**Item 1.01 Entry into a Material Definitive Agreement**

On Friday, September 8, 2006, Denny's Inc. and Denny's Realty, LLC, affiliated entities of Denny's Corporation ("Denny's"), entered into an agreement to sell to National Retail Properties, Inc. (NYSE:NNN), a real estate investment trust, 66 franchise-operated Denny's restaurant properties for a purchase price of \$67 million.

Denny's expects this sale to generate after-tax proceeds of approximately \$65 million and result in a gain on sale of assets of approximately \$38 million. Consistent with the requirements of Denny's credit agreement, the proceeds of these asset sales will be applied to reduce the outstanding balance on Denny's \$219 million first lien term loan. After applying the net proceeds to reduce its debt, Denny's expects annual net income to increase by approximately \$1 million as reductions in interest expense and depreciation offset the loss of rental income. The transaction is scheduled to close within 30 days and is subject to customary closing conditions.
