In addition, your shares will also be considered and voted upon other business that properly comes before the Annual Meeting or any adjournment or postponement. Neither the corporate laws of Oklahoma, the state in which we are incorporated, nor our Certificate of Incorporation or Bylaws have any provisions regarding the treatment of abstentions and broker non-votes. Our policy is (i) to count abstentions or broker non-votes for purposes of determining the presence of a quorum at the Annual Meeting, (ii) to treat abstentions as votes not cast but to treat them as shares represented at the Annual Meeting for

determining results on actions requiring a majority vote, and (iii) to consider neither abstentions nor broker non-votes in determining results of plurality votes.

We will bear the expenses of this proxy solicitation, including the cost of preparing and mailing this Proxy Statement and accompanying Proxy. These expenses include the charges and expenses of banks, brokerage firms, and other custodians, nominees or fiduciaries for forwarding solicitation material regarding the Annual Meeting to beneficial owners of our common stock. PROPOSAL ONE

APPROVAL OF OUR 2002 IMR STOCK OPTION PLAN

Our Board of Directors is seeking ratification and shareholder approval of the Precis, Inc. 2002 IMR Stock Option Plan (the "IMR Plan"), which, effective March 15, 2002, was adopted by our Board of Directors. A copy of the IMR Plan is attached hereto as Appendix A. Subject to approval of the IMR Plan by our shareholders, we will be authorized to issue up to 500,000 shares of our common stock upon the exercise of options granted under the IMR Plan to our independent marketing representatives. No stock options have been granted under the IMR Plan. Our employees and directors are not eligible to participate in the IMR Plan.

THE 2002 IMR STOCK OPTION PLAN

The purpose of the IMR Plan is to strengthen our ability to attract and retain independent marketing representatives, to furnish additional incentive to our independent marketing representatives who are significantly responsible for our success, and thereby to enhance shareholder value. The IMR Plan provides for the grant of stock options ("Options") to our independent marketing representatives. Our employees and directors are not eligible to participate in the IMR Plan. Under the provisions of the IMR Plan, the Options will not qualify as options granted pursuant to Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and accordingly will not qualify for the favorable tax consequences thereunder upon the grant and exercise of the Options. The total number of shares of common stock authorized and reserved for issuance upon exercise of Options granted under the IMR Plan will be 500,000.

GRANT AND EXERCISE OF OPTIONS. Our Board of Directors administers and interprets the IMR Plan and has the authority to grant Options to all eligible independent marketing representatives, and determine the basis upon which the Options are to be granted and the terms, restrictions and conditions of the Options at the time of grant.

Options granted under the IMR Plan are exercisable in such amounts, at such intervals and upon such terms as the Option grant provides. The purchase price of the common stock under the Option is determined by our Board; however, the purchase price may not be less than lowest closing sale price of the common stock on the date of grant of the Option or during a period of up to three months following grant of the Option. Upon the exercise of an Option, the stock purchase price must be paid in full.

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

Options granted under the IMR Plan may not under any circumstance be exercised after five years from the date of grant. Subject to the foregoing, Options are exercisable only by independent marketing representatives who are in "good standing" at the time of exercise. To be in good standing, an independent marketing representative must

- o be in active status at the time of grant and exercise of the Option,
- o maintain his or her membership in Care Entree program and
- o comply with our the policies and procedures and the terms and conditions of the independent marketing representative's agreement with us.

No Option under the IMR Plan may be granted after March 31, 2007. Options are not transferable except by will or by the laws of descent and distribution.

TERMINATION AND AMENDMENT. The IMR Plan will terminate on March 31, 2007. The IMR Plan may be altered, changed, modified, amended or terminated by written amendment approved by our Board; provided, that no action of our Board may, without the approval of our shareholders,

- o increase the total amount of common stock that may be purchased pursuant to exercise of Options granted under the IMR Plan;
- o withdraw the administration of the IMR Plan from our Board of Directors;
- o amend or alter the Option price of common stock under the IMR Plan;

1

- o amend the IMR Plan in any manner that would impair the applicability of the exemption afforded to the IMR Plan by the Securities Exchange Act of 1934 and the Securities and Exchange Commission's Rule 16b-3; or
- o amend the IMR Plan to permit our officers, directors or employees to receive Options under the IMR Plan.

No amendment, modification or termination of the IMR Plan may in any manner adversely affect any Option previously granted under the IMR Plan without the consent of the holder.

PARTICIPANTS. At this time it is not possible to determine who in the future will be among the eligible independent marketing representatives that will become entitled to receive Options under the IMR Plan or the number of shares of common stock that may be optioned to any eligible independent marketing representative. It is expected, however, that these determinations will be made on the basis of the independent marketing representative's contributions to our success through marketing of our Care Entree healthcare savings program. Our executive officers, directors and employees are not permitted to participate in the IMR Plan, and, accordingly, if the IMR Plan had been in effect during the year ended December 31, 2001, our executive officers, directors and employees would not have been granted any Options under the IMR Plan.

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

FEDERAL INCOME TAX CONSEQUENCES

The grant of Options under the IMR Plan will not have any tax consequence to us or the recipient of the Option. Upon exercise of an Option, the independent marketing representative will recognize ordinary income in an amount equal to the excess, if any, of the fair market value, on the date of exercise, of the shares of common stock acquired over the exercise price of the Option. Any additional gain or loss realized by the independent marketing representative on disposition of the Option shares generally will be capital gain or loss and will not result in any additional tax deduction to us.

