PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

JUNE 10, 2011

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of UMH Properties, Inc. (the Company) of proxies to be voted at the Annual Meeting of Shareholders of the Company to be held on June 10, 2011, and at any adjournments thereof, for the purposes listed in the preceding Notice of Annual Meeting of Shareholders. This Proxy Statement and the accompanying Proxy Card are being distributed on or about April 25, 2011 to shareholders of record on April 8, 2011.

A copy of the Annual Report, including financial statements, is being mailed herewith, and is available on the Company's website at www.umh.com.

INTERNET AVAILABILITY OF PROXY MATERIALS

Under rules adopted by the U.S. Securities and Exchange Commission (SEC), you are able to obtain proxy materials via the Internet, instead of being mailed printed copies of those materials. This will expedite shareholders' receipt of proxy materials, lower the cost of the annual meeting, and help conserve natural resources. Please visit the website www.proxyvote.com to view electronic versions of proxy materials and the Company's 2010 Annual Report, and to request electronic delivery of future proxy materials. Have your Proxy Card or notice of internet availability in hand when you access the website and follow the instructions. You will need your 12 digit Control Number which is located on your proxy card or notice of internet availability.

VOTING RIGHTS

Only holders of the Company's \$.10 par value common stock (Common Stock) of record as of the close of business on April 8, 2011, are entitled to vote at the Annual Meeting. As of the record date, there were issued and outstanding 14,181,108 shares of Common Stock, each share being entitled to one vote on any matter which may properly come before the Annual Meeting. Said voting right is non-cumulative. The holders of a majority of the outstanding shares of Common Stock shall constitute a quorum. If a quorum is present, a plurality of the votes cast at the Company's Annual Meeting of Shareholders is required to elect a director. Cumulative voting in the election of directors is not permitted. Approval of proposals 2, 3 and 4 require the affirmative vote of a majority of the vote cast on the proposal at the Annual Meeting.

Abstentions and properly executed broker non-votes are not considered votes cast and will have no effect on the results of the election of directors or on the vote on any of the proposals to be considered at the Annual Meeting.

VOTING METHODS

Shareholders may vote using any of the following methods:

By Telephone or on the Internet

You can vote by calling the toll-free telephone number on your Proxy Card or Notice. Please have your Proxy Card or Notice in hand when you call. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. The website for Internet voting is *www.proxyvote.com*. Please have your Proxy Card or Notice handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials. Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m. Eastern Daylight Time on June 9, 2011. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, the Company recommends that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your Proxy Card.

By Mail

If you received your Annual Meeting materials by mail, you may complete, sign and date the Proxy Card or voting instruction card and return it in the prepaid envelope. If you are a shareholder of record and you return your signed Proxy Card but do not indicate your voting preferences, the persons named in the Proxy Card will vote the shares represented by that proxy as recommended by the Board of Directors.

In Person at the Annual Meeting

All shareholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

Any shareholder giving the accompanying proxy has the power to revoke it at any time before it is exercised at the Annual Meeting by filing with the Secretary of the Company an instrument revoking it, by delivering a duly executed proxy card bearing a later date, or by appearing at the meeting and voting in person. Shares represented by properly executed proxies will be voted as specified thereon by the shareholder. Unless the shareholder specifies otherwise, such proxies will be voted FOR the proposals set forth in the Notice of Annual Meeting.

The cost of preparing, assembling and distributing this Proxy Statement and form of proxy, and the cost of soliciting the proxies related to the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, internet and telephone, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's articles of incorporation and bylaws provide for a classified board of directors comprised of Class I, II, and III directors, serving staggered three-year terms. In addition, the articles of incorporation and bylaws authorize the Board of Directors to increase or decrease the size of the Board and to appoint directors to fill any vacancies on the Board. The Board of Directors, at its April 6, 2011 meeting, adopted a resolution to increase the size of the Board from 7 directors to 9 directors and, to fill the resulting vacancies, appointed Jeffrey A. Carus as a Class II director for the remaining term of Class II expiring in 2011 and appointed Michael P. Landy, Executive Vice President, as a Class I director for the remaining term of Class I expiring in 2013. Messrs. Carus and Landy have the same rights and powers as the other directors, including the right to receive director fees and the power to vote.

