PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
MARCH 29, 2001

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and form of proxy are being furnished to the holders of Common Stock of The Bear Stearns Companies Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") for use at the 2001 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held in the Bear Stearns Auditorium, 245 Park Avenue, 5th Floor, New York, New York, on Thursday, March 29, 2001, at 5:00 p.m., New York City time, and at any adjournments or postponements thereof. These proxy materials are being mailed on or about March 2, 2001, to holders of record on February 16, 2001, of the Company's Common Stock, par value \$1.00 per share ("Common Stock").

A proxy may be revoked by a stockholder prior to its exercise in any of three ways: by written notice to the Secretary of the Company; by submission of another proxy bearing a later date; or by voting in person at the Annual Meeting. Revocation by notice to the Secretary of the Company, or by submission of a later proxy, will not affect a vote on any matter which is taken by the Company prior to the receipt of the notice or later proxy. The mere presence at the Annual Meeting of the stockholder appointing the proxy will not revoke the appointment. If not revoked, the proxy will be voted at the Annual Meeting in accordance with the instructions indicated on the proxy by the stockholder. If no instructions are indicated, the proxy will be voted FOR the slate of directors described herein; FOR the approval of an amendment to the Company's Restated Certificate of Incorporation, to increase the number of shares of authorized Common Stock from 200,000,000 shares to 500,000,000 shares as described herein; FOR the approval of The Bear Stearns Companies Inc. Non-Employee Directors' Stock Option Plan as described herein; FOR the approval of an amendment to The Bear Stearns Companies Inc. Stock Award Plan to increase the number of shares subject to awards granted under the Stock Award Plan as described herein and, as to any other matter of business that may be brought before the Annual Meeting, in accordance with the judgment of the person or persons voting on the matter.

The Company has adopted a policy of encouraging stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. The Company has designated an independent third party, Mellon Investor Services LLC, the Company's transfer agent, to receive and to tabulate stockholder proxy votes. The manner in which any stockholder votes on any particular issue will be kept confidential and will not be disclosed to the Company or any of its officers or employees except (i) where disclosure is required by applicable law, (ii) where disclosure of a vote of a stockholder is expressly requested by such stockholder, or (iii) where the Company concludes in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

However, aggregate vote totals may be disclosed to the Company from time to time and publicly announced at the Annual Meeting. The policy of ensuring confidentiality of stockholder votes will also apply to shares of Common Stock held in customer accounts at the Company's subsidiary, Bear, Stearns Securities Corp. Holders of Common Stock whose shares are held in such accounts will be requested to give instructions with respect to the manner in which their shares are to be voted to Automatic Data Processing, Inc., which has been directed not to disclose such instructions to the Company.

This mail solicitation is being made by the Company. All expenses of the Company in connection with this solicitation will be borne by the Company. Directors, officers and other employees of the Company also may solicit proxies, without additional compensation, by telephone, in person or otherwise. The Company also will request that brokerage firms, nominees, custodians, and fiduciaries forward proxy materials to the beneficial owners of shares held of record by such persons and will reimburse such persons and the Company's transfer agent for reasonable out-of-pocket expenses incurred by them in forwarding such materials.

THE COMPANY

The Company was incorporated under the laws of the State of Delaware on August 21, 1985. The Company succeeded to the business of Bear, Stearns & Co., a New York limited partnership (the "Partnership"), on October 29, 1985. As used in this Proxy Statement, all references to "Bear Stearns", "BSB", "BSSC" and "BSIL" are to Bear, Stearns & Co. Inc., Bear

Stearns Bank plc, Bear, Stearns Securities Corp., and Bear, Stearns International Limited, respectively, the principal subsidiaries of the Company.

On January 18, 2000, the Company's Board of Directors elected to change its fiscal year-end to November 30 from June 30, effective with the year beginning November 27, 1999, as announced in its Form 8-K filed on January 21, 2000. The five-month period ended November 26, 1999 is the Company's "Transition Period". References to fiscal years prior to fiscal 2000 in this proxy statement refer to the fiscal years ended June 30 while references to fiscal 2000 refers to the fiscal year ended November 30, 2000.

