**PROXY STATEMENT**

**Annual Meeting of Shareholders to be Held**

**December 10, 2012**

This proxy statement and the accompanying proxy is solicited on behalf of the Board of Directors, referred to as the **Board**, of Flexsteel Industries, Inc., referred to as the **Company** or **Flexsteel**, to be used at the Annual Meeting of Shareholders to be held on Monday, December 10, 2012, and any adjournments or postponements of the meeting, for the purposes set forth in the notice of meeting accompanying this proxy statement.

The mailing address of the corporate office and principal executive office of the Company is P.O. Box 877, Dubuque, IA 52004-0877. The approximate date on which this proxy statement and accompanying proxy card are first being mailed to shareholders is October 26, 2012.

**PROXIES AND VOTING**

Each shareholder who signs and returns a proxy in the form enclosed with this proxy statement has the unconditional right to revoke the proxy at any time prior to its use at the meeting. A shareholder can change his or her proxy or vote in one of three ways:

send a signed notice of revocation to our Secretary to revoke the previously given proxy;

send a completed proxy card bearing a later date than the previously given proxy to our Secretary indicating the change in your vote;  
or

attend the meeting and vote in person, which will automatically cancel any proxy previously given, or the shareholder may revoke his or her proxy in person, but a shareholder's attendance at the meeting alone will not revoke any proxy that the shareholder has previously given.

If a shareholder chooses either of the first two methods, the shareholder must take the described action no later than the beginning of the meeting. Once voting on a particular matter is completed at the meeting, a shareholder will not be able to revoke his or her proxy or to change his or her vote as to that matter. Unless a shareholder's proxy is so revoked or changed, the shares of common stock represented by each proxy received by the Company will be voted at the meeting and at any

## Edgar Filing: FLEXSTEEL INDUSTRIES INC - Form DEF 14A

adjournments or postponements of the meeting. If a shareholder's shares of common stock are held in street name by a broker, bank or other financial institution, such shareholder may vote by mail, internet or telephone and must contact such organization to change his or her vote. Execution of the proxy will in no way affect a shareholder's right to attend the meeting and vote in person. If a shareholder specifies how the proxy is to be voted on any business to come before the meeting, it will be voted in accordance with such specification. If no specification is made, it will be voted FOR the election of Mary C. Bottie, Patrick M. Crahan, Robert E. Deignan and James R. Richardson as Class II Directors (Proposal I). All nominees have been previously elected by the shareholders.

As of the close of business on October 19, 2012, the record date for determining shareholders entitled to notice of, and to vote at, the meeting, the Company had 7,006,920 outstanding shares of common stock, par value \$1.00 per share, which is the only class of the Company's capital stock entitled to vote at the meeting. Each share of common stock issued and outstanding as of the record date is entitled to one vote upon each matter to be presented at the meeting, and cumulative voting for directors is not permitted. A quorum, consisting of a majority of the outstanding shares of common stock entitled to vote at the meeting, must be present in person or represented by proxy before action may be taken at the meeting.

Votes cast by proxy or in person will be counted by the inspector of election appointed for the meeting who will be present at the meeting. The affirmative vote of a plurality of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote is required for the election of the director nominees named in this proxy statement. For Proposal No. I, the election of Class II Directors, the four nominees that receive the highest number of FOR votes will be elected. A WITHHELD vote will be counted for purposes of determining whether there is a quorum, but will not be voted in favor of the nominee with respect to whom authority has been withheld. A broker non-vote is treated as present for purposes of determining a quorum, but will not be counted as shares entitled to vote and will have no effect on the result of the vote.

While the Board knows of no other matter to be presented at the meeting or any adjournment or postponement of the meeting, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxies.

**EXPENSE OF SOLICITATION**

The cost of the solicitation of proxies on behalf of the Board will be paid by the Company. Solicitation of proxies will be principally by mail. In addition, the officers or employees of the Company and others may solicit proxies, either personally, by telephone, by special letter, or by other forms of communication. The Company will also make arrangements with banks, brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals and will reimburse them for reasonable expenses in so doing. Officers and employees of the Company will not receive additional compensation in connection with the solicitation of proxies.

