**Item 1.01 Entry into a Material Definitive Agreement**

**Item 2.01 Completion of Acquisition of Assets**

On February 8, 2006, Balchem Corporation (“Balchem”), through its wholly owned subsidiary Balchem Minerals Corporation (“BMC”), completed its acquisition of all of the outstanding capital stock of Chelated Minerals Corporation (“CMC”), a privately held, Utah corporation for a purchase price of \$17,350,000, subject to adjustment based upon CMC’s actual working capital and other adjustments (the “Acquisition”). The Acquisition was previously announced on November 7, 2005.

CMC is a global leader in nutrient delivery technology for the animal health industry through its proprietary chelation process. These products will complement Balchem's current Animal Nutrition and Health product line.

On February 6, 2006, Balchem and Bank of America, N.A. (the “Bank”) entered into a Loan Agreement (the “Loan Agreement”) providing for a term loan of \$10 million (the “Term Loan”), the proceeds of which were used to fund the Acquisition, in part. The remaining balance of the purchase price of the Acquisition was funded through Balchem’s cash on hand. The Term Loan is payable in equal monthly installments of principal, together with accrued interest, and has a maturity date of March 1, 2009. The Term Loan is subject to a monthly interest rate equal to Libor plus one hundred basis points. The Loan Agreement also provides for a short-term revolving credit facility of \$3 million (the “Revolving Facility”). No amounts have been drawn on the Revolving Facility as of the date hereof.

BMC and BCP Ingredients, Inc. a wholly owed subsidiary of Balchem are each guarantors of Balchem’s obligations under the Loan Agreement. For further information with regard to the Loan Agreement and the agreements and instruments related thereto, reference is made to Exhibits 10.1 through 10.6 hereto.

The description of the agreements and instruments discussed, as well as the Acquisition, above are qualified in their entirety by reference to such agreements and instruments which are attached as exhibits hereto.
