1. ORGANIZATION

These condensed consolidated financial statements should be read in conjunction

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

with the financial statements and related notes thereto included in North Atlantic Trading Company, Inc.'s ("NATC") Annual Report on Form 10-K for the year ended December 31, 2003. The accompanying condensed consolidated financial statements are presented in accordance with the requirements of Form 10-Q and, accordingly, do not include all the disclosures normally required by generally accepted accounting principles. The condensed consolidated financial statements have been prepared in accordance with North Atlantic Holding Company, Inc.'s (the "Company's") customary accounting practices and have not been audited. In the opinion of management, all adjustments necessary to fairly present the results of operations for the reported interim periods have been recorded and were of a normal and recurring nature. The year-end balance sheet data was derived from audited financial statements, but does not include all disclosures required by generally accepted accounting principles.

On February 9, 2004, NATC, a Delaware Corporation, consummated a holding company reorganization whereby the Company became the parent company of NATC. The holding company reorganization was effected pursuant to an Agreement and Plan of Merger (the "Merger Agreement"), dated February 9, 2004, among NATC, the Company and NATC Merger Sub, Inc., a Delaware corporation and a direct wholly-owned subsidiary of the Company ("Merger Sub").

Pursuant to the Merger Agreement, (i) Merger Sub was merged with and into NATC (the "Merger"), with NATC as the surviving corporation; (ii) NATC became a wholly-owned subsidiary of the Company; (iii) each of the 539,235 issued and outstanding shares of voting common stock of NATC, par value \$0.01 per share, was converted into the right to receive one share of common stock of the Company, par value \$0.01 per share ("Company Common Stock"); (iv) each issued and outstanding share of common stock of Merger Sub was converted into one issued and outstanding share of common stock of NATC, par value \$0.01 per share ("NATC Common Stock"); and (v) all of the issued and outstanding shares of the Company's Common Stock held by NATC were cancelled.

Immediately after the Merger, (i) 539,235 shares of Company Common Stock were issued and outstanding; and (ii) ten (10) shares of NATC Common Stock were issued and outstanding.

Subsequently, the Company issued 49,523 shares of Company Common Stock upon the exercise of certain warrants pursuant to a Warrant Agreement (the "Warrant Agreement"), dated June 25, 1997, between the Company (as assignee to the NATC's rights and obligations under the Warrant Agreement) and The Bank of New York, as warrant agent (as successor to the United States Trust Company of New York). As of April 20, 2004, (i) 588,758 shares of the Company Common Stock were issued and outstanding; and (ii) ten (10) shares of NATC Common Stock were issued and outstanding.

6

2. RECAPITALIZATION AND REORGANIZATION:

On February 9, 2004, NATC consummated the general corporate reorganization and on February 17, 2004, consummated the refinancing of its existing debt and preferred stock. The general corporate reorganization consisted of the creation of the Company. The refinancing consisted principally of (1) the offering and sale of \$200.0 million principal amount of 9 1/4% senior notes due 2012 by NATC (the "New Senior Notes"), (2) the entering into by NATC of an amended and restated loan agreement that provides a \$50.0 million senior secured revolving credit facility (the "Senior Revolving Credit Facility") and (3) the concurrent offering and sale of \$97.0 million aggregate principal amount at maturity of 12 1/4% senior discount notes due 2014 of the Company (the "Company Notes"). Both the senior notes and the senior discount notes were offered pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended.

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

Concurrently with the closing of the refinancing, NATC also called for redemption all of its outstanding 11% senior notes due 2004, in accordance with the terms of the indenture governing such notes, at the applicable redemption price of 100.0% of the principal amount thereof, plus interest accrued to the redemption date of April 2, 2004. At December 31, 2003, NATC has outstanding \$155.0 million aggregate principal amount of its 11% senior notes due 2004.

The proceeds from the offering of the New Senior Notes, along with borrowings under the Senior Revolving Credit Facility (see Notes 5 and 6) and the proceeds from the concurrent offering of the Company Notes were used to (1) repay \$36.6 million outstanding borrowings under the existing senior credit facility (the "Old Senior Credit Facility"), including borrowings used to finance the cash purchase price for the acquisition of Stoker, Inc. (see Note 11), (2) redeem NATC's existing 11% senior notes due 2004 (the "Old Senior Notes"), (3) redeem NATC's existing 12% senior exchange payment-in-kind preferred stock on March 18, 2004, (4) pay a \$5.0 million pro rata distribution to stockholders of the Company and make a distribution to certain holders of warrants of the Company, (5) make \$2.1 million in incentive payment to certain key employees and outside directors, and (6) pay fees and expenses of \$12.8 million incurred in connection with the offerings.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF PRESENTATION: The condensed consolidated financial statements include the accounts of the Company and its subsidiaries. For the three months ended June 30, 2004, the condensed consolidated statement of operations includes the accounts of the Company from inception (February 9, 2004) through June 30, 2004 and the accounts of NATC and its subsidiaries from January 1 through June 30, 2004. For the six months ended June 30, 2003, the condensed consolidated statement of operations consists of the accounts of NATC and its subsidiaries. All significant intercompany accounts have been eliminated.

REVENUE RECOGNITION: The Company recognizes revenues and the related costs upon transfer of title and risk of loss to the customer.

SHIPPING COSTS: The Company records shipping costs incurred as a component of selling, general and administrative expenses. Shipping costs incurred were \$0.9 million and \$0.7 million for the three months ended June 30, 2004 and 2003, respectively and \$1.7 million and \$1.3 million for the six months ended June 30, 2004 and 2003 respectively.

7

MASTER SETTLEMENT AGREEMENT ESCROW ACCOUNT: Pursuant to the Master Settlement Agreement (the "MSA") entered into in November 1998 by most states (represented by their attorneys general acting through the National Association of Attorneys General) and subsequent states' statutes, a "cigarette manufacturer" (which is defined to include a manufacturer of make-your-own cigarette tobacco) has the option of either becoming a signatory to the MSA or opening, funding, and maintaining an escrow account to have funds available for certain potential tobacco-related liabilities, with sub-accounts on behalf of each settling state. The Company has chosen to open and fund an escrow account as its method of compliance. It is the Company's policy to record amounts on deposit in the escrow account for prior years, as well as cash-on-hand to fund its projected deposit based on its monthly sales for the current year, as an Other non-current asset. Each year's obligation is required to be deposited in the escrow account by April 15 of the following year. As of June 30, 2004 and December 31, 2003, the Company has recorded as an Other non-current asset approximately \$10.6 million and \$8.3 million, respectively. The approximate \$10.6 million, as of

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

June 30, 2004, contains approximately \$1.0 million related to the projected deposit for 2004 sales, which will be deposited April 15, 2005.

Comprehensive Income: The Company's Comprehensive income for the three and six months ended June 30, 2004 and 2003 is equal to the Company's Net income (loss) for the respective periods.

4. INVENTORIES

Inventories are stated at the lower of cost or market. Cost is determined on the last-in, first-out ("LIFO") method for approximately 91% of the inventories. Leaf tobacco is presented in current assets in accordance with standard industry practice, notwithstanding the fact that such tobaccos are carried longer than one year for the purpose of curing.

The impact of LIFO resulted in decreased net income of the Company by approximately \$0.2 million and increased the net loss of the Company by \$0.4 million for the three months ended June 30, 2004 and 2003, respectively; and increased the net loss of the Company by \$0.5 million and \$0.5 million for the six months ended June 30, 2004 and 2003, respectively.

The components of inventories are as follows (in thousands):

	6/30/04	12/31/03
	-----	-----
Raw materials and work in process	\$ 5,594	\$ 5,996
Leaf tobacco	8,894	8,274

	=====	=====

On February 17, 2004, NATC consummated the refinancing of its existing debt and

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

preferred stock. The refinancing consisted principally of (1) the offering and sale of the New Senior Notes, (2) the entering into by NATC of the Senior Revolving Credit Facility, (3) the concurrent sale of the Company Notes and (5) the repayment of \$30.7 million in notes payable relating principally to the acquisition of Stoker, Inc. (see Note 11).

The New Senior Notes are senior unsecured obligations of NATC and will mature on March 1, 2012. The New Senior Notes bear interest at the rate of 9 1/4% per annum from the date of issuance, or from the most recent date to which interest has been paid or provided for, and is payable semiannually on March 1 and September 1 of each year, commencing on September 1, 2004. Each of NATC's existing subsidiaries jointly and severally guarantees the New Senior Notes on a senior unsecured basis. Each of NATC's future subsidiaries (other than those designated unrestricted subsidiaries) will jointly and severally guarantee the New Senior Notes on a senior unsecured basis. NATC is not required to make mandatory redemptions or sinking fund payments prior to the maturity of the New Senior Notes.

On and after March 1, 2008, the New Senior Notes will be redeemable, at NATC's option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at the following redemption prices (expressed in percentages of principal amount), if redeemed during the 12-month period commencing March 1 of the years set forth below, plus accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date):

YEAR	REDEMPTION PRICE
----	-----
2008	104.625%
2009	102.313%
2010 and thereafter	100.000%

In addition, prior to March 1, 2008, NATC may redeem the New Senior Notes, at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at a redemption price equal to 100% of the principal amount of the New Senior Notes redeemed plus a "make-whole" premium based on U.S. Treasury rates as of, and accrued and unpaid interest to, the applicable redemption date.