REQUIRED AFFIRMATIVE VOTE

The affirmative vote of the holders of a majority of the shares voted or cast at the Annual Meeting in person and by proxy is required for the approval of the IMR Plan. Abstentions and broker non-votes will not be tabulated as negative votes on this proposal, but will be included in computing the number of shares present for purposes of determining whether approval of the IMR Plan has received the required vote for approval.

RECOMMENDATION OF OUR BOARD OF DIRECTORS

Our Board of Directors recommends that you vote "FOR" the approval of the IMR Plan. We will vote your proxy accordingly unless you specify a contrary choice.

PROPOSAL TWO

APPROVAL OF OUR 2002 OUTSIDE DIRECTORS STOCK OPTION PLAN

Our Board of Directors is seeking ratification and shareholder approval of the Precis, Inc. 2002 Non-Employee Stock Option Plan (the "Non-Employee Plan"), which, effective May 31, 2002, was adopted by our Board of Directors. A copy of the Non-Employee Plan is attached hereto as Appendix B. Subject to approval of the Non-Employee Plan by our shareholders, we will be authorized to issue up to 200,000 shares of our common stock upon the exercise of options granted under the Non-Employee Plan to our directors, consultants and other advisors. As of the date of this Proxy Statement, no stock options have been granted under the Non-Employee Plan. Our employees who also serve as our directors are not eligible to participate in the Non-Employee Plan.

THE 2002 NON-EMPLOYEE STOCK OPTION PLAN

The purpose of the Non-Employee Plan is to strengthen our ability to attract and retain the services of individuals that serve as our non-employee directors, consultants and other advisors that are essential to our long-term growth and financial success and thereby to enhance shareholder value. Through option grants under Non-Employee Plan, our non-employee directors, consultants and other advisors will have the opportunity to acquire an equity interest in us. The Non-Employee Plan provides for the grant of stock options ("Options") to our non-employee directors, consultants and other advisors. Our employees are not eligible to participate in the Non-Employee Plan.

Under the provisions of the Non-Employee Plan, the Options will not qualify as options granted pursuant to Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and accordingly will not qualify for the favorable tax consequences thereunder upon the grant and exercise of the Options. The total number of shares of common stock authorized and reserved for issuance upon exercise of Options granted under the Non-Employee Plan will be 200,000.

GRANT AND EXERCISE OF OPTIONS. Our Board of Directors administers and interprets the Non-Employee Plan and has authority to grant Options to all eligible independent marketing representatives, and determine the basis upon which the Options are to be granted and the terms, restrictions and conditions of the Options at the time of grant.

Options granted under the Non-Employee Plan are exercisable in such amounts, at such intervals and upon such terms as the Option grant provides. The purchase price of the common stock under the Option is determined by our Board; however, the purchase price may not be less than the closing sale price of our common stock on the date of grant of the Option. Upon the exercise of an Option, the stock purchase price must be paid in full, in cash by check or in our common stock held by the Option holder for more than six months or a combination of cash and common stock.

Options granted under the Non-Employee Plan may not under any circumstance be exercised after 10 years from the date of grant. No Option under the Non-Employee Plan may be granted after March 31, 2007. Options are not transferable except by will, by the laws of descent and distribution, by gift or a domestic relations order to a "family member." Family member transfers include transfers to parents (and in-laws) to nieces and nephews (adopted or otherwise) as well as trusts, foundations and other entities principally for their benefit.

TERMINATION AND AMENDMENT. The Non-Employee Plan will terminate on March 31, 2007. The Non-Employee Plan may be altered, changed, modified, amended or terminated by written amendment approved by our Board; provided, that no action of our Board may, without the approval of our shareholders,

- o increase the total amount of common stock that may be purchased pursuant to exercise of Options granted under the Non-Employee Plan;
- o withdraw the administration of the Non-Employee Plan from our Board of Directors;
- o amend or alter the Option price of common stock under the Non-Employee Plan;
- o amend the Non-Employee Plan in any manner that would impair the applicability of the exemption afforded to the Non-Employee Plan by the Securities Exchange Act of 1934 and the Securities and Exchange Commission's Rule 16b-3; or
- o amend the IMR Plan to permit our officers, employee-directors or employees to receive Options under the Non-Employee Plan.

No amendment, modification or termination of the Non-Employee Plan may in any manner adversely affect any Option previously granted under the Non-Employee Plan without the consent of the holder.

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

PARTICIPANTS. At this time it is not possible to determine who in the future will be among the individuals that will become entitled to receive Options under the Non-Employee Plan or the number of shares of common stock that may be optioned to any eligible individuals. It is expected, however, that these determinations will be made on the basis of the individual's contribution or potential contribution to our success as determined by our Board.

Although the Non-Employee Plan was not in effect during 2001, the following table sets forth information assuming the Non-Employee Plan had been in effect during the year ended December 31, 2001. It is further assumed that, in lieu of the stock options granted to our directors during 2001 who were not employees, our non-employee directors would have been granted Options under the Non-Employee Plan, which would have become exercisable in February 2002.

- (1) The closing sale price of our common stock as reported on the Nasdaq Smallcap Market on December 31, 2001 was \$12.20. The per-share value is calculated based on the applicable closing sale price per share, minus the \$3.55 exercise price, multiplied by the number of shares of common stock underlying the options.
 - (2) In February 2002, Mr. Kruger resigned as our Chief Executive Officer as well as the Chief Executive Officer of Foresight, Inc., and Ms. Henkels was appointed to serve as our Chief Executive Officer and President. Ms. Henkels has served as our President since June 8, 2001.

