Section 2-Financial Information

ITEM 2.01. Completion of Acquisition or Disposition of Assets

On September 12, 2006 Voyager completed the acquisition of Western Architectural Services, LLC. Upon further evaluation of the Western Merger transaction, it has been determined that the most effective utilization of Western's business

Edgar Filing: VOYAGER ENTERTAINMENT INTERNATIONAL INC - Form 8-K

relationship with Voyager would be through a process of being a member of a company created by both Voyager and Western in order to engage in construction projects. In addition to Voyager and Western entering the new company, management of Voyager has identified an additional member to enter the new company, as a licensed general contractor. This will allow Voyager to be directly involved in all phases of the V2 wheel Construction.

Due to this evaluation and review by management of both Voyager and Western it was determined that the acquisition of Western was not in the best interest of both entities. As a result, the acquisition will be cancelled effective immediately, in order for the new structure to move forward. Mr. Tracy Jones was initially issued 5,000,000 shares of common stock of Voyager for the acquisition. As a result of the cancellation of the acquisition Mr. Jones will be required to return 2,500,000 shares to the company to be cancelled and returned to the treasury.