**PROPOSAL I**

**ELECTION OF DIRECTORS**

Our Amended and Restated Articles of Incorporation permit the election of thirteen Directors. The Board currently consists of twelve persons divided into three classes. At each Annual Meeting the terms of one class of Directors expire and persons are elected to that class for terms of three years or until their respective successors are duly qualified and elected or until their earlier resignation, removal or termination. The Nominating and Compensation Committee believes that, as a group, the nominees below bring a diverse range of backgrounds, experiences and perspectives to the Board's deliberations.

No shares will be issued unless the minimum specific performance goals set by the Nominating and Compensation Committee are met. The 2012 three-year performance period is July 1, 2011 – June 30, 2014. The 2011 three-year performance period is July 1, 2010 – June 30, 2013. Shares earned, if any, will be issued following each respective three-year performance period. The amounts shown reflect the grant date fair value of the awards assuming achievement of the target performance goals. The maximum share award value that could

be issued for each of 2012 and 2011 for Mr. Klosterman is \$384,000 and \$288,000, respectively, and for Mr. Richardson is \$118,000 and \$88,000 respectively. Mr. Dreher is not a participant in this plan.

- (2) The amounts shown represent the aggregate grant date fair value computed in accordance with FASB ASC Topic 718. The assumptions used in calculating the stock option award amount may be found in Note 8 to the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended June 30, 2012. The material terms of these options are set forth in the Outstanding Equity Awards at Fiscal Year-End table below.
- (3) The amounts shown represent the cash payments made under the Company's annual incentive program for each respective fiscal year and cash payments made under the Long-Term Management Incentive Plan for the three-year performance period ending on the respective fiscal year.
- (4) Includes amounts paid or accrued for the following perquisites and personal benefits: car allowance or company-provided car, tax planning services, country club dues, supplemental health insurance, furniture program, company retirement plan contributions and matching contributions to our 401(k) plan. The amounts of our contribution to the senior officer supplemental retirement plan for 2012 and 2011 for Mr. Klosterman were \$171,000 and \$170,000, respectively, and for Mr. Richardson were \$24,000 and \$26,000, respectively.
- (5) Includes for Mr. Dreher amounts paid for the following perquisites and personal benefits: car allowance, tax planning services, country club dues, supplemental health insurance and matching contributions to the Company's 401(k) plan.

**Annual Incentive Program.** The plan is structured as an annual cash payment tied to the achievement of Company objectives during the fiscal year. The incentive award levels are expressed as a percentage of the named executive officer's salary ranging from 40% to 75% based on the individual's responsibility level and total compensation. The objectives for fiscal year 2012 for each of the named executive officers, including weighting for each objective, were (i) Mr. Klosterman 60% diluted earnings per share, 20% net sales, and 20% free cash flow; (ii) Mr. Dreher 20% diluted earnings per share, 10% net sales and 70% related to individual goals; and (iii) Mr. Richardson 30% diluted earnings per share, 10% net sales, 10% free cash flow, and 50% related to individual goals.

**Long-Term Management Incentive Compensation Plan.** The plan provides for shares of common stock and cash to be awarded to officers (excluding Mr. Dreher) and key employees based on performance targets set by the Nominating and Compensation Committee of the Board. The Company's shareholders approved 500,000 shares to be issued under the plan. As of June 30, 2012, 38,944 shares have been issued under this Plan. During September 2012, an additional 83,977 shares were issued based on the results achieved for the performance period July 1, 2009 to June 30, 2012. The committee has selected consolidated operating results for organic net sales (weighted 20%) and fully-diluted earnings per share (weighted 80%) for each three-year performance period. The Committee has also specified that payouts, if any, for awards earned will be 60% Company common stock and 40% cash.

