These options were granted under the Company's 1997 Stock Option Plan, the 2000 Stock Option Plan and the 2002 Stock Option Plan. All three Plans set forth certain earlier expiration dates upon the option holder's termination of employment or cessation of Board service, (1) as the case may be. In addition, the exercisability of outstanding options may be accelerated as approved by the committee administering the Plans, and will be accelerated upon the occurrence of certain specified "change in control" events, in which case the options will be automatically purchased by the Company at a defined acceleration price.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
