Item 8.01.

Other Events.

As previously announced, in June 2014, Ventas, Inc. (“Ventas” or the “Company”) entered into a definitive agreement to acquire all of the outstanding shares of American Realty Capital Healthcare Trust, Inc. (“HCT”) in a stock and cash transaction valued at approximately \$2.9 billion, or \$11.33 per HCT share, including investments expected to be made by HCT prior to completion of the acquisition, substantially all of which have now been completed. The Company expects to fund the transaction through the issuance of its common stock, valued at \$67.13 per share (for aggregate consideration of between \$1.8 billion and \$2.0 billion), the assumption of debt and cash. Completion of the transaction is subject to the approval of HCT stockholders and customary closing conditions. Ventas expects to complete the HCT transaction in January 2015, although there can be no assurance as to whether or when the transaction will be completed.

There can be no assurance that future events, none of which are currently known, will not occur with respect to American Realty Capital Properties, Inc. (“ARCP”), an entity previously sponsored by the parent of American Realty Capital V, LLC (the “Sponsor”), regarding certain accounting errors previously disclosed by ARCP which may have an impact on HCT.

ARCP, which is a separate public, listed company, recently filed a Current Report on Form 8-K announcing that its audit committee had concluded that the previously issued financial statements and other financial information contained in certain public filings of ARCP should no longer be relied upon as a result of certain accounting errors. ARCP’s former chief financial officer and its former chief accounting officer have resigned. ARCP has initiated an investigation into these matters that is ongoing. ARCP’s former chief financial officer does not have a current role in the management of the Sponsor’s or HCT’s business, but served as HCT’s chief financial officer from August 2010 to December 2013. This person, along with one of HCT’s existing executive officers/director (who currently serves as a director of ARCP), was involved in the oversight of HCT’s financial reporting in prior periods in 2013 and 2012.

HCT’s historical financial statements have been timely filed and incorporated by reference in this document. Although there has been no suggestion that the events at ARCP are related to HCT’s financial statements, the audit committee of HCT recently engaged a separate audit firm to perform certain forensic procedures related to HCT’s historical financial statements. HCT and its audit committee believe that HCT’s historical financial statements fairly present in all material respects the financial condition of HCT and its consolidated subsidiaries. However, there can be no assurance that future events, none of which are currently known, will not occur with respect to ARCP that could have an impact on HCT.