9

Further, at any time prior to March 1, 2007, NATC may, at its option, redeem up to 35% of the aggregate principal amount of the New Senior Notes with the net cash proceeds of one or more equity offerings by the Company or NATC, subject to certain conditions, at a redemption price equal to 109.250% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption; provided, however, that after any such redemption at least 65% of the aggregate principal amount of the New Senior Notes issued under the Indenture remains outstanding. In order to affect the foregoing redemption with the proceeds of any equity offering, NATC shall make such redemption not more than 60 days after the consummation of any such equity offering.

Concurrently with the offering of the New Senior Notes, the Company issued \$97.0 million aggregate amount at maturity of the Company Notes. The net proceeds of approximately \$53.8 million from this issuance were used to make a capital contribution to NATC. The Company Notes are the Company's senior obligations and are unsecured. Prior to March 1, 2008, interest will accrue on the Company Notes in the form of an increase in the accreted value of the Company Notes. Thereafter, cash interest on the Company notes will accrue and be payable

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

semi-annually in arrears on March 1 and September 1, commencing on September 1, 2008, at a rate of 12 1/4% per annum. The Company Notes were issued with an initial accreted value of \$618.66 per \$1,000 principal amount of maturity of Company Notes. The accreted value of each Company Note will increase from the date of issuance until March 1, 2008, at a rate of 12 1/4% per annum, compounded semi-annually reflecting the accrual of non-cash interest, such that the accreted value will equal the principal amount at maturity of each Company Note on March 1, 2008. The Company Notes are not guaranteed by NATC or any of its subsidiaries and are structurally subordinated to all of NATC and its subsidiaries' obligations, including the New Senior Notes and the Senior Revolving Credit Facility. The Company is not required to make mandatory redemptions or sinking fund payments prior to the maturity of the Company Notes.

On and after March 1, 2009, the Company Notes will be redeemable, at the Company's option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at the following redemption prices (expressed in percentages of principal amount at maturity), if redeemed during the 12-month period commencing March 1 of the years set forth below, plus accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date):

YEAR	REDEMPTION PRICE
----	-----
2009	106.125%
2010	104.083%
2011	102.042%
2012 and thereafter	100.000%

In addition, prior to March 1, 2009, the Company may redeem the Company Notes, at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at a redemption price equal to 100% of the accreted value of the Company Notes redeemed plus a "make-whole" premium based on U.S. Treasury rates as of, and accrued and unpaid interest to, the applicable redemption date.

10

Further, at any time prior to March 1, 2007, the Company may, at its option, redeem up to 35% of the aggregate principal amount at maturity of the Company Notes with the net cash proceeds of one or more equity offerings by the Company or NATC, subject to certain conditions, at a redemption price equal to 106.125% of the accreted value thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption; provided, however, that after any such redemption at least 65% of the aggregate principal amount at maturity of the Company Notes issued under the Indenture remains outstanding. In order to effect the foregoing redemption with the proceeds of any equity offering, the Company shall make such redemption not more than 60 days after the consummation of any such equity offering.

The Company is dependent on NATC's cash flows to service its debt. The amount of cash interest to be paid during the next five years is as follows: \$0 in each of 2004, 2005, 2006, 2007 and March 1, 2008; \$5,941 payable on September 1, 2008 and \$5,941 payable on each of March 1 and September 1 thereafter until maturity.

6. REVOLVING CREDIT FACILITY

In connection with the refinancing, NATC also amended and restated its Old Senior Credit Facility, entering into the Senior Revolving Credit Facility of

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

\$50.0 million (reducing to \$40.0 million in August 2005) with Bank One, N.A., as agent (the "Agent Bank"), and LaSalle Bank, National Association. The credit agreement (the "New Credit Agreement") governing the Senior Revolving Credit Facility includes a letter of credit sublimit of \$25.0 million and terminates three years from the closing date. NATC intends to use the Senior Revolving Credit Facility for working capital and general corporate purposes. As of June 30, 2004, NATC had borrowed \$24.2 million under the Senior Revolving Credit Facility. As of December 31, 2003, NATC had borrowed \$6.3 million under the Old Senior Credit Facility.

Indebtedness under the New Credit Agreement is guaranteed by each of NATC's current and future direct and indirect subsidiaries, and is secured by a first perfected lien on substantially all of NATC's and its direct and indirect subsidiaries' current and future assets and property. The collateral includes a pledge by the Company of its equity interest in NATC and a first priority lien on all equity interests and intercompany notes held by NATC and each of its subsidiaries.

Each advance under the New Credit Agreement will bear interest at variable rates plus applicable margins, based, at NATC's option, on either the prime rate or LIBOR. The New Credit Agreement provides for voluntary prepayment, subject to certain exceptions, of loans. In addition, without the prior written consent of the Agent Bank, NATC will not allow a Change in Control (as defined in the New Credit Agreement), the sale of any material part of its assets and the assets of its subsidiaries on a consolidated basis or, subject to certain exceptions, the issuance of equity or debt. As of June 30, 2004, the weighted average interest rate on borrowings under the New Credit Agreement was approximately 4.3%.

Under the New Credit Agreement, NATC is required to pay an annual commitment fee in variable amounts ranging from 0.50% to 0.65% of the difference between the commitment amount and the average usage of the facility, payable on a quarterly basis, on the undrawn and unused portion of the credit facility.

11

The New Credit Agreement requires NATC and its subsidiaries to meet certain financial tests: a minimum consolidated adjusted EBITDA for the six months ending June 30, 2004 and nine months ending September 30, 2004 and beginning December 31, 2004, a four-quarter rolling minimum fixed charge coverage ratio, as defined in the New Credit Agreement. The New Credit Agreement also contains covenants which, among other things, limit the incurrence of additional indebtedness, dividends, transactions with affiliates, asset sales, acquisitions, mergers, prepayments of other indebtedness, liens and encumbrances and other matters customarily restricted in such agreements. In addition, the New Credit Agreement requires that certain members of executive management remain active in the day-to-day operation and management of NATC and its subsidiaries during the term of the facility.

The New Credit Agreement contains customary events of default, including payment defaults, breach of representations and warranties, covenant defaults, cross-acceleration, cross-defaults to certain other indebtedness, certain events of bankruptcy and insolvency, the occurrence of a Change in Control and judgment defaults.

7. PROVISION FOR INCOME TAXES

The provision for income taxes for the six months ended June 30, 2004 and June 30, 2003 was computed based on the estimated annual effective income tax rate of 38.0%.

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

Effective December 31, 2003, the Company froze the defined benefit retirement plan for its salaried employees. NATC previously disclosed in its financial statements for the year ended December 31, 2003, that it expected to contribute \$500 to its postretirement plan in 2004. Plan contributions and benefits have amounted to approximately \$300 for the six months ended June 30, 2004.

10. RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In May 2003, the FASB issued SFAS No. 150, "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity" ("SFAS 150"). SFAS 150 establishes standards for how an issuer classifies and measures certain financial with characteristics of both liabilities and equity. The provisions of SFAS 150 relating to mandatorily redeemable non-controlling interests associated with finite-lived subsidiaries as amended by FASB Staff Position 150-3, has been deferred, for an indefinite period. The provisions of SFAS 150 relating to all other financial instruments apply immediately to all financial instruments entered into or modified after May 31, 2003, and otherwise is effective at the beginning of the first interim period beginning after June 15, 2003. The implementation of SFAS 150 is delayed for nonpublic companies to fiscal periods beginning after December 15, 2003. In accordance with the foregoing, the Company is assessing the impact of the adoption of SFAS 150 on its financial statements.

In December 2003, the FASB issued revised Interpretation No. 46, "Consolidation of Variable Interest Entities" ("FIN 46"). FIN 46 provides guidance on how to identify a variable interest entity ("VIE") and determine when the assets, liabilities, non-controlling interest, and results of operations of a VIE need to be included in a company's consolidated financial statements. FIN 46 also requires additional disclosures by primary beneficiaries and other significant variable interest holders. Application of FIN 46 is required for interest in special-purpose entities for years ending after December 15, 2003. The Company has determined that it has no special-purpose entities. Application of FIN 46 is required for all other types of VIEs effective January 1, 2005. Although the Company does not expect FIN 46 to have a material impact on the Company's financial condition or results of operations, it is continuing to evaluate this complex interpretation.

In December 2003, the FASB issued a revision of SFAS No. 132, "Employers' Disclosures about Pensions and Other Postretirement Benefits," to improve financial statement disclosures for benefit plans. The project was initiated by the FASB in 2003 in response to concerns raised by investors and other users of financial statements about the need for greater transparency of pension information. SFAS No. 132R requires that companies provide more details about their plan assets, benefit obligations, cash flows, benefit costs, and other relevant information. SFAS No. 132R is effective for years ending after December 15, 2003. The Company adopted SFAS No. 132R as of December 31, 2003 and has provided the required interim disclosures in Note 8, "Pension and Postretirement Benefit Plans."

