NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Basis of Presentation

The condensed consolidated financial statements are unaudited and reflect all adjustments (consisting only of normal recurring adjustments) which are, in the opinion of management, necessary for a fair presentation of the financial position and operating results for the interim periods. The condensed consolidated financial statements should be read in conjunction with the consolidated financial statements for the year ended December 31, 2000 and notes thereto contained in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission. The results of operations for the three and six months ended June 30, 2001 are not necessarily indicative of the results to be expected for the entire fiscal year ending December 31, 2001.

Note 2. Net Income per Common Share

Net income per common share, basic, is computed by dividing the net income by the weighted average number of common shares outstanding. Net income per common share, diluted, is computed by dividing net income by the weighted average number of shares outstanding plus dilutive common share equivalents. The following table sets forth the computation of basic and diluted earnings per share:

Note 3. Purchase of Millennium Health, Inc.

On March 31, 2001 the Company purchased all of the outstanding capital stock of eBiocare.com, Inc. ("eBiocare") which does business as Millennium Health, Inc. for \$32.3 million in cash and the assumption and repayment of approximately \$5 million in debt. eBiocare is a specialty pharmacy which contracts with insurance companies, government and other payors to provide direct to patient distribution of biotechnology drugs. The acquisition was accounted for as a stock purchase and, therefore, operating results of eBiocare have been included in the accompanying financial statements from the date of acquisition. Purchase price allocations have been done on a preliminary basis, subject to adjustment. Goodwill resulting from the acquisition is being amortized over a 20 year period.

Information". The Company has two reportable segments: Wound Care operations and Specialty Pharmacy operations. In its Wound Care operations, the Company contracts with hospitals to manage outpatient Wound Care Centers. In its Specialty Pharmacy operations, the Company contracts with insurance companies, government and other payors to provide direct to patient distribution of biotechnology drugs. The Company evaluates segment performance based on income from operations. Intercompany transactions are eliminated to arrive at consolidated totals.

The following table presents the results of operations and total assets of the reportable segments of the Company for the three months ended June 30, 2001 (000's omitted):

Note 5. Recent Accounting Pronouncements

In July 2001 the Financial Accounting Standards Board published Statement No. 142, Goodwill and Other Intangible Assets. Under Statement 142 (which supersedes APB Opinion No. 17, Intangible Assets), goodwill and intangible assets with indefinite lives are no longer amortized but are reviewed annually, or more frequently if impairment indicators arise, for impairment. Separable intangible assets that are not deemed to have an indefinite life will continue to be amortized over their useful lives. The amortization provisions of Statement 142 requires non-amortization of goodwill and indefinite lived intangible assets acquired after June 30, 2001. However, the impairment provisions of Statement 142 apply to these assets upon adoption of Statement 142. With respect to goodwill and intangible assets acquired prior to July 1, 2001, companies are required to adopt Statement 142 in their fiscal year beginning after December 15, 2001 (i.e., year beginning January 1, 2002 for Curative Health Services, Inc.). Early adoption is permitted for companies with fiscal years beginning after March 15, 2001 provided that their first quarter financial statements have not been issued. In all cases, the provisions of Statement 142 must be adopted as of the beginning of a fiscal year.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Overview

Curative Health Services, Inc. is a leading disease management company that operates in two business segments: Wound Care and Specialty Pharmaceuticals. In its Wound Care operations, the Company contracts with hospitals to manage outpatient Wound Care Centers. These Wound Care Centers offer a comprehensive range of services which enable the Company to provide patient specific wound care diagnosis and treatments on a cost effective basis. Currently, the Company has 112 such contracts.

In its Specialty Pharmacy operations, the Company derives its revenues primarily from the provision of biopharmaceutical drugs to individuals with chronic conditions such as hemophilia, rheumatoid arthritis, multiple sclerosis, hepatitis C, and others, pursuant to contracts with insurance companies,

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

government and other payors at contracted or allowable billing rates, and from the provision of biopharmaceutical drugs and related product services to retail pharmacies, pursuant to contracts with such pharmacies.