Three Class II directors are scheduled to be elected at the Annual Meeting to serve until the Company's annual meeting of shareholders in 2014 and until their successors are duly elected and qualify. Mr. Carus and the Company's two other existing Class II directors have been nominated by the Board for election at the Annual Meeting. The three nominees for election as Class II directors are set forth below. In the event any nominee is unable to serve or will not serve as a director before the Annual Meeting, the proxy holders will vote all proxies received by them for any nominee designated by the Company's Board of Directors. In the event that additional persons are nominated for election as Class II directors, the proxy holders intend to vote all proxies received by them for the nominees listed below and against any other nominee. As of the date of this proxy statement, the Company's Board of Directors is not aware of any other individual who may properly be nominated for election as a Class II director at the Annual Meeting or of any nominee who is unable or unwilling to serve as director. The nominees listed below are currently each serving as a director of the Company.

The proxies solicited cannot be voted for a greater number of persons than the nominees named.

Eugene Rothenberg, nominee for director, is also a director of Monmouth Real Estate Investment Corporation (MREIC), a publicly-owned affiliate of the Company. In addition, the Officers and Directors of the Company may engage in real estate transactions for their own account, which transactions may also be suitable for the Company. In most respects, the activities of the Company and MREIC are not in conflict, but rather complement each other. However, the activities of the Officers and Directors of the Company on behalf of MREIC, or for their own account, may on occasion conflict with those of the Company and deprive the Company of favorable opportunities. It is the opinion of the Officers and Directors of the

Company that there have been no conflicting transactions since the beginning of the last fiscal year.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No Director attended fewer than 75% of the Board of Director meetings and Committee meetings. The Company does not have a policy concerning Directors attendance at the Annual Meeting of Shareholders. Three Directors attended the Company's 2010 Annual Meeting of Shareholders.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors.

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent registered public accounting firm, approving the audit fees, and discussing the independence of the independent registered public accounting firm. It also oversees the internal audit function, legal and regulatory compliance and adherence to the Code of Business Conduct and Ethics, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report which is included in the Company's annual proxy statements. The Audit Committee had four meetings during the fiscal year, including an executive session with the independent registered public accounting firm, in which management did not attend. The Audit Committee operates under the Audit Committee Charter which is presented herein at Appendix A and is also available on the Company's website at www.umh.com.

The current members of the Company's Audit Committee are James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin (Chairman). The Board has determined that each member of the Audit Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE Amex, and that each of them is able to read and understand fundamental financial statements. The Board has also determined that

James E. Mitchell and Stephen B. Wolgin are audit committee financial experts within the meaning of the rules of the SEC and are financially sophisticated within the meaning of the rules of the NYSE Amex.

Compensation Committee

The Compensation Committee (1) evaluates the President's performance in light of the Company's goals and objectives and determines the President's and other executive officers' compensation, which includes base salary and bonus; and (2) administers the Company's 2003 Stock Option and Stock Award Plan (2003 Plan), as amended and restated. The Compensation Committee had one meeting during the last fiscal year. The current members of the Compensation Committee are James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin. The Board has determined that each member of the Compensation Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE Amex. Our Compensation Committee does not operate under a written charter.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board of Directors and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had one meeting during the last fiscal year. The current members of the Nominating Committee are James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Stephen B. Wolgin. The Board has determined that each member of the Nominating Committee is independent as defined by the rules of the SEC and the listing standards of the NYSE Amex. Our Nominating Committee does not operate under a written charter.

The principal function of the Nominating Committee is to review and select candidates for nomination to the Board of Directors. Recommendations with regard to nominees for election to the Board of Directors may be submitted by any shareholder entitled to vote for the election of directors in writing, received by the Secretary of the Corporation at least 90 days but not more than 120 days prior to the first anniversary of the date on which the Company mailed its proxy materials for the prior year's annual meeting of shareholders. Each notice of nomination must set forth (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of common stock of the Company which are beneficially owned by each such nominee, and (iv) such other information as required by the SEC pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended (Exchange Act).

In connection with the formation of the Nominating Committee, the Company's Board of Directors established certain minimum qualifications for board members, including being at least 21 years old and possessing (1) the ability to read and understand corporate financial statements, (2) relevant business experience and professional skills, (3) high moral character and personal and professional integrity, and (4) the willingness to commit sufficient time to attend to his or her duties and responsibilities as a director of a public corporation. In addition, the Nominating Committee may consider a variety of other qualities and skills, including (i) the ability to exercise independent decision-making, (ii) the absence of conflicts of interest, and (iii) the ability to work effectively with other directors in collectively serving the long-term interests of all

shareholders. Nominees must also meet any applicable requirements of SEC regulations, state law, and the Company's articles of incorporation and bylaws.

