1. OFFER OF SHARE RIGHTS

1.1 Determining participation

- a. In its discretion, BHP Steel may from time to time nominate any Employee for participation in the BHP Steel LTIP and determine the number of Share Rights to be offered or granted to the Employee by the Trustee.
- b. In making its determination BHP Steel may take into account any matter which it considers relevant including, but not limited to, the position in the BHP Steel Group held or to be held by the Employee, the nature of the Employee's employment arrangements with the BHP Steel Group, the contribution made by, the potential contribution of, the Employee to the BHP Steel Group (or any member of it) and the interests of BHP Steel shareholders.

1.2 Terms

(a) In its discretion, BHP Steel may determine the Terms applicable to any Share Rights the subject of any offer or grant and of any Trust Shares to be acquired by the Trustee and held by the Trustee in consequence of the exercise of any Share Rights.

(b) The Terms may include:

- i. the consideration (if any) payable on the grant or acceptance of an offer of Share Rights;
- ii. any Performance Conditions referable to the exercise of any Share Rights;
- iii. any Service Conditions referable to the exercise of any Share Rights;
- iv. any Performance Period or Performance Periods which may be referable to any one or more of any Performance Conditions specified under paragraph (ii) or Service Conditions specified under paragraph (iii);
- v. where the circumstances in which any Share Rights lapse are to be at variance with those set out in this deed, those circumstances;
- vi. the consideration (if any) payable, or the method by which the consideration which is payable (if any) is to be determined which is payable, on exercise of any Share Rights;
- vii. where Share Rights may be exercised under the Terms or this deed, a time within which the Share Rights are to be exercised if at variance with the time set out in this deed;

- ix. if there are to be restrictions on the rights of Participants to withdraw, or additional rights to withdraw, Trust Shares from the ESP Trust which are at variance with this deed, the nature of the restrictions or additional rights; and
- x. any other terms which BHP Steel considers appropriate including the incorporation by reference of any terms of any employment contract entered or proposed to be entered by any member of the BHP Steel Group with any person.

1.3 Granting Share Rights

In its discretion, the Trustee may make an offer of or grant Share Rights in accordance with any nomination and determinations made under Clauses 1.1 and 1.2 (but not otherwise). Any offer or grant made by the Trustee must be in writing and include the following:

- (a) the name of the Employee;
- (b) a description of and the number of Share Rights granted or offered;
- (c) the Terms determined by BHP Steel under Clause 1.2; and
- (d) if an offer of Share Rights is made and consideration is payable in respect of their grant, the time and date by which the offer must be accepted.

1.4 Acceptance of offer

Where the Trustee offers Share Rights to an Employee, the Employee is taken to have accepted the offer by:

- (a) completing and signing the appropriate application form in respect of a number of Share Rights which is not greater than the number of Share Rights which the Employee is offered and not less than the minimum number (if any), specified in the offer; and
- (b) returning the completed and signed form to the Trustee together with the consideration (if any) required to be paid on acceptance, by the time and date specified in the offer,

or by such other manner or means as is specified in the offer.

An Employee may also accept an offer made by the Trustee to grant Share Rights by entering into an employment agreement with a member of the BHP Steel Group provided that the Trustee and BHP Steel are satisfied there is an effective acceptance of the offer.

1.5 Recording Share Rights grants

As soon as practicable after the grant of Share Rights to an Employee or receipt of a Participant's acceptance in compliance with Clause 1.4, the Trustee will record the

Employee as entitled to the Share Rights granted to the Employee in accordance with this deed. The Trustee may issue certificates or statements in respect of the Share Rights.

1.6 Disclaimer

(a) Where the Trustee grants Share Rights to any Employee the Terms of which do not require payment of consideration by the Employee in respect of their grant, the Employee may by:

- i. notice in writing to the Trustee, and
- ii. returning any relevant certificates relating to them for cancellation, disclaim or surrender to the Trustee those Share Rights at any time before they are exercised.

(b) If Share Rights are disclaimed or surrendered by an Employee, the Trustee must amend its records accordingly.

1.7 Reduction in grant

BHP Steel or the Trustee may, in its discretion, reduce the number of Share Rights granted or offered to an Employee, including after they have been granted or an offer has been accepted but not after Share Rights have become Vested Share Rights. This power may be exercised for any reason and at any time, including (without limitation) where there has been a change in the nature of the responsibilities of the Employee or where BHP Steel or the Trustee decides that an error was made in the number Share Rights offered to or granted to the Employee. If BHP Steel or the Trustee does so:

- a. the Trustee must notify the Employee accordingly;
- b. the number of Share Rights held by or offered to the Employee is to be taken to be the reduced number (subject to paragraph (c) below, the Participant is not entitled to compensation in lieu); and
- c. if the Employee paid consideration for the Share Rights, the Trustee must refund the relevant proportion of the consideration so paid.