If the Non-Employee Plan had been in effect during the year ended December 31, 2001, our non-employee directors would have been granted Options under the Non-Employee Plan, which would have resulted in each of Larry E. Howell, John Simonelli, Kent H. Webb, M.D., Lyle W. Miller, and Michael E. Dunn receiving five-year stock options exercisable for the purchase of 10,000 shares of our common stock for \$3.55 per share. In addition, for his services as our medical director, we would have granted Dr. Webb five-year stock options exercisable for the purchase of 12,000 shares of our common stock for \$3.55 per share. The stock options would have been granted on August 27, 2001 for services during 2001. The purchase price of the shares would have been equal to or in excess of the closing sale price of our common stock on the grant date of the stock options. Our employees, including executive officers, are not permitted to participate in the Non-Employee Plan.

FEDERAL INCOME TAX CONSEQUENCES

The grant of Options under the Non-Employee Plan will not have any tax consequence to us or the recipient of the Option. Upon exercise of an Option, the Option holder will recognize ordinary income in an amount equal to the excess, if any, of the fair market value, on the date of exercise, of the shares of common stock acquired over the exercise price of the Option. Any additional gain or loss realized on disposition of the Option shares generally will be capital gain or loss and will not result in any additional tax deduction to us.

REQUIRED AFFIRMATIVE VOTE

The affirmative vote of the holders of a majority of the shares voted or cast at the Annual Meeting in person and by proxy and entitled to vote is required for the approval of the Non-Employee Plan. Abstentions and broker

non-votes will not be tabulated as negative votes on this proposal, but will be included in computing the number of shares present for purposes of determining whether approval of the non-employee plan has received the required vote for approval.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, officers, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of the forms we received covering purchase and sale transactions in our common stock during 2001, we believe that each person who, at any time during 2001, was a director, executive officer, or beneficial owner of more than 10% of our common stock complied with all Section 16(a) filing requirements during 2001.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During 2001, the Board of Directors held four meetings and took action three times through unanimous approval of a written record and memorandum of action in lieu of meeting. All of the directors were present at the meetings. In 1999 we established the Compensation Committee and Audit Committee. Other than the Compensation Committee and Audit Committee, the Board of Directors does not have any other standing committees.

COMPENSATION COMMITTEE. Ms. Henkels and Messrs. Webb and Dunn serve on the Compensation Committee at the pleasure of the Board of Directors. The Compensation Committee reviews and acts on matters relating to compensation levels and benefit plans for our executive officers and employees. The Compensation Committee also reviews the succession planning for key executive personnel, monitors employee relations issues and oversees senior management structure. Members of the Compensation Committee met jointly with our Board during 2001. All actions taken regarding the functions of this Committee were taken by the Board.

AUDIT COMMITTEE. Ms. Kelly and Messrs. Webb and Miller serve on the Audit Committee at the pleasure of the Board of Directors. The Audit Committee assists in the selection of our independent accountants and is responsible for designating those services to be performed by and maintaining effective communication with our independent accountants. In the performance of its functions, our audit committee

- o reviewed and discussed the audited consolidated financial statements for 2001 with our Board of Directors,
- o received the written disclosures and the letter from our independent accountants required by Independence Standards Board Standard No. 1 and

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

discussed with the independent accountants their independence, and

- o recommended to our Board of Directors that the audited financial statements as of and for the year ended December 31, 2001 be included in our annual report on Form 10-KSB for filing with the Securities and Exchange Commission.

No matters described within the scope of Statement on Auditing Standards 61, Communications with Audit Committees, arose during 2001 that required discussion with our independent accountants. The committee considered whether the non-financial statement audit services provided by our independent accountants affected their independence. Our audit committee is comprised of Mary L. Kelly, Kent H. Webb and Lyle W. Miller. During 2001, Mark R. Kidd, while serving as our Chief Financial Officer, served on the audit committee. Each of Messrs. Webb and Miller is an "independent director" within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards. Each of Ms. Kelly and Mr. Kidd does not qualify as an "independent director." The audit committee's written charter

8

was provided to our shareholders as an appendix to our proxy statement of our 2000 annual shareholders meeting. The audit committee formally met four times with our Board of Directors during 2001.

(1) The closing sale price of our common stock as reported on the Nasdaq SmallCap Market on December 31, 2001 was \$12.20. The per-share value is calculated based on the applicable closing sale price per share, minus the exercise price, multiplied by the number of shares of Common Stock underlying the options.

1999 STOCK OPTION PLAN

For the benefit of our employees, directors and consultants, we have adopted the Precis, Inc. 1999 Stock Option Plan (the "stock option plan" or the "plan"). The plan provides for the issuance of options intended to qualify as incentive stock options for federal income tax purposes to our employees and non-employees, including employees who also serve as our directors. Qualification of the grant of options under the plan as incentive stock options for federal income tax purposes is not a condition of the grant and failure to so qualify does not affect the ability to exercise the stock options. The number of shares of common stock authorized and reserved for issuance under the plan is 700,000. As of December 31, 2001, we had granted incentive stock options exercisable for the purchase (i) 10,000 shares at \$6.00 per share on or before February 8, 2005, (ii) 20,000 shares at \$1.25 per share on or before December 29, 2005, (iii) 20,000 shares at \$3.91 per share on or before August 27, 2006, and (iv) 130,500 at \$3.55 per share on or before August 27, 2006.

Our board of directors administers and interprets the plan (unless delegated to a committee) and has authority to grant options to all eligible participants and determine the types of options granted, the terms, restrictions and conditions of the options at the time of grant.

The exercise price of options may not be less than 85% of the fair market value of our common stock on the date of grant of the option and to qualify as an incentive stock option may not be less than the fair market value of common stock on the date of the grant of the incentive stock option. Upon the exercise of an option, the exercise price must be paid in full, in cash, in our

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

common stock (at the fair market value thereof) or a combination thereof.