In December 2003, the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the "Act"), which introduces a Medicare prescription drug benefit, as well as a federal subsidy to sponsors of retiree health care benefit plans that provide a benefit that is at least actuarially equivalent to the Medicare benefit, was enacted. In May 2004, the FASB issued Financial Staff Position No. 106-2, "Accounting and Disclosure Requirements Related to the Medicare Prescription Drug, Improvement and Modernization Act of 2003" ("FSP 106-2") to

14

discuss certain accounting and disclosure issues raised by the Act. FSP 106-2 addresses accounting for the federal subsidy for the sponsors of single employer defined benefit postretirement healthcare plans and disclosure requirements for plans for which the employer has not yet been able to determine actuarial equivalency. Except for certain nonpublic entities, FSP 106-2 is effective for the first interim or annual period beginning after June 15, 2004 (the quarter ending September 30, 2004 for the Company).

The Company has not yet concluded whether the prescription drug benefits

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

provided under the postretirement plan are actuarially equivalent to the Medicare benefit as necessary to qualify for the subsidy. The reported net periodic benefit costs of the postretirement plan in the accompanying Financial Statements and Notes to the Financial Statements do not reflect the effect of the Act. Adoption of FSP 106-2 could require revisions to previously reported information. While the Company may be eligible for benefits under the Act based on the prescription drug benefits provided in the postretirement plan, the Company does not believe such benefits will have a material impact on the Financial Statements.

In addition, specific authoritative guidance on the accounting for the federal subsidy, one of the provisions of MMA, is pending, and that guidance, when issued, could require the Company to change previously reported information. However, in the Company's opinion, any change due to the accounting for the federal subsidy would be immaterial.

11. STOKER ACQUISITION

On November 17, 2003, NATC acquired the common stock of Stoker, Inc. ("Stoker"). Stoker, headquartered in Dresden, Tennessee, manufactures and markets smokeless tobacco and make-your-own ("MYO") tobacco and related products under various brand names. This acquisition is expected to significantly increase net sales and cash flows. The Company also believes that gross margins will improve as a result of the increased net sales coupled with the elimination of certain costs related to Stoker's historical operations and the consolidation of facilities and functions.

The purchase price of \$22.5 million in cash was financed with borrowings under the Old Senior Credit Facility. The acquisition has been accounted for under the purchase method, and the results of Stoker have been included in the Company's consolidated results from the date of acquisition.

On June 15, 2004, the Company announced plans to cease manufacturing operations at the Stoker facility in Dresden, Tennessee and consolidate the production into the Company's current operations in Louisville, Kentucky. In connection with this consolidation, the Company plans to terminate approximately 90 employee positions currently located at Stoker during the fourth quarter of 2004. In connection therewith, severance costs of approximately \$0.1 million have been accrued. With the consolidation of manufacturing facilities, the Company is preparing to expand manufacturing at the Louisville facility, including the relocation of certain equipment from Dresden to Louisville. The Company has also accrued approximately \$0.3 million relating to the removal and temporary storage of certain Stoker equipment. The above noted costs have been included in the purchase price allocated to the Stoker acquisition resulting in an increase to goodwill of \$0.3 million, net of deferred taxes.

15

12. TERMINATED ASSET PURCHASE AGREEMENT

On February 18, 2003, NATC entered into an asset purchase agreement (the "Star Cigarette Asset Purchase Agreement") with Star Scientific, Inc. ("Star Scientific"), and Star Tobacco, Inc., a wholly-owned subsidiary of Star Scientific ("Star Tobacco" and, together with Star Scientific, "Star"). Pursuant to the Star Cigarette Asset Purchase Agreement, NATC was to purchase substantially all of the assets of Star relating to the manufacturing, marketing and distribution of four discount cigarette brands in the United States (the "Star Cigarette Assets"). The purchase price for the Star Cigarette Assets was to have been \$80.0 million in cash, subject to certain closing adjustments and the assumption of certain liabilities related to the Star Cigarette Assets.

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

On July 15, 2003, NATC and Star reached a mutual agreement to terminate the Star Cigarette Asset Purchase Agreement. Pursuant to the termination agreement, Star Scientific retained a \$2.0 million earnest money deposit that had been placed into escrow by NATC and the parties executed releases of any liabilities arising out of the Star Cigarette Asset Purchase Agreement.

Through June 30, 2003, NATC incurred \$2.9 million of direct costs, including the \$2.0 million earnest money deposit referred to above, in connection with this transaction. These costs have been expensed during the quarter ended June 30, 2003 and are included in Other expenses.

13. CONTINGENCIES

LITIGATION WITH REPUBLIC TOBACCO

On July 15, 1998, North Atlantic Operating Company, Inc. ("NAOC") and National Tobacco Company, L.P. ("NTC") filed a complaint (the "Kentucky Complaint") against Republic Tobacco, Inc. and its affiliates ("Republic Tobacco") in Federal District Court for the Western District of Kentucky. Republic Tobacco imports and sells Roll-Your-Own ("RYO") premium cigarette papers under the brand names JOB and TOP as well as other brand names. The Kentucky Complaint alleges, inter alia, that Republic Tobacco's use of exclusivity agreements, rebates, incentive programs, buy-backs and other activities related to the sale of premium cigarette papers in the southeastern United States violate federal and state antitrust and unfair competition laws and that Republic Tobacco defaced and directed others to deface NAOC's point of purchase vendor displays for premium cigarette papers by covering up the ZIG-ZAG brand name and advertising material with advertisements for Republic Tobacco's RYO cigarette paper brands. The Kentucky Complaint alleges that these activities constitute unfair competition under federal and state laws.

On June 30, 1998, Republic Tobacco filed a complaint against NATC, NAOC and NTC in the U.S. District Court of the Northern District of Illinois (the "Illinois Complaint") and served it on NATC after the institution of the Kentucky action. In the Illinois Complaint, Republic Tobacco seeks declaratory relief with respect to NATC's claims. In addition, the Illinois Complaint alleges that certain actions taken by NATC to inform its customers of its claims against Republic Tobacco constitute tortious interference with customer relationships, false advertising, violations of Uniform Deceptive Trade Practices and Consumer Fraud Acts, defamation and unfair competition. In addition, although not included in its original complaint but in its amended complaint, Republic Tobacco alleged that NATC has unlawfully monopolized and attempted to monopolize the market on a national and regional basis for premium cigarette papers. Republic sought unspecified compensatory damages, injunctive relief and attorneys fees and costs.

16

On October 20, 2000, Republic Tobacco filed a motion to dismiss, stay, or transfer the Kentucky Complaint to the Illinois Court. On December 19, 2000, the Court denied Republic Tobacco's motion, holding that it was premature. The Court noted also that it had communicated with the Court in Illinois and that it had concluded that Republic Tobacco may not be entitled to any preference on forum selection, which would ordinarily be given because it was first to file. The Kentucky complaint is still on file.

Prior to the completion of discovery, the Court dismissed Republic Tobacco's antitrust claims against NATC. After discovery was completed in 2001, both parties moved for summary judgment on the others claims. In April 2002, the

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

District Court for the Northern District of Illinois decided the summary judgment motions by dismissing all claims of both NATC and Republic Tobacco and its affiliates, except for Republic Tobacco's claim of defamation per se against NATC, on which it granted summary judgment on liability in favor of Republic Tobacco, and a Lanham Act false advertising claim, based on the same facts as the defamation claim, for equitable relief. In February 2003, the District Court granted Republic's motion for summary judgment on NATC's counterclaim that Republic tortuously interfered with NATC's business relationships and economic advantage. The only claim that remained to be tried was Republic's Lanham Act claim and damages on the defamation claim on which the Court previously ruled that Republic could only obtain equitable relief if successful.

On July 8, 2003, following a four-day trial, an Illinois jury returned a verdict in favor of Republic on the defamation claims of \$8.4 million in general damages and \$10.2 million in punitive damages, for a total damage award of \$18.6 million. NATC recorded an \$18.8 million charge during the second quarter 2003 relating to this transaction. NATC filed post-trial motions for a new trial and, in the alternative, for a reduction of the awards. On August 1, 2003, NATC posted a judgment bond in the amount of \$18.8 million with the U.S. District Court. This was accomplished by obtaining a \$19.0 million senior secured term loan pursuant to a July 31, 2003 amendment to NATC's existing credit facility. On November 20, 2003, the court ruled that the awards were excessive and reduced the awards by approximately 60%, with the award of compensatory damages being reduced to \$3.36 million and the award of punitive damages being reduced to \$4.08 million, for a total of \$7.44 million. On December 18, 2003, Republic accepted these reduced awards. NATC reversed \$11.16 million during the fourth quarter 2003 due to this court ruling.

On January 8, 2004, NATC appealed the final judgment, including the finding of liability in this case as well as the amount of the award. Republic filed a cross appeal seeking reinstatement of the original jury damage award. There can be no assurance that NATC will prevail on the appeal or that Republic will not prevail on its cross appeal.

Oral arguments were held on June 17, 2004, and a decision is pending.