1.8 Deed and Terms are binding

Subject to clause 1.6, an Employee who receives Share Rights from the Trustee will be bound by this deed, the applicable Terms and, in respect of any Shares acquired upon exercise of Share Rights, the Constitution of BHP Steel.

1.9 Participant's representatives

A legal representative of a Participant may be recognised by the Trustee as a holder of the Participant's Share Rights in circumstances where either the Participant has died or the Participant's estate is liable to be dealt with under the laws relating to mental health, on the production to the Trustee of documents or other evidence which the Trustee may reasonably require to establish the entitlement of the legal personal representative.

2. PERFORMANCE AND SERVICE CONDITIONS

2.1 Number of Share Rights exercisable

Where, in respect of any Share Rights there is more than one Performance Period at the end of which a Performance Condition or Service Condition is to be tested, subject to the relevant Terms, the number of those Share Rights which may be exercised after the end of any Performance Period will be reduced by the number of those Share Rights (if any) which became Vested Share Rights at the end of any earlier Performance Period.

2.2 Determination by BHP Steel

As soon as practicable after each Performance Period, BHP Steel will determine the outcome of any Performance Conditions and Service Conditions and notify the Trustee and, as appropriate, Participants, of the results of that determination. The determination may include (without limitation but subject to applicable Terms);

- (a) a determination that some or all of the Share Rights to which the Performance Conditions or Service Conditions are referable may be exercised, in consequence of the outcome of any applicable Performance Condition or Service Condition;
- (b) a reduction or increase of the Shares applicable to any Share Rights, in consequence of the outcome of any applicable Performance Condition or Service Condition, or as a result of the application of Clause 7.3(b),(c) or (d) of this deed in respect of any Rights Issue, bonus issue or capital reconstruction; and
- (c) a determination that any Share Rights lapse in whole or part in consequence of the outcome of any applicable Performance Condition or Service Condition.

A determination made by BHP Steel is final and binding on the Trustee and Participants, provided that BHP Steel may in its discretion determine to revise any determination.

2.3 Dismissal, resignation or cessation of employment

Subject to applicable Terms, the following provisions apply to Share Rights, excluding Vested Share Rights:

- (a) If, in the opinion of BHP Steel, the Participant commits any illegal conduct or serious misconduct (including serious neglect of duties or unacceptable behaviour) in relation to the BHP Steel Group (or any member of it), or becomes disqualified from managing a corporation without leave of the court under the Corporations Act 2001, whether or not resulting in dismissal from employment, Share Rights in respect of that Participant will lapse, upon determination by BHP Steel to that effect.
- (b) If a Participant tenders a Resignation and ceases to be employed by a member of the BHP Steel Group, the Share Rights in respect of the Participant will lapse upon the cessation of employment.
- (c) If a Participant ceases to be employed by a member of the BHP Steel Group for any reason (other than as set out in paragraphs (a) and (b)), BHP Steel in its discretion may:
 - i. determine that some or all of the Share Rights lapse;
 - ii. determine that some or all of the Share Rights (which have not lapsed) may be exercised, subject to any conditions BHP Steel considers appropriate; and
 - iii. upon satisfaction of any conditions as referred in paragraph (ii), notify the results of that determination to the Trustee.
- (d) Without limiting the discretion of BHP Steel under paragraph (c), BHP Steel may take into account the period of time since the Share Rights were issued and any other matter (including the extent to which any applicable Performance Conditions or Service Conditions have been, or may reasonably be expected to be,

performed) as BHP Steel considers appropriate.

3. EXERCISE OF SHARE RIGHTS

3.1 BHP Steel to notify Trustee

Subject to Clause 17.4 of this deed, Share Rights are exercisable (and become Vested Share Rights) upon BHP Steel providing to the Trustee a notice under Clause 2.2(a) or other notice by BHP Steel that Share Rights are exercisable under this deed or applicable Terms.

3.2 Participant to notify Trustee

Vested Share Rights can only be exercised by the Participant lodging a completed notice of exercise acceptable to the Trustee together with payment of the amount (if any) required by the Terms for the exercise of the Vested Share Rights.

3.3 Rounding

Subject to applicable Terms, the Participant must exercise Vested Share Rights in multiples of 1,000 (or, where the number of Share Rights which are exercisable by the Participant is less than 1,000, that number) unless BHP Steel otherwise determines.

3.4 Ten year limit

Subject to applicable Terms, any Share Right which has neither been exercised nor lapsed, surrendered or disclaimed in accordance with its Terms or this deed, lapses on the tenth anniversary of its issue.

