Item 5.07 Submission of Matters to a Vote of Security Holders.

On June 6, 2012, Stifel Financial Corp. (the "Company") held its 2012 annual stockholders' meeting (the "2012 Annual Meeting"). The holders of 52,035,509 shares of common stock, 97% of the outstanding shares entitled to vote as of the record date, which constituted a quorum were represented at the meeting in person or by proxy. The four proposals submitted to the Company's stockholders are described in detail in the Company's Proxy Statement as filed with the Securities and Exchange Commission on April 20, 2012, as amended on May 25, 2012. At the 2012 Annual Meeting, the stockholders elected five directors (proposal I), approved the compensation of our named executive officers (proposal II), approved the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the year ended December 31, 2012 (proposal III), and approved the stockholder proposal requesting the Board to initiate the appropriate process to amend the Company's articles and/or bylaws to provide that director nominees be elected by a majority vote in uncontested election (Proposal IV). Without any discussion or prior agreement with the proponent of the stockholder proposal, the Board of Directors reconsidered its initial recommendation on proposal IV and recommended a vote "FOR" the approval of the proposal.

The final results for the proposals approved prior to the adjournment of the 2012 Annual Meeting were as follows:

Proposal I:

The Company's stockholders elected five Class II directors to hold office until the 2015 annual meeting of stockholders or until their respective successors are elected and qualified or until their earlier death, resignation or removal.
