Item 7.01 Regulation FD Disclosure.

On May 29, 2015, AK Steel Corporation (“AK Steel”) sold its 50% equity interest in Double Eagle Steel Coating Company (“DESCCO”) to United States Steel Corporation (“US Steel”), the owner of the remaining 50% equity interest in DESCSCO, for \$25.2 million. The DESCSCO equity ownership interest was acquired as part of AK Steel’s acquisition of Severstal Dearborn, LLC on September 16, 2014. AK Steel has not utilized the DESCSCO facility to process any steel products since it acquired the equity interest. AK Steel has agreed to provide certain limited services to US Steel in order to transition the operations of DESCSCO. In conjunction with the sale, AK Steel and US Steel agreed to settle all pending litigation and release all claims between the parties with respect to DESCSCO.

AK Steel’s sale of its equity interest in DESCSCO has no material impact on earnings or revenue and the proceeds are substantially equivalent to the carrying value of the investment on AK Steel’s consolidated balance sheet. As such, the proceeds of the sale increase AK Steel’s liquidity by \$25.2 million and AK Steel will not recognize a material gain or loss from the sale of the equity interest.
