**Item 1.01. Entry into a Material Definitive Agreement.**

On November 15, 2006, Automatic Data Processing, Inc., a Delaware corporation (the Company or ADP), entered into a letter agreement with S. Michael Martone, currently Group President of the Company's Employer Services business, which sets forth certain understandings concerning the impact of a change in control on Mr. Martone's new position as the Chief Operating Officer of the Company, which he will assume on the date a previously announced tax-free spin-off of 100% of the Company's Brokerage Services Group business is completed.

If Mr. Martone's employment as ADP's Chief Operating Officer is terminated other than for cause, or he resigns for good reason, within two years following a change in control of the Company, he will receive a termination payment equal to a percentage, ranging from 200% if such termination occurs within two years after such change in control, to 150% if it occurs in the third year, to 100% if it occurs after the third year, of his current total annual compensation. In addition, all of his stock options will become fully vested and all of his restricted stock having restrictions lapsing within three years after such termination will have such restrictions automatically removed.

For purposes of the letter agreement, change in control means the acquisition by any person, entity or group of beneficial ownership of 25% or more of ADP's outstanding common stock, or approval by ADP's stockholders of a reorganization, merger or consolidation, with respect to which persons who were the stockholders of ADP immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of the combined voting power of the company's then outstanding voting securities.

For purposes of the letter agreement, good reason means any action which results in a diminution in any respect in Mr. Martone's position, authority, duties or responsibilities as ADP's Chief Operating Officer, or a reduction in the overall level of his compensation or benefits.

Mr. Martone's current total annual compensation equals the greater of his annual salary during the calendar year in which his employment terminates or the year immediately prior to the year of such termination plus his average annual bonus compensation earned in respect of the two most recent calendar years immediately preceding the calendar year in which his employment terminates.

The letter agreement provides that in the event any payment from the Company to Mr. Martone following a change in control results in the imposition of an excise tax under section 4999 of the Internal Revenue Code of 1986, as amended, he will receive an additional payment, such that after the payment of all such excise taxes and any taxes on the additional payments he will be in the same after-tax position as if no excise tax had been imposed. Mr. Martone is also entitled to receive, on an item-by-item basis, the greater of the benefits and payments and more favorable conditions provided under the letter agreement and/or the ADP Change in Control Severance Plan for Corporate Officers.

A copy of the letter agreement is attached as Exhibit 10.23 to this Form 8-K and is incorporated herein by reference.