The Nominating Committee has established a process for identifying and evaluating nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chairman of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by shareholders, and, if deemed necessary or appropriate, hiring a search firm. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contacts. To the extent feasible, all of the members of the Nominating Committee and the President will interview the prospective candidate(s). Evaluations and recommendations of the interviewers will be submitted to the Nominating Committee for final evaluation. The Nominating Committee will meet to consider such recommendations and to approve the final candidate. The Nominating Committee will evaluate all nominees for director, including nominees recommended by a shareholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

Independent Director Meeting

The Company's independent directors, as defined under the listing standards of the NYSE Amex, have established a policy to meet separately from the other directors in a regularly scheduled executive session at least annually, and at such times as may be deemed appropriate by the Company's independent directors. Any independent director may call an executive session of independent directors at any time. The independent directors had one meeting during the last fiscal year.

Board Leadership Structure and Risk Oversight

Eugene W. Landy is the Chairman of the Board of Directors. Samuel A. Landy, the Company's President and Chief Executive Office, is also a member of the Board of Directors. The Company believes that this structure helps ensure critical and independent thinking with respect to the Company's strategy and performance, while ensuring that management's insight is directly available to the directors in their deliberations. The Board of Directors does not have a lead independent director. The Board reviews the structure of the Board and Company leadership as part of the succession planning process.

The Board of Directors oversees the Company's enterprise-wide approach to the major risks facing the Company and oversees the Company's policies for assessing and managing its exposure to risk. The Board periodically reviews these risks and the Company's risk management processes. The Board also considers risk in evaluating the Company's strategy. The Board's responsibilities include reviewing the Company's practices with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Company. The Audit Committee reviews the Company's financial and compliance risks and major legislative and regulatory developments which could materially impact the Company. The Compensation Committee oversees management's assessment of whether the Company's compensation structure, policies and programs create risks that are reasonably likely to have a material adverse effect on the Company.

Shareholder Communications

The Company has established procedures for shareholders to communicate with the Board of Directors on a confidential basis. Shareholders who wish to communicate with the Board or with a particular director may send a letter to the Secretary of the Company at 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728. The mailing envelope must contain a clear notation indicating that the enclosed mailing is a "Shareholder-Board Communication" or "Shareholder-Director Communication". All such letters must identify the author as a shareholder and clearly state whether the intended recipients of the letter are all of the members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the directors addressed. If a shareholder wishes the communication to be confidential, such shareholder must clearly indicate on the envelope that the communication is "Confidential". The Secretary will then forward such communication, unopened, to the intended recipient.

Code of Conduct

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers, and employees of the Company, including its principal executive officers and principal financial officer. This code is posted on our website at <http://www.umh.com>. During 2010, no violations of the Code of Business Conduct and Ethics were reported nor were any waivers granted.

PROPOSAL 2

APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Company's annual meeting of shareholders, the Company's common shareholders will be asked to consider and vote on a proposal to approve the appointment of PKF LLP (PKF) as the Company's independent registered public accounting firm for the year ending December 31, 2011. The Company's articles of incorporation and bylaws do not require that its shareholders ratify the appointment of PKF as the Company's independent registered public accounting firm. The Company is asking its common shareholders to ratify this appointment as a matter of good corporate practice. If the Company's common shareholders do not ratify the appointment of PKF, the Company's Audit Committee will reconsider whether or not to retain

PKF as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of PKF is ratified by the Company's common shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company. The Company expects a representative of PKF to be present at the Annual Meeting either to make a statement or to respond to appropriate questions.

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS YOU VOTE FOR THE PROPOSAL TO APPROVE THE APPOINTMENT OF PKF LLP AS THE COMPANY'S REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2011

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, our shareholders have the opportunity to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers.

Our executive compensation programs are described in detail in this proxy statement in the section titled "Compensation Discussion and Analysis" and the accompanying tables beginning on page 16. These programs are designed to attract and retain talented individuals who possess the skills and expertise necessary to lead the Company. The Company's 2003 Plan, as amended and restated, which is the primary vehicle for providing long-term incentive compensation to our named executive officers, has been previously voted upon and approved by our shareholders.