**Retirement Savings Plans.** We maintain the Flexsteel Industries, Inc. Salaried Employees Retirement and 401(k) Plan, referred to as the Retirement Plan, a qualified plan available generally to all salaried employees. The Retirement Plan provides that we can make discretionary contributions, on a non-discriminatory basis, under the Retirement Plan. There was no discretionary

contribution during fiscal years 2012 and 2011. The Retirement Plan also provides for each participant to make elective contributions up to 50% of base salary and annual cash bonus, subject to Internal Revenue Code limits, which are matched by us at 25% of the first 4% of pay contributed by the participant. In addition, the Retirement Plan requires that we contribute 4% of pay up to the Social Security base and 6% of pay in excess of the Social Security base on behalf of each participant in the plan. The amount of these matching contributions and other required company contributions is shown in the Summary Compensation Table in the column titled "All Other Compensation" above.

**Voluntary Deferred Compensation.** We maintain the Flexsteel Industries, Inc. Voluntary Deferred Compensation Plan, referred to as the Voluntary Plan, which allows our executive officers (excluding Mr. Dreher) the opportunity to voluntarily defer, based on annual elections, 10% to 30% of their base salary, 10% to 100% of annual incentive compensation and 33% to 100% of their long-term incentive compensation. We offer this opportunity to our executive officers to assist them in income tax and estate planning purposes. The executive officer may elect an earnings credit based on the prime interest rate effective on January 1 of each calendar year, the annual return of the S&P 500 Index as of the end of the calendar year, or a combination of the two. Distributions are made upon the earliest of the participant's death, disability, or the date which is six months after the date of the executive's separation of service from the Company. The Voluntary Plan does not permit us to make contributions.

**Senior Officer Supplemental Retirement Plan.** We maintain supplemental retirement plans, collectively referred to as the Supplemental Plan, which provides for additional annual defined contributions toward retirement benefits to our senior executive officers (excluding Mr. Dreher). The additional contribution is stipulated in the executive's individual agreements or in the document governing the arrangements. Earnings are credited to the accumulated contributions based on the investment return of assets we designate for this obligation. The amount of the contribution for each named executive officer is reported in the Summary Compensation Table in the column titled "All Other Compensation". Distributions begin when the executive attains age 65 and retires or in some cases when the executive terminates employment. Distributions are paid in installments or lump sums as elected by the executive. Under the Supplemental Plan our named executive officers are entitled to monthly payments of \$5,000 until they reach or would have reached age 65 upon termination of employment due to death or disability.

**Employment Agreement for Donald D. Dreher.** On October 1, 2006, we entered into an employment agreement with Donald D. Dreher, a Senior Vice President of Flexsteel and Chief Executive Officer and President of DMI Furniture, Inc. and on June 27, 2008, we entered into an amendment to the employment agreement extending the term of the agreement from December 31,

2009 to September 30, 2012. On December 15, 2010, we entered into the second amendment to the employment agreement extending the term of the agreement to December 31, 2014, unless terminated prior to that time as provided in the employment agreement. We have the right to terminate the employment agreement upon 30 days advance notice without cause and can terminate the employment agreement for cause (as defined in the employment agreement) upon 120 days advance notice. Under the terms of the employment agreement, Mr. Dreher is entitled to a base annual salary of \$391,200 and an annual bonus, subject to achieving annual performance levels established by the Nominating and Compensation Committee, of not less than \$50,000, unless our subsidiary, DMI Furniture, Inc., reports a financial pre-tax loss (before this bonus) in which case no bonus shall be paid. Mr. Dreher's employment agreement also provides that we provide him with life insurance; health, disability and travel accident insurance consistent with DMI Furniture, Inc.'s coverage; automobile allowance; reimbursement for certain medical care expenses; personal tax and financial planning expense allowance; and country club dues. If the employment agreement is terminated without cause prior to December 31, 2014, Mr. Dreher is entitled to payment in one lump sum of the balance of his base salary through December 31, 2014 so long as he agrees to comply with the noncompete provisions of the employment agreement. The employment agreement also contains a 24-month post-termination noncompete provision and non-solicitation and confidentiality provisions. Assuming Mr. Dreher was terminated without cause effective June 30, 2012, he would have been entitled to an estimated lump sum cash severance payment in the aggregate amount of approximately \$603,000. The foregoing amounts are estimates of the amounts that would have been paid out to Mr. Dreher upon his termination of employment. The actual amounts to be paid out can only be determined at the time Mr. Dreher in fact terminates employment with us.