Options qualifying as incentive stock options are exercisable only by an optionee during the period ending three months after the optionee ceases to be our employee, a director, or non-employee service provider. However, in the event of death or disability of the optionee, the incentive stock options are exercisable for one year following death or disability. In any event options may not be exercised beyond the expiration date of the options. Options may be granted to our key management employees, directors, key professional employees or key professional non-employee service providers, although options granted non-employee directors do not qualify as incentive stock options. No option may

10

be granted after December 31, 2008. Options are not transferable except by will or by the laws of descent and distribution.

All outstanding options granted under the plan will become fully vested and immediately exercisable if (i) within any 12-month period, we sell an amount of common stock that exceeds 50% of the number of shares of common stock outstanding immediately before the 12-month period or (ii) a "change of control" occurs. For purposes of the plan, a "change of control" is defined as the acquisition in a transaction or series of transactions by any person, entity or group (two or more persons acting as a partnership, limited partnership, syndicate or other group for the purpose of acquiring our securities) of beneficial ownership of 50% or more (or less than 50% as determined by a majority of our directors) of either the then outstanding shares of our common stock or the combined voting power of our then outstanding voting securities.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets forth as of December 31, 2001, information related to each category of equity compensation plan approved or not approved by our shareholders, including individual compensation arrangements with our non-employee directors. The only equity compensation plans approved by our shareholders are our 1999 stock option plan and the stock option agreement entered into with Barron Chase Securities, Inc. in connection with our merger-acquisition of Foresight, Inc. All stock options, warrants and rights to acquire our equity securities are exercisable for or represent the right to purchase our common stock.

DIRECTOR LIABILITY AND INDEMNIFICATION

As permitted by the provisions of the Oklahoma General Corporation Act, our Certificate of Incorporation eliminates the monetary liability of our directors for a breach of their fiduciary duty as directors. However, these provisions do not eliminate our director's liability

- o for a breach of the director's duty of loyalty to us or our shareholders,

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

- o for acts or omissions by a director not in good faith or which involve intentional misconduct or a knowing violation of law,
- o arising under Section 1053 of the Oklahoma General Corporation Act relating to the declaration of dividends and purchase or redemption of shares in violation of the Oklahoma General Corporation Act, or
- o for any transaction from which the director derived an improper personal benefit.

In addition, these provisions do not eliminate liability of a director for violations of federal securities laws, nor do they limit our rights or our shareholders rights, in appropriate circumstances, to seek equitable remedies including injunctive or other forms of non-monetary relief. These remedies may not be effective in all cases.

Our bylaws require us to indemnify all of our directors and officers. Under these provisions, when an individual in his or her capacity as an officer or a director is made or threatened to be made a party to any suit or proceeding, the individual may be indemnified if he or she acted in good faith and in a manner reasonably believed to be in or not opposed to our best interest. Our bylaws further provide that this indemnification is not exclusive of any other rights to which the individual may be entitled. Insofar as indemnification for liabilities arising under our bylaws or otherwise may be permitted to our directors and officers, we have been advised that in the opinion of the Securities and Exchange Commission the indemnification is against public policy and is, therefore, unenforceable.

We have entered into indemnification agreements with each of our directors and executive officers. Under these indemnification agreements we agreed to pay on behalf of the indemnitee, and his or her executors, administrators and heirs, any amount that he or she is or becomes legally obligated to pay because the

- o indemnitee served as one of our directors or officers, or served as a director, officer, employee or agent of a corporation, partnership, joint venture, trust or other enterprise at our request or
- o indemnitee was involved in any threatened, pending or completed action, suit or proceeding by us or in our right to procure a judgment in our favor by reason that the indemnitee served as one of our directors or officers, or served as a director, officer, employee or agent of a corporation, partnership, joint venture, trust or other enterprise at our request.

To be entitled to indemnification, indemnitee must have acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to our best interests. In addition, no indemnification is required if the indemnitee is determined to be liable to us unless the court in which the legal proceeding was brought determines that the indemnitee was entitled to indemnification. The costs and expenses covered by these agreements include expenses of investigations, judicial or administrative proceedings or appeals, amounts paid in settlement, attorneys' fees and disbursements, judgments, fines, penalties and expenses of enforcement of the indemnification rights.

We maintain insurance to protect our directors and officers against liability asserted against them in their official capacities for event occurring after June 7, 2001. Such insurance protection covers claims and any related defense costs of up to \$6,000,000 based on alleged or actual securities law violations, other than intentional dishonest or fraudulent acts or omissions, or any willful violation of any statute, rule or law, or claims arising out of any

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

improper profit, remuneration or advantage derived by an insured director or officer.

EMPLOYMENT ARRANGEMENTS AND LACK OF KEYMAN INSURANCE

On January 3, 2001, we entered into employment agreement with Paul A. Kruger. This agreement is for a term of three years; however, the term is automatically extended for additional one-year terms, unless we or Mr. Kruger gives notice of termination on or before June 30 in the year of termination, commencing June 30, 2003. The agreement provides, among other things, (i) an annual base salary of \$60,000, (ii) bonuses at the discretion of the Board of Directors, (iii) entitlement to fringe benefits including medical and insurance benefits as may be provided to our other senior officers; (iv) eligibility to participate in our incentive, bonus, benefit or similar plans; and (v) limited salary continuation during any period of temporary or permanent disability, illness or incapacity to substantially perform the services required under the agreement or in the event of employee's death. The agreement requires Mr. Kruger to devote the required time and attention to our business and affairs necessary to carry out his responsibilities and duties. Mr. Kruger may hold executive positions with other entities and own interests in, manage or otherwise operate other noncompetitive businesses. The agreement may be terminated by Mr. Kruger upon 90-day advance notice or by us upon 30-day advance notice for "good cause" or failure to correct of any breach or default within the 30 days.