Results of Operations

Revenues. The Company's revenues for the second quarter of 2001 increased 11 percent to \$23,971,000 compared to \$21,590,000 for the second quarter of the prior fiscal year. The revenue increase is attributable to the inclusion of Specialty Pharmacy revenues of \$11,690,000 related to the acquisition of eBiocare, offset by a reduction in Wound Care Center revenues of \$9,309,000. For the first six months of 2001 revenues decreased \$6,302,000 from \$43,790,000 in 2000 to \$ 37,488,000 for the same period in 2001, a 14 percent decrease. The reduction in revenues for the first six months of 2001 is attributable to a reduction in Wound Care revenues of \$17,992,000 offset by the inclusion of \$11,690,000 of Specialty Pharmacy revenues. The reduction in Wound Care revenues is attributable to the termination of 40 hospital based programs during the last 12 months, re-negotiation of existing contracts which resulted in reduced revenue to the Company, the conversion of 15 under arrangement model programs to management models which have lower revenue and expenses, and a reduction of Procuren revenues as a result of a decline in Procuren patients. The reduction in Wound Care Center revenue was partially offset by the opening of 7 new programs over the last 12 months. The Company ended the second quarter of 2001 with 112 hospital based Wound Care Centers operating compared to 149 at the end of the second quarter 2000. Revenues at existing centers declined 30 percent in the second quarter of 2001 as compared to the same period in 2000, primarily due to such contract renegotiations and declining Procuren revenues. At any time during the year, 10% to 20% of the Company's Wound Care Center contracts are being renegotiated with the client hospital for a variety of contractual terms or issues. Historically, some contracts have expired without renewal and others have been terminated by the Company or the client hospital for various reasons prior to their scheduled expiration. Hospitals are currently facing financial challenges associated with lower occupancy rates and reduced revenue streams due to pricing pressures from third party payors. Program terminations by client hospitals have been effected for such reasons as reduced reimbursement, financial restructuring, layoffs, bankruptcies or even hospital closings. Further, the Medicare program implemented a new reimbursement system during 2000 for hospital outpatient services which has reduced reimbursement rates to hospitals. The termination, non-renewal or renegotiation of a material number of management contracts could result in a continued decline in the Company's revenue. As the result of the legal action against the Company (See Legal Proceedings Part II item I), further unanticipated terminations or non-renewals may take place. Additionally, new business development has been slower than normal given the legal uncertainties facing the Company. Any inability of the Company to develop new Wound Care Centers could continue the revenue decline. The Company has and expects that it will continue to modify its management contracts with many of its hospital customers which could result in reduced

8

revenue to the Company or even contract terminations.

Further, the Company has been notified by Cytomedix, Inc. that it has exercised its option under the asset purchase agreement to close its Procuren processing facilities. These facilities were all closed during July 2001. As a result, there will be no revenue and expenses related to Procuren in subsequent periods other than revenues and expenses related to the dispensing of existing inventory. Although the Company does not expect that this event will have a material effect on its operations or financial condition other than reducing revenues and expenses, there can be no assurance that this event will not result in the termination of hospital contracts. The Company has a number of initiatives to counter the decline in Wound Care Center revenue, although there can be no assurance that the initiatives will be successful. Total new patients

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

to the Wound Care Centers decreased 22 percent from 15,957 in the second quarter of 2000 to 12,448 for the same period in 2001. The total number of new patients receiving Procuren(R) therapy decreased from 938 in the second quarter of 2000 to 238 in the second quarter of 2001. The percentage of patients receiving Procuren(R) therapy decreased during the second quarter of 2001 to 2 percent from 5.9 percent for the same period in 2000. For the first six months of 2001 total new patients to the Wound Care Centers decreased 19% from 31,593 in 2000 to 25,708 in 2001. The total number of new patients receiving Procuren therapy decreased from 1,956 for the first six months of 2000 to 674 for the same period in 2001. The percentage of patients receiving Procuren therapy decreased from 6% in the first six months of 2000 to 3% for the same period in 2001.