**Letter Agreement with Karel K. Czanderna.** Effective July 1, 2012 the Company named Karel K. Czanderna, President and Chief Executive Officer. In connection with Ms. Czanderna's appointment, the Company entered into a letter agreement with her, dated June 29, 2012, that provides for an annual salary of \$600,000 and sign-on equity grant of 25,000 fully vested stock options with an exercise price equal to the closing price on July 2, 2012, which was \$20.50. The options have a term of ten years. **CORPORATE GOVERNANCE**

**Board of Directors**

Our Board of Directors is currently comprised of the twelve members identified under Proposal 1 (Election of Directors). During the fiscal year ended June 30, 2012, six meetings of the Board were held. All of the directors of the Company attended no less than 75% of the meetings of the Board and the committees on which they served. The Company does not have a formal policy regarding attendance by Board members at the Company's annual meetings, but the Board encourages all its members to attend the annual meeting of shareholders. All members of the Board of Directors attended the prior year's annual meeting.

The Board has determined that the following directors, which constitute a majority of the Board of Directors, are independent directors as defined by The NASDAQ Stock Market listing standards: Mary C. Bottie, Lynn J. Davis, Robert E. Deignan, Thomas M. Levine, Robert J. Maricich, Eric S. Rangen and Nancy E. Uridil. The independent directors meet periodically in executive session without the Chief Executive Officer or other management directors present.

**Board Leadership Structure**

The Board elected an independent director, Mr. Davis, to serve as Chairman of the Board. Our By-Laws provide that the Chairman of the Board may be an independent director or the Chief Executive Officer of the Company. In making leadership determinations, the Board considers many factors including the specific needs of the business and what is in the best interest of our shareholders. The Board believes that presently it is in the best interest of the Company that the positions of Chairman of the Board and Chief Executive Officer are separate. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading our day-to-day operations while the Chairman of the Board can focus on leading the Board.

**Ability of Shareholders to Communicate with the Board of Directors**

The Board has provided the means by which shareholders may send communications to the Board or to individual members of the Board. Such communications, whether by letter, email or telephone should be directed to the Secretary of the Company who will forward them to the intended recipients. However, unsolicited advertisements or invitations to conferences or promotional material, in the discretion of the Secretary, may not be forwarded to the directors.

## Committees of the Board

Our Board of Directors has established two standing committees of the Board. The names of the committees and the principal duties are as follows:

***Audit and Ethics Committee*** Confers with the independent registered public accounting firm on various matters, including the scope and results of the audit; authorizes special reviews or audits; reviews internal auditing procedures and the adequacy of internal controls; and reviews policies and practices respecting compliance with laws, conflicts of interest and ethical standards of the Company. The Committee held six meetings during the fiscal year ended June 30, 2012. The Committee members are Eric S. Rangen Chair, Lynn J. Davis, and Thomas M. Levine. The Board has adopted a written charter for the Audit and Ethics Committee. The Board believes all Audit and Ethics Committee members are independent as defined by The NASDAQ Stock Market listing standards. The Board has determined that three members of the Audit and Ethics Committee qualify as audit committee financial experts within the meaning of the Securities Exchange Act of 1934, as amended, referred to as the **1934 Act**, and have designated Eric S. Rangen, Lynn J. Davis and Thomas M. Levine as audit committee financial experts.

***Nominating and Compensation Committee*** Makes recommendations regarding Board compensation; reviews performance, compensation and benefits of all executive officers; determines stock option grants; reviews timely proposed nominations received from any source including nominations by shareholders and makes recommendations to the Board regarding all director nominees; and develops and maintains succession planning policies and criteria for executive officers and Board members.

The Board has adopted a written charter for the Nominating and Compensation Committee. The Board believes all Nominating and Compensation Committee members are independent as defined by The NASDAQ Stock Market listing standards. The Committee held seven meetings during the fiscal year ended June 30, 2012. The Committee members are Mary C. Bottie Chair, Robert E. Deignan, Robert J. Maricich and Nancy E. Uridil.