VOTING SECURITIES

Holders of record of Common Stock at the close of business on February 16, 2001, are entitled to notice of, and to vote at, the Annual Meeting and at any adjournments or postponements thereof. Each outstanding share of Common Stock entitles the holder thereof to one vote. Shares of Common Stock represented by CAP Units (as hereinafter defined) credited pursuant to the Capital Accumulation Plan are not outstanding and are not entitled to vote at the Annual Meeting.

On February 16, 2001, 106,915,091 shares of Common Stock were outstanding. The presence in person or by proxy at the Annual Meeting of the holders of a majority of such shares shall constitute a quorum.

Assuming the presence of a quorum at the Annual Meeting, the affirmative vote of a plurality of the votes cast by holders of shares of Common Stock is required for the election of directors. The affirmative vote of a majority of the outstanding shares of Common Stock is required for the approval of an amendment to the Company's Restated Certificate of Incorporation. The affirmative vote of a majority of the shares of Common Stock represented at the meeting and entitled to vote is required for (i) the approval of the approval of

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

The Bear Stearns Companies Inc. Non-Employee Directors' Stock Option Plan and (ii) the approval of an amendment to The Bear Stearns Companies Inc. Stock Award Plan. An abstention with respect to any proposal will be counted as present for purposes of determining the existence of a quorum, but will have the practical effect of a negative vote as to that proposal. Brokers (other than Bear Stearns and BSSC) who do not receive a stockholder's instructions are entitled to vote on the election of directors. The New York Stock Exchange (the "NYSE") determines whether brokers who do not receive instructions will be entitled to vote on the other proposals contained in this Proxy Statement. Under the rules of the NYSE, if Bear Stearns and BSSC do not receive a stockholder's instructions, and other brokers are entitled to vote on a proposal, Bear Stearns and BSSC are also entitled to vote such shares of Common Stock, but only in the same proportion as the shares represented by votes cast by all other record holders with respect to such proposal. In the event of a broker non-vote with respect to any proposal coming before the meeting caused by the beneficial owner's failure to authorize a vote on such proposal, the proxy will be counted as present for the purpose of determining the existence of a quorum, but will not be deemed present and entitled to vote on that proposal for the purpose of determining the total number of shares of which a majority is required for adoption, having the practical effect of reducing the number of affirmative votes required to achieve a majority vote for such matter by reducing the total number of shares from which a majority is calculated.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

BOARD AND COMMITTEE MEETINGS

The Board of Directors held four meetings (exclusive of committee meetings) during the preceding fiscal year. In addition, the Board of Directors has established three committees whose functions and current members are noted below. The Audit Committee and Compensation Committee (collectively, the "Board Committees") are committees of the Board of Directors and consist solely of members of the Board of Directors. The Executive Committee includes individuals who are not members of the Board of Directors, but may function in a manner comparable to that of the Board Committees under certain circumstances as described below. Each current director, except Mr. Schwartz, attended 75% or more of the aggregate number of meetings of the Board of Directors and Board Committees (including for this purpose, the Executive Committee) on which he served that were held during such period.

EXECUTIVE COMMITTEE. During the last fiscal year, the Executive Committee of the Company (the "Executive Committee") consisted of Messrs. Cayne, Greenberg (Chairman), Lehman, Minikes and Molinaro. It met once each week and more frequently, as required, having held 62 meetings during the preceding fiscal year. The Executive Committee has the authority between meetings of the Board of Directors to take action with respect to a variety of matters delegated by the Board of Directors that are considered to be in the ordinary course of the Company's business and, to take all actions with respect to the management of the Company's business that require action of the Board of Directors, so long as the action is also approved by a majority of the members who are also directors of the Company, except with respect to certain matters that by law and the provisions of the Certificate of Incorporation must be approved by the Board of Directors.

