Cotter, Sr. subsequently passed away on September 13, 2014. In connection with his passing, our board determined to appoint Ellen M. Cotter as Chair of the Board with a view to rotating the office of Chair annually among the Cotter family members. The board also has designated William D. Gould to serve as our lead independent director. In that capacity, Mr. Gould chairs meetings of the independent directors and acts as liaison between our Chair and our Chief Executive Officer and our independent directors.

Our board oversees risk by remaining well-informed through regular meetings with management and the personal involvement of our Chief Executive Officer in our day-to-day business, including any matters requiring specific risk management oversight. Our Chief Executive Officer chairs regular senior management meetings addressing domestic and overseas issues. The risk oversight function of our board is enhanced by the fact that our Audit and Conflict Committee is comprised entirely of independent directors.

Executive Committee

A standing Executive Committee, currently comprised of Mr. Cotter, Jr., who serves as Chair, Ms. Margaret Cotter and Messrs. Adams and Kane, is authorized, to the fullest extent permitted by Nevada law, to take action on matters between meetings of the full board. Mr. Cotter, Sr. also served on the Executive Committee until May 15, 2014.

In 2014, the Executive Committee did not take any action with respect to any company matter. With the exception of matters delegated to the Audit and Conflicts Committee or the Compensation and Stock Options Committee, all matters requiring board approval during 2014 were considered by the entire board.

Audit and Conflicts Committee

Our board maintains a standing Audit and Conflicts Committee, which we refer to as the “Audit Committee.” The Audit Committee operates under a Charter adopted by our board that is available on our website at www.readingrdi.com. Our board has determined that the Audit Committee is comprised entirely of independent directors (as defined in section 5605(a)(2) of the NASDAQ Rules), and that Mr. McEachern, the Chair of our Audit Committee, is qualified as an Audit Committee Financial Expert. During 2014, our Audit and Conflicts Committee was comprised of Mr. McEachern, who served as Chair, and Messrs. Kane and Storey.

Compensation and Stock Options Committee

Our board has a standing Compensation and Stock Options Committee, which we refer to as the “Compensation Committee,” comprised entirely of independent directors. The current members of Compensation Committee are Mr. Kane, who serves as Chair, and Messrs. Adams and Storey. Mr. Adams replaced our former director, Alfred Villaseñor, on the Compensation Committee following his election to our board in June 2014.

The Compensation Committee evaluates and makes recommendations to the full board regarding the compensation of our Chief Executive Officer and other Cotter family members and performs other compensation related functions as delegated by our board.

5

Tax Oversight Committee

Given our operations in the United States, Australia, and New Zealand and our historic net operating loss carry forwards, our board formed a Tax Oversight Committee to review with management and to keep the board informed about our company's tax planning and such tax issues as may arise from time to time. This committee is comprised of Mr. Kane, who serves as Chair, and Mr. Cotter, Jr.

Code of Ethics

We have adopted a Code of Ethics applicable to our principal executive officer, principal financial officer, principal accounting officer or controller and Company employees. The Code of Ethics is available on our website at www.readingrdi.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission (the "SEC") and to provide us with copies of those filings. Based solely on our review of the copies received by us and on the written representations of certain reporting persons, we believe that the following Forms 3 and 4 for transaction that occurred in 2014 were filed later than is required under Section 16(a) of the Securities Exchange Act of 1934:

- James J. Cotter, Sr. failed to timely file 16 Forms 4 with respect to 70 transactions in our common stock;
- James J. Cotter, Jr. failed to timely file one Form 4 with respect to one transaction in our common stock;
- Ellen M. Cotter failed to timely file one Form 4 with respect to one transaction in our common stock;
- Margaret Cotter failed to timely file one Form 4 with respect to one transaction in our common stock;
- Mr. Storey failed to timely file one Form 4 with respect to one transaction in our common stock.

All of the transactions involved were between the individual involved and our company or related to certain inter-family or estate planning transfers, and did not involve transactions with the public. Insofar as we are aware, all required filings have now been made.

ITEM 11.EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Role and Authority of the Compensation Committee

Our board has established a standing Compensation Committee consisting of two or more of our non-employee directors. As a Controlled Company, we are exempt from the NASDAQ Rules regarding the determination of executive compensation. The Compensation Committee has no formal charter, and acts pursuant to the authority delegated to the Compensation Committee from time to time by our board.

The Compensation Committee recommends to the full board the compensation of our Chief Executive Officer and of the other Cotter family members who serve as officers of our company. Our board with the Cotter family directors abstaining, typically has accepted without modification the compensation recommendations of the Compensation Committee, but reserves the right to modify the recommendations or take other compensation actions of its own. Prior to his resignation as our Chair and Chief Executive Officer

on August 7, 2014, during 2014, as in prior years, James J. Cotter, Sr. was delegated by our board responsibility for determining the compensation of our executive officers other than himself and his family members. The board exercised oversight of Mr. Cotter, Sr.'s executive compensation decisions as a part of his performance as our former Chief Executive Officer.

On August 7, 2014, James J. Cotter, Jr. was appointed to succeed Mr. Cotter, Sr. as our Chief Executive Officer. Mr. Cotter, Sr. subsequently passed away on September 13, 2014. No discretionary annual bonuses have yet been awarded to our executive officers, including the Cotter family executives for 2014.

Throughout this section, the individuals named in the Summary Compensation Table, below, are referred to as the "named executive officers."

CEO Compensation

The Compensation Committee recommends to our board the annual compensation of our Chief Executive Officer, based primarily upon the Compensation Committee's annual review of peer group practices and the advice of an independent third-party compensation consultant. The Compensation Committee has established three components of our Chief Executive Officer's compensation -- a base cash salary, a discretionary annual cash bonus, and a fixed stock grant. The objective of each element is to reasonably reward our Chief Executive Officer for his performance and leadership.