The Compensation Committee regularly reviews all elements of the compensation paid to our named executive officers. The Committee believes that the Company's present compensation programs, as presented in the Compensation Discussion and Analysis section and the accompanying tables and related narrative disclosure in this proxy statement, promote in the best manner possible our business objectives while aligning the interests of the named executive officers with our shareholders to ensure continued positive financial results. Our results support this conclusion. By adhering to a business plan that has emphasized manufactured home communities, coupled with a strong balance sheet, the Company has continued to grow and deliver positive results to our shareholders, despite the broad economic downturn of the last several years. The Company is proud of its long-term record of dividends and profitability. The compensation programs for our named executives are a key ingredient in motivating these executives to continue to deliver such results.

The affirmative vote of a majority of the votes cast at the Annual Meeting, in person or by properly executed proxy, subject to quorum requirements, will be required to approve, on an advisory basis, the compensation of our named executive officers. The results of this advisory vote are not binding on the Compensation Committee, the Company or our Board of Directors. Nevertheless, the Board of Directors values input from our shareholders and will consider

carefully the results of this vote when making future decisions concerning executive compensation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS SECTION AND THE ACCOMPANYING COMPENSATION TABLES IN THIS PROXY STATEMENT

PROPOSAL 4

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, our shareholders also have the opportunity to vote on the frequency of future shareholder advisory votes on the compensation of our named executive officers, such as Proposal 3 included in this proxy statement. By voting on this Proposal 4, shareholders may recommend whether future advisory votes on executive compensation should be conducted every "one year," "two years" or "three years."

After consideration of this Proposal, the Compensation Committee and the Board of Directors have determined that a vote on the compensation of our named executive officers every three years is the best alternative for the Company. The Board of Directors historically has emphasized long-term strategic planning for the Company and the Compensation Committee has fashioned executive compensation programs that place a greater emphasis on the attainment of long-term growth objectives than on short-term success. An advisory vote every three years is consistent with this long-term growth strategy and also will provide the Company with adequate time to engage shareholders to better understand vote results when considering changes to the Company's executive compensation programs.

The selection of "one year", "two years" or "three years" that receives the greatest number of votes of the total combined voting power of all classes of stock entitled to vote and present at the Annual Meeting, in person or by properly executed proxy, subject to quorum requirements, will indicate the shareholders' preference for the frequency of future votes on the compensation of our named executive officers and the Board of Directors encourages this input from the shareholders. However, since this vote is not binding on the Board of Directors, the Compensation Committee or the Company, the Board of Directors may decide that it is in the best interest of the Company and the shareholders to hold future advisory votes on the compensation of our named executive officers more or less frequently than as indicated by the shareholder vote on this Proposal 4.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR "THREE YEARS" AS THE FREQUENCY FOR FUTURE NON-BINDING ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the "Committee") of the Board has been appointed to discharge the Board's responsibilities relating to the compensation of the Company's executive officers. The Committee has the overall responsibility for approving and evaluating the executive officer compensation plans, policies and programs of the Company. The Committee's primary objectives include serving as an independent and objective party to review such compensation plans, policies and programs. Our Compensation Committee does not operate under a written charter.

Throughout this report, the individuals who served as the Company's chief executive officer and chief financial officer during fiscal 2010, as well as the other individuals included in the Summary Compensation Table presented below are sometimes referred to in this proxy statement as the named executive officers.

Compensation Philosophy and Objectives

The Compensation Committee believes that a well-designed compensation program should align the goals of the shareholders with the goals of the chief executive officer, and that a significant part of the executive's compensation, over the long term, should be dependent upon the value created for shareholders. In addition, all executives should be held accountable through their compensation for the performance of the Company, and compensation levels should also reflect the executive's individual performance in an effort to encourage increased individual contributions to the Company's performance. The compensation philosophy, as reflected in the Company's employment agreements with its executives, is designed to motivate executives to focus on operating results and create long-term shareholder value by:

- establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other publicly-traded real estate investment trusts, or REITs;

