Item 1

TATA MOTORS LIMITED Bombay House

24, Homi Mody Street,
Mumbai 400 001, Maharashtra, India

Official Media Intimation by Tata Motors Limited

Mumbai, July 5, 2018:"Jaguar Land Rover and Tata Motors have always maintained that the uncertainties from Brexit are avoidable and the business seeks clarity to ensure that industry takes timely and right decisions to manage the transition. Additionally, Jaguar Land Rover needs free and full access to the single market beyond transition to remain competitive which we also firmly believe is in the best long term interests of the United Kingdom.

The recent statement from JLR only reaffirms this position that a Brexit which increases bureaucracy, reduces productivity and competitiveness of the UK Industry is in no-one's interest. As this worst case Brexit scenario is just one of the many possibilities, our plans which were shared at the JLR analyst meet in the UK did not factor them and we continue to stand by what was shared.

In the meanwhile, JLR will continue to work with the government to secure the right free trade deal for the country, economy and industry."

About Tata Motors

Tata Motors Limited, a USD 42 billion organisation, is a leading global automobile manufacturer of cars, utility vehicles, buses, trucks and defence vehicles. As India's largest automobile company and part of the USD 100 billion Tata group, Tata Motors has operations in the UK, South Korea, Thailand, South Africa, and Indonesia through a strong global network of 76 subsidiary and associate companies, including Jaguar Land Rover in the UK and Tata Daewoo in South Korea. In India, Tata Motors has an industrial joint venture with Fiat. Engaged in engineering and automotive solutions, with a focus on future-readiness and a pipeline of tech-enabled products, Tata Motors is India's market leader in commercial vehicles and among the top in passenger vehicles with 9 million vehicles on Indian roads. The company's innovation efforts are focused on developing auto technologies that are sustainable as well as suited. With design and R&D centres located in India, the UK, Italy and Korea, Tata Motors strives to pioneer new products that fire the imagination of GenNext customers. Abroad, Tata cars, buses, and trucks are being marketed in

Europe, Africa, the Middle East, South Asia, South East Asia, South America, Australia, CIS, and Russia.