A condition of the acquisition of The Capella Group, Inc., we entered into employment agreements with each of Judith H. Henkels, Mary L. Kelly and Bobby R. Rhodes. Each agreement is for a three-year term; however, the term is automatically extended for additional one-year terms, unless we or the employee gives six-month advance notice of termination. These agreements provide, among other things,

- o an annual base salary of \$150,000 (increasing to \$160,000 in 2002) for Ms. Henkels, \$85,000 (increasing to \$95,000 in 2002) for Ms. Kelly and Mr. Rhodes;
- o setting aside an amount equal to 15% of the Capella Group's earnings before interest and taxes to be distributed to employees and officers of Capella Group at the discretion of its Board of Directors;
- o entitlement to fringe benefits including medical and insurance benefits and participation in our 401(k) plan and MSA plan and any other benefit plan we establish; and
- o limited salary continuation during any period of temporary or permanent disability, illness or incapacity to substantially perform the services required under the agreement or in the event of employee's death.

These agreements require the employee to devote the required time and attention to our business and affairs necessary to carry out her or his responsibilities and duties. The employee may hold executive positions with other entities and own interests in, manage or otherwise operate other businesses, so long as the employee does not directly compete with us. Each agreement may be terminated by the employee upon 90-day advance notice or by us upon 30-day advance notice for "good cause" or failure to correct of any breach or default within the 30 days.

Under all of these agreements, "good cause" includes commitment of a felony (excepting any felony traffic offense) or any crime directly related to the employment which causes a substantial detriment to us, actions contrary to

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

our best interest, willful failure to take actions permitted by law and necessary to implement our written policies, continued failure or refusal to attend to duties, or willful misconduct materially and demonstrably injurious to us, financially or otherwise.

We do not maintain any keyman insurance on the life or disability of our executive officers.

COMPENSATION OF DIRECTORS

Other than through the receipt of discretionary stock option grants, our directors are not compensated for attending board or committee meetings. Directors who are also our employees receive no additional compensation for serving as directors or on committees. We reimburse our directors for travel and out-of-pocket expenses in connection with their attendance at meetings of our board.

On February 8, 2000, we granted one of our then executive officers and directors five-year stock options exercisable for the purchase of 10,000 shares of our common stock for \$6.00 per share. On December 29, 2000, we granted five-year stock options to each of our seven directors exercisable for 10,000 shares of our common stock for \$1.25 per share for their services during 2000. On August 27, 2001, we granted each of Ms. Henkels and Messrs. Kruger, Howell, Simonelli, Webb, Miller, Rhodes and Dunn five-year stock options exercisable for the purchase of 10,000 shares of our common stock for \$3.55 per share (or in the case of Judith H. Henkels and Paul A. Kruger for \$3.91 per share), and Mark

13

R. Kidd, formerly an executive officer and director, stock options exercisable for the purchase of 22,500 shares of common stock for \$3.55 per share. In addition, for his services as our medical director, we granted Dr. Webb five-year stock options exercisable for the purchase of 12,000 shares of our common stock for \$3.55 per share. The stock options granted on August 27, 2001 were for services during 2001. The purchase price of the shares was equal to or in excess of the closing sale price of our common stock on the grant date of the stock options.

CERTAIN TRANSACTIONS

Set forth below is a description of transactions and proposed transactions we entered into with our officers, directors and shareholders that beneficially own more than 5% of our common stock during 2001 and 2000. These transactions will continue in effect and may result in conflicts of interest between us and these individuals. Although our officers and directors have fiduciary duties to us and our shareholders, there can be no assurance that conflicts of interest will always be resolved in favor of us and our shareholders.

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

Under 10 separate promissory notes, Kent H. Webb, M.D., one of our Directors, loaned \$254,743 to us from 1997 through June 30, 1999. These shareholder loans were evidenced by promissory notes. The principal amount of those notes issued before September 30, 1998, accrued interest at 25% per annum until September 30, 1998, and thereafter at the 15% per annum rate. In January 1998, we repaid one of the promissory notes in the principal amount of \$25,000 and accrued interest of \$531. The remaining outstanding promissory notes became due on March 9, 2000 and the principal amounts were paid, together with interest of \$32,548. The terms of Dr. Webb's loans made prior to 1999 were approved and ratified unanimously by our four independent directors, each of whom did not have an interest in these loans and had access to our independent legal counsel at our expense. At the time these loans were made in 1999, we did not have sufficient disinterested independent directors to ratify the terms of the loans. Because the 1999 loan terms were the same as the earlier loans, our board of directors believes that the terms of the loans by Dr. Webb were at least as favorable as could be obtained from unaffiliated third parties.

For legal services rendered during 2000 and 2001, we paid the law firm of Dunn Swan & Cunningham, our legal counsel, \$110,789 during 2001. These legal services were performed principally in connection with the acquisition of Foresight, Inc. and The Capella Group, Inc. For services rendered during 1998, 1999 and a portion of 2000, we paid Dunn Swan & Cunningham \$248,936 and we issued 2,000 shares of our common stock in payment of \$20,000 for performed legal services, which shares were issued in December 2001. The legal services performed during 1998, 1999, and a portion of 2000 were in connection with our private placement offering, initial public offering, the merger-acquisition of Foresight, Inc. and general corporate matters.