Costs of Product Sales and Services. Costs of product sales and services for the second quarter increased from \$13,684,000 in 2000 to \$17,173,000 in 2001, an increase of 25 percent, and for the first six months of 2001 totaled \$25,270,000 compared to \$27,668,000 for the same period in 2000. For the second quarter of 2001 the increase is attributable to the inclusion of \$9,931,000 of cost of sales and services related to Specialty Pharmacy operations, offset by a reduction in Wound Care operation costs of \$6,442,000. The decrease in Wound Care costs is attributable to reduced staffing and operating expenses of approximately \$1,516,000 related to the operation of 112 programs at the end of the second quarter 2001 compared with 149 programs operating at the end of the second quarter 2000, and reduced expenditures of approximately \$985,000 related to Procuren production. Additionally there were 25 fewer under-arrangement programs in operation at the end of the second quarter of 2001 as compared to the same period for 2000 at which the services component of costs is higher than at the Company's other centers due to the additional clinical staffing and expenses that these models require. For the second quarter of 2001 this reduction in the number of under-arrangement programs accounted for approximately \$1,691,000 of the decrease in product costs and services. During 2000, the Company eliminated 58 sales positions which resulted in a reduction of approximately \$1,454,000 in product costs and services for the second quarter of 2001 as compared with the same period in 2000. As a percentage of revenues, costs of product sales and services for the second quarter of 2001 was 72 percent compared to 63 percent for the same period in 2000. For the first six months of 2001 cost of product sales and services decreased 9 percent. The decrease is attributed to a reduction in Wound Care costs of \$12,329,000, offset by the inclusion of Specialty Pharmacy costs of \$9,931,000. The reduction in Wound Care costs is attributable to reduced staffing and operating expenses of approximately \$3,075,000 related to the operation of 112 programs at the end of the second quarter 2001 compared with 149 programs operating at the end of the second quarter 2000, and reduced expenditures of approximately \$1,819,000 related to Procuren production. Additionally there were 25 fewer under-arrangement programs in operation at the end of the second quarter of 2001 as compared to the same period for 2000 at which the services component of costs is higher than at the Company's other centers due to the additional clinical staffing and expenses that these models require. For the first six months of 2001 this reduction in the number of under-arrangement programs accounted for approximately \$3,192,000 of the decrease in Wound Care product costs and services. During 2000, the Company eliminated 58 Wound Care sales positions which resulted in a reduction of approximately \$2,769,000 in product costs and services for the first six months of 2001 as compared with the same period in 2000.

Selling, General and Administrative. Selling, general and administrative expenses for the second quarter decreased from \$7,131,000 in 2000 to \$6,633,000 in 2001 a decrease of 8 percent. The reduction is due to a decrease in expenditures related to Wound Care operations of \$1,022,000 offset by inclusion of \$524,000 in selling, general and administrative related to Specialty

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

Pharmacy. The decrease in the Wound Care related expense is primarily attributable to the positions eliminated at the Company during 2000 as well as the closing of the Company's Dallas field office. As a percentage of revenues, selling, general and administrative expenses were 28 percent in the second quarter of 2001 compared to 33 percent for 2000. The decrease is due to the increased revenue base and lower expenses in 2001. For the first six months of 2001 selling, general and administrative expenses decreased from \$13,666,000 in 2000 to \$11,762,000, a decrease of 14 percent. The reduction is due to a decrease in expenditures for the Wound Care business of \$2,428,000 offset by the inclusion of \$524,000 in selling, general and administrative related to the Specialty Pharmacy business. The decrease in the Wound Care related costs is primarily attributable to the positions eliminated at the Company during 2000 as well as the closing of the Company's Dallas field office. As a percentage of revenues, selling, general and administrative expenses were 31 percent for the first six months of 2001 and 2000.