- linking a portion of executives' compensation to the achievement of the Company's business plan by using measurements of the Company's operating results and shareholder return; and

building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

The Compensation Committee believes that each of the above factors is important when determining compensation levels for named executive officers. The Committee reviews and approves the employment contracts for the Chairman of the Board and President, including performance goals and objectives. The Committee annually evaluates performance of these

executive officers in light of those goals and objectives. The Committee considers the Company's performance, relative shareholder return, the total compensation provided to comparable officers at similarly-situated companies, and compensation given to named executive officers in prior years. The Committee uses the Residential Sector of the Real Estate Compensation Survey (the survey), produced under the guidance of the National Association of Real Estate Investment Trusts (NAREIT), as a guide to setting compensation levels. Participant company data is not presented in a manner that specifically identifies any named individual or company. This survey details compensation by position type with statistical salary and bonus information for each position. The Company's salary and bonus amounts are compared to the ranges presented for reasonableness. To that end, the Committee believes executive compensation packages provided by the Company to its executive officers should include both base salaries and annual bonus awards that reward corporate and individual performance, as well as give incentives to those executives who meet or exceed established goals.

Role of Executive Officers in Compensation Decisions

The Committee makes all final compensation decisions for the Company's named executive officers. The President annually reviews the performance of the other named executive officers and then presents his conclusions and recommendations to the Committee with respect to base salary adjustments and annual cash bonus and stock option awards. The Committee exercises its own discretion in modifying any recommended adjustments or awards, but does consider the recommendations from the President.

Role of Grants of Stock Options and Restricted Stock in Compensation Analysis

The Committee views the grant of stock options and restricted stock awards as a form of long-term compensation. The Committee believes that the grant of these options promotes the Company's goal of retaining key employees, and aligns the key employee's interests with those of the Company's shareholders from a long-term perspective. The number of options or shares of restricted stock granted to each employee is determined by consideration of various factors including, but not limited to, the employee's title, responsibilities and years of service.

Role of Employment Agreements in Determining Executive Compensation

Each of the Company's currently employed executive officers is a party to an employment agreement. These agreements provide for base salaries, bonuses and customary fringe benefits. The key elements of our compensation program for the named executive officers are base salary, bonuses, stock options and perquisites and other benefits. Each of these is addressed separately below. In determining initial compensation, the compensation committee considers all elements of a named executive officer's total compensation package in comparison to current market practices and other benefits.

Base Salaries

Base salaries are paid for ongoing performance throughout the year. In order to compete for and retain talented executives who are critical to the Company's long-term success, the Committee has determined that the base salaries of named executive officers should approximate those of executives of other equity REITs that compete with the Company for employees, investors and business, while also taking into account the named executive officers' performance and tenure and the Company's performance relative to its peer companies within the REIT industry using the NAREIT Compensation Survey described above.

Bonuses

In addition to the provisions for base salaries under the terms of our employment agreements, the President is entitled to receive an annual maximum cash bonus of up to 21% of base salary, based on the achievement of certain performance goals set by the Committee. In order to receive a bonus, FFO must have increased 3% during the year, or 9% over the three year contract period. The following are the performance goals for the President:

a.

FFO per share to increase 5% per year. Income to be calculated based on ordinary park operation including sales of homes after tax income. Extraordinary one time items are not to be included for performance purposes. Any increase or decrease in the number of shares is to be adjusted so that the determination is based on a constant number of shares. (Bonus of 7% of base salary.)

b.

There shall be a minimum of 175 new home sales per year. (Bonus of 10% of base salary.)

c.

Occupancy to increase 1%, with not more than 10% of the increase being from rentals. (Bonus of 10% of base salary.)

d.

Acquisition of at least 250 spaces per year. (Bonus of 7% of base salary.)

Bonuses awarded to other senior executives are recommended by the President and are approved by the Compensation Committee. The President and the Compensation Committee believe that short-term rewards in the form of cash bonuses to senior executives generally should reflect short-term results and should take into consideration both the profitability and performance of the Company and the performance of the individual, which may include

comparing such individual's performance to the preceding year, reviewing the breadth and nature of the senior executives' responsibilities and valuing special contributions by each such individual. In evaluating performance of the Company annually, the Compensation Committee considers a variety of factors, including, among others, Funds From Operations (FFO), net income, growth in asset size, occupancy and total return to shareholders. The Company considers FFO to be an important measure of an equity REIT's operating performance and has adopted the definition suggested by the National Association of Real Estate Investment Trusts (NAREIT), which defines FFO to mean net income computed in accordance with generally accepted accounting principles (GAAP) excluding gains or losses from sales of property, plus depreciation and amortization. The Company considers FFO to be a meaningful, additional measure of operating performance primarily because it excludes the assumption that the value of its real estate assets diminishes predictably over time and because industry analysts have accepted it as a performance measure.