Pursuant to the Agreement and Plan of Merger dated March 21, 2000 (as amended), on December 7, 2000 we acquired Foresight, Inc. In connection with the acquisition of Foresight,

- o on December 7, 2000, we issued and delivered 166,667 shares of our series A preferred stock and 450,000 shares of our common stock to Paul A. Kruger (our Chairman of the Board and former Chief Executive Officer) and 50,000 shares of our common stock to Mark R. Kidd (our former Chief Financial Officer and Director),
- o on June 8, 2001, we issued and delivered to Messrs. Kruger and Kidd 1,156,250 and 93,750 shares, respectively, of our common stock, and
- o on February 7, 2002 we issued and delivered to Messrs. Kruger and Kidd 1,891,214 and 101,514 shares, respectively, of our common stock (one share of our common stock for each dollar of the greater of our and Capella Group's combined or consolidated 2001 income before income tax expense, plus the goodwill amortization attributable to the acquisition of Foresight and Capella Group, in excess of \$1,750,000).

Messrs. Kruger and Kidd are the former shareholders of Foresight. They acquired their ownership of Foresight by exchanging their ownership in Universal Marketing Services, Inc. for the capital stock of Foresight.

Pursuant to the Agreement and Plan of Merger dated March 23, 2001, we acquired The Capella Group, Inc. on June 8, 2001. In connection with this acquisition,

- o we paid Judith H. Henkels (our Chief Executive Officer, Director and nominee director), Leland S. Chaffin, Jr. (the husband of Ms. Henkels), Bobby R. Rhodes (our Director and nominee director) and Mary L. Kelly (our Chief Financial Officer and nominee director) \$1,424,185, \$198,881, \$167,481, and \$257,481 respectively,

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

- o we issued and delivered to Ms. Henkels a \$600,000 promissory note and to each of Ms. Kelly and Messrs. Chaffin and Rhodes \$100,000 promissory notes,
- o we issued and delivered to Ms. Henkels 1,500,000 shares of our common stock and to each of Ms. Kelly and Messrs. Chaffin and Rhodes 250,000 shares of our common stock,

15

- o we issued and delivered to Ms. Henkels 1,651,053 shares of our common stock and to each of Ms. Kelly and Messrs. Chaffin and Rhodes 271,009 shares of our common stock (one share of our common stock for each dollar of Capella Group's 2001 income before income tax expense in excess of \$1,275,000) on February 7, 2002, and
- o we paid the promissory notes in full and paid accrued interest to Ms. Henkels of \$19,096 and to each of Ms. Kelly and Messrs. Chaffin and Rhodes accrued interest of \$3,183 on December 15, 2001.

On December 15, 2001, we and Paul A. Kruger, our Chairman of the Board and former Chief Executive officer, agreed to redeem 83,334 shares of our series A preferred stock for \$1,000,008 (the \$12 per share liquidation and stated value). On February 1, 2002 another 41,667 shares were redeemed for \$500,000. On February 18, 2002 another 20,833 shares were redeemed for \$250,000. On February 27, 2002 the remaining 20,833 shares were redeemed for \$250,000. In addition, during 2001 and 2000, we paid Mr. Kruger dividends on our series A preferred stock of \$236,000 and \$16,000, respectively.

On January 3, 2001, we entered into consulting agreements with each of Larry E. Howell and John Simonelli. For our acquisition of any entity introduction to us or our affiliate during the terms of these agreements, each of Messrs. Howell and Simonelli will be entitled to receive a fee of (i) 2.5% of up to \$1 million of value paid or received in the transaction, (ii) 2% of the next \$1 million of value, (iii) 1.5% of the next \$1 million of value, (iv) 1% of the next \$1 million of value, and (v) 0.5% of the value in excess of \$4 million. They are also entitled to reimbursement of reasonable expenses and provided an office, secretarial support, equipment and supplies at our cost. These agreements are for three-year terms ending December 31, 2003, automatically extendable for one-year periods after 2003, unless six-month advance notice of termination is given by us or Mr. Howell or Mr. Simonelli. They are required to maintain confidentiality of any and all non-public information provided to them by us. With respect to the acquisition of Foresight, Inc., each of Messrs. Howell and Simonelli were paid \$60,000 in January 2001. Furthermore, with respect to the acquisition of Capella Group, each of Messrs. Howell and Simonelli were paid \$128,795 in June 2001 and \$61,540 in February 2002.

At December 31, 2001, the Company had receivables from Palweb Corporation and Onward LLC of \$52,348 and \$2,451, respectively. Mr. Kruger, our Chairman of the Board is a director of Palweb Corporation and a managing member of Onward LLC.

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

Except as provided in the Plan, no amendment, modification or termination of the Plan shall in any manner adversely affect any Stock Option theretofore granted under or Stock Option Agreement entered into pursuant to the Plan without the consent of the affected Participant.

9. EFFECTIVE DATE. The Plan shall be effective March 15, 2002 (the "Effective Date").

10. SECURITIES LAW REQUIREMENTS. The Company shall have the right, but not the obligation to cause the shares of Common Stock issuable upon exercise of the Stock Options to be registered under the Securities Act or the securities laws of any state or jurisdiction.

10.1 RESTRICTIONS ON TRANSFERABILITY AND LEGEND ON CERTIFICATES. As a condition precedent to the grant of any Stock Option or the issuance or transfer of shares of Common Stock pursuant to the exercise of a Stock Option, the Company may require the Participant or holder to take any reasonable action to meet such requirements or to obtain such approvals. The Company shall have the right to restrict the transferability of shares of Common Stock issued or transferred upon exercise of the Stock Options in such manner as it deems necessary or appropriate to insure the availability of any exemption from registration under the Securities Act and any other applicable securities laws or regulations that may be available, including the endorsement with a legend reading as follows:

10.2 REGISTRATION STATEMENT. If a registration statement covering the shares of Common Stock issuable upon exercise of the Stock Options granted under the Plan is filed under the Securities Act, and is declared effective the Securities and Exchange Commission, the provisions of Section 10.1 shall terminate during the period of time that such registration statement, as periodically amended, remains effective.