The Company believes that Republic's request to have the judgment reinstated to its original amount is unsupported by the law and contrary to controlling principles of constitutional law and will vigorously contest Republic's cross-appeal. Although NATC believes that it should prevail on Republic's cross-appeal, no assurance can be given. The reinstatement of the original judgment would have a material adverse effect on the Company's results.

LITIGATION RELATED TO COUNTERFEITING

Texas Infringing Products Litigation. In *Bollore, S.A. v. Import Warehouse, Inc.*, Civ. No. 3-99-CV-1196-R (N.D. Texas), Bollore, NATC's Licensor of ZIG-ZAG brand premium cigarette papers, obtained a sealed order allowing it to conduct a seizure of infringing and counterfeit ZIG-ZAG products in the United States. On June 7, 1999, seizures of products occurred in Michigan and Texas. Subsequently, all named defendants have been enjoined from buying and selling such infringing or counterfeit goods. Bollore and NATC have negotiated settlements with all defendants. These defendants included Import Warehouse, Ravi Bhatia, Tarek Makki and Adham Makki. Those settlements included a consent injunction against distribution of infringing or counterfeit goods.

On May 18, 2001, NATC, in conjunction with Bollore, conducted raids on the businesses and homes of certain defendants previously enjoined (including Tarek Makki and Adham Makki) from selling infringing or counterfeit ZIG-ZAG brand

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

products in the Bollore S.A. v. Import Warehouse litigation. Evidence was uncovered that showed that these defendants and certain other individuals were key participants in importing and distributing counterfeit ZIG-ZAG premium cigarette papers. After a two day hearing in the U.S. District Court for the Northern District of Texas, on May 30, 2001, the Court held the previously enjoined defendants in contempt of court, and enjoined the additional new defendants, including Ali Makki, from selling infringing or counterfeit ZIG-ZAG premium cigarette papers.

NATC entered into a settlement with the defendants, the principal terms of which included a cash payment, an agreed permanent injunction, the withdrawal of the defendants' appeal of the civil contempt order, an agreed judgment of \$11.0 million from the civil contempt order and an agreement to forbear from enforcing that \$11.0 million money judgment until such time in the future that the defendants violate the terms of the permanent injunction. Two of the defendants, Tarek Makki and Adham Makki, also agreed to provide complete information concerning the counterfeiting conspiracy as well as information on other parties engaged in the purchase and distribution of infringing ZIG-ZAG premium cigarette papers.

On February 17, 2004, NATC and Bollore filed a motion in the U.S. District Court for the Northern District of Texas, which had issued the original injunctions against the infringing defendants, seeking, with respect to respondents Adham Makki, Tarek Makki and Ali Makki, to have the \$11.0 million judgment released from the forbearance agreement and to have the named respondents held in contempt of court. The motion alleged that the three respondents had trafficked in counterfeit ZIG-ZAG cigarette papers after the execution of the settlement, citing evidence that all three had been charged in the United States District Court for the Eastern District of Michigan with criminal violations of the United States counterfeiting laws by trafficking in counterfeit ZIG-ZAG cigarette papers, which trafficking occurred after the settlement agreement. On April 7, 2004, the Court held that the Respondents Adham Makki (and three of his companies), Tarek Makki, and Ali Makki had violated the Settlement Agreement and were in contempt of court. The Court released the \$11 million judgment as to the forbearance agreement as to the Respondents and again referred the matter to the United States Attorney for criminal prosecution.

On April 13, 2004, the Court entered an order (the "Contempt 2 Order"), finding Ali Mackie, Tarek Makki, Adham Mackie and their companies Best Price Wholesale (the "Makki Defendants") and Harmony Brands LLC in civil contempt, freezing all of their assets, releasing the July 12, 2002 Final Judgment of \$11.0 million from the forbearance agreement as to the Makki Defendants, and again referring the matter to the United States Attorney for Criminal Prosecution. Subsequent to the entry of the Contempt 2 Order, the Company settled with defendant Harmony Brands and its members for the amount of \$750,000 and the entry of a permanent injunction. The Company is seeking to execute on the outstanding \$11.0 million judgment against the remaining Makki Defendants and those efforts are currently underway.

18

Pursuant to the U.S. Distribution Agreement and a related agreement between Bollore and NATC, any collections on the judgments issued in the Bollore v. Import Warehouse case are to be divided evenly between Bollore and NATC after the payment of all expenses.

On February 7, 2002, Bollore, NAOC and NATC filed a motion with the District Court in the Texas action seeking to hold Ravi Bhatia and Import Warehouse Inc. in contempt of court for violating the terms of the consent order and injunction entered against those defendants. NATC alleges that Mr. Bhatia and Import Warehouse sold counterfeit goods to at least three different companies over an

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

extended period of time. On June 27, 2003, the Court found Import Warehouse and Mr. Bhatia in contempt of court for violating an existing injunction barring those parties from distributing infringing ZIG-ZAG cigarette paper products. The Court requested that NATC and Bollore (NATC's co-plaintiff in the case) file a submission detailing the damages incurred. NATC and Bollore filed their submission on July 25, 2003 which reported and requested damages of \$2.4 million.

On July 1, 2004, the Court issued an Order awarding approximately \$2.5 million in damages to the Company for the damages incurred by the Company as a result of the Import Warehouse Defendants' civil contempt. On July 15, 2004, the Court entered a Final Judgment in that amount for which defendants Import Warehouse, Inc. and Ravi Bhatia are jointly and severally liable. The Import Warehouse Defendants filed a notice of appeal on July 29, 2004.

LITIGATION RELATED TO ALLEGED PERSONAL INJURY

Trial of the West Virginia complaints against the smokeless tobacco defendants has been postponed indefinitely, as described below. On October 6, 1998 NTC was served with a summons and complaint on behalf of 65 individual plaintiffs in an action in the Circuit Court of Kanawha County, West Virginia, entitled Kelly Allen, et al. v. Philip Morris Incorporated, et al. (Civil Action Nos. 98-C-2401). On November 13, 1998, NTC was served with a second summons and complaint on behalf of 18 plaintiffs in an action in the Circuit Court of Kanawha County, West Virginia, entitled Billie J. Akers, et al. v. Philip Morris Incorporated et al. (Civil Action Nos. 98-C-2696 to 98-C-2713). The complaints are identical in most material respects. In the Allen case, the plaintiffs have specified the defendant companies for each of the 65 cases. NTC is named in only one action. One Akers plaintiff alleged use of an NTC product, alleging lung cancer.

On September 14, 2000, NTC was served with a summons and complaint on behalf of 539 separate plaintiffs filed in Circuit Court of Ohio County, West Virginia, entitled Linda Adams, et al. v. Philip Morris Inc., et al. (Civil Action Nos. 00-C-373 to 00-C-911). Only one of these plaintiffs alleged use of a product currently manufactured by NTC. The time period during which this plaintiff allegedly used the product has not yet been specified. Thus, it is not yet known whether NTC is a proper defendant in this case.

19

On September 19, 2000, NTC was served with a second summons and complaint on behalf of 561 separate plaintiffs filed in Circuit Court of Ohio County, West Virginia, entitled Ronald Accord, et al. v. Philip Morris Inc., et al. (Civil Action Nos. 00-C-923 to 00-C-1483). A total of five of these plaintiffs alleged use of a product currently manufactured by NTC. One of these plaintiffs does not specify the time period during which the product was allegedly used. Another alleges use that covers, in part, a period when NTC did not manufacture the product. On motion by cigarette company defendants, this claim was dismissed on February 11, 2004, for failure to follow the case management order. Of the remaining three, one alleges consumption of a competitor's chewing tobacco from 1966 to 2000 and NTC's Beech-Nut chewing tobacco from 1998 to 2000; another alleges a twenty-four year smoking history ending in 1995 and consumption of Beech-Nut chewing tobacco from 1990 to 1995; and the last alleges a thirty-five year smoking history ending in 2000, and consumption of NTC's Durango Ice chewing tobacco from 1990 to 2000 (although Durango Ice did not come onto the market until 1999).

In November 2001, NTC was served with an additional four separate summons and complaints in actions filed in the Circuit Court of Ohio County, West Virginia.

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

The actions are entitled Donald Nice v. Philip Morris Incorporated, et al. (Civil Action No. 01-C-479), Korene S. Lantz v. Philip Morris Incorporated, et al. (Civil Action No. 01-C-480), Ralph A. Prochaska, et al. v. Philip Morris, Inc., et al. (Civil Action No. 01-C-481), and Franklin Scott, et al. v. Philip Morris, Inc., et al., (Civil Action No. 01-C-482).

All of the West Virginia smokeless tobacco actions have been consolidated before the West Virginia Mass Litigation Panel for discovery and trial of certain issues. Trial of these matters was planned in two phases. In the initial phase, a trial was to be held to determine whether tobacco products, including all forms of smokeless tobacco, cigarettes, cigars and pipe and roll-your-own tobacco, can cause certain specified diseases or conditions. In the second phase, individual plaintiffs would attempt to prove that they were in fact injured by tobacco products. Fact and expert discovery in these cases has closed, however, in the cigarette cases the Court has allowed additional discovery.