AUDIT COMMITTEE. The Audit Committee of the Board of Directors (the "Audit Committee") consists of Messrs. Glickman, Mack, Salerno and Tese (Chairman). Each of the foregoing is a director who is not employed by the Company or affiliated with management. This Committee is responsible for reviewing and helping to ensure the integrity of the Company's financial statements. Among other matters, the Audit Committee with management and independent and internal auditors reviews the adequacy of the Company's internal accounting controls that could significantly affect the Company's financial statements, reviews with the Company's independent accountants the scope of their audit, their report and their recommendations, and recommends the selection of the Company's independent

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

accountants. The Audit Committee held six meetings during the preceding fiscal year.

COMPENSATION COMMITTEE. The Compensation Committee of the Board of Directors (the "Compensation Committee") consists of Messrs. Glickman (Chairman), Harrington, Nickell and Tese. Each of the foregoing is a director who is not employed by the Company or affiliated with management. The Compensation Committee establishes the compensation policies used in determining the compensation of all executive officers and other Senior Managing Directors, including members of the Board of Directors who are employees of the Company ("employee directors"). The Compensation Committee administers the Performance Compensation Plan pursuant to which the salary and bonus compensation of certain Senior Managing Directors (including certain executive officers) of the Company is determined. The Compensation Committee also approves the salary and bonus compensation of other executive officers and other Senior Managing Directors based upon recommendations made by the Executive Committee and the Bear Stearns and Co. Inc. Management and Compensation Committee (the "Management and Compensation Committee") applying criteria established by the Compensation Committee. The Compensation Committee also administers certain aspects of the Capital Accumulation Plan, the Stock Award Plan and the Restricted Stock Plan. The Compensation Committee held eleven meetings during the preceding fiscal year.

The Executive Committee has recommended to the Board of Directors that they establish an independent nominating committee to consider and make recommendations to the Board of Directors with respect to the size and composition of the Board of Directors and the identification of potential candidates to serve as directors. The Executive Committee believes that the establishment of a nominating committee will assist in ensuring that qualified candidates are presented to the Board of Directors for election as directors and members of committees of the Board of Directors, thereby benefiting the Company and its stockholders.

AUDIT COMMITTEE REPORT

The members of the Audit Committee (the "Committee") have been appointed by the Board of Directors (the "Board"). The Committee is governed by a charter (attached as Exhibit A) which has been approved and adopted by the Board and is reviewed and reassessed annually by the Committee. The Committee is comprised of four directors who meet the independence and experience requirements of the New York Stock Exchange.

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The Committee assists the Board in monitoring (1) the integrity of the financial statements of the Company, (2) the compliance by the Company with legal and regulatory requirements and (3) the independence and performance of the Company's internal and external auditors.

Management is responsible for the preparation and integrity of the Company's financial statements. The Committee reviewed the Company's audited financial statements for the year ended November 30, 2000 and met with both management and the Company's external auditors to discuss those financial statements. Management and the external auditors have represented to the

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Committee has received from and discussed with the external auditors their written disclosure and letter regarding their independence from the Company as required by Independence Standards Board Standard No. 1. The Committee also discussed with the external auditors any matters required to be discussed by Statement on Auditing Standards No. 61.

COMPENSATION POLICIES

The Compensation Committee establishes the compensation policies applicable to all executive officers. From the time of the Company's initial public offering after succession on October 29, 1985, to the business of the Partnership, compensation of the Company has been strongly influenced by the principle that the compensation of senior executives should be structured to directly link the executives' financial reward to Company performance. Thus, senior executives would both share in the success of the Company as a whole and be adversely affected by poor Company performance, thereby aligning their interests with the interests of the Company's stockholders.