In 2007, our board approved a supplemental executive retirement plan ("SERP) pursuant to which we agreed to provide Mr. Cotter, Sr. supplemental retirement benefits as a reward for his more than 25 years of service to our company and its predecessors. Neither Mr. James J. Cotter, Jr., Mr. Cotter, Sr.'s successor as our Chief Executive Officer, nor any of our other current or former officers or employees, is eligible to participate in the SERP, which is described in greater detail below under the caption "Supplemental Executive Retirement Plan." Because this plan was adopted as a reward to Mr. Cotter, Sr. for his past services and the amounts to be paid under that plan are determined by an agreed-upon formula, the Compensation Committee did not take into account the benefits under that plan in determining Mr. Cotter, Sr.'s annual compensation for 2014 or previous years. The amounts reflected in the Executive Compensation Table under the heading "Change in Pension Value and Nonqualified Deferred Compensation Earnings" reflect any increase in the present value of the SERP benefit based upon the actuarial impact of the payment of Mr. Cotter, Sr.'s cash compensation and changes in interest rates. Since the SERP is unfunded, this amount does not reflect any actual payment by our Company into the plan or the value of any assets in the plan (of which there are none). The benefits to Mr. Cotter, Sr. under the SERP were tied to the cash portion only of his compensation, and not to compensation in the form of stock options or stock grants.

2014 CEO Compensation

The Compensation Committee originally engaged Towers Watson, executive compensation consultants, in 2012 to analyze our Chief Executive Officer's total direct compensation compared to a peer group of companies. In preparing the analysis, Towers Watson, in consultation with our management, including James J. Cotter, Sr., identified a peer group of companies in the real estate and cinema exhibition industries, our two business segments, based on market value, industry, and business description.

For purposes of establishing our Chief Executive Officer's 2014 compensation, the Compensation Committee engaged Towers Watson to update its analysis of Mr. Cotter, Sr.'s compensation as compared to his peers, which updated report was received on February 26, 2014. The company paid Towers Watson \$11,461 for the updated report.

The Towers Watson analysis focused on the competitiveness of Mr. Cotter, Sr.'s annual base salary, total cash compensation and total direct compensation (i.e., total cash compensation plus expected value of long-term compensation) relative to a peer group of United States and Australian companies and published compensation survey data, and to our company's compensation philosophy, which was to target Mr. Cotter, Sr.'s total direct compensation to the 66th percentile of the peer group.

The peer group consisted of the following 18 companies:

7

Acadia Realty Trust	Inland Real Estate Corp.
Amalgamated Holdings Ltd.	Kite Realty Group Trust
Associated Estates Realty Corp.	LTC Properties Inc.
Carmike Cinemas Inc.	Ramco-Gershenson Properties Trust
Cedar Shopping Centers Inc.	Regal Entertainment Group
Cinemark Holdings Inc.	The Marcus Corporation
Entertainment Properties Trust	Urstadt Biddle Properties Inc.
Glimcher Realty Trust	Village Roadshow Ltd.
IMAX Corporation	

Towers Watson predicted 2014 pay levels by using regression analysis to adjust compensation data based on estimated annual revenues of \$260 million (i.e., our company's approximate annual revenues) for all companies, excluding financial services companies. Towers Watson did not evaluate Mr. Cotter, Sr.'s SERP, because the SERP is fully vested and accrues no additional benefits, except as Mr. Cotter, Sr.'s annual cash compensation may change.

The Towers Watson analysis indicated that the peer group data, with the exception of annual base salary, was above Mr. Cotter, Sr.'s pay levels in 2013. The peer group is partially comprised of companies that are larger than our company, and the 66th percentile level tends to reflect the larger peers. However, Towers Watson analysis also indicated that the size of the peers does not materially affect the pay levels at the peer companies. The published survey data of companies of comparable size reviewed by Towers Watson was below our Chief Executive Officer pay levels.

Towers Watson averaged the data from the peer group and the published survey data to compile "blended" market data. As compared to the blended market data, Mr. Cotter, Sr.'s 2013 cash compensation and total direct compensation, which includes the expected value of long-term incentive compensation, was in line with the 66th percentile.

Because our company is comparable to the smaller companies in the peer group, Towers Watson reviewed whether the size of the proxy peer group of companies had a meaningful impact on reported CEO pay levels, and concluded that there is a weak correlation between company size and CEO compensation. It concluded, therefore, that it was not necessary to separately adjust the peer group data based on the size of our company.

The Compensation Committee met on February 27, 2014 to consider the Towers Watson analysis. At the meeting, the Compensation Committee determined to recommend to our board the following compensation for Mr. Cotter, Sr. for 2014 and on March 13, 2014, our board accepted the Compensation Committee's recommendation without modification:

Salary:\$750,000

The Compensation Committee recommended maintaining Mr. Cotter, Sr.'s 2014 annual base salary at its 2013 level of \$750,000, which approximates the 75th percentile of the peer group.

Discretionary Cash Bonus:Up to \$750,000.

In 2013, the Compensation Committee recommended and our board approved a total cash bonus to Mr. Cotter, Sr. of \$1,000,000, as compared to the target bonus of \$500,000. This resulted in total 2013 compensation to Mr. Cotter, Sr. above the 75th percentile of the peer group and total direct compensation near the 66th percentile. At its meeting on February 27, 2014, the Compensation Committee determined to increase the upper range of Mr. Cotter, Sr.'s discretionary cash bonus for 2014 to \$750,000 from the 2013 target level of \$500,000. The bonus was subject to Mr. Cotter, Sr. being employed by our Company at year-end, unless his employment were to terminate earlier due to his death or disability. No other benchmarks, formulas or quantitative or qualitative measurements were specified for use in determining the amount of cash bonus to be

8

awarded within this range. As in 2013, the Compensation Committee also reserved the right to increase the upper range of discretionary cash bonus amount based upon exceptional results of our company or Mr. Cotter, Sr.'s exceptional performance, as determined in the Compensation Committee's discretion.

At its meeting on August 14, 2014, the Compensation Committee determined that Mr. Cotter, Sr.'s successful completion of our sale of the Burwood property in Australia and other accomplishments in 2014 justified the award to Mr. Cotter, Sr. of the full \$750,000 cash bonus, plus an additional cash bonus of \$300,000. The Compensation Committee's determination to award the extraordinary cash bonus was based in part on the advice of Towers Watson.

Stock Bonus:\$1,200,000 (160,643 shares of Class A Stock).

