NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

1. Basis of Presentation

In the opinion of management, the accompanying unaudited condensed consolidated financial statements contain all normal, recurring adjustments necessary for a fair presentation of results for such periods. The results for any interim period are not necessarily indicative of those for the full year. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted. These condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and notes for the year ended December 31, 2003.

2. Reclassification

Certain 2003 amounts have been reclassified to conform to the 2004 presentation.

3. Comprehensive Income

The Company has no components of other comprehensive income; therefore comprehensive income equals net income.

4. Earnings Per Common Share

Basic earnings per share have been computed based upon the weighted average number of common shares outstanding. Dilutive earnings per share have been computed based upon the weighted average number of common shares outstanding plus the effect of all potentially dilutive common stock equivalents outstanding during the reporting period.

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2004	2003	2004	2003
Weighted average shares for basic earnings per share	13,148,611	10,607,897	12,275,353	10,438,582
Effect of dilutive common stock equivalents (stock options and stock issuable under employee		1.040.005		1 100 700
benefit plans)	-	1,848,327	-	1,106,563
Weighted average shares and dilutive common stock	13,148,611	12,456,224	12,275,353	11,545,145

equivalents for dilutive earnings per share

For the three months and the nine months ended September 30, 2004, the Company excluded approximately 0.7 million and 1.2 million, respectively, common stock equivalents in its computation of dilutive earnings per share because they were anti-dilutive.

5. Receivables from and Payables to Brokers, Dealers and Clearing Agencies

Amounts receivable from brokers, dealers and clearing agencies consisted of the following at:

	Se	eptember 30,	December 31, 2003	
(In thousands of dollars)		2004		
Securities borrowed	\$	915 \$	6,004