The claims against NATC in the various consolidated West Virginia actions include negligence, strict liability, fraud in differing forms, conspiracy, breach of warranty and violations of the West Virginia consumer protection and antitrust acts. The complaints in the West Virginia cases request unspecified compensatory and punitive damages.

The manufacturers of smokeless tobacco products (as well as the manufacturers of cigarettes) moved to sever the claims against the smokeless tobacco manufacturer defendants from the claims against the cigarette manufacturer defendants. That motion was granted and the trial date on the smokeless tobacco claims has now been postponed indefinitely.

The trial court has now vacated the initial trial plan in its entirety because of concerns that its provisions violated the dictates of the United States Supreme Court's decision in *State Farm Mutual Automobile Insurance Company v. Campbell*, 538 U.S. 408 (2003). A new trial plan has not yet been implemented with regard to the consolidated claims against the cigarette manufacturer defendants. The claims against the smokeless tobacco manufacturer defendants remain severed and indefinitely stayed.

20

Minnesota Complaint. On September 24, 1999, NTC was served with a complaint in a case entitled *Tuttle v. Lorillard Tobacco Company, et al.* (Case No. C2-99-7105), brought in Minnesota. The other manufacturing defendants are Lorillard and The Pinkerton Tobacco Company. The Complaint alleges that plaintiff's decedent was injured as a result of using NTC's (and, prior to the formation of NTC, Lorillard's) Beech-Nut brand and Pinkerton's Red Man brand of loose-leaf chewing tobacco. Plaintiff asserts theories of liability, breach of warranty, fraud, and variations on fraud and misrepresentation. Plaintiff specifically requests in its complaint an amount of damages in excess of fifty thousand dollars (\$50,000) along with costs, disbursements and attorneys' fees, and ". . . an order prohibiting defendants from disseminating in Minnesota further misleading advertising and making further untrue, deceptive and/misleading statements about the health effects and/or addictive nature of smokeless tobacco products. . . ." After discovery, summary judgment motions were filed on behalf of all defendants. On March 3, 2003, the Court granted defendants' motions, dismissing all claims against all defendants and the Court has since denied the plaintiff's motion for reconsideration. Plaintiff has appealed the dismissal. Briefing has been completed. Oral argument before the Court of Appeals was held on February 11, 2004. On July 30, 2004, the Court of Appeals affirmed the dismissal of all of the claims.

14. SEGMENT INFORMATION

In accordance with SFAS No. 131, "Disclosures about Segments of an Enterprise and Related Information," the Company has three reportable segments. The smokeless tobacco segment manufactures smokeless tobacco products which are distributed primarily through wholesale and food distributors in the United States. The make-your-own segment imports and distributes premium cigarette papers and contract manufactures and distributes cigarette tobaccos and related products primarily through wholesale distributors in the United States. The premium cigarette segment distributes contract manufactured cigarettes through wholesale distributors in the United States.

The accounting policies of the segments are the same as those of the Company. Segment data includes a charge allocating all corporate costs to each operating segment. Eliminations and Other includes the assets of the Company not assigned to segments and the elimination of intercompany accounts between segments. The Company evaluates the performance of its segments and allocates resources to them based on earnings before interest, taxes, depreciation, amortization, certain non-cash charges and other income and expenses ("Adjusted EBITDA").

ITEM 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

The Company competes through its subsidiaries in three distinct markets: (1) the smokeless tobacco market; (2) the Make-Your-Own ("MYO") cigarette market; and (3) the premium manufactured cigarette market. The smokeless tobacco market includes the loose leaf chewing tobacco sector, and the MYO cigarette market is comprised of the MYO premium cigarette papers sector and the MYO cigarette tobaccos and related products sector. The Company's subsidiaries manufacture and market loose leaf chewing tobacco, import and distribute MYO premium cigarette papers, contract manufacture and market MYO cigarette tobaccos and related products, and contract manufacture and market premium manufactured cigarettes. To date, the Company's operations relating to premium manufactured cigarettes continue in the development phase and have not been significant.

RESULTS OF OPERATIONS

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

COMPARISON OF THREE MONTHS ENDED JUNE 30, 2004 AND 2003

Net Sales. Net sales for the three months ended June 30, 2004 were \$37.2 million, an increase of \$6.9 million or 22.8% from the corresponding period of the prior year.

Net sales of the smokeless tobacco segment for the current period increased \$4.1 million or 43.2% from the corresponding period of the prior year, with \$3.7 million of this increase resulting from the Stoker acquisition. Net sales were impacted favorably by a 5% price increase on the Company's premium brands which was instituted in the third quarter of 2003.

Net sales of the Company's MYO segment increased \$2.4 million or 11.5% in comparison to the corresponding period of the prior year with \$1.7 million of this increase relating to Stoker. Within the MYO segment, premium cigarette paper sales increased \$0.9 million or 5.5% from the corresponding period of the prior year due to enhanced sales promotion activities. The MYO cigarette tobaccos and related products sales increased \$1.5 million or 33.3% in comparison to the corresponding period of the prior year, with \$1.7 million of such sales resulting from the Stoker acquisition.

Gross Profit. Gross profit for the three months ended June 30, 2004 totaled \$20.1 million, an increase of \$2.6 million or 14.9% from the corresponding period of the prior year, which relates principally to the acquisition of Stoker.

Gross profit of the smokeless tobacco segment increased \$1.8 million or 38.3% from the corresponding period of the prior year due to increased sales primarily from the acquisition of Stoker. Gross margins for this segment decreased to 48.1% of net sales for the current period from 50.0% in the corresponding period of the prior year due principally to greater sales of lower margin Stoker value-oriented products coupled with higher manufacturing costs per case, resulting principally from an inventory reduction initiative, which were partially offset by the Company's price increase of approximately 5% taken in the third quarter of 2003.

Gross profit of the MYO segment for the current period increased \$0.7 million or 5.5% in comparison to the corresponding period of the prior year. The gross margins of the MYO segment decreased to 58.2% of net sales for the current period in comparison to 61.5% for the corresponding period of the prior year. This decrease in gross margin was due principally to additional sales of the relatively lower margin Stoker MYO cigarette tobacco and related products and, to a lesser extent, a stronger Euro in comparison to the U.S. dollar.

23

Selling, General, and Administrative Expenses. Selling, general, and administrative expenses for the three months ended June 30, 2004 were \$9.9 million, an increase of \$2.5 million or 33.8% in comparison to the corresponding period of the prior year. Of this increase, \$1.1 million related to the continuing development of the premium manufactured cigarette segment, \$1.0 million related to Stoker's operations and \$0.4 million related to legal and litigation expenses.

Interest Expense and Financing Costs. Interest expense and financing costs increased \$3.8 million or 81.5% to \$8.5 million for the three months ended June 30, 2004 as compared to the corresponding period of the prior year. This increase was due principally to higher average outstanding indebtedness resulting from the recapitalization and reorganization.

Other Expense. Other expense was \$0.4 million for the three months ended June

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

30, 2004 as compared to an expense of \$21.7 million during the corresponding period of the prior year. The expense in the prior year included \$18.8 million associated with the verdict in the Illinois Complaint described below under Part II, Item 1, Legal Proceedings. Other expense in the current period was also reduced as a result of recoveries associated with counterfeiting litigation.

Income Tax Benefit (Expense). Income tax expense was \$0.5 million for the three months ended June 30, 2004 compared to a tax benefit of \$6.2 million for the corresponding period of the prior year due to the lower operating results in 2003. The effective income tax rate used for both periods was 38.0%.

Net Income (Loss). Due to the factors described above, net income for the three months ended June 30, 2004 was \$0.8 million compared to a net loss of \$10.1 million for the corresponding period of the prior year.

COMPARISON OF SIX MONTHS ENDED JUNE 30, 2004 AND 2003

Net Sales. Net sales for the six months ended June 30, 2004 were \$59.3 million, an increase of \$14.8 million or 33.3% from the corresponding period of the prior year.

Net sales of the smokeless tobacco segment for the current period increased \$7.9 million or 45.0% from the corresponding period of the prior year, with \$7.4 of this increase resulting from the Stoker acquisition. The impact of a 3.1% volume decline in the Company's premium smokeless tobacco brands was partially offset by a price increase of approximately 5% instituted in the third quarter of 2003.

Net sales of the Company's MYO segment increased \$6.2 million or 23.0% in comparison to the corresponding period of the prior year. Within the MYO segment, premium cigarette paper sales increased \$2.2 million or 11.5% from the corresponding period of the prior year. This increase was due to higher premium cigarette paper sales resulting from enhanced sales promotion activities. The MYO cigarette tobacco and related products net sales increased by \$4.0 million or 51.3% in comparison to the corresponding period of the prior year, with \$3.8 million of that increase resulting from the Stoker acquisition.

24

Gross Profit. Gross profit for the six months ended June 30, 2004 totaled \$30.0 million, an increase of \$6.0 million or 25.0% from the corresponding period of the prior year due to the increase in net sales described above.

Gross profit of the smokeless tobacco segment increased \$3.1 million or 34.4% from the corresponding period of the prior year resulting principally from the Stoker acquisition. Gross margins for this segment decreased to 47.3% of net sales for the current period from 51.1% in the corresponding period of the prior year due principally to greater sales of lower margin Stoker value-oriented products coupled with higher manufacturing costs per case, resulting principally from an inventory reduction initiative, which were partially offset by the Company's price increase of approximately 5% taken in the third quarter of 2003.