During fiscal 2000, the Compensation Committee made several changes to the Company's compensation structure. These changes included amending the Capital Accumulation Plan to make participation by Senior Managing Directors mandatory and to also make the benefits thereunder subject to vesting beginning in fiscal 2000. Senior Managing Directors will also receive stock options under the Stock Award Plan. In addition, the Compensation Committee also established the Restricted Stock Unit Plan which allowed the Company to compensate certain key employees other than Senior Managing Directors in a combination of cash, restricted stock units and stock options, in conjunction with the Stock Award Plan. The restricted stock units and stock options were also subject to vesting over periods up to four years. The Compensation Committee believes that these changes were necessary to the long-term interests of both the employees and the stockholders as they would further strengthen the alignment of such interests by expanding the number of employees receiving stock-based compensation.

PERFORMANCE COMPENSATION PLAN

The salary and bonus compensation of executive officers is determined principally by the operation of the Performance Compensation Plan (the "Performance Compensation Plan"), which is designed to implement the foregoing philosophy. Under the Performance Compensation Plan, the executive officers receive a base salary of \$200,000 per annum and a share of a performance-based bonus pool. The Compensation Committee determines the formula for calculating one or more bonus pools within 90 days after the beginning of each fiscal year based upon one or more of the following criteria, individually or in combination, adjusted in such manner as the Compensation Committee shall determine: (a) pre-tax or after-tax return on equity; (b) earnings per share; (c) pre-tax or after-tax net income; (d) business unit or departmental pre-tax or after-tax income; (e) book value per share; (f) market price per share; (g) relative performance versus peer group companies; (h) expense management; and (i) total return to stockholders.

The share of one or more of the bonus pools to be allocated to each executive officer in any fiscal year is determined by the Compensation Committee, in its sole discretion. However, under no circumstance may the aggregate amount of the bonuses paid under the Performance Compensation Plan exceed 100% of the bonus pools computed under the formula designated by the Compensation Committee.

For fiscal 2000, the Compensation Committee created two separate performance-based pools. One pool consisted of five participants, which included the Company's Chief Executive Officer, Chairman of the Board and General Counsel (the "Executive Committee Pool"), while the other pool consisted of five members, including two members of the Executive Committee. The Compensation Committee established a formula for calculating the Executive Committee Pool based on the Company's adjusted after-tax return on common equity. The maximum amount allocable to the Executive Committee Pool was \$150,000,000, of which the maximum percentage of any individual participant was 30% of such pool. During fiscal 2000, the Executive Committee Pool totaled \$81,379,000 which was delivered to the participants in a combination of cash, CAP Units (as defined below under "Equity Ownership and Capital Accumulation Plan") and stock options (see "Stock Award Plan"). The allocation of these amounts to the participants was 56.0% in cash, 37.3% in CAP Units and 6.7% in stock options. Beginning in fiscal 2001, the Compensation Committee intends to change the mix of compensation payable to participants in the Executive Committee Pool such that a greater percentage (up to 25%) will be delivered in the form of stock options. The Compensation Committee believes that requiring the participants in the Executive Committee Pool to receive a higher percentage of their compensation in stock options will benefit the Company's stockholders as the participants would ultimately be compensated based on the performance of the Company's Common Stock.

The Compensation Committee also established the formulas for calculating the other bonus pool for fiscal 2000 and the share for each participant based upon a combination of factors including departmental pre-tax profits and adjusted pre-tax return on equity of the Company. The maximum bonus that may be allocated to a participant in this pool in any fiscal year is \$15,000,000. The total bonus pool resulting from the application of these formulas for fiscal 2000 was \$63,370,544, of which the Compensation Committee, based on the recommendation of the Management and Compensation Committee,

-8-

and with the concurrence of the Executive Committee, determined that

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

compensation aggregating \$33,643,071 would be paid to executive officers participating in this bonus pool. This amount was delivered to participants in this pool \$14,403,632 in cash, 147,700 in stock options, \$10,495,727 in CAP Units and \$6,649,481 in restricted stock units. The restricted stock units will cliff vest over a 55-month period.

