BHP BILLITON SETTLES 2003 COKING COAL PRICES

BHP Billiton today announced commercial terms have been settled for the majority of annually priced coking coal contracts for the year commencing 1 April 2003.

The pricing outcomes relate to the BHP Billiton Mitsubishi Alliance (BMA) and BHP Mitsui Coal operations in Queensland, and the BHP Billiton Illawarra Coal operations in New South Wales.

FOB returns for all brands of metallurgical coals have decreased by an average of four per cent. The lower prices reflect market conditions prevailing across most coal types.

Volumes are expected to remain steady.