Various other factors considered include the employee's title and years of service. The employee's title generally reflects the employee's responsibilities and the employee's years of service may be considered in determining the level of bonus in comparison to base salary. The President and the Compensation Committee have declined to use specific performance formulas with respect to the other senior executives, believing that with respect to Company performance, such formulas do not adequately account for many factors, including, among others, the relative performance of the Company compared to its competitors during variations in the economic cycle, and that with respect to individual performance, such formulas are not a substitute for the subjective evaluation by the President and Compensation Committee of a wide range of management and leadership skills of each of the senior executives.

Stock Options and Restricted Stock Awards

Stock options and restricted stock awards are recommended by the President. In making its decisions, the Compensation Committee does not use an established formula or focus on a specific performance target. The Compensation Committee recognizes that often outside forces beyond the control of management, such as economic conditions, changing real estate markets and other factors, may contribute to less favorable near term results even when sound strategic decisions have been made by the senior executives to position the Company for longer term profitability. Thus, the Compensation Committee also attempts to identify whether the senior executives are exercising the kind of judgment and making the types of decisions that will lead to future growth and enhanced asset value, even if the same are difficult to measure on a current basis. For example, in determining appropriate stock option and restricted stock awards, the Compensation Committee considers, among other matters, whether the senior executives have executed strategies that will provide adequate funding or appropriate borrowing capacity for future growth, whether acquisition strategies have been developed to ensure a future stream of reliable and increasing revenues for the Company, whether the selection of properties evidence appropriate risk management, including risks associated with real estate markets, and whether the administration of staff size and compensation appropriately balances the current and projected operating requirements of the Company with the need to effectively control overhead costs.

In fiscal 2010, the Compensation Committee received the recommendations from the President for the number of options or restricted stock to be awarded. The factors that were considered in awarding the stock options and restricted stock included the following progress that was made by management:

.
Located and acquired seven manufactured home communities without placing undue burden on its liquidity.

.
Raised approximately \$14 million in equity via the DRIP.

.
Maintained its cash distributions to shareholders.

.
Maintained its occupancy rate.

.
Managed general and administrative costs to an appropriate level.

The individual awards were allocated based on the named officers' individual contributions to these accomplishments. Other factors included the named officers' title, responsibilities and years of service. In addition, the awards were compared to each named officers' total compensation and compared with comparable Real Estate Investment Trusts (REITS) using the annual Compensation Survey published by NAREIT as a guide for setting total compensation.

Perquisites and Other Personal Benefits

The Company's employment agreements provide the named executive officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

The named executive officers are provided the following benefits under the terms of their employment agreements: an allotted number of paid vacation weeks; eligibility for the executives, spouses and dependents in all Company sponsored employee benefits plans, including 401(k) plan, group health, accident, and life insurance, on such terms no less favorable than applicable to any other executive; use of an automobile; and, supplemental long-term disability insurance, at the Company's cost, as agreed to by the Company and the executive. Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended December 31, 2010, are included in All Other Compensation of the Summary Compensation Table provided below reporting this Proxy Statement.

Payments upon Termination or Change in Control

In addition, the named executive officers' employment agreements each contain provisions relating to change in control events and severance upon termination for events other than without cause or good reason (as defined under the terms of the employment agreements). These change in control and severance terms are designed to promote stability and continuity of senior management. Information regarding these provisions is included in Employment

Agreements provided below. There are no other agreements or arrangements governing change in control payments.

Evaluation

Mr. Eugene Landy is under an employment agreement with the Company. His base compensation under his amended contract was increased in 2004 to \$175,000 per year. Mr. Eugene Landy also received \$115,100 of restricted stock and \$21,250 in director's fees and fringe benefits.

The Committee also reviewed the progress made by Mr. Samuel A. Landy, President, including funds from operations. Mr. Samuel Landy is under an employment agreement with the Company. His base compensation under this contract was \$315,000 for 2010. Mr. Samuel Landy also received bonuses totaling \$36,538, option awards with a fair value of \$7,987, \$287,750 of restricted stock and director's fees and fringe benefits totaling \$34,085. Bonuses were primarily based upon achievement of certain performance goals.