At its meeting on February 27, 2014, the Compensation Committee determined that, so long as Mr. Cotter, Sr.'s employment with the Company is not terminated prior to December 31, 2014 other than as a result of his death or disability, he was to receive 160,643 shares of our Company's Class A Stock; the number of shares of Class A nonvoting common stock equal to \$1,200,000 divided by the closing price of the stock on February 27, 2014, the date the Committee approved the stock bonus. This compares to a similar stock bonus to Mr. Cotter, Sr. of \$750,000 in 2013.

The stock bonus was paid to the Estate of Mr. Cotter, Sr. in February 2015.

Following his appointment on August 7, 2014 as our Chief Executive Officer, James J. Cotter, Jr. continued to receive the same base salary of \$335,000 that he had previously been receiving in his capacity as our President.

Mr. Cotter, Jr. has not yet been awarded a discretionary cash bonus for 2014.

Total Direct Compensation

We and our Compensation Committee have no policy regarding the amount of salary and cash bonus paid to our Chief Executive Officer or other named executive officers in proportion to their total direct compensation.

Compensation of Other Named Executive Officers

The compensation of Mr. James J. Cotter, Jr. and Ms. Ellen M. Cotter as executive officers of our company is determined by the Compensation Committee based on the same compensation philosophy used to determine Mr. Cotter, Sr.'s 2014 compensation. The Cotter family members' respective compensation consists of a base cash salary, discretionary cash bonus and periodic discretionary grants of stock options.

Mr. Cotter, Sr. set the 2014 base salaries of our executive officers other than himself and members of his family. Mr. Cotter, Sr.'s decisions were not subject to approval by the Compensation Committee or our board, but our Compensation Committee and our board considered Mr. Cotter, Sr.'s decisions with respect to executive compensation in evaluating his performance as our Chief Executive Officer. Mr. Cotter, Sr. informed us that he did not use any formula, benchmark or other quantitative measure to establish or award any component of executive compensation, nor did he consult with compensation consultants on the matter. Mr. Cotter, Sr. also advised us that he considered the following guidelines in setting the type and amount of executive compensation:

1. Executive compensation should primarily be used to:
 - attract and retain talented executives;
 - reward executives appropriately for their individual efforts and job performance; and
 -

afford executives appropriate incentives to achieve the short-term and long-term business objectives established by management and our board.

9

2. In support of the foregoing, the total compensation paid to our named executive officers should be:

- fair both to our company and to the named executive officers;
- reasonable in nature and amount; and
- competitive with market compensation rates.

Personal and company performances were just two factors considered by Mr. Cotter, Sr. in establishing base salaries. We have no pre-established policy or target for allocating total executive compensation between base and discretionary or incentive compensation, or between cash and stock-based incentive compensation. Historically, including in 2014, a majority of total compensation to our named executive officers has been in the form of annual base salaries and discretionary cash bonuses, although stock bonuses have been granted from time to time under special circumstances. No stock bonuses were awarded in 2014 to our named executive officers other than Mr. Cotter, Sr.

These elements of our executive compensation are discussed further below.

Salary: Annual base salary is intended to compensate named executive officers for services rendered during the fiscal year in the ordinary course of performing their job responsibilities. Factors considered by Mr. Cotter, Sr. in setting the base salaries may have included (i) the negotiated terms of each executive's employment agreement or the original terms of employment, (ii) the individual's position and level of responsibility with our Company, (iii) periodic review of the executive's compensation, both individually and relative to our other named executive officers, and (iv) a subjective evaluation of individual job performance of the executive.

Cash Bonus: Historically, we have awarded annual cash bonuses to supplement the base salaries of our named executive officers, and our board of directors has delegated to our Chief Executive Officer the authority to determine in his discretion the annual cash bonuses, if any, to be paid to our executive officers other than the Cotter family executives. Any discretionary annual bonuses to the Cotter family executive have historically been determined by our board based upon the recommendation of our Compensation Committee.

In light of Mr. Cotter, Sr.'s death in September 2014, cash bonuses for 2014 have not yet been determined by Mr. Cotter, Jr. or, in the case of the Cotter family members, recommended by the Compensation Committee or approved by our board. Factors to be considered in determining or recommending any such cash bonuses include (i) the level of the executive's responsibilities, (ii) the efficiency and effectiveness with which he or she oversees the matters under his or her supervision, and (iii) the degree to which the officer has contributed to the accomplishment of major tasks that advance the company's goals.

Stock Bonus: Equity incentive bonuses may be awarded to align our executives' long-term compensation to appreciation in stockholder value over time and, so long as such grants are within the parameters set by our 2010 Stock Incentive Plan, historically were entirely discretionary on the part of Mr. Cotter, Sr. Other stock grants are subject to board approval. Equity awards may include stock options, restricted stock, bonus stock, or stock appreciation rights. Apart from the stock award to Mr. Cotter, Sr., no stock bonuses were awarded to our executive officers in 2014.

If awarded, it is generally our policy to value stock options and restricted stock at the closing price of our common stock as reported on the NASDAQ Capital Market on the date the award is approved or on the date of hire, if the stock is granted as a recruitment incentive. When stock is granted as bonus compensation for a particular transaction, the award may be based on the market price on a date calculated from the closing date of the relevant transaction. Awards may also be subject to vesting and limitations on voting or other rights.

Andrzej Matyczynski, our Chief Financial Officer, has a written employment agreement with our company that provides for a specified annual base salary and other compensation. Mr. Matyczynski resigned as our Chief Financial

Officer effective September 1, 2014, but he and our company agreed to postpone the effective date of his resignation. Upon termination of Mr. Matczynski's employment, he will become entitled

10

under his employment agreement to a lump-sum severance payment of six months' base salary and to the payment of his vested benefit in accordance with the terms of the deferred compensation plan discussed below in this section.

Other than Mr. Cotter, Sr.'s and Mr. Cotter, Jr.'s role as Chief Executive Officer in setting compensation, none of our executive officers play a role in determining the compensation of our named executive officers.

