Item 5.02: Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

(d) On April 14, 2005 Mr. Howland Green was appointed to the Company's Board of Directors. Mr. Green has more than thirty years business management experience in the Green Industry in the northeastern U.S., with extensive knowledge of the Landscape Construction and Maintenance and Wholesale and Retail Nursery markets. Mr. Green also accepted employment with the Company's wholly-owned subsidiary, Itronics Metallurgical, Inc. (IMI), as Northeast Manager for GOLD n GRO Sales Development.

Mr. Green is the founding member of the North American Deer Management Network and has been a leader in developing deer repelling products. A combination fertilizer and deer repellent, GOLD n GRO Guardian, was developed by a joint venture between IMI and Mr. Green. IMI has agreed to acquire Mr. Green's ownership interest in the GOLD n GRO Guardian trademark, all product rights, and the rights to the repelling product formula used to make GOLD n GRO Guardian. The acquisition price is 1,000,000 shares of the Company's restricted common stock. The valuation of the shares is subject to the completion date of the acquisition documents, but is expected to be in the \$60,000 to \$70,000 range. In addition, Mr. Green will receive an option to acquire 1,000,000 of the Company's restricted common shares at \$0.10 per share. The first 500,000 shares of the option will become exercisable when the Federal EPA accepts the registration application for the GOLD n GRO Guardian and the second 500,000 shares of the option will become exercisable when the Federal EPA issues the registration for the GOLD n GRO Guardian. The entire option is exercisable for two years after the EPA registration is received.