14. STOCK OPTIONS GRANTED SEPARATELY. Because the Board is authorized to grant Stock Options to Participants, the grant thereof and Stock Option Agreements relating thereto will be made separately and totally independent of each other.

15. GRANTS OF OPTIONS AND STOCK OPTION AGREEMENT. Each Stock Option granted under this Plan shall be evidenced by the minutes of a meeting of the Board or by the written consent of the Board and by a written Stock Option

16. USE OF PROCEEDS. The proceeds received by the Company from the sale of Common Stock pursuant to the exercise of Stock Options granted under the Plan shall be added to the Company's general funds and used for general corporate purposes.

17. NON-TRANSFERABILITY OF OPTIONS. Except as otherwise herein provided, any Stock Option granted shall not be transferable otherwise than by will or the laws of descent and distribution or with the consent of the Company, and the Stock Option may be exercised, during the lifetime of the Participant, only by the Participant. More particularly (but without limiting the generality of the foregoing), the Stock Option Agreements may not be assigned, transferred (except as provided above), pledged or hypothecated in any way, shall not be assignable by operation of law and shall not be subject to execution, attachment, or similar process. Any attempted assignment, transfer, pledge, hypothecation, or other disposition of the Stock Option or Stock Option Agreement contrary to the provisions hereof shall be null and void and without effect and shall result in termination of the Stock Option Agreement and Stock Option.

18. ADDITIONAL DOCUMENTS ON DEATH OF PARTICIPANT. No transfer of a Stock Option or Stock Option Agreement by a Participant by will or the laws of descent and distribution shall be effective to bind the Company unless the Company shall have been furnished with written notice and an unauthenticated copy of the will and/or such other evidence as the Board may deem necessary to establish the validity of the transfer and the acceptance by the successor to the Stock Option or Stock Option Agreement of the terms and conditions of such Stock Option or Stock Option Agreement.

19. NO EMPLOYMENT RIGHT. Nothing in the Plan or in any Stock Option Agreement which relates to the Plan shall confer upon any Participant any right to serve as a director or become an employee or consultant of the Company or of any of its subsidiaries, or interfere in any way with the right of the Company or any of its subsidiaries to terminate such Participant as an Eligible Person at any time.

20. SHAREHOLDER RIGHTS. No Participant shall have a right as a shareholder with respect to any shares of Common Stock subject to a Stock Option or Stock Option Agreement prior to the purchase of such shares of Common Stock by exercise of the Stock Option.

21. RIGHT TO EXERCISE UPON COMPANY CEASING TO EXIST. In the event of a Corporate Transaction, the Participant shall have the right immediately prior to consummation of the Corporate Transaction to exercise, in whole or in part, such Participant's then remaining Stock Options whether or not then exercisable, but limited to that number of shares that can be acquired without causing the

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

Participant to have an "excess parachute payment" as determined under Section 280G of the Code determined by taking into account all of Participant's "parachute payments" determined under Section 280G of the Code. Provided, the foregoing notwithstanding, after the Participant has been afforded the opportunity to exercise his or her then remaining Stock Options as provided in this Section 21, and to the extent such Stock Options are not timely exercised as provided in this Section 21, then, the terms and provisions of this Plan and any Stock Option Agreement will thereafter continue in effect, and the Participant will be entitled to exercise any such remaining and unexercised Options in accordance with the terms and provisions of this Plan and such Stock Option Agreement as such Stock Options thereafter become exercisable. Provided further, that for the purposes of this Section 21, if any merger, consolidation or combination occurs in which the Company is not the surviving corporation and is the result of a mere change in the identity, form, or place of organization of the Company accomplished in accordance with Section 368(a)(1)(F) of the Code, then, such event shall not cause an acceleration of the exercisability of any such Stock Options granted under the Plan.

22. ASSUMPTION OF OUTSTANDING STOCK OPTIONS. Any successor to the Company succeeding to, or assigned the business of, the Company as the result of or in connection with a Corporate Transaction shall assume all Stock Options outstanding under the Plan or issue new Stock Options in place of outstanding Stock Options under the Plan.

-5-

23. TAX WITHHOLDINGS. The Company's obligation to deliver Stock upon the exercise of Stock Options under the Plan shall be subject to the satisfaction of all applicable federal, state and local income tax withholding requirements. The Board may in its discretion and in accordance with the provisions of Section 23 and such supplemental rules as the Board may from time to time adopt, provide any or all holders of Stock Options with the right to use shares of Stock in satisfaction of all or part of the federal, state and local income tax liabilities incurred by such holders in connection with the exercise of their Stock Options ("Taxes"). Such right may be provided to any such holders of Stock Options in either or both of the following methods: (i) the holder of a Stock Option may be provided with the election, which may be subject to approval by the Board, to have the Company withhold, from the Stock otherwise issuable upon exercise of such Stock Option, a portion of those shares of Stock with an aggregate Fair Market Value equal to the percentage (not to exceed 100 percent) of the applicable Taxes designated by the holder of the Options, and/or (ii) the Board may, in its discretion, provide the holder of the Stock Options with the election to deliver to the Company, at the time the Stock Option is exercised, one or more shares of Stock previously acquired by such holder and held for more than six months (other than pursuant to the transaction triggering the Taxes) with an aggregate fair market value equal to the percentage (not to exceed 100 percent) of the Taxes incurred in connection with such Stock Option exercise designated by such holder.

