Bio-Imaging Technologies, Inc. (the "Company") hereby amends its Current Report on Form 8-K dated April 15, 2002 filed with the Securities and Exchange Commission on April 17, 2002 to file an amended letter from Arthur Andersen LLP ("Arthur Andersen"). As reported by the Company in such Current Report on Form 8-K, on April 15, 2002, the Company determined to dismiss Arthur Andersen as its independent auditors and to engage the services of PricewaterhouseCoopers LLP ("PWC") as its new independent auditors. The change in auditors was effective April 15, 2002. This determination followed the Company's decision to seek

proposals from independent accountants to audit the financial statements of the Company, and was approved by the Company's Board of Directors upon the recommendation of its audit committee. PWC will audit the financial statements of the Company for the fiscal year ending December 31, 2002, and for the transition period from October 1, 2001 to December 31, 2001.

During the two most recent fiscal years of the Company ended September 30, 2001, and the subsequent interim period through April 15, 2002, there were no disagreements between the Company and Arthur Andersen on any matter of accounting principles or practices, financial disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreement in connection with its reports. Arthur Andersen's prior audit report on the Company's financial statements for each of the two most recent fiscal years in the period ended September 30, 2001 contained no adverse opinion or disclaimer of opinion and was not modified or qualified as to uncertainty, audit scope, or accounting principles. A letter from Arthur Andersen addressed to the Securities and Exchange Commission stating their agreement with the above statements is attached as Exhibit 16.

During the two most recent fiscal years of the Company ended September 30, 2001, and the subsequent interim period through April 15, 2002, the Company did not consult with PWC regarding any of the matters or events set forth in Item 304(a)(2)(i) or (ii) of Regulation S-B.
