Item 1.01. Entry into a Material Definitive Agreement.

On November 13, 2015, Cummins Inc. (the “Company”) entered into an amended and restated credit agreement (the “New Credit Agreement”) by and among the Company, certain of its subsidiaries (together with the Company, the “Borrowers”) and the lenders (the “Lenders”) named therein. Under the New Credit Agreement, which will mature on November 13, 2020, the Borrowers may obtain revolving and swingline loans and letters of credit, in each case subject to certain amount limitations, in an amount up to \$1.75 billion in the aggregate outstanding at any time prior to maturity. These borrowings will not be secured with liens on any of the Company’s or its subsidiaries’ assets. The Company will guarantee all borrowings by the subsidiary Borrowers under the New Credit Agreement.

Borrowings under the New Credit Agreement will bear interest at varying rates, depending on the type of loan and, in some cases, the rates of designated benchmarks and the Borrower’s election. For all borrowings under the New Credit Agreement, Borrowers may choose among the following interest rates: (i) solely in the case of U.S. dollar-denominated loans, an interest rate equal to the highest of (1) the rate of interest publicly announced by JPMorgan Chase Bank, N.A. as its prime rate in effect at its principal office in New York City, (2) the federal funds effective rate from time to time plus 0.5% and (3) the rate payable on one-month deposits in the London interbank market plus 1.00%; (ii) an interest rate equal to the “Adjusted LIBO Rate” plus a rate ranging from 0.50% to 1.00%, depending on the credit rating of the Company’s senior unsecured long-term debt; or (iii) solely in the case of swingline loans, another rate agreed to by the applicable Lender and the applicable Borrower. The Adjusted LIBO Rate is a rate determined by reference to the rate payable on deposits in the relevant currency in the London interbank market. Currently, the Company’s senior unsecured long-term debt is rated A2 by Moody’s Investors Service, Inc. and A+ by Standard & Poor’s, which would result in a rate of the Adjusted LIBO Rate plus 0.75% under (ii) above. Credit ratings are not recommendations to buy and are subject to change, and each rating should be evaluated independently of any other rating. In addition, the Company undertakes no obligation to update disclosures concerning its credit ratings, whether as a result of new information, future events or otherwise.

The New Credit Agreement contains customary financial and other covenants. There are no material relationships between the Company or its affiliates and any of the Lenders, other than pursuant to the New Credit Agreement or the Prior Credit Agreement (as defined below). The description of the New Credit Agreement set forth above is qualified by reference to the Amended and Restated Credit Agreement filed herewith as Exhibit 10 and incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

On November 13, 2015, the Credit Agreement, dated as of November 9, 2012, by and among the Company, certain subsidiaries referred to therein and the lenders party thereto (the “Prior Credit Agreement”), was amended and restated by the New Credit Agreement. Under the Prior Credit Agreement, which would have matured on November 9, 2018, the borrowers and lenders were able to enter into revolving and swingline loans and issuances of letters of credit, in each case subject to certain amount limitations, in an amount up to \$1.75 billion in the aggregate outstanding at any time prior to maturity. These borrowings were not secured with liens on any of the Company’s or its subsidiaries’ assets. The Prior Credit Agreement contained typical financial and other covenants. There were no loans outstanding under the Prior Credit Agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 above is incorporated herein by reference.