EQUITY OWNERSHIP AND CAPITAL ACCUMULATION PLAN

A focus on performance and growth and the direct alignment of employee and stockholder interests flows from the substantial ownership of Common Stock and CAP Units by senior executives of the Company. The five current members of the Executive Committee beneficially own 6.91% of the outstanding Common Stock, CAP Units and Restricted Stock Units combined, while all directors and executive officers as a group beneficially own 11.98% of the outstanding Common Stock, CAP Units and Restricted Stock Units combined as of January 22, 2001.

All executive officers are required to participate in the Capital Accumulation Plan. The executive officers receive a portion of their annual compensation in the form of stock units ("CAP Units") which will vest over three years. After a five-year period, each officer will be entitled to receive from the Company a number of freely transferable shares of Common Stock equal to the number of CAP Units then credited to such officer's Capital Accumulation Account plus cash in the amount, if any, of such officer's cash balance account at the end of such period.

For fiscal 2000 executive officers received compensation of approximately \$17,213,114 in the form of CAP Units. Furthermore, for fiscal 2000, 39.60% of the compensation (including amounts deferred pursuant to the Capital Accumulation Plan) of the current members of the Executive Committee was received in the Capital Accumulation Plan while 41.78% of such compensation was received by all executive officers and employee directors.

Pursuant to the terms of the Capital Accumulation Plan, participants only receive CAP Units to the extent shares were purchased from existing stockholders. Accordingly, executive stock ownership is increased without substantial dilution to earnings per common share or book value per common share. Such shares were purchased in the open market or from participants who received shares of Common Stock pursuant to the Capital Accumulation Plan.

STOCK AWARD PLAN

The Stock Award Plan provides the Company with greater flexibility in the composition of incentive awards. The determination of recipients of stock options, the terms and conditions of such options within the parameters of the Stock Award Plan and the number of shares covered by each option is determined and administered by the Compensation Committee.

During fiscal 2000, 244,575 ten-year options were granted to executive officers. These options were granted with exercise prices equal to the fair market value of the Common Stock on the date of grant and become exercisable after three years.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The total compensation of Mr. Cayne, the Company's Chief Executive Officer, along with other members of the Executive Committee, is determined in all respects by the Performance Compensation Plan. Pursuant to the terms of the Performance Compensation Plan, for fiscal 2000 Mr. Cayne received a base salary of \$200,000 and shared in a bonus fund based on the Company's fiscal 2000 after-tax return on equity. Mr. Cayne's proportionate share of the fiscal 2000 bonus fund (as well as that of the other members of the Executive Committee) was determined by the Compensation Committee in February 2000, based on the

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

recommendation of the Executive Committee as to how the bonus fund should be allocated among the members of the Executive Committee. The Executive Committee's recommendations were based on the same criteria established by the Compensation Committee for determining the total compensation of Senior Managing Directors who were not members of the Executive Committee for fiscal 2000.

Mr. Cayne received \$11,865,172 in salary and cash bonus, \$9,577,402 in restricted stock awards in the form of CAP Units and 108,856 in stock options. These amounts were based on the Company's financial performance and allocation of the bonus fund. Due to the substantial portion of Mr. Cayne's compensation being delivered in the form of stock units and stock options the ultimate realization of benefits from his current bonus will depend on the future performance of the Company and its Common Stock.

Section 162(m) of the Internal Revenue Code limits deductibility for federal income tax purposes of compensation in excess of \$1,000,000 annually paid to individual executive officers named in the Summary Compensation Table unless certain exceptions, including compensation based on performance goals, are satisfied. The Performance Compensation Plan and the Stock Award Plan have been established and maintained in an effort to comply with the performance-based excep-

-9-

tion to limits on deductibility of executive officer compensation. However, while the Compensation Committee currently seeks to maximize the deductibility of compensation paid to executive officers, it will maintain the flexibility to take actions which may be based upon other considerations.