2014 Base Salaries and Target Bonuses

We have historically established base salaries and target discretionary cash bonuses for our named executive officers through negotiations with the individual named executive officer, generally at the time the named executive officer commenced employment with us, with the intent of providing annual cash compensation at a level sufficient to attract and retain talented and experienced individuals. Our Compensation Committee recommended and our board approved the following base salaries for Mr. Cotter, Jr. and Ellen M. Cotter for 2014:

	2013 Base Salary	2014 Base Salary
Name	(\$)	(\$)
James J. Cotter, Jr.	195,417	335,000
Ellen M. Cotter	335,000	335,000

The base salaries of our other named executive officers were established by Mr. Cotter, Sr. as shown in the following table:

	2013 Base Salary	2014 Base Salary
Name	(\$)	(\$)
Andrzej Matyczynski	309,000	309,000
Robert F. Smerling	350,000	350,000
Wayne Smith	339,000	324,295

All named executive officers are eligible to receive a discretionary annual cash bonus. Cash bonuses are typically prorated to reflect a partial year of service. Our board reserves discretion to adjust bonuses for the Cotter family members based on its own evaluations of the recommendations of our Compensation Committee as it did in both 2013 and 2014 in Mr. Cotter, Sr.'s case.

We offer stock options and stock awards to our employees, including named executive officers, as the long-term incentive component of our compensation program. We sometimes grant equity awards to new hires upon their commencing employment with us and from time to time thereafter. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as "incentive stock options" for U.S. federal income tax purposes. Generally, the stock options we grant to our employees vest over four years in equal installments upon the

annual anniversaries of the date of grant, subject to their continued employment with us on each vesting date.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan that allows eligible employees to defer a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions

11

to the plan. Our named executive officers other than Mr. Smith, who is a non-resident of the U.S., are eligible to participate in the 401(k) plan on the same terms as other full-time employees generally. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage, and these matching contributions are fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Supplemental Executive Retirement Plan

In March 2007, our board approved the SERP pursuant to which we agreed to provide Mr. Cotter, Sr. supplemental retirement benefits. Under the SERP, following his separation from our company, Mr. Cotter, Sr. was to be entitled to receive from our company for the remainder of his life or 180 months, whichever is longer, a monthly payment of 40% of his average monthly base salary and cash bonuses over the highest consecutive 36-month period of earnings prior to Mr. Cotter, Sr.'s separation from service with us. The benefits under the SERP are fully vested. In October 2014, following Mr. Cotter, Sr.'s death, we began accruing monthly supplemental retirement benefits of \$57,000 in accordance with the SERP, but have not yet paid any such benefits to Mr. Cotter, Sr.'s designated beneficiaries.

The SERP is unfunded and, as such, the SERP benefits are unsecured, general obligations of our company. We may choose in the future to establish one or more grantor trusts from which to pay the SERP benefits. The SERP is administered by the Compensation Committee.

Other Retirement Plans

During 2012, Mr. Matyczynski was granted an unfunded, nonqualified deferred compensation plan ("DCP") that was partially vested and was to vest further so long as he remained in our continuous employ. If Mr. Matyczynski were to be terminated for cause, then the total vested amount would be reduced to zero. The incremental amount vested each year was made subject to review and approval by our board. Mr. Matyczynski's DCP vested as follows:

	Total Vested Amount at the End of
December 31	Each Vesting Year
2013	\$ 300,000
2014	\$ 450,000

Mr. Matyczynski resigned his employment with the company effective September 1, 2014, but he and our company agreed to postpone the effective date of his resignation until May 11, 2015. Upon the termination of Mr. Matyczynski's employment, he would become entitled under the DCP agreement to payment of the vested benefits under his DCP in annual installments following the later of (a) 30 days following Mr. Matyczynski's 65th birthday or (b) six months after his separation from service, unless his employment were to be terminated for cause.

We currently maintain no other retirement plan for our named executive officers.

Key Person Insurance

Our company maintains life insurance on certain individuals who we believe to be key to our management. These individuals include James J. Cotter, Jr., Ellen M. Cotter, Margaret Cotter and Messrs. Matyczynski, Smerling and Smith. If such individual ceases to be an employee, director or independent contractor of our company, as the case may be, she or he is permitted, by assuming responsibility for all future premium payments, to replace our company as the beneficiary under such policy. These policies allow each such individual to purchase up to an equal amount of insurance for such individual's own benefit. In the case of our employees, the premium for both the insurance as to which our company is the beneficiary and the

12

insurance as to which our employee is the beneficiary, is paid by our company. In the case of named executive officers, the premium paid by our company for the benefit of such individual is reflected in the Compensation Table in the column captioned "All Other Compensation."

Employee Benefits and Perquisites

Our named executive officers are eligible to participate in our health and welfare plans to the same extent as all full-time employees generally. We do not generally provide our named executive officers with perquisites or other personal benefits, although in the past we provided Mr. Cotter, Sr. the personal use of our West Hollywood, California, condominium, which was used as an executive meeting place and office and sold in February 2015, a company-owned automobile and a health club membership. Historically, all of our other named executive officers also have received an automobile allowance. From time to time, we may provide other perquisites to one or more of our other named executive officers.

Tax Gross-Ups

As a general rule, we do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our company. In 2014, however, we reimbursed Ms. Ellen M. Cotter \$50,000 for income taxes she incurred as a result of her exercise of stock options that were deemed to be nonqualified stock options for income tax purposes, but which were intended by the Compensation Committee and her to be so-called incentive stock options, or "ISOs", when originally granted. Our Compensation Committee believe it was appropriate to reimburse Ms. Cotter because it was our company's intention at the time of the issuance to give her the tax deferral feature applicable to ISOs. Due to the application of complex attribution rules, even though she was an executive officer of our company and not a director, she did not in fact qualify for such tax deferral. Accordingly, upon exercise, she received less compensation than the Compensation Committee had intended.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Subject to an exception for "performance-based compensation," Section 162(m) of the Internal Revenue Code generally prohibits publicly held corporations from deducting for federal income tax purposes annual compensation paid to any senior executive officer to the extent that such annual compensation exceeds \$1.0 million. The Compensation Committee and our board consider the limits on deductibility under Section 162(m) in establishing executive compensation, but retain the discretion to authorize the payment of compensation that exceeds the limit on deductibility under this Section as in the case of Mr. Cotter, Sr.

Nonqualified Deferred Compensation

We believe we are operating, where applicable, in compliance with the tax rules applicable to nonqualified deferred compensation arrangements.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, we began accounting for stock-based payments in accordance with the requirements of Statement of Accounting Standards No. 123(R). Our decision to award restricted stock to Mr. Cotter, Sr. and other named executive officers from time to time was based in part upon the change in accounting treatment for stock options. Accounting treatment otherwise has had no significant effect on our compensation decisions.