Ms. Chew is under an employment agreement with the Company. Her base compensation under this contract is \$260,600 for 2010. Ms. Chew also received bonuses totaling \$24,565, \$115,100 of restricted stock and director's fees and fringe benefits totaling \$31,050. Bonuses were based on performance, recommended by the President and approved by the Committee.

Ms. Nagelberg is under an employment agreement with the Company. Her base compensation under this contract is \$178,126 for 2010. Ms. Nagelberg also received bonuses totaling \$11,851, \$57,550 of restricted stock and reimbursement of tuition and fees of \$40,393 associated with her pursuit of an Executive MBA degree. Bonuses were based on performance, recommended by the President and approved by the Committee.

The Committee has also approved the recommendations of the President concerning the other named executives annual salaries, bonuses, option and restricted stock grants and fringe benefits.

In addition to its determination of the executive's individual performance levels for 2010, the Committee also compared the executive's total compensation for 2010 to that of similarly-situated personnel in the REIT industry using the NAREIT Compensation Survey described above. The Company's salary and bonus amounts were compared to the ranges presented for reasonableness. The Company's total compensation fell in the lowest range (25th percentile) of this survey.

Risk Management

The Board of Directors does not believe that the Executive Compensation Program raises any risks that are reasonably likely to have a material adverse effect on the Company. Executive Officers are compensated on a fixed salary basis and have not been awarded any bonuses or other compensation that might encourage the taking of unnecessary or excessive risks that threaten the long-term value of the Company. The Board has attempted to align the interests of

the Board of Directors and the Executive Officers with the long-term interests of the Company and the Shareholders through grants of stock options and restricted stock awards, thereby giving the Board and Executive Officers additional incentives to protect the long-term value of the Company.

Compensation Committee Report

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this report.

On June 7, 2010, the shareholders approved and ratified an amendment and restatement of the Plan. The amendment and restatement made two substantive changes: (1) the inclusion of Directors as participants in the Plan, and (2) the

ability to grant restricted stock to Directors, officers and key employees. The amendment and restatement also made other conforming, technical and other nonsubstantive changes. There was no change to the total number of shares subject to grant under the Plan. The amendment and restatement also makes certain modifications and clarifications, including those concerning administration and compliance with applicable tax rules, such as Section 162(m) of the Internal Revenue Code. Options or restricted stock may be granted any time as determined by the Company's Compensation Committee up through August 14, 2013.

Stock Options

All options are exercisable one year from the date of grant. The option price shall not be below the fair market value at date of grant. If options granted under the 2003 Plan expire or terminate for any reason without having been exercised in full, the Shares subject to, but not delivered under, such options shall become available for additional option grants under the 2003 Plan.

During the years ended December 31, 2010, 2009 and 2008, options to purchase 111,000, 138,000 and 100,000 shares, respectively, were granted. No options were exercised during 2010, 2009 or 2008. During the years ended December 31, 2010, 2009 and 2008, options to purchase 38,000, 6,000 and -0- shares, respectively, were forfeited.

The following table sets forth, for the executive officers named in the Summary Compensation Table, information regarding individual grants of stock options made during the year ended December 31, 2010:

Samuel A. Landy	01/08/10	14,100	8.30	4,935

(1)

These options expire 8 years from grant date.

(2)

These values were established using the Black-Scholes stock option valuation model. The following weighted-average assumptions were used in the model: expected volatility of 22.37%; risk-free interest rate of 3.31%; dividend yield of 9.85%; expected life of the options of eight years; and forfeitures of \$-0-. The actual value of the options will depend upon the performance of the Company during the period of time the options are outstanding and the price of the Company's common stock on the date of exercise.

Restricted Stock

Under the 2003 Plan, the Compensation Committee determines the recipients of restricted stock award; the number of restricted shares to be awarded; the length of the restricted period of the award; the restrictions applicable to the award including, without limitation, the employment or retirement status of the participant; rules governing forfeiture and restrictions applicable to any sale, assignment, transfer, pledge or other encumbrance of the restricted stock during the restricted period; and the eligibility to share in dividends and other distributions paid to the Company's shareholders during the restricted period. The maximum number of shares underlying restricted stock awards that may be granted in any one fiscal year to a participant shall be 100,000.

