ITEM 1. SECURITY AND ISSUER.

This Schedule 13D relates to Common Stock, no par value, of the issuer, Hawaiian Natural Water Company, Inc., a Delaware corporation ("Hawaiian Natural"), which is a successor to Hawaiian Natural Water Company, Inc., a Hawaii corporation ("HNWC"). The address of Hawaiian Natural's executive office is 98-746 Kuahao Place, Pearl City, Hawaii 96814. On December 17, 2001, HNWC was merged (the "Merger") with and into AMCON Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of AMCON Distributing Company ("AMCON"). Following that merger, AMCON Merger Sub, Inc. changed its corporate name to Hawaiian Natural Water Company, Inc.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

The Common Stock of HNWC was converted into AMCON common stock as described in Item 5 except for cash paid in lieu of fractional shares which came from AMCON's working capital.

ITEM 4. PURPOSE OF TRANSACTION.

As a result of the Merger, AMCON became the owner of all of HNWC's

Edgar Filing: HAWAIIAN NATURAL WATER CO INC - Form SC 13D/A

outstanding shares and HNWC thus became eligible for termination of registration pursuant to Rule 12(g)(4) of the Securities Exchange Act of 1934. Hawaiian Natural's Board of Directors consists of William Wright, Jack Stern and Marcus Bender. Hawaiian Natural's officers are William Wright, Chairman of the Board of Directors, Jack Stern, President and Chief Executive Officer, Marcus Bender, Vice Chairman of the Board of Directors, Michael James, Secretary, and William Irwin, Treasurer. The certificate of incorporation and bylaws of Hawaiian Natural have replaced the articles of incorporation and bylaws of HNWC.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) Under the Merger Agreement, HNWC and AMCON had established the total value of HNWC common stock as \$2,865,348. The exchange ratio, which specified the fractional share of AMCON issued for each share of Hawaiian Natural in the merger, was determined by dividing this agreed upon value by the average AMCON stock price described below and then dividing that resulting quotient by the number of shares of HNWC common stock outstanding immediately prior to the time the Merger was completed. For purposes of this calculation, the average closing price of AMCON common stock was measured during a 20 trading day period ending three days prior to December 17, 2001, the date of the Hawaiian Natural shareholder vote on the merger. However, the common stock of AMCON was required by the Merger Agreement to be priced at a per share amount no lower than \$6.00 and no higher than \$8.00 per share for this purpose. As a result of AMCON's stock price during this measurement period, the exchange ratio was 0.052 of a share of AMCON common stock for each share of HNWC common stock. A total of 477,558 shares of AMCON common stock were therefore issued in the merger, of which AMCON received back 104,000 shares with respect to its ownership of 2,000,000 shares of common stock of HNWC.

(b) AMCON possesses the sole power to vote and to dispose of 100 shares of Hawaiian Natural's common stock, which represents 100% of Hawaiian Natural's outstanding shares.

(c) The Fifth Amended and Restated Agreement and Plan of Merger was executed on September 27, 2001. AMCON has not engaged in any transactions in Hawaiian Natural's common stock during the last 60 days except for the Merger and the conversion prior to the Merger of a \$500,000 Convertible Note issued by HNWC to AMCON.

(d) and (e) Not applicable.

SIGNATURE

After reasonable inquiry and to the best of my knowledge and belief on behalf of AMCON, as Secretary, Treasurer and Chief Financial Officer of AMCON, I certify that the information set forth in this statement is true, complete and correct.

Dated: January 11, 2002.