Say on Pay

At our Annual Meeting of Stockholders held on May 15, 2014, we held an advisory vote on executive compensation. Our stockholders voted in favor of our company's executive compensation. The Compensation

13

Committee reviewed the results of the advisory vote on executive compensation in 2014 and did not make any changes to our compensation based on the results of the vote.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the “Compensation Discussion and Analysis” required by Item 401(b) of Regulation S-K and, based on such review and discussions, has recommended to our board that the foregoing “Compensation Discussion and Analysis” be included in this Form 10 K/A.

Employment Agreements

James J. Cotter, Jr. On June 3, 2013, we entered into an employment agreement with Mr. James J. Cotter, Jr. to serve as our President. The employment agreement provides that Mr. Cotter, Jr. is to receive an annual base salary of \$335,000, with employee benefits in line with those received by our other senior executives. Mr. Cotter, Jr. also was granted a stock option to purchase 100,000 Class A shares at an exercise price equal to the market price of our Class A shares on the date of grant and which will vest in equal annual

increments over a four-year period, subject to his remaining in our continuous employ through each annual vesting date.

Under his employment agreement, we may terminate Mr. Cotter Jr.'s employment with or without cause (as defined) at any time. If we terminate his employment without cause, Mr. Cotter Jr. will be entitled to receive severance in an amount equal to the compensation he would have received had he remained employed by us for 12 months.

William D. Ellis. On October 20, 2014, we entered into an employment agreement with Mr. William D. Ellis, pursuant to which he agreed to serve as our General Counsel for a term of three years. The employment agreement provides that Mr. Ellis is to receive an annual base salary of \$350,000, with an annual target bonus of at least \$60,000. Mr. Ellis also received a "sign-up" bonus of \$10,000 and is entitled to employee benefits in line with those received by our other senior executives. In addition, Mr. Ellis was granted stock options to purchase 60,000 Class A shares at an exercise price equal to the closing price of our Class A shares on the date of grant and which will vest in equal annual increments over a three-year period, subject to his remaining in our continuous employ through each annual vesting date.

Under his employment agreement, we may terminate Mr. Ellis' employment with or without cause (as defined) at any time. If we terminate his employment without cause, Mr. Ellis will be entitled to receive severance in an amount equal to the compensation he would have received for the remainder of the term of his employment agreement, or 24 months, whichever is less. If the termination is in connection with a "change of control" (as defined), Mr. Ellis would be entitled to severance in an amount equal to the compensation he would have received for a period of twice the number of months remaining in the term of his employment agreement.

Andrzej Matyczynski. Mr. Matyczynski, our Chief Financial Officer, has a written employment agreement with our company that provides for a specified annual base salary and other compensation. Mr. Matyczynski resigned as our Chief Financial Officer effective May 11, 2015, but will continue as an employee until April 15, 2016 in order to assist in the transition of our new Chief Financial Officer, Mr. Ghose, whose information is set forth above. Upon termination of Mr. Matyczynski's employment, he will become entitled under his employment agreement to a lump-sum severance payment of six months' base salary and to the payment of his vested benefit under his deferred compensation plan discussed above in this section.

2010 Equity Incentive Plan

On May 13, 2010, our stockholders approved the 2010 Stock Incentive Plan (the "Plan") at the annual meeting of stockholders in accordance with the recommendation of the board of directors of the Company. The Plan provides for awards of stock options, restricted stock, bonus stock, and stock appreciation rights to eligible employees, directors, and consultants. The Plan permits issuance of a maximum of 1,250,000 shares of class A nonvoting common stock. The Plan expires automatically on March 11, 2020.

Equity incentive bonuses may be awarded to align our executives' long-term compensation to appreciation in stockholder value over time and, so long as such grants are within the parameters of the Plan, historically were entirely discretionary on the part of Mr. Cotter, Sr. Other stock grants are subject to board approval. Equity awards may include stock options, restricted stock, bonus stock, or stock appreciation rights. Apart from the stock award to Mr. Cotter, Sr., no stock bonuses were awarded to our executive officers in 2014.

If awarded, it is generally our policy to value stock options and restricted stock at the closing price of our common stock as reported on the NASDAQ Capital Market on the date the award is approved or on the date of hire, if the stock is granted as a recruitment incentive. When stock is granted as bonus compensation for a particular transaction, the award may be based on the market price on a date calculated from the closing date of the relevant transaction. Awards

may also be subject to vesting and limitations on voting or other rights.

16

Certain Federal Income Tax Consequences

Non-qualified Stock Options. There will be no federal income tax consequences to either the Company or the participant upon the grant of a non-discounted NQSO. However, the participant will realize ordinary income on the exercise of the NQSO in an amount equal to the excess of the fair market value of the common stock acquired upon the exercise of such option over the exercise price, and the Company will receive a corresponding deduction. The gain, if any, realized upon the subsequent disposition by the participant of the common stock will constitute short-term or long-term capital gain, depending on the participant's holding period.

Incentive Stock Options. There will be no regular federal income tax consequences to either the Company or the participant upon the grant or exercise of an incentive stock option. If the participant does not dispose of the shares of common stock for two years after the date the option was granted and one year after the acquisition of such shares of common stock, the difference between the aggregate option price and the amount realized upon disposition of the shares of common stock will constitute long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the shares of common stock are disposed of in a sale, exchange or other "disqualifying disposition" during those periods, the participant will realize taxable ordinary income in an amount equal to the excess of the fair market value of the common stock purchased at the time of exercise over the aggregate option price (adjusted for any loss of value at the time of disposition), and the Company will be entitled to a federal income tax deduction equal to such amount, subject to the limitations under Code Section 162(m).

While the exercise of an incentive stock option does not result in current taxable income, the excess of (1) the fair market value of the option shares at the time of exercise over (2) the exercise price, will be an item of adjustment for purposes of determining the participant's alternative minimum tax income.

SARs. A participant receiving an SAR will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When a participant exercises the SAR, the amount of cash and the fair market value of any shares of common stock received will be ordinary income to the participant and will be allowed as a deduction for federal income tax purposes to the Company, subject to limitations under Code Section 162(m). In addition, the Board (or Committee), may at any time, in its discretion, declare any or all awards to be fully or partially exercisable and may discriminate among participants or among awards in exercising such discretion.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant, a participant receiving a restricted stock award will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock, and the Company will be entitled to a corresponding tax deduction at that time, subject to the limitations under Code Section 162(m).

