Item 8.01. Other Events.

As previously disclosed, on May 28, 2013, Fidelity National Financial, Inc., a Delaware corporation (“FNF”), and Lion Merger Sub, Inc., a Delaware corporation and a subsidiary of FNF (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Lender Processing Services, Inc., a Delaware corporation (“LPS”) pursuant to which Merger Sub will be merged with and into LPS, with LPS surviving as a subsidiary of FNF (the “Merger”). Subject to the terms and conditions of the Merger Agreement, it was agreed to that at the effective time of the Merger, each share of LPS common stock (“LPS Common Stock”) issued and outstanding immediately prior to the effective time (other than (i) shares owned by LPS, its subsidiaries, FNF or Merger Sub and (ii) shares in respect of which appraisal rights have been properly exercised and perfected under Delaware law) would be converted into the right to receive (i) \$16.625 in cash, as the same may be increased pursuant to the Merger Agreement (the “Cash Consideration”), and (ii) a fraction of a share of Class A common stock, par value \$0.0001 per share, of FNF (“FNF Common Stock”) equal to the exchange ratio, as it may be adjusted pursuant to the Merger Agreement (such exchange ratio, the “Exchange Ratio” and such consideration the “Stock Consideration” and, together with the Cash Consideration, the “Merger Consideration”).

As previously disclosed, pursuant to the Merger Agreement, FNF can, prior to mailing the joint proxy statement/prospectus in connection with the Merger, elect to alter the consideration mix by increasing the Cash Consideration by up to \$16.625 per share of LPS Common Stock with a corresponding decrease in the Stock Consideration as provided under the terms of the Merger Agreement.

On June 19, 2013, FNF notified LPS that it was exercising its option to increase the Cash Consideration from \$16.625 per share of LPS Common Stock to \$22.303 per share of LPS Common Stock and correspondingly decrease the Stock Consideration.

In addition, as previously disclosed, the Exchange Ratio is subject to adjustment in certain circumstances. Specifically, after giving effect to the increase in the Cash Consideration to \$22.303 per share of LPS Common Stock and the related decrease in the Stock Consideration, if the average of the volume weighted averages of the trading prices of FNF Common Stock during the ten trading day period ending on (and including) the third trading day prior to the closing of the Merger (the “Average FNF Stock Price”) is:

- (i) greater than \$26.763, the Exchange Ratio will be an amount equal to the quotient of (a) (x) the product of (1) 0.65224 multiplied by (2) the Average FNF Stock Price minus (y) \$5.678 divided by (b) the Average FNF Stock Price;
- (ii) between \$24.215 and \$26.763, the Exchange Ratio will be 0.42948;
- (iii) between \$20.000 and \$24.215, the Exchange Ratio will adjust so that the value of the Stock Consideration is fixed (based on the Average FNF Stock Price) at \$10.400 per share of LPS Common Stock; and
- (iv) less than \$20.000, the Exchange Ratio will be 0.52000.

As previously disclosed, funds affiliated with Thomas H. Lee Partners, L.P. ("THL") have committed to purchase common equity interests in a subsidiary of FNF, the proceeds of which will be used by FNF to pay a portion of the aggregate Merger Consideration and the related fees and expenses. In connection with the increase in Cash Consideration, the equity financing commitments FNF obtained from THL have been increased by \$200 million pursuant to the terms and subject to the conditions set forth in an amended and restated equity commitment letter dated June 19, 2013. FNF expects to fund the remaining increase in the Cash Consideration through cash on hand and existing credit facilities (but may also use other available sources).

In addition, prior to mailing the joint proxy statement/prospectus in connection with the Merger, FNF can elect to further alter the consideration mix by further increasing the Cash Consideration such that the total of all such increases do not exceed \$16.625 per share of LPS Common Stock, in which event there would be further corresponding decreases in the Stock Consideration as provided under the terms of the Merger Agreement. If FNF elects to further increase the Cash Consideration and further decrease the Stock Consideration, the Exchange Ratio will be further adjusted to reflect the new consideration mix. However, if FNF elects to further increase the Cash Consideration and the Average FNF Stock Price is greater than \$26.763, then the Exchange Ratio will be further adjusted to reflect the increased value that would have been received at the closing of the Merger had FNF not elected to alter the consideration mix.

On June 19, 2013, FNF issued a press release in connection with its decision to alter the mix of the Merger Consideration. A copy of the press release is furnished as Exhibit 99.1 hereto.
