ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE

On June 11, 2003, General Electric Capital Corporation ("GECC") brought suit in the District Court of Dallas County, Texas (the "District Court") against Registrant, TCC Leasing, Inc. and Cannon Express Corp. seeking money damages and a Temporary Restraining Order and Injunctive Relief enjoining the use of certain equipment subject to GECC's security interest. On June 19, 2003, the District Court granted a Temporary Restraining Order enjoining the use of the equipment which allowed for the completion of deliveries that were then in progress.

In addition, the Registrant received a Notice of Default pursuant to several agreements between the Registrant and CitiCapital Commercial Leasing Corporation (a/k/a Associates Leasing, Inc.) ("CCLC") asserting the failure to timely make required payments and the change of control of Registrant. The Registrant is engaged in discussions with CCLC in an effort to resolve those default issues.

The Registrant and GECC have agreed in principle on the logistics for fleet substitution in an orderly manner over a period of three weeks so as not