Director Compensation

During 2014, all of our directors, except Mr. James J. Cotter Sr., Mr. James J. Cotter, Jr. and Ms. Ellen M. Cotter, received an annual fee of \$35,000 (prorated for the year in which a director is first elected or appointed). In addition to their annual directors fee, the following directors received a one-time fee of \$5,000 for their services as a member of the board and of all board committees on which they serve; Messrs. Adams, Gould, McEachern and Kane. Mr. Storey received a one-time fee of \$10,000, for his services as a member of the board and of all board committees on which he served. Messrs. McEachern and Storey also each received an additional \$6,000 for their participation in Special Committee Meetings. For 2014, the Chair of our Audit and Conflicts Committee received an additional fee of \$7,000, the Chair of our Compensation Committee

received an additional fee of \$5,000, and the Chair of our Tax Oversight Committee received an additional fee of \$18,000.

Upon joining our board, new directors have historically received immediately vested five-year stock options to purchase 20,000 shares of our Class A Stock at an exercise price equal to the market price of the stock at the date of grant. From time to time our directors also are granted additional stock options as compensation for their service on our board. Historically, these awards were based upon the recommendations of our former Chair and principal shareholder, Mr. James J. Cotter, Sr., which recommendations were reviewed and acted upon by our entire board. When such additional awards have been made, typically, each sitting director (other than Mr. Cotter, Sr., who historically did not participate in such awards) was awarded the same number of options on the same terms. Historically, we have granted our officers and directors replacement options where their options would otherwise expire with exercise prices that were out of the money at the time of such expiration.

In November 2014, our board of directors determined to make grants to our non-employee directors on January 15 of each year of stock options to purchase 2,000 shares of our Class A Stock. The options will be for a term of five years, have an exercise price equal to the market price of Class A Stock on the grant date and be fully vested immediately upon grant.

The following table sets forth information concerning the compensation to persons who served as our non-employee directors during 2014 for their services as directors.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

Except as described below, the following table sets forth the shares of Class A Stock and Class B Stock beneficially owned on April 30, 2015 by:

- each of our incumbent directors;

19

- each of our incumbent named executive officers set forth in the Summary Compensation Table of this Proxy Statement;
- each person known to us to be the beneficial owner of more than 5% of our Class B Stock; and
- all of our incumbent directors and incumbent executive officers as a group.

The beneficial ownership of 327,808 shares of our outstanding Class B Stock, which we refer to as the “disputed shares,” and 100,000 shares of Class B Stock underlying a currently exercisable stock option, which we refer to as the “disputed option,” is disputed by the Cotter family members, and the following table does not ascribe to any person or entity the beneficial ownership of the disputed shares or of the shares underlying the disputed option.

Except as noted, we believe that each beneficial owner has sole voting power and sole investment power with respect to the shares shown. An asterisk (*) denotes beneficial ownership of less than 1%.

(1)Percentage ownership is determined based on 21,745,484 shares of Class A Stock and 1,580,590 shares of Class B Stock outstanding on May 6, 2015. Except as described in footnote (13) with respect to the beneficial ownership of all directors

20

and executive officers as a group, the table does not ascribe to any person or entity the beneficial ownership of the disputed shares or of the shares underlying the disputed option. Except as described with respect to the disputed shares and the disputed option, beneficial ownership has been determined in accordance with SEC rules. Shares subject to options that are presently exercisable, or exercisable within 60 days of May 6, 2015, which are indicated by footnote, are deemed to be beneficially owned by the person holding the options and are deemed to be outstanding in computing the percentage ownership of that person, but not in computing the percentage ownership of any other person.

(2)The Class A Stock shown include 97,500 shares subject to stock options. The Class A Stock shown also include 289,390 shares held by a trust for the benefit of James J. Cotter, Sr.'s grandchildren (the "Cotter grandchildren's trust") and 102,751 held by the James J. Cotter Foundation. Mr. Cotter, Jr. is co-trustee of the Cotter grandchildren's trust and of the Cotter Foundation and, as such, is deemed to beneficially own such shares. Mr. Cotter, Jr. disclaims beneficial ownership of such shares except to the extent of his pecuniary interest, if any, in such shares. The Class A Stock shown also includes 1,897,649 shares held by the James J. Cotter Living Trust, or the "Living Trust," which became irrevocable upon Mr. Cotter, Sr.'s death on September 13, 2014. See footnotes (9) and (10) for information regarding beneficial ownership of the shares held by the Living Trust that is disputed by the Cotter family members.

(3)The Class A Stock shown includes 20,000 shares subject to stock options. The Class A Stock shown also include 102,751 shares held by the James J. Cotter Foundation. Ms. Cotter is co trustee of the Cotter Foundation and, as such, is deemed to beneficially own such shares. Ms. Cotter disclaims beneficial ownership of such shares except to the extent of her pecuniary interest, if any, in such shares. The Class A Stock shown also includes 408,263 shares that Ms. Cotter maintains are part of the Estate of James J. Cotter, Deceased (the "Cotter Estate") that is being administered in the State of Nevada and that Mr. Cotter, Jr. contends are held by the Living Trust. On December 22, 2014, the District Court of Clark County, Nevada, appointed Ellen M. Cotter and Margaret Cotter as co-executors of the Cotter Estate. As such, Ellen M. Cotter would be deemed to beneficially own such shares. As co-trustees of the Living Trust, the three Cotter family members would be deemed to beneficially own such shares depending upon the outcome of the matters described in footnote (9). The shares shown also include 1,897,649 shares held by the Living Trust. See footnotes (9) and (10) for information regarding beneficial ownership of the shares held by the Living Trust that is disputed by the Cotter family members.