24. GOVERNING LAW. The Plan shall be governed by and all questions hereunder shall be determined in accordance with the laws of the State of Texas.

Notwithstanding the foregoing, in no event shall a Participant be granted Stock Options exercisable for more than 250 shares of Common Stock per earned chit. On each Grant Date, Stock Options will be granted to each Participant on the basis of a percentage determined by dividing the Participant's total number of earned chits by the total chits earned by all Participants. A Participant must be in Good Standing on the Grant Date until the date of exercise of a Stock Option to be entitled to exercise the Stock Option and if not in good standing the Participant shall forfeit all rights to the Stock Options. The number of shares of Common Stock purchasable after the Vesting Date upon exercise of Stock Options attributable to a particular calendar quarter and received by a Participant on the Grant Date shall be reduced by the percent obtained by dividing the number of chits lost (due to members becoming inactive) by the number of such Participant's earned chits on the Grant Date. In the event that no Participants qualify for receipt of Stock Options on the Grant Date, then and in that event Stock Options shall not be granted.

6. NOTICE OF EXERCISE STOCK OPTION. 7. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION. The grants of Stock Options shall in no way affect the right of the Company to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its assets or business. The aggregate number of shares of Stock under Stock Options granted under the Plan, the Option Price and the total number of shares of Common Stock which may be purchased by a Participant on exercise of a Stock

Option shall be appropriately adjusted by the Board to reflect any recapitalization, stock split, merger, consolidation, reorganization, combination, liquidation, stock

dividend or similar transaction involving the Company. Provided, however, and notwithstanding the foregoing, the occurrence of a Corporate Transaction shall cause the Plan and any Stock Option Agreements entered into and Stock Options granted under the Plan, to terminate upon the effective date of the Corporate Transaction, subject to Section 21 of the Plan. Provided, further, that for the purposes of this Section 7, if any merger, consolidation or combination occurs in which the Company is not the surviving corporation and is the result of a mere change in the identity, form or place of organization of the Company accomplished in accordance with Section 368(a)(1)(F) of the Code, then, such event will not cause a termination of the Plan.

8. AMENDMENT AND TERMINATION OF THE PLAN. The Plan shall terminate at midnight, April 10, 2004, but prior thereto may be altered, changed, modified, amended or terminated by written amendment approved by the Board. Provided, that no action of the Board may amend the Plan without approval by the shareholders of the Company to (i) increase the total amount of common stock that may be purchased pursuant to exercise of Stock Options granted under the Plan, (ii) withdraw the administration of the Plan from the Board, (iii) reduce the Stock Option price of common stock under the Plan, (iv) impair the applicability of the exemption afforded to the Plan by the Securities Exchange Act of 1934 and the Securities and Exchange Commission's Rule 16b-3, or (v) permit the Company's officers, directors or employees to receive Stock Options under the Plan. The Company shall have the right to restrict the transferability of shares of Common Stock issued or transferred upon exercise of the Stock Options in such manner as it deems necessary or appropriate to insure the availability of any exemption from registration under the Securities Act and any other applicable securities laws or regulations that may be available, including the endorsement with a legend reading as follows:

The shares of Common Stock evidenced by this certificate have been issued to the registered owner in reliance upon written representations that these shares have been purchased solely for investment purposes. These shares may not be sold, transferred or assigned unless in the opinion of the Company and its legal counsel such sale, transfer or assignment will

Edgar Filing: PRECIS SMART CARD SYSTEMS INC - Form DEF 14A

not be in violation of the Securities Act of 1933, as amended, and the rules and regulations thereunder.

10.2 REGISTRATION STATEMENT. If a registration statement covering the shares of Common Stock issuable upon exercise of the Stock Options granted under the Plan is filed under the Securities Act, and is declared effective the Securities and Exchange Commission, the provisions of Section 10.1 shall terminate during the period of time that such registration statement, as periodically amended, remains effective.

12. PAYMENT FOR STOCK. Payment for shares of Common Stock purchased under this Plan shall be made (i) in full and in cash or check made payable to the Company or (ii) may also be made in Common Stock of the Company held for the requisite period necessary to avoid a charge to the Company's reported earnings and valued at Fair Market Value on the date of exercise of the Option, or (iii) a combination of cash and Common Stock of the Company.

-4-

13. INCURRENCE OF DISABILITY AND RETIREMENT. Omitted.

14. STOCK OPTIONS GRANTED SEPARATELY. Because the Board is authorized to grant Stock Options to Participants, the grant thereof and Stock Option Agreements relating thereto will be made separately and totally independent of each other.

15. GRANTS OF OPTIONS AND STOCK OPTION AGREEMENT. Each Stock Option granted under this Plan shall be evidenced by the minutes of a meeting of the Board or by the written consent of the Board and by a written Stock Option Agreement effective on the Grant Date and executed by the Company and the Participant. Each Stock Option granted hereunder shall contain such terms, restrictions and conditions as the Board may determine, which terms, restrictions and conditions may or may not be the same in each case.

16. USE OF PROCEEDS. The proceeds received by the Company from the sale of Common Stock pursuant to the exercise of Stock Options granted under the Plan shall be added to the Company's general funds and used for general corporate purposes.

19. NO EMPLOYMENT RIGHT. Nothing in the Plan or in any Stock Option Agreement which relates to the Plan shall confer upon any Participant any right to serve as a director or become an employee or consultant of the Company or of any of its subsidiaries, or interfere in any way with the right of the Company or any of its subsidiaries to terminate such Participant as an Eligible Person at any time.
