The Stock Purchase Agreement has been included to provide you with information regarding its terms. It is not intended to provide any other factual information about us. Such information can be found elsewhere in other public filings we have made with the Securities and Exchange Commission, which are available without charge at [www.sec.gov](http://www.sec.gov).

The Stock Purchase Agreement contains representations and warranties we made. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that we have exchanged in connection with signing the Stock Purchase Agreement. While we do not believe that they contain information securities laws require us to publicly disclose other than information that has already been so disclosed, the disclosure schedules do contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Stock Purchase Agreement. Accordingly you should not rely on the representations and warranties as characterizations of the actual state of facts, since they are modified in important part by the underlying disclosure schedules. These disclosure schedules contain information that has been included in our general prior public disclosures, as well as potential additional non-public information. Moreover, information concerning the subject matter of the representations and warranties may have changed since the date of the Stock Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures.
