Cautionary Statement

The Private Securities Litigation Reform Act of 1995 (the "Act") provides a "safe harbor" for forward-looking statements. Certain statements contained in this press release such as statements concerning the goal of the MOU being to develop a plan whereby digesters to be installed by Environmental Power and owned by VPPSA will extract methane from dairy wastes and utilize it to generate

## Edgar Filing: ENVIRONMENTAL POWER CORP - Form 8-K

renewable, "green" electricity, benefits to the MOU parties and to the region, improving economics of dairy farms, signing of a formal sales agreement and commencement of facility installations, hopes to invite farms to participate and target market estimates and other statements contained herein regarding matters that are not historical facts are forward looking statements as such term is defined in the Act. Because such statements involve risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to the non-binding nature of the MOU, the inability to predict the course or outcome of any negotiations with parties involved with POWR's or Microgy's projects, uncertainties involving development stage companies, financing requirements and uncertainties, difficulties involved in developing and executing on a business plan, technological uncertainties, risks relating to managing and integrating acquired businesses, volatile and unpredictable developments (including plant outages and repair requirements), the difficulty of estimating construction, development, repair and maintenance costs and timeframes, the uncertainties involved in estimating insurance and implied warranty recoveries, if any, uncertainties relating to general economic and industry conditions, the amount and rate of growth in expenses, uncertainties relating to government and regulatory policies, the legal environment, intellectual property issues, the competitive environment in which POWR and Microgy operate and other factors, including those described in the Company's filings with the Securities and Exchange Commission, including the section "Management's Discussion and Analysis of Financial Condition and Results of Operations -- Certain Factors That May Impact Future Results" of POWR's Quarterly Report on Form 10-Q for the period ended June 30, 2002. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates. POWR undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
