Item 8.01.

Other Events.

Marshall & Ilsley Corporation (the “Company”) has entered into a capital support agreement (the CSA) with the M&I Employee Benefit Stable Principal Fund (the SPF), a collective investment fund for which Marshall & Ilsley Trust Company N.A. (M&I Trust) serves as trustee. Under the terms of the CSA, the Company would be required to contribute capital to the SPF, under certain specific and defined circumstances, in an amount not to exceed \$60.0 million in the aggregate. The Company is only required to contribute capital to the SPF upon the exhaustion of a separate capital support agreement previously entered into by M&I Trust, whereby M&I Trust is required to contribute capital to the SPF, under certain specific and defined circumstances, in an amount not to exceed \$30.0 million in the aggregate. The CSA expires December 31, 2008 and contains terms that provide for three month renewals with all of the significant terms, including maximum contribution limits, remaining unchanged. The primary reason the CSA was necessary was related to the indirect exposure of the SPF through a securities lending program to the recent volatility in the fixed income securities markets. The Company believes the volatility in the fixed income markets is primarily liquidity driven, and the fixed income securities to which the SPF has indirect exposure are of high quality and present a relatively low risk of default. To date, no contributions have been made under the CSA or under the capital support agreement provided by M&I Trust.