(4)The Class A Stock shown includes 17,000 shares subject to stock options. The Class A shares shown also include 289,390 shares held by the Cotter grandchildren's trust and 102,751 shares held by the James J. Cotter Foundation. Ms. Cotter is co-trustee of the Cotter grandchildren's trust and of the Cotter Foundation and, as such, is deemed to beneficially own such shares. Ms. Cotter disclaims beneficial ownership of such shares except to the extent of her pecuniary interest, if any, in such shares. The Class A Stock shown includes 408,263 shares that Ms. Cotter maintains are part of the Cotter Estate and that Mr. Cotter, Jr. contends are held by the Living Trust. As co-executor of the Cotter Estate, Ms. Cotter would be deemed to beneficially own such shares. As co-trustees of the Living Trust, the three Cotter family members would be deemed to beneficially own such shares depending upon the outcome of the matters described in footnote (9). The shares shown also include 1,897,649 shares held by the Living Trust. See footnotes (9) and (10) for information regarding beneficial ownership of the shares held by the Living Trust that is disputed by the Cotter family members.

(5)Includes 17,000 shares subject to stock options.

(6)The Class A Stock shown includes 2,000 shares subject to stock options.

(7)Includes 27,000 shares subject to stock options.

(8)Consists of shares subject to stock options.

(9) James J. Cotter, Jr., Ellen M. Cotter and Margaret Cotter are the Co-trustees of the Living Trust. On June 5, 2013, the Declaration of Trust establishing the Living Trust was amended and restated (the “2013 Restatement”) to provide that, upon the death of James J. Cotter, Sr., the Trust’s shares of Class B Stock were to be held in a separate trust, to be known as the “Reading Voting Trust,” for the benefit of the grandchildren of Mr. Cotter, Sr. Mr. Cotter, Sr. passed away in September 2014. The 2013 Restatement also names Margaret Cotter the sole trustee of the Reading Voting Trust and names James J. Cotter, Jr. as the first alternate trustee in the event that Ms. Cotter is unable or unwilling to act as trustee. On June 19, 2014, Mr. Cotter, Sr. signed a 2014 Partial Amendment to Declaration of Trust (the “2014 Amendment”) that names Margaret Cotter and James J. Cotter, Jr. as the co-trustees of the Reading Voting Trust and provides that, in the event they are unable to agree upon an important trust decision, they shall rotate the trusteeship between them annually on each January 1st. It further directs the trustees of the Reading Voting Trust to, among other things, vote the Class B Stock held by the Reading Voting Trust in favor of the appointment of Ellen Cotter, Margaret Cotter and James J. Cotter, Jr. to our board and to take all actions to rotate the chairmanship of our board among the three of them. On February 6, 2015, Ellen Cotter and Margaret Cotter filed a Petition in the Superior Court of the State of California, County of Los Angeles, captioned In re James J. Cotter Living Trust dated August 1, 2000 (Case No. BP159755). The Petition, among other things, seeks relief that could determine the validity of the 2014 Amendment and who between Margaret Cotter and James J. Cotter Jr. will have authority as trustee or co-trustees of the Reading Voting Trust to vote the shares of Class B Stock shown (in whole or in part) and the scope and extent of such authority. Mr. Cotter, Jr. has filed an opposition to the Petition. As co-trustees of the Living Trust, Mr. Cotter, Jr., Ellen M. Cotter and Margaret Cotter would share voting and investment power of the shares held by the Living Trust and, as such, would be deemed to beneficially own such shares. As trustee or co-trustees of the Reading Voting Trust, Margaret Cotter or Mr. Cotter, Jr., or both, would be deemed to beneficially own the Class B

Stock shown. Each of Mr. Cotter, Jr., Ellen M. Cotter and Margaret Cotter disclaims beneficial ownership of the shares held by the Living Trust except to the extent of his or her pecuniary interest, if any, in such shares.

(10)Our stock register reflects that the 327,808 disputed shares of Class B Stock, which constitute approximately 20.7% of the voting power of our outstanding capital stock, and the disputed option to purchase 100,000 shares of Class B Stock, are standing in the name of Mr. Cotter, Sr. Ellen M. Cotter and Margaret Cotter dispute that Mr. Cotter, Sr. executed a written assignment that purported to transfer the disputed shares to the Living Trust and contend that, until such time as they pour over into the Living Trust, the disputed shares make up a part of the Cotter Estate. Ellen M. Cotter and Margaret Cotter also contend that the disputed option belongs to the Cotter Estate, while Mr. Cotter, Jr. disputes these contentions. Because the disputed shares and the shares underlying the disputed option together represent a material amount of our outstanding Class B stock, on April 29, 2015, we filed in the District Court of Clark County, Nevada, a petition requesting instructions from the Court regarding the disputed shares and the disputed option. A copy of our petition is set forth as an exhibit to our current report on Form 8 K filed with the SEC on May 4, 2015. Depending upon the outcome of this matter, the beneficial ownership of our Class B Stock will change, perhaps materially, from that presented in this table. The Cotter family also dispute whether the Class A Stock shown is held by the Living Trust or by the Cotter Estate.

(11)Based on Mr. Cuban's Form 4 filed with the SEC on July 18, 2011 and Schedule 13G filed on February 14, 2012.

(12)Based on the PICO Holdings, Inc. and PICO Deferred Holdings, LLC Schedule 13G filed with the SEC on February 15, 2011.

(13)The Class A Stock shown includes 408,263 disputed shares of Class A Stock and 251,250 shares subject to options. The Class B Stock shown includes the 327,808 disputed shares and the 100,000 shares subject to the disputed option.

ITEM 13.CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Certain Relationships and Related Transactions

The members of our Audit and Conflicts Committee are Edward Kane, Tim Storey, and Douglas McEachern, who serves as Chair. Management presents all potential related party transactions to the Conflicts Committee for review. Our Conflicts Committee reviews whether a given related party transaction is beneficial to our company, and approves or bars the transaction after a thorough analysis. Only Committee members disinterested in the transaction in question participate in the determination of whether the transaction may proceed.

Sutton Hill Capital

In 2001, we entered into a transaction with Sutton Hill Capital, LLC ("SHC") regarding the leasing with an option to purchase of certain cinemas located in Manhattan including our Village East and Cinemas 1, 2 & 3 theaters. In connection with that transaction, we also agreed to lend certain amounts to SHC, to provide liquidity in its investment, pending our determination whether or not to exercise our option to purchase and to manage the 86th Street Cinema on a fee basis. SHC is a limited liability company that is owned by Sutton Hill Associates, which was a 50/50 partnership between James J. Cotter, Sr. and Michael Forman. The Village East is the only cinema subject to this lease, and during 2014, 2013 and 2012 we paid rent to SHC in the amount of \$590,000 annually.

