This Prospectus relates to shares (the “Shares”) of Common Stock, par value \$0.01 per share (the “Common Stock”), of Simpson Manufacturing Co., Inc., a Delaware corporation (the “Company”), which may be offered and sold from time to time by certain stockholders of the Company (the “Selling Stockholders”) who have acquired Shares under the 1994 Stock Option Plan (the “1994 Plan”), the 1995 Independent Director Stock Option Plan (the “1995 Plan”) or the 2011 Incentive Plan (the “2011 Incentive Plan”), or who hereafter acquire Shares pursuant to the Amended and Restated 2011 Incentive Plan (the “2011 A&R Incentive Plan”). The 2011 A&R Incentive Plan amends and restates in its entirety, and supersedes, the 2011 Incentive Plan, which in turn amended and restated in their entirety, and incorporated and superseded, the 1994 Plan and the 1995 Plan. See “Selling Stockholders.” The Company’s Common Stock is traded on the New York Stock Exchange (“NYSE”) under the symbol “SSD.” On December 14, 2015, the last reported sale price of the Common Stock on the NYSE was \$33.80 per share.

Brokerage commissions and similar selling expenses, if any, in the offer or sale of Shares directly by any Selling Stockholder will be borne by the Selling Stockholder.

Each Selling Stockholder and any broker executing sell orders on behalf of a Selling Stockholder may be deemed to be an “underwriter” as defined in the Securities Act of 1933, as amended (the “Securities Act”). If any broker-dealers are used to effect sales, any commissions paid to broker-dealers and, if broker-dealers purchase any of the Shares as principals, any profits received by such broker-dealers on the resale of Shares, may be deemed to be underwriting discounts or commissions under the Securities Act. In addition, any profits realized by the Selling Stockholders may be deemed to be underwriting commissions.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED THESE SECURITIES OR DETERMINED WHETHER THIS PROSPECTUS IS TRUTHFUL OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The information in this Prospectus may be changed. None of the Selling Stockholders may sell Shares until the Registration Statement filed with the Securities and Exchange Commissions is effective. (1) The Company based the information in this table on information that its officers and directors provided to it and on statements on Schedule 13D that stockholders filed with the Securities and Exchange Commission and sent to the Company. As a result, “Shares Beneficially Owned” may not reflect all of the Shares that may be sold pursuant to this Prospectus. Unless otherwise indicated below, the persons named in the table had sole voting and sole investment power with respect to all shares beneficially owned, subject to community property laws where applicable.

(2) Includes shares of the Company’s Common Stock underlying (a) grants under the 1994 Plan, the 2011 Incentive Plan and the 2011 A&R Incentive Plan that vest more than 60 days following the date of this Prospectus and (b) estimated additional grants, which may or may not occur, under the 2011 A&R Incentive Plan for an indeterminate number of shares. The aforementioned shares are not reflected in the column entitled “Shares Beneficially Owned” or in the column entitled “Shares Beneficially Owned After the Resale.”

(3) The number of “Shares Beneficially Owned After the Resale” assumes no change in the beneficial ownership of the Company’s Common Stock by such Selling Stockholder after the date of this Prospectus other than shares underlying options, if any, that may be exercised under the 2011 A&R Incentive Plan by such Selling Stockholder or Shares that may be issued as restricted stock units hereafter awarded to such Selling Stockholder under the 2011 A&R Incentive Plan.

(4) The number of “Shares Beneficially Owned” and “Shares Beneficially Owned After the Resale” includes 4,000 shares subject to options that the Company granted under the 1994 Plan and that are exercisable within 60 days.

(5) The number of “Shares Beneficially Owned” and “Shares Beneficially Owned After the Resale” includes 5,000 shares subject to options that the Company granted under the 1995 Plan and that are exercisable within 60 days.

(6) The number of “Shares Beneficially Owned” and “Shares Beneficially Owned After the Resale” includes 18,000 shares subject to options that the Company granted under the 1994 Plan and that are exercisable within 60 days.

PLAN OF DISTRIBUTION

The purpose of the Prospectus is to permit the Selling Stockholders, if they desire, to offer for sale and sell the Shares they acquired pursuant to the 1994 Plan, the 1995 Plan or the 2011 Incentive Plan or may acquire pursuant to the 2011 A&R Incentive Plan at such times and at such places as the Selling Stockholders choose. The decision to sell any Shares is within the discretion of the holders thereof, subject generally to the Company’s policies affecting the timing and manner of sale of Common Stock by certain individuals and the terms of the 2011 A&R Incentive Plan. There can be no assurance that any Shares will be sold by the Selling Stockholders.