Net Income. Net income was \$10,000 or a breakeven per diluted share in the second quarter of 2001 compared to \$835,000 or \$0.09 per diluted share in the first quarter of 2000. For the first six months of 2001 net income was \$502,000 or \$0.07 per diluted share compared to \$2,224 or \$.23 per diluted share for the same period in 2000. The decrease in earnings of \$825,000 for the second quarter of 2001 and the decrease of \$1,722,000 in earnings for the first six months of 2001 as compared to the same periods in 2000 is attributable to reduced operating margins in the Wound Care business as a result of the reduced revenue and the recording of \$390,000 in goodwill amortization related to the purchase of eBiocare.com Inc., offset by the inclusion of operations of the Specialty Pharmacy business.

Liquidity and Capital Resources.

Working capital was \$12.7 million at June 30, 2001 compared to \$44.4 million at December 31, 2000. Total cash and cash equivalents as of June 30, 2001 was \$7.0 million and was invested primarily in highly liquid money market funds, commercial paper and government securities. The Company's cash and cash equivalents and marketable securities held-to-maturity declined from \$46 million at December 31, 2000 to \$7.0 million at June 30, 2001. The decline is primarily attributable to the use of \$38.7 million for the purchase of Millennium Health, Inc. on March 30, 2001. The ratio of current assets to current liabilities was 3.3:1 at December 31, 2000 and 1.6:1 at June 30, 2001.

Cash flows used in operating activities for the first six months of 2001 totaled \$2,529,000 primarily attributable to a reduction in accounts payable and accrued expenses. Cash flows used in investing activities totaled \$8,839,000 primarily attributable to the purchase of Millennium Health, Inc. offset by the sale of marketable securities. Cash flows used in financing activities totaled \$600,000, primarily attributable to the Company's repurchase of shares of common stock.

For the first six months of 2001, the Company experienced a net increase in accounts receivable of \$10,315,000 primarily attributable to the purchase of Millennium Health. Accounts receivable days outstanding were 76 days as of June 30, 2001 as compared to 61 days at December 31, 2000. Days outstanding for the Wound Care business was 65 days and for the Specialty Pharmacy business 87 days at June 30, 2001.

The Company's longer term cash requirements include working capital for the expansion of its wound care and specialty pharmacy businesses. Other cash requirements are anticipated for capital expenditures in the normal course of business, the acquisition of software, computers and equipment related to the Company's management information systems. Additionally the Company expects to

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

incur significant legal costs related to the Department of Justice actions and shareholder class action lawsuits filed against the Company (See Legal Proceedings, Part II Item 1). The Company expects that based on its current business plan, its existing cash and cash equivalents will be sufficient to satisfy its current working capital needs. The Company anticipates obtaining a revolving line of credit to supplement its working capital needs as the result of the Millennium acquisition and the Department of Justice's letter of credit request (See Part II, Item 1). The effects of inflation and foreign currency translation risks are considered immaterial.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

The Company does not have operations subject to risks of material foreign currency fluctuations, nor does it use derivative financial instruments in its operations or investment portfolios. The Company places its investments in instruments that meet high credit quality standards, as specified in the Company's investment policy guidelines. The Company does not expect any material loss with respect to its investment portfolio or exposure to market risks associated with interest rates.

of June 25, 2001 (the "Effective Date"), between CURATIVE HEALTH SERVICES,

INC., a Minnesota corporation (the "Company"), and Nancy F. Lanis

("Executive").

WHEREAS, the Company wishes to retain Executive as a key

WHEREAS, the Company and Executive want the terms and conditions
of Executive's employment to be governed by this Agreement;

NOW, THEREFORE, in consideration of the promises and the mutual
covenants and agreements herein contained, the Company and Executive hereby
agree as follows:

1. Employment

1.1 Employment and Duties. The Company hereby agrees to employ Executive
for the Term (as hereinafter defined) as Senior Vice President - General
Counsel, subject to the direction of the President, and in connection therewith,
to perform such duties as she shall reasonably be directed by the President to
perform. Executive hereby accepts such employment and agrees to render such
services. Executive shall perform her duties and carry out her responsibilities
hereunder in a diligent manner, shall devote her exclusive and full working
time, attention and effort to the affairs of the Company, shall use her best
efforts to promote the interests of the Company and shall be just and faithful
in the performance of her duties and in carrying out her responsibilities.