On June 29, 2010, we agreed to extend our existing lease from SHC of the Village East Cinema in New York City by 10 years, with a new termination date of June 30, 2020. The Village East lease includes a sub-lease of the ground underlying the cinema that is subject to a longer-term ground lease between SHC and an unrelated third party that

expires in June 2031 (the “cinema ground lease”). The extended lease provides for a call option pursuant to which Reading may purchase the cinema ground lease for \$5.9 million at the end of the lease term. Additionally, the lease has a put option pursuant to which SHC may require us to purchase all or a portion of SHC’s interest in the existing cinema lease and the cinema ground lease at any time between July 1, 2013 and December 4, 2019. SHC’s put option may be exercised on one or more occasions in increments of not less than \$100,000 each. In 2005, we acquired from a third party the fee interest and from SHC its interest in the ground lease estate underlying and the improvements constituting the Cinemas 1, 2 & 3. In connection with that transaction, we granted to SHC an option to acquire a 25% interest in the special purpose entity formed to acquire these interests at cost. On June 28, 2007, SHC exercised this option, paying the option exercise price through the application of its \$3 million deposit plus the assumption of its

22

proportionate share of SHP's liabilities, giving SHC a 25% non-managing membership interest in SHP. We manage this cinema property for an annual management fee equal to 5% of its annual gross income.

In February 2015, we and SHP entered into an amendment to the management agreement dated as of June 27, 2007 between us and SHC. The amendment, which was retroactive to December 1, 2014, memorialized our undertaking to SHP with respect to \$750,000 (the "Renovation Funding Amount") of renovations to Cinemas 1, 2 & 3 funded or to be funded by us. In consideration of our funding of the renovations, our annual management fee under the management agreement was increased commencing January 1, 2015 by an amount equivalent to 100% of any incremental positive cash flow of Cinemas 1, 2 & 3 over the average annual positive cash flow of the Cinemas over the three-year period ended December 31, 2014 (not to exceed a cumulative aggregate amount equal to the Renovation Funding Amount), plus a 15% annual cash-on-cash return on the balance outstanding from time to time of the Renovation Funding Amount, payable at the time of the payment of the annual management fee. Under the amended management agreement, we are entitled to retain ownership of (and any right to depreciate) any furniture, fixtures and equipment purchased by us in connection with such renovation and have the right (but not the obligation) to remove all such furniture, fixtures and equipment (at our own cost and expense) from the Cinemas upon the termination of the management agreement. The amendment also provides that, during the term of the management agreement, SHP will be responsible for the cost of repair and maintenance of the renovations.

OBI Management Agreement

Pursuant to a Theater Management Agreement (the "Management Agreement"), our live theater operations are managed by OBI LLC ("OBI Management"), which is wholly owned by Ms. Margaret Cotter who is our Vice Chair and the sister of James J. Cotter, Jr. and Ellen M. Cotter.

The Management Agreement generally provides that we will pay OBI Management a combination of fixed and incentive fees, which historically have equated to approximately 21% of the net cash flow received by us from our live theaters in New York. Since the fixed fees are applicable only during such periods as the New York theaters are booked, OBI Management receives no compensation with respect to a theater at any time when it is not generating revenue for us. This arrangement provides an incentive to OBI Management to keep the theaters booked with the best available shows, and mitigates the negative cash flow that would result from having an empty theater. In addition, OBI Management manages our Royal George live theater complex in Chicago on a fee basis based on theater cash flow. In 2014, OBI Management earned \$397,000, which was 20.9% of net cash flows for the year. In 2013, OBI Management earned \$401,000, which was 20.1% of net cash flows for the year. In 2012, OBI Management earned \$390,000, which was 19.7% of net cash flows for the year. In each year, we reimbursed travel related expenses for OBI Management personnel with respect to travel between New York City and Chicago in connection with the management of the Royal George complex.

OBI Management conducts its operations from our office facilities on a rent-free basis, and we share the cost of one administrative employee of OBI Management. Other than these expenses and travel-related expenses for OBI Management personnel to travel to Chicago as referred to above, OBI Management is responsible for all of its costs and expenses related to the performance of its management functions. The Management Agreement renews automatically each year unless either party gives at least six months' prior notice of its determination to allow the Management Agreement to expire. In addition, we may terminate the Management Agreement at any time for cause.

Live Theater Play Investment

From time to time, our officers and directors may invest in plays that lease our live theaters. The play STOMP has played in our Orpheum Theatre since prior to our acquisition of the theater in 2001. Mr. Cotter, Sr. owned an approximately 5% interest in that play.

Shadow View Land and Farming LLC

During 2012, Mr. Cotter, Sr., our former Chair, Chief Executive Officer and controlling shareholder, contributed \$2.5 million of cash and \$255,000 of his 2011 bonus as his 50% share of the purchase price of a land parcel in Coachella, California and to cover his 50% share of certain costs associated with that

23

acquisition. This land is held in Shadow View Land and Farming, LLC, which is owned 50% by our company. Mr. Cotter, Jr. contends that the other 50% interest in Shadow View Land and Farming, LLC is owned by the James J. Cotter, Sr. Trust, while Ellen Cotter and Margaret Cotter contend that such interest is owned by the Cotter Estate. We are the managing member of Shadow View Land and Farming, LLC, with oversight provided by our Audit and Conflicts Committee.

All Other Fees

Grant Thornton, LLP did not provide us any services for 2014 or 2013 other than as set forth above.

Pre-Approval Policies and Procedures

Our Audit Committee must pre-approve, to the extent required by applicable law, all audit services and permissible non-audit services provided by our independent registered public accounting firm, except for any de minimis non-audit services. Non-audit services are considered de minimis if (i) the aggregate amount of all such non-audit services constitutes less than 5% of the total amount of revenues we paid to our independent registered public accounting firm during the fiscal year in which they are provided; (ii) we did not recognize such services at the time of the engagement to be non-audit services; and (iii) such services are promptly submitted to our Audit Committee for approval prior to the completion of the audit by our Audit Committee or any of its members who has authority to give such approval. Our Audit Committee pre-approved all services provided to us by Grant Thornton LLP for 2014 and 2013.
