ITEM 2.01 Completion of Acquisition or Disposition of Assets.

On March 6, 2015, Associated Estates Realty Corporation (the “Company”) filed with the Securities and Exchange Commission (the “SEC”) a Current Report on Form 8-K reporting the acquisition by the Company of 1160 Hammond (f/k/a Perimeter). 1160 Hammond is part of the portfolio acquisition from entities controlled by Northwood Ravin, LLC (the “Northwood Ravin Portfolio”) that the Company previously reported by means of a Current Report on Form 8-K filed with the SEC on September 25, 2013.

On June 16, 2014, the Company filed with the SEC a Current Report on Form 8-K reporting the acquisition of Alpha Mill Phase I and Alpha Mill Phase II, part of the Northwood Ravin Portfolio. The financial statements and pro forma financial information required by Item 9.01 of Form 8-K for the acquisition of Alpha Mill Phase I and Alpha Mill Phase II, as well as for three other properties comprising the Northwood Ravin Portfolio acquired by the Company (The Apartments at Blakeney, St. Mary’s Square, and Lofts at Weston Lakeside), were filed by means of an amendment on Form 8-K/A filed with the SEC on August 19, 2014.

On November 25, 2013, the Company filed with the SEC a Current Report on Form 8-K reporting the acquisition of Lofts at Weston Lakeside (f/k/a Lofts at Weston), part of the Northwood Ravin Portfolio. The financial statements and pro forma financial information required by Item 9.01 of Form 8-K for the acquisition of Lofts at Weston Lakeside, as well as for two other properties comprising the Northwood Ravin Portfolio acquired by the Company (The Apartments at Blakeney and St. Mary's Square), were filed by means of an amendment on Form 8-K/A filed with the SEC on January 29, 2014.

This amendment on Form 8-K/A is being filed for the sole purpose of filing the financial statements and pro forma information required by Item 9.01 of Form 8-K, and should be read in conjunction with the aforementioned Current Report on Form 8-K filed on March 6, 2015.

During the years ended December 31, 2014 and December 31, 2013, and the three months ended March 31, 2015, the Company acquired the following six properties as components of the Northwood Ravin Portfolio:

The Apartments at Blakeney: A 295-unit apartment community located in Charlotte, North Carolina was acquired on October 10, 2013. This property was purchased from NR Blakeney Property Owner, LLC for a purchase price of approximately \$53.2 million, which was funded by the assumption of a mortgage loan on the property in the amount of \$28.0 million and borrowings on the Company's unsecured revolving credit facility. Audited financial statements were included in Form 8-K/A as filed with the SEC on January 29, 2014.

St. Mary's Square: A 134-unit apartment community located in Raleigh, North Carolina was acquired on November 18, 2013. This property was purchased from NR St. Mary's Square, LLC for a purchase price of approximately \$27.3 million, which was funded primarily from borrowings on the Company's unsecured revolving credit facility. St. Mary's Square leasing commenced on June 1, 2013, and construction was completed on September 26, 2013. Because such leasing history covered less than nine months of activity when the acquisition was reported on the Current Report on Form 8-K/A filed with the SEC on January 29, 2014, audited financial statements were not required.

Lofts at Weston Lakeside: A 215-unit apartment community located in Cary, North Carolina was acquired on November 19, 2013. This property was purchased from Lofts at Weston SPE, LLC for a purchase price of approximately \$38.3 million, which was funded primarily from borrowings on the Company's unsecured revolving credit facility. Lofts at Weston Lakeside leasing commenced on April 13, 2013, and construction was completed on October 18, 2013. Because such leasing history covered less than nine months of activity when the acquisition was reported on the Current Report on Form 8-K/A filed with the SEC on January 29, 2014, audited financial statements were not required.

Alpha Mill Phase I: A 167-unit apartment community located in Charlotte, North Carolina was acquired on June 10, 2014. This property was purchased from NR Alpha Mill Property Owner, LLC for a purchase price of approximately \$27.2 million, which was funded primarily from proceeds from a like-kind exchange. Audited financial statements were included in Form 8-K/A filed with the SEC on August 19, 2014.