1.2 Location. The principal location for performance of Executive's
services hereunder shall be at the Company's executive offices, which are
currently located in Hauppauge, New York, subject to reasonable travel
requirements during the course of such performance.

2. Employment Term

The term of Executive's employment hereunder (the "Term") shall be deemed
to commence on the Effective Date and shall end on the first anniversary of the
Effective Date, unless sooner terminated as hereinafter provided; provided,
however, that the Term shall be automatically renewed and extended for an
additional period of one (1) year on each anniversary thereafter unless either
party gives a Notice of Termination (as defined below) to the other party at
least three (3) months prior to such anniversary.

3. Compensation and Benefits

3.1 Cash Compensation. -----

(a) Base Salary. The Company shall pay Executive an annual salary

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

of \$200,000 payable in bi-weekly installments, in arrears (the "Base Salary"). The Base Salary shall be reviewed annually by the Company's Board of Directors and may be increased, but not decreased (unless mutually agreed upon by Executive and the Company).

- (b) Signing Bonus. Executive shall be entitled to a one time

bonus payment of \$15,000, payable on the six month anniversary from the Effective Date.
- (c) Bonus Plan. Executive shall be entitled to participate in

the Company's Executive Bonus Compensation Program, in accordance with and subject to the terms and provisions thereof.

3.2 Participation in Benefit Plans. Executive shall be entitled to participate in all employee benefit plans or programs of the Company to the extent that her position, title, tenure, salary, age, health and other qualifications make her eligible to participate. The Company does not guarantee the continuance of any particular employee benefit plan or program during the Term, and Executive's participation in any such plan or program shall be subject to all terms, provisions, rules and regulations applicable thereto. Executive will be entitled to twenty (20) days of vacation per year, to be used in accordance with the Company's vacation policy for senior executives as it may change from time to time. For the Benefit Period, if any, (as hereinafter defined), the Company will arrange to provide Executive with welfare benefits (including life and health insurance benefits) of substantially similar design and cost to Executive as the welfare benefits and other employee benefits available to Executive prior to Executive's or the Company's, as the case may be, receipt of Notice of Termination (as hereinafter defined). In the event that Executive shall obtain full-time employment providing welfare benefits during the Benefit Period, such benefits as otherwise receivable hereunder by Executive shall be discontinued.

3.3 Expenses. The Company will pay or reimburse Executive for all reasonable and necessary out-of-pocket expenses incurred by her in the performance of her duties under this Agreement. Executive shall keep detailed and accurate records of expenses incurred in connection with the performance of her duties hereunder and reimbursement therefor shall be in accordance with policies and procedures to be established from time to time by the Board.

3.4 Automobile Expenses. During the Term and in accordance with the Company's Executive Automobile Policy, Executive shall be repaid by the Company for the monthly lease expense for an automobile leased in the name of the Executive and for all normal automobile operating expenses incurred by the Executive in the performance of her duties under this Agreement.

3.5 Stock Options. On the Effective Date; the Company agrees to grant Executive an Incentive Stock Option award for the purchase of 50,000 shares of the Company's common stock at an exercise price equal to the fair market value of such shares equal to the closing price of the Company's stock on the Effective Date. Such option award will be subject to such other terms and conditions as are set and determined by the Company's Board of Directors.

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

Company's Executive Bonus Compensation Program with respect to the three (3) fiscal years immediately preceding the fiscal year in which the Date of Termination occurs. In addition, to the extent not otherwise required under the Company's Stock Option Plan or any award agreement with Executive, any unvested stock option awards theretofore awarded to Executive shall vest and become immediately exercisable in full. In the event this Agreement is terminated (or not renewed) for any reason other than (i) by the Company without Cause, or (ii) by Executive for Good Reason, and such termination (or nonrenewal) occurs following a Change of Control, Executive shall not be entitled to the continuation of any compensation, bonuses or benefits provided hereunder, or any other payments following the Date of Termination, other than Base Salary earned through the Date of Termination.