***Stock Option Granting Policy*** The Nominating and Compensation Committee has formalized its stock option granting practices by adopting a policy for the grant of stock options. The policy reflects the Nominating and Compensation Committee's long-standing approach to stock option grants described above. In addition, the policy provides, among other things, that all grants of stock options must be approved by the Nominating and Compensation Committee at in person or telephonic meetings generally on an annual basis; stock options may not be granted to a current director, officer or employee during any quarterly or other blackout period as defined in our insider trading policy; the grant date for each option will be the date of the Nominating and Compensation

Committee meeting at which action was taken to approve the stock option; the exercise price for the stock option will be equal to the last sale price per share of our common stock as reported on The NASDAQ Stock Market on the grant date; specifies procedures for granting stock options to newly hired executives; and that any program, plan or practice to time or select the grant dates of stock options in coordination with the release by us of material non-public information is prohibited.

***Nomination Matters*** The Nominating and Compensation Committee of the Board of Directors is responsible for making recommendations to the Board concerning nominees for election as directors and nominees for Board vacancies. When assessing a director candidate's qualifications, the Nominating and Compensation Committee considers the candidate's expertise in finance, general management, human resources, legal training, marketing, sales, operations, manufacturing, supply-chain management, and company culture, independence, high ethical standards, and uncompromising integrity. In addition, the Nominating and Compensation Committee looks at the overall composition of the Board and how a candidate would contribute to the overall synergy and collaborative process of the Board. The Nominating and Compensation Committee has not established specific minimum eligibility requirements for candidates other than high ethical standards, uncompromising integrity, commitment to act in the best interests of the shareholders, requirements relating to age and ensuring that a substantial majority of the board remains independent.

In addition to the considerations described above, our Nominating and Compensation Committee considers diversity in its evaluation of candidates for Board membership. Although the Company has no formal diversity policy, the Board believes that diversity with respect to factors such as background, experience, skills, race, gender and national origin is an important consideration in board composition. The Nominating and Compensation Committee discusses diversity considerations in connection with each candidate, as well as on a periodic basis in connection with the composition of the Board as a whole.

If the Nominating and Compensation Committee approves a candidate for further review following an initial screening, the Nominating and Compensation Committee will establish an interview process for the candidate. Generally, the candidate will meet with the members of the Nominating and Compensation Committee, along with our Chief Executive Officer. Contemporaneously with the interview process, the Nominating and Compensation Committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The Nominating and Compensation Committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board. The Nominating and Compensation Committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to us and concern for our success and welfare, willingness to apply sound and independent business judgment, awareness of a director's

vital part in good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

Recommendations for candidates to be considered for election to the Board at our annual shareholder meetings may be submitted to the Nominating and Compensation Committee by our shareholders. Candidates recommended by our shareholders will be considered under the same standards as candidates that are identified by the Nominating and Compensation Committee. Any nominations for director to be made at an annual meeting of shareholders must be made in accordance with the requirements described in the section of this Proxy Statement entitled Proposals By Shareholders. To enable the committee to evaluate the candidate's qualifications, shareholder recommendations must include the following information:

The name, age, business address and, if known, residence address of each nominee proposed in such notice;

The principal occupation or employment of each such nominee; and

The number of shares of stock of the Company, which are beneficially owned by each such nominee.

**Committee Charters** Subject to applicable law and regulatory requirements, the Board may establish additional or different committees from time to time. The charters of the Audit and Ethics Committee and Nominating and Compensation Committee are available at [www.flexsteel.com](http://www.flexsteel.com).

We are sending only one Annual Report and Proxy Statement to eligible shareholders who share a single address unless we received instructions to the contrary from any shareholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. If registered shareholders residing at addresses with other registered shareholders wish to receive separate annual reports and proxy statements in the future, they may contact the Office of the Secretary at the address immediately above. The Board does not know of any other matter which may come before the meeting. However, should any other matter properly come before the meeting, the persons named in the proxy card will vote in accordance with their judgment upon such matters.

Shareholders are urged to vote, date, sign and return the proxy card in the enclosed envelope to which no postage need be affixed if mailed in the United States. Prompt response is helpful and your cooperation will be appreciated.
