Item 1.01 Entry into a Material Definitive Agreement.

On March 29, 2019, Energy Focus, Inc. (the “Company”), entered into a Note Purchase Agreement with Fusion Park LLC, F&S Electronic Technology (HK) Co., Ltd., Brilliant Start Enterprises Inc., Vittorio Viarengo and Amaury Furmin (the “Investors”), for the purchase of an aggregate of \$1.7 million in subordinated convertible promissory notes (the “Notes”).

The Notes, which were issued to the Investors on March 29, 2019 (the “Financing”), have a maturity date of December 31, 2021 and bear interest at a rate of five percent per annum until June 30, 2019 and at a rate of ten percent thereafter. The Notes and accrued interest will convert into shares of the Company’s Series A Convertible Preferred Stock (the “Series A Preferred Stock”) on April 17, 2019, if permitted without stockholder approval under the equity issuance rules of the Nasdaq Capital Market (the “Nasdaq Cap”) and to the extent sufficient shares of Series A Preferred Stock are authorized under the Company’s certificate of incorporation (the “Charter”), based on a conversion price equal to the greater of (a) the volume-weighted average price of the Company’s common stock measured over the ten trading day period ending on April 16, 2019 or (b) \$0.20 (the “Conversion Rate”). If the Notes cannot fully convert on April 17, 2019 due to the Nasdaq Cap, then no portion of the Notes will convert into Series A Preferred Stock until the Company’s stockholders have approved the transaction in accordance with the Nasdaq rules. If the Series A Preferred Stock can be issued under the Nasdaq Cap, but insufficient shares are available under the Charter, then the Notes will convert in part to the extent of the authorized shares and the remainder will convert upon approval by the Company’s stockholders of an amendment to the Charter to increase the authorized number of shares.

Assuming the Company’s stockholders approve the transaction and the lowest Conversion Rate of \$0.20, the maximum number of shares of Series A Preferred Stock that could be issued upon conversion of the Notes and the maximum number of shares of Common Stock that could be issued pursuant to the conversion of the Series A Preferred Stock would be 8,500,000, plus any shares issued in respect of accrued interest.

The Series A Preferred Stock was created by the filing of a Certificate of Designation by the Company with the Secretary of State of the state of Delaware for 2,000,000 authorized shares. The Series A Preferred Stock (a) has one vote per share (voting together with holders of the Company’s common stock as a single class, except as provided by law), (b) has a preference upon liquidation equal to the Conversion Rate per share and then participates on an as-converted basis with the common stock with respect to any additional distributions, (c) shall receive any dividends declared and payable on the common stock on an as-converted basis, and (d) is convertible at the option of the holder into shares of common stock on a one-for-one basis. The Company also filed a Certificate of Elimination with respect to its authorized, but unissued, Series A Participating Preferred Stock, to return such shares to the status of preferred stock available for designation as the Series A Preferred Stock.

The Note Purchase Agreement contains customary representations and warranties and provides for resale registration rights with respect to the shares of the Company’s common stock issuable upon conversion of the Series A Preferred Stock, as well as for the resignation of four members of the Board of Directors (the “Board”).

Two of the Investors, James Tu (through Fusion Park LLC) and Brilliant Start Enterprise, Inc., which invested \$580,000 and \$500,000, respectively, were among the parties to the Schedule 13D filed with the Securities and Exchange Commission (“SEC”) on November 30, 2018, as amended on February 26, 2019, reporting that the filing group (the “13D Group”) held a collective 17.6% ownership position in the Company. On February 21, 2019, the 13D Group entered into a settlement with the Company providing for the appointment of two directors and their nomination for election at the Company’s 2019 annual meeting of stockholders (the “Settlement Agreement”).

A copy of the Note Purchase Agreement, form of Note, Certificate of Designation and Certificate of Elimination are attached hereto as Exhibits 10.1, 10.2, 3.1 and 3.2, respectively, and are incorporated herein by reference.

Item 2.02. Results of Operations and Financial Condition.

Item 3.02. Unregistered Sales of Equity Securities.