Gross profit of the MYO segment for the current period increased \$2.8 million or 18.7%, as compared to the corresponding period of the prior year due primarily to the Stoker acquisition. The gross margins of the MYO segment decreased to 53.8% of net sales for the current period in comparison to 55.8% for the corresponding period of the prior year. This reduction in gross margin was due principally to additional sales of the relatively lower margin Stoker MYO cigarette tobacco and related products and, to a lesser extent, a stronger Euro in comparison to the U.S. dollar.

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

Selling, General, and Administrative Expenses. Selling, general, and administrative expenses for the six months ended June 30, 2004 were \$21.4 million, an increase of \$6.9 million or 47.6% compared to the corresponding period of the prior year. Of this increase, \$2.6 million related to the continuing development of the premium manufactured cigarette segment, \$2.1 million related to employee incentive payments made in connection with the recapitalization and reorganization, and \$2.0 million related to Stoker's operations.

Interest Expense and Financing Costs. Interest expense and financing costs were \$17.0 million, an increase of \$7.7 million or 82.8% for the six months ended June 30, 2004, as compared to the corresponding period of the prior year. This increase was due principally to higher average outstanding indebtedness resulting from the recapitalization and reorganization.

Other Expense. Other expense was \$0.5 million for the six months ended June 30, 2004 as compared to \$22.0 million during the corresponding period of the prior year. The amount relating to 2003 resulted from the expensing of costs of \$2.9 million associated with the termination of the Star Cigarette Asset Purchase Agreement and \$18.8 million associated with the verdict in the Illinois Complaint described below under Part II, Item 1, Legal Proceedings.

Income Tax Benefit (Expense). Income tax benefit was \$3.4 million for the six months ended June 30, 2004 compared to a benefit of \$8.3 million for the corresponding period of the prior year due primarily to the other expense of \$22.0 million, described above. The effective income tax rate for both periods was 38.0%.

Net Income (Loss). Due to the factors described above, the net loss for the six months ended June 30, 2004 was \$5.5 million compared to a net loss of \$13.5 million for the corresponding period of the prior year.

25

LIQUIDITY AND CAPITAL REQUIREMENTS

At June 30, 2004, working capital was \$42.9 million compared to \$34.4 million at December 31, 2003. The higher working capital position was the result of the refinancing of the revolving credit facility, increased inventories relating to projected sales volumes and higher net cash balances, partially offset by increased accrued liabilities relating principally to accrued interest. NATC expects to be able to fund its seasonal working capital requirements through its operating cash flows and, if needed, bank borrowings under the revolving credit facility. As of June 30, 2004, NATC had additional availability of \$25.8 million under its committed \$50.0 million Senior Revolving Credit Facility.

For the six months ending June 30, 2004, capital expenditures amounted to approximately \$0.6 million. The Company believes that its capital expenditure requirements for 2004 will be approximately \$6.0 million due to the consolidation of its manufacturing locations.

The Company believes that it will be able to fund its capital expenditure requirements from operating cash flows and, if needed, borrowings its Senior Revolving Credit Facility, should be adequate to satisfy its reasonably foreseeable operating capital requirements.

On February 17, 2004, NATC consummated the refinancing of its existing debt and preferred stock. The refinancing consisted principally of (1) the offering and sale of the New Senior Notes, (2) the entering into by NATC of the Senior Revolving Credit Facility, (3) the concurrent sale of the Company Notes and (5) the repayment of \$30.7 million in notes payable relating principally to the

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

acquisition of Stoker, Inc. (see Note 11).

The New Senior Notes are senior unsecured obligations of NATC and will mature on March 1, 2012. The New Senior Notes bear interest at the rate of 9 1/4% per annum from the date of issuance, or from the most recent date to which interest has been paid or provided for, and is payable semiannually on March 1 and September 1 of each year, commencing on September 1, 2004. Each of NATC's existing subsidiaries jointly and severally guarantees the New Senior Notes on a senior unsecured basis. Each of NATC's future subsidiaries (other than those designated unrestricted subsidiaries) will jointly and severally guarantee the New Senior Notes on a senior unsecured basis. NATC is not required to make mandatory redemptions or sinking fund payments prior to the maturity of the New Senior Notes.

On and after March 1, 2008, the New Senior Notes will be redeemable, at NATC's option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at the following redemption prices (expressed in percentages of principal amount), if redeemed during the 12-month period commencing March 1 of the years set forth below, plus accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date):

YEAR	REDEMPTION PRICE
----	-----
2008	104.625%
2009	102.313%
2010 and thereafter	100.000%

26

In addition, prior to March 1, 2008, NATC may redeem the New Senior Notes, at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at a redemption price equal to 100% of the principal amount of the New Senior Notes redeemed plus a "make-whole" premium based on U.S. Treasury rates as of, and accrued and unpaid interest to, the applicable redemption date.

Further, at any time prior to March 1, 2007, NATC may, at its option, redeem up to 35% of the aggregate principal amount of the New Senior Notes with the net cash proceeds of one or more equity offerings by the Company or NATC, subject to certain conditions, at a redemption price equal to 109.250% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption; provided, however, that after any such redemption at least 65% of the aggregate principal amount of the New Senior Notes issued under the Indenture remains outstanding. In order to affect the foregoing redemption with the proceeds of any equity offering, NATC shall make such redemption not more than 60 days after the consummation of any such equity offering.

Concurrently with the offering of the New Senior Notes, the Company issued \$97.0 million aggregate amount at maturity of the Company Notes. The net proceeds of approximately \$53.8 million from this issuance were used to make a capital contribution to NATC. The Company Notes are the Company's senior obligations and are unsecured. Prior to March 1, 2008, interest will accrue on the Company Notes in the form of an increase in the accreted value of the Company Notes.

Thereafter, cash interest on the Company notes will accrue and be payable semi-annually in arrears on March 1 and September 1, commencing on September 1, 2008, at a rate of 12 1/4% per annum. The Company Notes were issued with an initial accreted value of \$618.66 per \$1,000 principal amount of maturity of Company Notes. The accreted value of each Company Note will increase from the

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

date of issuance until March 1, 2008, at a rate of 12 1/4% per annum, compounded semi-annually reflecting the accrual of non-cash interest, such that the accreted value will equal the principal amount at maturity of each Company Note on March 1, 2008. The Company Notes are not guaranteed by NATC or any of its subsidiaries and are structurally subordinated to all of NATC and its subsidiaries' obligations, including the New Senior Notes and the Senior Revolving Credit Facility. The Company is not required to make mandatory redemptions or sinking fund payments prior to the maturity of the Company Notes.

On and after March 1, 2009, the Company Notes will be redeemable, at the Company's option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at the following redemption prices (expressed in percentages of principal amount at maturity), if redeemed during the 12-month period commencing March 1 of the years set forth below, plus accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date):

YEAR	REDEMPTION PRICE
----	-----
2009	106.125%
2010	104.083%
2011	102.042%
2012 and thereafter	100.000%

27

In addition, prior to March 1, 2009, the Company may redeem the Company Notes, at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days prior notice at a redemption price equal to 100% of the accreted value of the Company Notes redeemed plus a "make-whole" premium based on U.S. Treasury rates as of, and accrued and unpaid interest to, the applicable redemption date.

Further, at any time prior to March 1, 2007, the Company may, at its option, redeem up to 35% of the aggregate principal amount at maturity of the Company Notes with the net cash proceeds of one or more equity offerings by the Company or NATC, subject to certain conditions, at a redemption price equal to 106.125% of the accreted value thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption; provided, however, that after any such redemption at least 65% of the aggregate principal amount at maturity of the Company Notes issued under the Indenture remains outstanding. In order to effect the foregoing redemption with the proceeds of any equity offering, the Company shall make such redemption not more than 60 days after the consummation of any such equity offering.

The Company is dependent on NATC's cash flows to service its debt. The amount of cash interest to be paid during the next five years is as follows: \$0 in each of 2004, 2005, 2006, 2007 and March 1, 2008; \$5,941 payable on September 1, 2008 and \$5,941 payable on each of March 1 and September 1 thereafter until maturity.

In connection with the refinancing, NATC also amended and restated its Old Senior Credit Facility, entering into the new Senior Revolving Credit Facility of \$50.0 million (reducing to \$40.0 million in August 2005) with Bank One, N.A., as agent (the "Agent Bank"), and LaSalle Bank, National Association. The credit agreement (the "New Credit Agreement") governing the Senior Revolving Credit Facility includes a letter of credit sublimit of \$25.0 million and terminates three years from the closing date. NATC intends to use the Senior Revolving Credit Facility for working capital and general corporate purposes. As of June

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

30, 2004, NATC had borrowed \$24.2 million under the Senior Revolving Credit Facility. As of December 31, 2003, NATC had borrowed \$6.3 million under the Old Senior Credit Facility.

