This current report and its contents is not an offer to sell or purchase or an offer to exchange or a solicitation of acceptance of an offer to sell or purchase or offer to exchange. **Any such offer or solicitation shall be made solely by means of the prospectus, related letter of transmittal and other offer documents, as described below.**

In connection with the commencement of the exchange offer by the Company to acquire all of the Company's outstanding 2.125% Convertible Senior Subordinated Notes due 2024 (the convertible notes), issued under that indenture, dated as of November 16, 2004, between the Company and The Bank of New York, as trustee, in exchange for cash and shares of Company common stock, the Company has filed with the U.S. Securities and Exchange Commission (the SEC) a registration statement on Form S-4 (which includes a prospectus) and amendment thereto, a tender offer statement on Schedule TO and amendment thereto and related documents and materials. **Investors and security holders are strongly urged to carefully review the registration statement, the prospectus, the tender offer statement and any statements thereto and the other related documents and materials filed with the SEC, including the final prospectus described below, when available, as well as any amendments and supplements thereto, when available, because they will contain important information about the Company, the proposed exchange offer and related transactions and are the sole means by which any offer to exchange or sell, or any solicitation of any such offers, will be made.**