The following table sets forth, for the executive officers named in the Summary Compensation Table, information regarding individual grants of restricted stock made during the year ended December 31, 2010:

The policy requires that all services provided by our principal independent registered public accounting firm to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Committee. The total return reflects stock price appreciation and dividend reinvestment for all three comparative indices. The information herein has been obtained from sources believed to be reliable, but neither its accuracy nor its completeness is guaranteed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no family relationships between any of the Directors or executive officers of the Company, except that Samuel A. Landy and Michael P. Landy are the sons of Eugene W. Landy, the Chairman of the Board and a Director of the Company.

Eugene W. Landy and Samuel A. Landy are partners in the law firm of Landy & Landy, which firm, or its predecessor firms, have been retained by the Company as legal counsel since the formation of the Company, and which firm the Company proposes to retain as legal counsel for the current fiscal year. The Company now uses outside counsel for most of the legal services required. The New Jersey Supreme Court has ruled that the relationship of directors also serving as outside counsel is not per se improper, but the attorney should fully discuss the issue of conflict with the other directors and disclose it as part of the proxy statement so that shareholders can consider the conflict issue when voting for or against the attorney/director nominee.

No director, executive officer, or any immediate family member of such director or executive officer may enter into any transaction or arrangement with the Company without the prior approval of the Board of Directors. The Board of Directors will appoint a Business Judgment Committee consisting of independent directors who are also independent of the transaction or arrangement. This Committee will recommend to the Board of Directors approval or disapproval of the transaction or arrangement. In determining whether to approve such a transaction or arrangement, the Business Judgment Committee will take into account, among other factors, whether the transaction was on terms no less favorable to the Company than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement. While the Company does not have specific written standards for approving such related party transactions, such transactions are only approved if it is in the best interest of the Company and its shareholders. Additionally, the Company's Code of Business Conduct and Ethics requires all directors, officers and employees who may have a potential or apparent conflict of interest to immediately notify the Company's General Counsel. Further, to identify related party transactions, the Company submits and requires our directors and executive officers to complete director and officer questionnaires identifying any transactions with the Company in which the director, executive officer or their immediate family members have an interest.

Transactions with Monmouth Real Estate Investment Corporation

There are six Directors of the Company who are also Directors and shareholders of MREIC. Eugene D. Rothenberg, nominee for Director, is also a Director of MREIC. The Company holds common stock of MREIC in its securities portfolio. At March 31, 2011, the Company owns a total of 1,672,281 shares of MREIC common stock, representing 4.8% of the total shares outstanding.

The Company operates in conjunction with MREIC. Some general and administrative expenses are allocated between the Company and MREIC based on use or services provided.

Allocations of salaries and benefits are made based on the amount of the employees' time dedicated to each affiliated company.

On October 10, 2008, MREIC repurchased \$1,000,000 principal amount at par of its 8% convertible subordinated debentures due 2013 held by the Company. On December 13, 2010, MREIC repurchased \$5,000,000 principal amount at par of its 8% convertible subordinated debentures due 2015 held by the Company.

Other Matters

The Company leases its corporate offices where the lessor of the property is owned by certain officers and directors of the Company. Approximately 70% of the monthly lease payment is reimbursed by MREIC. On May 1, 2010, the Company renewed this lease for an additional five-year term with monthly lease payments of \$13,600 through April 30, 2013 and \$14,000 through April 30, 2015. The Company is also responsible for its proportionate share of real estate taxes and common area maintenance. Management believes that the aforesaid rent is no more than what the Company would pay for comparable space elsewhere.

COMPLIANCE WITH EXCHANGE ACT FILING REQUIREMENTS

Section 16(a) of the Exchange Act requires the Company's Officers and Directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on review of the copies of such forms furnished to the Company, the Company believes that, during the year, all Section 16(a) filing requirements applicable to its Officers, Directors and greater than 10% beneficial owners were met.

OTHER MATTERS

The Board of Directors knows of no other matters other than those stated in this Proxy Statement which are to be presented for action at the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted on any such matter in accordance with the judgment of the persons voting such proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

The Company will provide, without charge, to each person being solicited by this Proxy Statement, on the written request of any such person, a copy of the Annual Report of the Company on Form 10-K for the year ended December 31, 2010 (as filed with the Securities and Exchange Commission), including the financial statements and schedules thereto. All such requests should be directed to UMH Properties, Inc., Attention: Shareholder Relations, Juniper Business Plaza, 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728.
