ITEM 1.01. ENTRY INTO MATERIAL DEFINITIVE AGREEMENT

We resell electronic bill presentment and payment services provided by Metavante Corporation to our customers. On June 3, 2005, we renewed our strategic relationship with Metavante by entering into an Alliance Agreement, which replaced our existing Metavante agreements. The agreement is for a five year term ending in June 2010 and requires us to pay, in exchange for the bill presentment and payment services to be provided by Metavante, variable fees generally based on the number of end users and transactions. The agreement also provides minimum purchase commitments by us and, conversely, improved tiered pricing terms as volume levels increase. The minimum annual payment to be paid by us for the first contract year is \$20.2 million and for subsequent years is equal to the greater of that amount or 90% of the actual amounts paid by us during the prior contract year.

**SIGNATURES**
