TURKCELL INFORMED ABOUT THE DEVELOPMENT REGARDING TELSİM LAWSUIT AGAINST TURKCELL

Subject: Statement made pursuant to Circular VIII, No: 39 of the Capital Markets Board.

Istanbul Stock Exchange
ISTANBUL

Special Subjects:

As we have announced on August 29, 2005, Telsim initiated a lawsuit claiming that, Turkcell has not applied the reference interconnection rates determined by Telecommunications Authority, and has charged interconnection fees exceeding the ceiling prices approved by Telecommunications Authority and requested an injunction to be applicable starting from August 1, 2005, to cease this practice and requested collection of its damages totaling to TRY26.1 (equivalent to US\$19.7 million as of September 8, 2005) including principal, interest and penalty on late payment.

In the same announcement we also stated that, interconnection fees we charge to Telsim, are defined in the Interconnection Agreement signed between Telsim and Turkcell which is still effective. The resolution process regarding the disagreement on revision of existing interconnection agreement's pricing terms, initiated by the application of Telsim to Telecommunications Authority has not been finalized and therefore the interconnection fees to be charged between the parties have not been determined yet. And that, Turkcell plans to take necessary legal actions regarding the matter, as the process to come to terms regarding revised pricing terms is still ongoing and that Telsim has initiated such lawsuit for the process still continuing.

Regarding this issue, at this stage Istanbul 10th Commercial Court decided to reject Telsim's request of injunction.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communiqué Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavours to collect the complete and true related information and that we assume the responsibility for this disclosure.
