Item 6. Contracts, Arrangements, Understandings or Relationships with Respect
To Securities of the Issuer.

The Reporting Persons entered into a Convertible Loan and Security Agreement on December 23, 2010, pursuant to which the Master Fund made a loan to the Issuer (the "Loan"), which the Reporting Persons may (prior to the amendatory agreements described in the following paragraph and subject to the maximum ownership restrictions described below) convert into up to 40,140,492 shares of the \$.001 par value common stock of Vuzix at a conversion price of \$.09965 per share. The Reporting Persons also received a Warrant on December 23, 2010, which permits the Reporting Persons to purchase up to 40,000,000 shares of the \$.001 par value common stock of Vuzix at a conversion price of \$.09965 per share. The maximum number of shares of common stock that the Reporting Persons may acquire, however, is limited to 46,517,695. Notwithstanding anything to the contrary contained herein, no notes/warrants will be convertible into shares of Common Stock to the extent that such conversion will result in LC Capital Offshore Fund Ltd. (the "Offshore Feeder") owning, holding or beneficially owning (directly or indirectly) more than 9.99% of the Common Stock, and at any time, and from time to time, if the Offshore Feeder owns, holds or beneficially owns (directly or indirectly) a percentage less than the 9.99% limit, then such notes/warrant shall then be convertible into shares of Common Stock to the extent that it would not result in the Offshore Feeder owning, holding or beneficially owning (directly or indirectly) more than 9.99% of the Common Stock.

On January 23, 2012, the Master Fund and the Issuer entered into a second supplement to the Convertible Loan and Security Agreement pursuant to which a principal payment in the amount of \$141,666, due on January 23, 2012, was deferred until the maturity of the Loan and added to the principal amount of the Loan. The Master Fund and the Issuer had previously entered into agreements on July 28, 2011 and December 8, 2011, respectively, pursuant to which aggregate interest payments in the amount of \$549,520 were deferred until the maturity of the Loan and added to the principal amount of the Loan, with interest thereon payable in accordance with the terms of the Loan. As a result of these amendments, and subject to the restriction against the Reporting Persons owning, holding or beneficially owning (directly or indirectly) more than 9.99% of the Common Stock of the Issuer at any time, the Loan may be converted into up to 47,076,628 shares of Common Stock of the Issuer at a conversion price of \$0.09965 per share.

On June 29, 2012, the Master Fund and the Issuer entered into an Amended and Restated Convertible Loan and Security Agreement pursuant to which the Master Fund loaned the Issuer \$619,122 (the "Amended and Restated Loan"). The Amended and Restated Loan bears interest at an annual rate of 13.5% per annum, payable monthly. The principal of the Amended and Restated Loan is payable in 12 monthly installments beginning on October 15, 2012. Concurrently with the execution and delivery of the Amended and Restated Loan, the Issuer executed and delivered to the Master Fund its Convertible Promissory Note dated June 15, 2012, in the principal amount of \$619,122 (the "Note"). The Note is payable on the same terms as are set forth in the Amended and Restated Loan. The Amended and Restated Loan converts into up to 40,140,492 shares of the \$.001 par value common stock of Vuzix at a conversion price of \$0.10 per share. As described above in this Section 6, the maximum number of shares of common stock that the Reporting Persons may acquire upon the exercise of the Warrants and conversion of the Amended and Restated Loan is 46,517,695, in the aggregate.

The Reporting Persons may agree to defer one or more interest or principal payments due in accordance with the terms of the Amended and Restated Convertible Loan and Security Agreement in the future, although they have no contractual or other obligation to do so. No amendment or other agreement relating to the Loan or the Amended and Restated Convertible Loan and Security Agreement has resulted or is expected to result in an increase in the maximum number of shares of the Issuer's Common Stock that the Reporting Persons may acquire upon the exercise of any conversion under the Amended and Restated Convertible Loan and Security Agreement.

On March 29, 2013, the Master Fund entered into a conversion/exchange agreement (the "Exchange Agreement") with the Issuer, pursuant to which the Master Fund agreed, subject to the closing of the Issuer's proposed public stock offering, to convert their outstanding convertible note, in the principal amount of \$619,122, together with accrued interest thereon (equal to \$22,907 as of March 29, 2013), into shares of the Issuer's common stock, at a conversion price equal to, in the Master Fund's option, the public offering price of the Issuer's proposed public stock offering, or pursuant to the terms of the convertible note. The Master Fund also agreed, subject to the closing of the Issuer's proposed public stock offering, to exchange outstanding warrants to purchase 533,333 shares of the Issuer's common stock into the greater of (a) 200,000 shares of the Issuer's common stock, or (B) the Black Scholes value of the warrants as of the date of the pricing of the Issuer's proposed public stock offering based upon the per share offering price of the common stock in the Issuer's proposed public stock offering. The Issuer agreed to prepare and file with the SEC, within 45 days of such conversion and exchange, a registration statement for the resale of the shares of common stock issuable upon such conversion and exchange, and to cause such registration statement to be declared effective by the SEC within 90 days of such conversion and exchange. The Master Fund may terminate the Exchange Agreement if the closing of such conversion and exchange does not occur by June 30, 2013 or if the Issuer's board of directors does not approve such conversion and exchange by April 12, 2013, or withdraws such approval.

Except as set forth in this Item 6, the Reporting Persons do not have any contract, arrangement, understanding or relationship with any person with respect to the Shares.