3.5 Takeover Bid

Subject to applicable Terms, if a takeover bid within the meaning of the Corporations Act 2001 is made for all of the Shares or a transaction is announced or entered into by BHP Steel which, if implemented, would result in a person owning all the issued Shares, at any time while there are any Share Rights which have not lapsed or been exercised, BHP Steel in its discretion may nominate a period during which a Participant may exercise some or all of that Participant's Share Rights as determined by BHP Steel in its discretion (without affecting any right of the Participant to exercise any Share Rights otherwise in accordance with applicable Terms or this deed). BHP Steel may exercise its discretion under this clause whether or not the Share Rights are otherwise capable of being exercised under this deed, or applicable Terms.

3.6 Compliance with Corporations Act

A Participant must not exercise a Vested Share Right if by doing so the Participant would contravene the Corporations Act 2001.

4. BONUS SHARES, RIGHTS ISSUES AND RECONSTRUCTIONS OF CAPITAL - SHARE RIGHTS

(a) The holding of a Share Right (whether or not a Vested Share Right) does not of itself permit the Participant to participate in any Rights Issue.

(b) In respect of any Share Right (not being a Share Right which has lapsed) held by the Participant which has not been exercised under this deed, if BHP Steel makes a Rights Issue, adjustments will be made to the number of Shares which will result from the exercise of the Share Rights in the manner BHP Steel determines

having regard to the Listing Rules.

(c) If BHP Steel makes a pro rata bonus issue of Shares to its ordinary shareholders (other than distributions made following a shareholder election, including bonus shares issued in lieu of dividends) the Participant, in respect of each unexercised Share Right held at the record date for determining entitlements to that bonus issue, will, on receipt of the Shares resulting from exercise of the Share Right under this deed, be provided with additional Shares equal to the number of bonus shares the Participant would have been entitled to receive if the Share Right had been exercised prior to that record date.

1. If BHP Steel reconstructs its issued capital during any time in which the Participant holds any Share Rights which have not become exercisable (not being Share Rights which have lapsed) under this deed, adjustments will be made to the number of Share Rights or the Shares which are to be provided to the Participant on exercise of the Share Rights in the manner BHP Steel determines having regard to the Listing Rules, to take into account changes to the capital structure of BHP Steel that occur by reason of that reconstruction.
2. If Share Rights are exercised and, as a result of any adjustments made under Clause 4(b), (c) or (d), any of the Share Rights confer an entitlement to acquire a fraction of a Share, the fractional entitlements referable to all Share Rights being exercised at that time by the Participant will be added together and the total will be rounded down to the next whole number. The provision of a number of Shares to the Participant equivalent to that whole number is in full satisfaction of the fractional entitlements.

5. ACQUISITION OF TRUST SHARES

5.1 BHP Steel to determine funding for Shares

In respect of any exercise of Share Rights the subject of any notice under Clause 3.1, BHP Steel may (whether or not a valid notice of exercise has been received under clause 3.2):

- (a) offer to the Trustee to provide, or to have a member of the BHP Steel Group provide, funds for the purpose of acquiring Trust Shares;
- (b) request the Trustee to apply some of the capital of the Trust to acquire Trust Shares;
- (c) request the Trustee to hold Shares forming part of the Trust Assets (including Forfeited Shares) for the purpose of allocation under Clause 5.2(iii); or
- (d) effect a combination of (a), (b) and (c).

5.2 Trustee to acquire, subscribe for or allocate Shares

Subject to the Trustee receiving:

- (a) sufficient payment for, or having sufficient capital in respect of, Vested Share Rights; and
- (b) a valid notice of exercise from the Participant under Clause 3.2,

by no later than 7 days (or such other period as BHP Steel determines) after the receipt of the notice of exercise, the Trustee must, at the election of BHP Steel:

- i. purchase the requisite number (or any proportion of that number determined by BHP Steel) of Trust Shares on behalf of the relevant Participant;
- ii. subscribe for (and BHP Steel must issue to the Trustee) the requisite number (or a proportion of that number determined by BHP Steel) of Trust Shares on behalf of the relevant Participant;

- iii. allocate Shares forming part of the Trust Assets (not being Trust Shares held on behalf of any other particular Participant) to be held on behalf of the relevant Participant; or
- iv. effect a combination of (i), (ii) and (iii).

5.3 Subscription price for Shares

The subscription price for each of the Trust Shares referred to in Clause 5.2(ii) will be the Average Share Price of a Share as determined by BHP Steel on the date on which the Shares are issued to the Trustee.

5.4 BHP Steel Group to provide funds for Shares

BHP Steel will ensure that it or a member of the BHP Steel Group provides to the Trustee any funds required by the Trustee in order to comply with its obligations under Clause 5.2 (after application by the Trustee of any capital as requested by BHP Steel under Clause 5.1(b)).