(c) At Executive's option to be exercised by written notice to the Company, the severance benefits payable under this Section 4.5 shall be paid in accordance with the Company's normal payroll procedures over the twelve (12) or twenty-four (24) month period, as the case may be, corresponding to the amount of the payments instead of in a lump sum.

(d) Anything to the contrary contained herein notwithstanding, as a condition to Executive receiving severance benefits to be paid pursuant to this Section 4.5, Executive shall execute and deliver to the Company a general release in form and substance reasonably satisfactory to the Company releasing the Company and its officers, directors, employees and agents from all liabilities, claims and obligations of any nature whatsoever, excepting only the Company's obligations under this Agreement, under any Stock Option Award Agreements, and under any other employee benefit plans or programs in which Executive participates under Section 3.2 hereof, subject to all terms and conditions of such plans or programs and this Agreement.

(e) Anything to the contrary contained herein notwithstanding, in the event that any payment or benefit received or to be received by Executive in connection with a Change in Control of the Company or termination of Executive's employment (whether payable pursuant to the terms of this Agreement or any other

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

plan, contract, agreement or arrangement with the Company, with any person whose actions result in a Change in Control of the Company or with any person constituting a member of an "affiliated group" as defined in Section 280G(d) (5) of the Internal Revenue Code of 1986, as amended (the "Code"), with the Company or with any person whose actions result in a Change in Control of the Company (collectively, the "Total Payments")) would not be deductible (in whole or in part) by the Company or such other person making such payment or providing such benefit solely as a result of Section 280G of the Code, the amount payable to Executive pursuant to this Section 4.5 shall be reduced until no portion of the Total Payments is not deductible solely as a result of Section 280G of the Code or such amount payable to Executive pursuant to Section 4.5 is reduced to zero. For purposes of this limitation, (a) no portion of the Total Payments the receipt or enjoyment of which Executive shall have effectively waived in writing prior to the date of payment of the amount pursuant to Section 4.5 shall be taken into account; (b) no portion of the Total Payments shall be taken into account which in the opinion of tax counsel selected by the Company and reasonably acceptable to Executive does not constitute a "parachute payment" within the meaning of Section 280G(b) (2) of the Code; (c) the payment pursuant to Section 4.5 shall be reduced only to the extent necessary so that the Total Payments (other than those referred to in the immediately preceding clause (b)) in their entirety constitute reasonable compensation within the meaning of Section 280G(b) (4) (B) of the Code, in the opinion of the tax counsel referred to in the immediately preceding clause (b); and (d) the value of any other non-cash benefit or of any deferred cash payment included in the Total Payments shall be determined by the Company's independent auditors in accordance with the principles of Sections 280G(d) (3) and (4) of the Code.

5. Employment Covenants

5.1 Trade Secrets and Confidential Information. Executive agrees that she shall, during the course of her employment and thereafter, hold inviolate and keep secret all documents, materials, knowledge or other confidential business or technical information of any nature whatsoever disclosed to or developed by her or to which she had access as a result of her employment (hereinafter referred to as "Confidential Information"). Such Confidential Information shall include technical and business information, including, but not limited to, inventions, research and development, engineering, products, designs, manufacture, methods, systems, improvements, trade secrets, formulas, processes, marketing, merchandising, selling, licensing, servicing, customer lists, records or financial information, manuals or Company strategy concerning its business, strategy or policies. Executive agrees that all Confidential Information shall remain the sole and absolute property of the Company. During the course of her employment, Executive shall not use, disclose, disseminate, publish, reproduce or otherwise make available such Confidential Information to any person, firm, corporation or other entity, except for the purpose of conducting business on behalf of the Company. Following the Term, Executive shall not use, disclose, disseminate, publish, reproduce or otherwise make available such Confidential Information to any person, firm, corporation or other entity. Upon termination of her employment with the Company, Executive will leave with or deliver to the Company all records and any compositions, articles, devices, equipment and other items which disclose or embody Confidential Information including all copies or specimens thereof, whether prepared by her or by others. The foregoing restrictions on disclosure of Confidential Information shall apply so long as the information has not properly come into the public domain through no action of Executive.