Subject to the terms of the 2011 A&R Incentive Plan, each Selling Stockholder is free to offer and sell Shares at such times, in such manner and at such prices as such Selling Stockholder shall determine. The Selling Stockholders have advised the Company that sales of Shares may be effected from time to time in one or more types of transactions (which may include block transactions) on the NYSE, in the over-the-counter market, in negotiated transactions, or a

combination of such methods of sale, at market prices prevailing at the time of sale, or at negotiated prices. Such transactions may or may not involve brokers or dealers. The Selling Stockholders have advised the Company that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of Shares, nor is there an underwriter or coordinating broker acting in connection with any proposed sale of Shares by the Selling Stockholders.

The Selling Stockholders may effect such transactions by selling Shares directly to purchasers or to or through broker-dealers, which may act as agents or principals. Such broker-dealers may receive compensation in the form of discounts, concessions or commissions from the Selling Stockholders or the purchasers of Shares for whom such broker-dealers may act as agents or to whom they sell as principal, or both (which compensation as to a particular broker-dealer might be in excess of customary commissions).

The Selling Stockholders and any broker-dealers that act in connection with the sale of Shares might be deemed to be “underwriters” within the meaning of section 2(11) of the Securities Act, and any commissions received by such broker-dealers and any profit on the resale of the Shares sold by them while acting as principals might be deemed to be underwriting discounts or commissions under the Securities Act. Any Selling Stockholder may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the Shares against certain liabilities, including liabilities arising under the Securities Act.

Because the Selling Stockholders may be deemed to be “underwriters” within the meaning of section 2(11) of the Securities Act, the Selling Stockholders will be subject to the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the NYSE pursuant to Rule 153 under the Securities Act.

The Company has informed the Selling Stockholders that the anti-manipulative provisions of Regulation M promulgated under the Exchange Act may apply to their sales in the market.

The Selling Stockholders also may resell Shares in open market transactions in reliance on Rule 144 under the Securities Act, if they meet the criteria and conform to the requirements of such Rule.

Item 4. Description of Securities.

Inapplicable.

Item 5. Interests of Named Experts and Counsel.

Inapplicable.

Item 6. Indemnification of Directors and Officers.

The Certificate of Incorporation of the Company provides that a director will not be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the Delaware General Corporation Law (the “GCL”) as the same exists or may hereafter be amended.

GCL section 145(a) provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and

reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interest of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

GCL section 145(b) states that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was

serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

GCL section 145(c) provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in GCL sections 145 (a) and (b), or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

GCL section 145(d) states that any indemnification under GCL sections 145(a) and (b) (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in GCL sections 145 (a) and (b). Such determination shall be made, with respect to a person who is a director or officer of the corporation at the time of such determination, (a) by a majority of the directors who were not parties to such action, suit or proceeding, even though less than a quorum, or (b) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (c) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (d) by the stockholders.

GCL section 145(e) provides that expenses (including attorneys' fees) incurred by an officer or director of the corporation in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in GCL section 145. Such expenses (including attorneys' fees) incurred by former officers and directors or other employees and agents of the corporation or by persons serving at the request of the corporation as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or other enterprise may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

GCL section 145(f) states that the indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of GCL section 145 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

GCL section 145(g) provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under the provisions of GCL section 145.

GCL section 145(j) states that the indemnification and advancement of expenses provided by, or granted pursuant to, GCL section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

In addition, the Bylaws of the Company require that the Company indemnify its officers and directors to the maximum extent permissible under the GCL, including indemnification against any claims, damages or liabilities in connection with any acts or omissions other than those for which a director may not be relieved of liability as described in the preceding paragraph and other than in circumstances in which indemnity is expressly prohibited by GCL section 145.

The Company has entered into agreements to indemnify the directors and officers of the Company and its subsidiaries, in addition to indemnification provided in the Company's Bylaws. These agreements, among other things, require that the Company indemnify the directors and officers for certain expenses, including attorney's fees, judgments, fines and settlement amounts incurred by any such person in any action or proceeding or any threatened action or proceeding, whether civil or

criminal, arising out of such person's actions as a director or officer of the Company of any of its subsidiaries or as a trustee of a profit-sharing trust of the Company or any of its subsidiaries.

Pursuant to GCL section 145, the Company has purchased insurance on behalf of its present and former directors and officers against any liability asserted against or incurred by them in such capacity or arising out of their status as such.

Item 7. Exemptions from Registration Claimed.

Inapplicable.

Item 8. Exhibits.

The exhibits to this Registration Statement are listed in the exhibit index that immediately precedes such exhibits and is incorporated herein by reference.

Item 9. Undertakings

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
