Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 17, 2008, the Compensation Committee of the Board of Directors of First Bancorp (the “Company”) approved awards of stock options and performance units under the Company’s 2007 Equity Plan to, among other employees, the executive officers named below (the “Named Officers”). The total amounts of options and performance units awarded, and listed in the table below, represent the maximum amount of options and performance units that could vest for each Named Officer if the Company achieves specified maximum goals for earnings per share, as adjusted for the impact of FDIC insurance (the “EPS Goals”), during three annual performance periods ending on December 31, 2008, 2009 and 2010. As described in more detail below, the vesting of these awards is subject to both (1) the Company’s achievement of specific EPS Goals during the annual performance period and (2) in general, the executive’s continued employment for a period of two years beyond the annual performance period. The following is a summary of the material terms of these awards.

Executive	Title	Options	Performance Units
Jerry L. Ocheltree	President and Chief Executive Officer	49,805	15,426
Anna G. Hollers	Executive Vice President, Chief Operating Officer, and Secretary	23,323	7,224
Teresa C. Nixon	Executive Vice President and Chief Lending Officer	21,593	6,688
Eric P. Credle	Executive Vice President and Chief Financial Officer	18,809	5,826
John F. Burns	Executive Vice President	12,130	3,757

The options were granted at an exercise price of \$16.53 per share, and for a term of ten years. Each performance unit represents the right to acquire one share of the Company’s common stock upon satisfaction of the vesting conditions.

In general, up to one-third of the total number of options and performance units granted to the Named Officers will vest annually as of December 31 of each year beginning in 2010, if and to the extent that both (1) the Company’s EPS goals for the corresponding performance period have been met and (2) as of the date of vesting (as specified in the table below), the Named Officer would still be entitled under the terms of the Plan, as modified by the terms of the award agreement, to exercise the options or receive the shares of common stock underlying the performance units.

The table below illustrates, for each Named Officer, the applicable performance periods, dates of vesting, and number of options and performance units that would vest as of each date if all vesting conditions are met, based on whether the Company achieves the threshold, target, or maximum EPS Goal for the applicable performance period. To the extent the Company achieves an EPS Goal in excess of threshold but less than target, or in excess of target but less than maximum, the number of additional awards in excess of the level of EPS Goal actually achieved for which the performance vesting condition will be deemed satisfied will be prorated to reflect the extent to which the Company’s performance fell between the EPS Goal achieved and the next higher EPS Goal.

In the event of a Named Officer's termination or a change in control of the Company, the vesting and exercisability of these awards are governed by the terms of the Company's 2007 Equity Plan, except that in the event of death or disability, only those awards with respect to which the EPS Goals have been met prior to the time of the Named Officer's death or disability will become fully vested.

The form of award agreement used to evidence these grant is attached hereto as Exhibit 10.