Indebtedness under the New Credit Agreement is guaranteed by each of NATC's current and future direct and indirect subsidiaries, and is secured by a first perfected lien on substantially all of NATC's and its direct and indirect subsidiaries' current and future assets and property. The collateral includes a pledge by the Company of its equity interest in NATC and a first priority lien on all equity interests and intercompany notes held by NATC and each of its subsidiaries.

Each advance under the New Credit Agreement will bear interest at variable rates plus applicable margins, based, at NATC's option, on either the prime rate or LIBOR. The New Credit Agreement provides for voluntary prepayment, subject to certain exceptions, of loans. In addition, without the prior written consent of the Agent Bank, NATC will not allow a Change in Control (as defined in the New Credit Agreement), the sale of any material part of its assets and the assets of its subsidiaries on a consolidated basis or, subject to certain exceptions, the issuance of equity or debt. As of June 30, 2004, the weighted average interest rate on borrowings under the New Credit Agreement was approximately 4.3%.

Under the New Credit Agreement, NATC is required to pay an annual commitment fee in variable amounts ranging from 0.50% to 0.65% of the difference between the commitment amount and the average usage of the facility, payable on a quarterly basis, on the undrawn and unused portion of the credit facility.

28

The New Credit Agreement requires NATC and its subsidiaries to meet certain financial tests: a minimum consolidated adjusted EBITDA for the six months ending June 30, 2004 and nine months ending September 30, 2004 and beginning December 31, 2004, a four-quarter rolling minimum fixed charge coverage ratio, as defined in the New Credit Agreement. The New Credit Agreement also contains covenants which, among other things, limit the incurrence of additional indebtedness, dividends, transactions with affiliates, asset sales, acquisitions, mergers, prepayments of other indebtedness, liens and encumbrances and other matters customarily restricted in such agreements. In addition, the New Credit Agreement requires that certain members of executive management remain active in the day-to-day operation and management of NATC and its subsidiaries during the term of the facility.

The New Credit Agreement contains customary events of default, including payment defaults, breach of representations and warranties, covenant defaults, cross-acceleration, cross-defaults to certain other indebtedness, certain events of bankruptcy and insolvency, the occurrence of a Change in Control and judgment defaults.

The following table summarizes the Company's contractual cash obligations, excluding interest expenses, at February 17, 2004, after giving effect to the refinancing of NATC's existing debt and preferred stock (in thousands):

PART II OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

LITIGATION WITH REPUBLIC TOBACCO

On July 15, 1998, North Atlantic Operating Company, Inc. ("NAOC") and National Tobacco Company, L.P. ("NTC") filed a complaint (the "Kentucky Complaint") against Republic Tobacco, Inc. and its affiliates ("Republic Tobacco") in Federal District Court for the Western District of Kentucky. Republic Tobacco imports and sells Roll-Your-Own ("RYO") premium cigarette papers under the brand names JOB and TOP as well as other brand names. The Kentucky Complaint alleges, inter alia, that Republic Tobacco's use of exclusivity agreements, rebates, incentive programs, buy-backs and other activities related to the sale of premium cigarette papers in the southeastern United States violate federal and state antitrust and unfair competition laws and that Republic Tobacco defaced and directed others to deface NAOC's point of purchase vendor displays for premium cigarette papers by covering up the ZIG-ZAG brand name and advertising material with advertisements for Republic Tobacco's RYO cigarette paper brands. The Kentucky Complaint alleges that these activities constitute unfair competition under federal and state laws.

On June 30, 1998, Republic Tobacco filed a complaint against NATC, NAOC and NTC in the U.S. District Court of the Northern District of Illinois (the "Illinois Complaint") and served it on NATC after the institution of the Kentucky action. In the Illinois Complaint, Republic Tobacco seeks declaratory relief with respect to NATC's claims. In addition, the Illinois Complaint alleges that certain actions taken by NATC to inform its customers of its claims against Republic Tobacco constitute tortious interference with customer relationships,

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

false advertising, violations of Uniform Deceptive Trade Practices and Consumer Fraud Acts, defamation and unfair competition. In addition, although not included in its original complaint but in its amended complaint, Republic Tobacco alleged that NATC has unlawfully monopolized and attempted to monopolize the market on a national and regional basis for premium cigarette papers. Republic sought unspecified compensatory damages, injunctive relief and attorneys fees and costs.

On October 20, 2000, Republic Tobacco filed a motion to dismiss, stay, or transfer the Kentucky Complaint to the Illinois Court. On December 19, 2000, the Court denied Republic Tobacco's motion, holding that it was premature. The Court noted also that it had communicated with the Court in Illinois and that it had concluded that Republic Tobacco may not be entitled to any preference on forum selection, which would ordinarily be given because it was first to file. The Kentucky complaint is still on file.

Prior to the completion of discovery, the Court dismissed Republic Tobacco's antitrust claims against NATC. After discovery was completed in 2001, both parties moved for summary judgment on the others claims. In April 2002, the District Court for the Northern District of Illinois decided the summary judgment motions by dismissing all claims of both NATC and Republic Tobacco and its affiliates, except for Republic Tobacco's claim of defamation per se against NATC, on which it granted summary judgment on liability in favor of Republic Tobacco, and a Lanham Act false advertising claim, based on the same facts as the defamation claim, for equitable relief. In February 2003, the District Court granted Republic's motion for summary judgment on NATC's counterclaim that Republic tortuously interfered with NATC's business relationships and economic advantage. The only claim that remained to be tried was Republic's Lanham Act claim and damages on the defamation claim on which the Court previously ruled that Republic could only obtain equitable relief if successful.

31

On July 8, 2003, following a four-day trial, an Illinois jury returned a verdict in favor of Republic on the defamation claims of \$8.4 million in general damages and \$10.2 million in punitive damages, for a total damage award of \$18.6 million. NATC recorded an \$18.8 million charge during the second quarter 2003 relating to this transaction. NATC filed post-trial motions for a new trial and, in the alternative, for a reduction of the awards. On August 1, 2003, NATC posted a judgment bond in the amount of \$18.8 million with the U.S. District Court. This was accomplished by obtaining a \$19.0 million senior secured term loan pursuant to a July 31, 2003 amendment to NATC's existing credit facility. On November 20, 2003, the court ruled that the awards were excessive and reduced the awards by approximately 60%, with the award of compensatory damages being reduced to \$3.36 million and the award of punitive damages being reduced to \$4.08 million, for a total of \$7.44 million. On December 18, 2003, Republic accepted these reduced awards. NATC reversed \$11.16 million during the fourth quarter 2003 due to this court ruling.

On January 8, 2004, NATC appealed the final judgment, including the finding of liability in this case as well as the amount of the award. Republic filed a cross appeal seeking reinstatement of the original jury damage award. There can be no assurance that NATC will prevail on the appeal or that Republic will not prevail on its cross appeal.

Oral arguments were held on June 17, 2004, and a decision is pending.

The Company believes that Republic's request to have the judgment reinstated to its original amount is unsupported by the law and contrary to controlling principles of constitutional law and will vigorously contest Republic's cross-appeal. Although NATC believes that it should prevail on Republic's

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

cross-appeal, no assurance can be given. The reinstatement of the original judgment would have a material adverse effect on the Company's results.

LITIGATION RELATED TO COUNTERFEITING

Texas Infringing Products Litigation. In *Bollore, S.A. v. Import Warehouse, Inc.*, Civ. No. 3-99-CV-1196-R (N.D. Texas), Bollore, NATC's Licensor of ZIG-ZAG brand premium cigarette papers, obtained a sealed order allowing it to conduct a seizure of infringing and counterfeit ZIG-ZAG products in the United States. On June 7, 1999, seizures of products occurred in Michigan and Texas. Subsequently, all named defendants have been enjoined from buying and selling such infringing or counterfeit goods. Bollore and NATC have negotiated settlements with all defendants. These defendants included Import Warehouse, Ravi Bhatia, Tarek Makki and Adham Makki. Those settlements included a consent injunction against distribution of infringing or counterfeit goods.

On May 18, 2001, NATC, in conjunction with Bollore, conducted raids on the businesses and homes of certain defendants previously enjoined (including Tarek Makki and Adham Makki) from selling infringing or counterfeit ZIG-ZAG brand products in the *Bollore S.A. v. Import Warehouse* litigation. Evidence was uncovered that showed that these defendants and certain other individuals were key participants in importing and distributing counterfeit ZIG-ZAG premium cigarette papers. After a two day hearing in the U.S. District Court for the Northern District of Texas, on May 30, 2001, the Court held the previously enjoined defendants in contempt of court, and enjoined the additional new defendants, including Ali Makki, from selling infringing or counterfeit ZIG-ZAG premium cigarette papers.

32

NATC entered into a settlement with the defendants, the principal terms of which included a cash payment, an agreed permanent injunction, the withdrawal of the defendants' appeal of the civil contempt order, an agreed judgment of \$11.0 million from the civil contempt order and an agreement to forbear from enforcing that \$11.0 million money judgment until such time in the future that the defendants violate the terms of the permanent injunction. Two of the defendants, Tarek Makki and Adham Makki, also agreed to provide complete information concerning the counterfeiting conspiracy as well as information on other parties engaged in the purchase and distribution of infringing ZIG-ZAG premium cigarette papers.