Alpha Mill Phase II: A 100-unit apartment community located in Charlotte, North Carolina was acquired on June 10, 2014. This property was purchased from NR Alpha Mill II Property Owner, LLC for a purchase price of approximately \$18.0 million, which was funded primarily from proceeds from a like-kind exchange. Alpha Mill Phase II leasing commenced on May 17, 2014, and construction was completed on June 3, 2014. Because such leasing history covered less than three months of activity when the acquisition was reported on the Current Report on Form 8-K/A filed with the SEC on August 19, 2014, financial statements were not required.

1160 Hammond: A 345-unit apartment community located in Atlanta, Georgia was acquired on March 2, 2015. This property was purchased from NR Perimeter Property Owner, LLC for a purchase price of approximately \$80.4 million, which was funded in the amount of \$43.3 million from proceeds from a like-kind exchange and covered \$37.1 million from borrowings on the Company's unsecured revolving credit facility. 1160 Hammond leasing commenced on August 1, 2014, and construction was completed on January 30, 2015. Because such leasing history covers less than nine months of activity, audited financial statements were not required.

The aggregate purchase price of these properties exceeded 10% of the Company's total assets as of December 31, 2012, which was the most recent audited consolidated balance sheet prior to the commencement of the Northwood Ravin Portfolio acquisition. None of the properties were acquired from a related party of the Company.

1. BASIS OF PRESENTATION

On March 2, 2015, Associated Estates Realty Corporation (the "Company") acquired, through a wholly owned subsidiary, 1160 Hammond, a 345-unit apartment community located in Atlanta, Georgia. 1160 Hammond was purchased from NR Perimeter Property Owner LLC, an unrelated third party.

The accompanying statement of revenues and certain operating expenses relate to 1160 Hammond, and have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, certain expenses, such as depreciation and amortization, interest, management fees and other corporate expenses, are not included in the statement of revenues and certain operating expenses because they are not directly related to the proposed future operations of 1160 Hammond. Therefore, the amounts reported in the accompanying statement may not be comparable to the results of operations reported for the future operations of 1160 Hammond. Except as noted above, the Company is not aware of any material factors during the year ended December 31, 2014 that would cause the reported financial information not to be indicative of future operating results. The accompanying statement of revenues and certain operating expenses for the period of August 1, 2014 through December 31, 2014 is unaudited. In the opinion of management, all adjustments, consisting only of normal and recurring adjustments considered necessary for a fair statement, have been included. The reported results are not necessarily indicative of the results that may be expected for the full year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition: Apartment units are generally leased with terms of one year or less. Rental revenue from residential leases, which may include periods of free rent, are recognized on a straight-line basis. Reimbursements for expenses, such as water and sewer expenses, are included in "Property revenue" in the statement of revenues and certain operating expenses.

Property Operating and Maintenance: Property operating and maintenance expenses represent the direct expenses of operating 1160 Hammond, and consist primarily of payroll, utilities, repairs and maintenance, and other operating expenses that are expected to continue in the proposed future operations of 1160 Hammond.

Capitalization: Significant improvements and replacements are capitalized and depreciated using the straight-line method over their estimated useful lives, which are not included in the statement of revenues and certain operating expenses. Repairs and maintenance costs are charged to expense as incurred, and are included in "Property operating and maintenance" in the statement of revenues and certain operating expenses.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ from these estimates.

Commitments and Contingencies: Liabilities for loss contingencies arising from claims, assessments, litigation, fines, penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. There is no material litigation nor, to management's knowledge, is any material litigation currently threatened against 1160 Hammond, other than routine litigation claims and administrative proceedings arising in the ordinary course of business.

3. SUBSEQUENT EVENTS

Management has evaluated all events and transactions that occurred after December 31, 2014 through May 8, 2015, the date which the statement was available to be issued, and noted no items requiring adjustment of the statement or additional disclosure.
