On July 25, 2014, we approved a restructuring plan focused on the implementation of a go-to-market model, realigning the organization and improving our offshore delivery mix ("the 2014 Plan"). The 2014 Plan will commence in the third quarter of 2014 and is expected to be completed in the next twelve months. We estimate the total amount of the restructuring charges for the 2014 Plan will be approximately \$24 million, substantially all of which will be cash. The charges associated with the 2014 Plan are substantially all related to personnel severance and related employee benefit costs.