On February 17, 2004, NATC and Bollore filed a motion in the U.S. District Court for the Northern District of Texas, which had issued the original injunctions against the infringing defendants, seeking, with respect to respondents Adham Makki, Tarek Makki and Ali Makki, to have the \$11.0 million judgment released from the forbearance agreement and to have the named respondents held in contempt of court. The motion alleged that the three respondents had trafficked in counterfeit ZIG-ZAG cigarette papers after the execution of the settlement, citing evidence that all three had been charged in the United States District Court for the Eastern District of Michigan with criminal violations of the United States counterfeiting laws by trafficking in counterfeit ZIG-ZAG cigarette papers, which trafficking occurred after the settlement agreement. On April 7, 2004, the Court held that the Respondents Adham Makki (and three of his companies), Tarek Makki, and Ali Makki had violated the Settlement Agreement and were in contempt of court. The Court released the \$11 million judgment as to the forbearance agreement as to the Respondents and again referred the matter to the United States Attorney for criminal prosecution.

On April 13, 2004, the Court entered an order (the "Contempt 2 Order"), finding Ali Mackie, Tarek Makki, Adham Mackie and their companies Best Price Wholesale (the "Makki Defendants") and Harmony Brands LLC in civil contempt, freezing all

of their assets, releasing the July 12, 2002 Final Judgment of \$11.0 million from the forbearance agreement as to the Makki Defendants, and again referring the matter to the United States Attorney for Criminal Prosecution. Subsequent to the entry of the Contempt 2 Order, the Company settled with defendant Harmony Brands and its members for the amount of \$750,000 and the entry of a permanent injunction. The Company is seeking to execute on the outstanding \$11.0 million judgment against the remaining Makki Defendants and those efforts are currently underway.

Pursuant to the U.S. Distribution Agreement and a related agreement between Bollore and NATC, any collections on the judgments issued in the Bollore v. Import Warehouse case are to be divided evenly between Bollore and NATC after the payment of all expenses.

On February 7, 2002, Bollore, NAOC and NATC filed a motion with the District Court in the Texas action seeking to hold Ravi Bhatia and Import Warehouse Inc. in contempt of court for violating the terms of the consent order and injunction entered against those defendants. NATC alleges that Mr. Bhatia and Import Warehouse sold counterfeit goods to at least three different companies over an extended period of time. On June 27, 2003, the Court found Import Warehouse and Mr. Bhatia in contempt of court for violating an existing injunction barring those parties from distributing infringing ZIG-ZAG cigarette paper products. The Court requested that NATC and Bollore (NATC's co-plaintiff in the case) file a submission detailing the damages incurred. NATC and Bollore filed their submission on July 25, 2003 which reported and requested damages of \$2.4 million.

33

On July 1, 2004, the Court issued an Order awarding approximately \$2.5 million in damages to the Company for the damages incurred by the Company as a result of the Import Warehouse Defendants' civil contempt. On July 15, 2004, the Court entered a Final Judgment in that amount for which defendants Import Warehouse, Inc. and Ravi Bhatia are jointly and severally liable. The Import Warehouse Defendants filed a notice of appeal on July 29, 2004.

LITIGATION RELATED TO ALLEGED PERSONAL INJURY

Trial of the West Virginia complaints against the smokeless tobacco defendants has been postponed indefinitely, as described below. On October 6, 1998 NTC was served with a summons and complaint on behalf of 65 individual plaintiffs in an action in the Circuit Court of Kanawha County, West Virginia, entitled Kelly Allen, et al. v. Philip Morris Incorporated, et al. (Civil Action Nos. 98-C-2401). On November 13, 1998, NTC was served with a second summons and complaint on behalf of 18 plaintiffs in an action in the Circuit Court of Kanawha County, West Virginia, entitled Billie J. Akers, et al. v. Philip Morris Incorporated et al. (Civil Action Nos. 98-C-2696 to 98-C-2713). The complaints are identical in most material respects. In the Allen case, the plaintiffs have specified the defendant companies for each of the 65 cases. NTC is named in only one action. One Akers plaintiff alleged use of an NTC product, alleging lung cancer.

On September 14, 2000, NTC was served with a summons and complaint on behalf of 539 separate plaintiffs filed in Circuit Court of Ohio County, West Virginia, entitled Linda Adams, et al. v. Philip Morris Inc., et al. (Civil Action Nos. 00-C-373 to 00-C-911). Only one of these plaintiffs alleged use of a product currently manufactured by NTC. The time period during which this plaintiff allegedly used the product has not yet been specified. Thus, it is not yet known whether NTC is a proper defendant in this case.

On September 19, 2000, NTC was served with a second summons and complaint on behalf of 561 separate plaintiffs filed in Circuit Court of Ohio County, West Virginia, entitled Ronald Accord, et al. v. Philip Morris Inc., et al. (Civil Action Nos. 00-C-923 to 00-C-1483). A total of five of these plaintiffs alleged use of a product currently manufactured by NTC. One of these plaintiffs does not specify the time period during which the product was allegedly used. Another alleges use that covers, in part, a period when NTC did not manufacture the product. On motion by cigarette company defendants, this claim was dismissed on February 11, 2004, for failure to follow the case management order. Of the remaining three, one alleges consumption of a competitor's chewing tobacco from 1966 to 2000 and NTC's Beech-Nut chewing tobacco from 1998 to 2000; another alleges a twenty-four year smoking history ending in 1995 and consumption of Beech-Nut chewing tobacco from 1990 to 1995; and the last alleges a thirty-five year smoking history ending in 2000, and consumption of NTC's Durango Ice chewing tobacco from 1990 to 2000 (although Durango Ice did not come onto the market until 1999).

In November 2001, NTC was served with an additional four separate summons and complaints in actions filed in the Circuit Court of Ohio County, West Virginia. The actions are entitled Donald Nice v. Philip Morris Incorporated, et al. (Civil Action No. 01-C-479), Korene S. Lantz v. Philip Morris Incorporated, et al. (Civil Action No. 01-C-480), Ralph A. Prochaska, et al. v. Philip Morris, Inc., et al. (Civil Action No. 01-C-481), and Franklin Scott, et al. v. Philip Morris, Inc., et al., (Civil Action No. 01-C-482).

34

All of the West Virginia smokeless tobacco actions have been consolidated before the West Virginia Mass Litigation Panel for discovery and trial of certain issues. Trial of these matters was planned in two phases. In the initial phase, a trial was to be held to determine whether tobacco products, including all forms of smokeless tobacco, cigarettes, cigars and pipe and roll-your-own tobacco, can cause certain specified diseases or conditions. In the second phase, individual plaintiffs would attempt to prove that they were in fact injured by tobacco products. Fact and expert discovery in these cases has closed, however, in the cigarette cases the Court has allowed additional discovery.

The claims against NATC in the various consolidated West Virginia actions include negligence, strict liability, fraud in differing forms, conspiracy, breach of warranty and violations of the West Virginia consumer protection and antitrust acts. The complaints in the West Virginia cases request unspecified compensatory and punitive damages.

The manufacturers of smokeless tobacco products (as well as the manufacturers of cigarettes) moved to sever the claims against the smokeless tobacco manufacturer defendants from the claims against the cigarette manufacturer defendants. That motion was granted and the trial date on the smokeless tobacco claims has now been postponed indefinitely.

The trial court has now vacated the initial trial plan in its entirety because of concerns that its provisions violated the dictates of the United States Supreme Court's decision in *State Farm Mutual Automobile Insurance Company v. Campbell*, 538 U.S. 408 (2003). A new trial plan has not yet been implemented with regard to the consolidated claims against the cigarette manufacturer defendants. The claims against the smokeless tobacco manufacturer defendants remain severed and indefinitely stayed.

Minnesota Complaint. On September 24, 1999, NTC was served with a complaint in a case entitled Tuttle v. Lorillard Tobacco Company, et al. (Case No. C2-99-7105), brought in Minnesota. The other manufacturing defendants are Lorillard and The

Edgar Filing: North Atlantic Holding Company, Inc. - Form 10-Q

Pinkerton Tobacco Company. The Complaint alleges that plaintiff's decedent was injured as a result of using NTC's (and, prior to the formation of NTC, Lorillard's) Beech-Nut brand and Pinkerton's Red Man brand of loose-leaf chewing tobacco. Plaintiff asserts theories of liability, breach of warranty, fraud, and variations on fraud and misrepresentation. Plaintiff specifically requests in its complaint an amount of damages in excess of fifty thousand dollars (\$50,000) along with costs, disbursements and attorneys' fees, and ". . . an order prohibiting defendants from disseminating in Minnesota further misleading advertising and making further untrue, deceptive and/misleading statements about the health effects and/or addictive nature of smokeless tobacco products. . . ." After discovery, summary judgment motions were filed on behalf of all defendants. On March 3, 2003, the Court granted defendants' motions, dismissing all claims against all defendants and the Court has since denied the plaintiff's motion for reconsideration. Plaintiff has appealed the dismissal. Briefing has been completed. Oral argument before the Court of Appeals was held on February 11, 2004. On July 30, 2004, the Court of Appeals affirmed the dismissal of all of the claims.
