Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

On March 7, 2008, the Compensation and Human Resources Committee of the Board of Directors of Portland General Electric Company (the Company) approved the grant of Performance Stock Units (PSUs) for the following named executive officers, as defined in Item 402(a)(3) of Regulation S-K (Named Executive Officers):

Name	Title	Performance Stock Units
Peggy Y. Fowler	Chief Executive Officer and President	29,867
James J. Piro	Executive Vice President, Finance, Chief Financial Officer and Treasurer	8,207
Arleen N. Barnett	Vice President, Administration	4,608
Stephen R. Hawke	Senior Vice President, Customer Service and Delivery	4,608

Each PSU that vests will give the grantee the right to receive a share of Company common stock at no cost. The PSUs will vest if goals related to a combination of return on equity (ROE) and regulated asset base growth (combined, "Performance Goals") have been met upon the conclusion of a three-year performance period ending December 31, 2010 (Performance Period). The number of PSUs that vest will be calculated by multiplying the number of PSUs granted by a Performance Percentage determined by the Committee.

The Performance Percentage will be calculated based on whether and to what extent the Performance Goals have been met, up to a maximum of 150% if 100% of each the ROE and regulated asset growth performance goals are met. The Performance Percentage will be zero if at least 75% of the ROE performance goal is not met and 80% of the regulated asset growth performance goal is not met.

These grants are under the Portland General Electric Company 2006 Stock Incentive Plan, as amended, of which a copy was included in a Form 10-K filed February 27, 2008. A Form of the Officers' Performance Stock Unit

Agreement is attached hereto as Exhibit 10.1.

The Named Executive Officers were also granted one Dividend Equivalent Right for each PSU granted, entitling the grantee to receive an amount equal to dividends paid on a share of the Company's common stock between the grant date and vesting date. The number of shares payable to the grantee pursuant to the Dividend Equivalent Right will equal the amount payable under the Dividend Equivalent Right divided by the closing price of the Company's common stock on the date the Committee determines the number of vested PSUs, rounding to the nearest whole number of shares, and settled exclusively in shares of the Company's common stock.

Item 9.01 Financial Statements and Exhibits.