5.2 Transfer of Inventions. Executive, for himself and her heirs and representatives, will promptly communicate and disclose to the Company, and upon request will, without additional compensation, execute all papers reasonably necessary to assign to the Company or the Company's nominees, free of

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

encumbrance or restrictions, all inventions, discoveries, improvements, whether patentable or not, conceived or originated by Executive solely or jointly with others, at the Company's expense or at the Company's facilities, or at the Company's request, or in the course of her employment, or based on knowledge or information obtained during the Term. All such assignments shall include the patent rights in this and all foreign countries. Notwithstanding the foregoing, this Section 5.2 shall not apply to any invention for which no equipment, supplies, facilities or trade secret information of the Company was used and which was developed entirely on Executive's own time and (a) that does not relate (1) directly to the business of the Company or (2) to the Company's actual or demonstrably anticipated research or development, or (b) that does not result from any work performed by Executive for the Company.

5.3 Exclusivity of Employment. During the Term, Executive shall not directly or indirectly engage in any activity competitive with or adverse to the Company's business or welfare or render a material level of services of a business, professional or commercial nature to any other person or firm, whether for compensation or otherwise.

5.4 Covenant Not to Compete. Executive agrees to be bound and abide

by the following covenant not to compete:

(a) Term and Scope. During her employment with the Company and for a period of two (2) years after the Term, Executive will not render to any Conflicting Organization (as hereinafter defined), services, directly or indirectly, anywhere in the world in connection with any Conflicting Product, except that Executive may accept employment with a large Conflicting Organization whose business is diversified (and which has separate and distinct divisions) if Executive first certifies to the Board of Directors in writing that she has provided a copy of Section 5 of this Agreement to such prospective employer, that such prospective employer is a separate and distinct division of the Conflicting Organization and that Executive will not render services directly or indirectly in respect of any Conflicting Product (as hereinafter defined). Such two-year time period shall be tolled during any period that Executive is engaged in activity in violation of this covenant.

(b) Judicial Action. Executive and the Company agree that, if the period of time or the scope of the restrictive covenant not to compete contained in this Section 5.4 shall be adjudged unreasonable in any court proceeding, then the period of time and/or scope shall be reduced accordingly, so that this covenant may be enforced in such scope and during such period of time as is judged by the court to be reasonable. In the event of a breach or violation of this Section 5.4 by Executive, the parties agree that in addition to all other remedies, the Company shall be entitled to equitable relief for specific performance, and Executive hereby agrees and acknowledges that the Company has no adequate remedy at law for the breach of the covenants contained herein.

(c) Definitions. For purposes of this Agreement, the following

terms shall have the following meanings:

"Conflicting Product" means any product, method or process, system or service of any person or organization other than the Company, in existence or under development at the time Executive's employment with the Company terminates, that is the same as or similar to or competes with a product, method or process, system or service of or provided by the Company or any of its affiliates or about which Executive acquires Confidential Information.

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form 10-Q

"Conflicting Organization" means any person or organization which is engaged in or about to become engaged in, research on or development, production, marketing, licensing, selling or servicing of a Conflicting Product.

5.5 Disclosure to Prospective Employers. Executive will disclose to any prospective employer, prior to accepting employment, the existence of Section 5 of this Agreement. The obligation imposed by this Section 5.5 shall terminate two (2) years after termination of Executive's employment with the Company; provided, however, the running of such two-year period shall be tolled to the extent the covenant not to compete contained in Section 5.4(a) hereof is tolled.

5.6 Non-Solicitation. For one (1) year after termination of employment with the Company for any reason, the Executive shall not directly or indirectly solicit or hire, or assist any other person in soliciting or hiring, any employee of the Company (as of the date of termination) or any person who, as of the date of termination, was in the process of being recruited by the Company or induce any such employee to terminate his or her employment with the Company.