The Compensation Committee believes that the Performance Compensation Plan, the Stock Award Plan and the Capital Accumulation Plan provide appropriate incentives to senior management of the Company and are fair and reasonable methods for determining the compensation of executive officers, including the Chief Executive Officer, and also serve to align the interests of executives and stockholders.

- (1) Represents awards made in December 2000 for performance in fiscal year 2000.
- (2) All stock options become exercisable three years after grant date.
- (3) Valued using a modified Black-Scholes option pricing model. The exercise price of each stock option (\$49.625) is equal to the closing price on the Consolidated Transaction Reporting System of a share of Common Stock on December 8, 2000, the date of the grant. The assumptions used for the variables in the model were: 37% volatility (a projection of the volatility of the Common Stock over the 120 month term of the options); a 6.40% risk-free rate of return (based on the USD Interest Rate Swap Curve, expressed as a zero-coupon rate over the 120 month term); a 1.45% dividend yield (which was an estimated projected dividend yield on the date of grant); and a ten year option term (which is the maximum term of the options). The actual gain that executives will realize on their stock options will depend on the future price of the Common Stock and can not be accurately forecast by application of an option pricing model.

COMPENSATION OF DIRECTORS

Each director who is not an employee of the Company receives an annual retainer of \$35,000, plus \$800 for each meeting of the Board of Directors attended, and reasonable expenses relating to attendance at such meetings. Directors who are members of the Audit Committee and directors who are members of the Compensation Committee receive additional compensation at the rate of \$1,500 for each meeting of the Audit Committee or Compensation Committee attended, with the exception of telephone conference committee meetings (where a quorum consists of directors attending via telephone conference call) as to which the compensation paid for participation is \$200.

On March 15, 2000, the Board of Directors adopted the Non-Employee Directors' Stock Option Plan (the "Directors' Plan"), subject to approval by the stockholders at the Annual Meeting. On this date, each of the seven directors of the Company who was not an officer or employee of the Company or any of its subsidiaries (the "Non-Employee Directors") was granted

-13-

an option to purchase 3,000 shares of Common Stock, which will not become exercisable until the Directors' Plan is approved by stockholders at the Annual Meeting. If the Directors' Plan is approved by stockholders, the Non-Employee Directors will receive a further option to purchase shares of Common Stock immediately following the Annual Meeting, in an amount determined pursuant to the Directors' Plan. If stockholder approval of the Directors' Plan is not obtained, all options granted to Non-Employee Directors will become null and void.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

CERTAIN TRANSACTIONS

The Company, in the ordinary course of business, has extended credit to certain of its directors, officers and employees in connection with their purchase of securities. Such extensions of credit have been made on substantially the same terms (including as to interest rates and collateral requirements) as those prevailing at the time for comparable transactions with non-affiliated persons, except that for some credit products, the interest rates charged were equivalent to the lowest of the interest rates charged to other persons or were the same as those charged to Company employees and did not involve more than the normal risk of collectability or have unusual terms or conditions which are disadvantageous to the Company. To the extent officers and employees of the Company and members of their immediate families wish to purchase securities in brokerage transactions, they ordinarily are required to do so through Bear Stearns, which offers them a discount from its standard commission rates that could be substantial depending on various factors, including the size of the transaction. Bear Stearns periodically in the ordinary course of its business, enters into transactions, as principal, involving the purchase or sale of securities and commercial paper (including different forms of repurchase transactions) with directors, officers, employees of the Company and members of their immediate families. Such purchases and sales of securities or commercial paper on a principal basis are effected on substantially the same terms as similar transactions with unaffiliated third parties.

The Company, from time to time, has made loans to its officers and other employees against commissions and other compensation which would otherwise be payable to them in the ordinary course of business. Interest is generally charged by the Company on such loans at the same rate of interest charged by BSSC on loans to purchase securities. The Company currently requires that any such loan in excess of \$7,500 made to officers and other employees against commissions or other compensation be approved by the Management and Compensation Committee. During the fiscal year ended November 30, 2000, the maximum aggregate amount of month-end loans outstanding against commissions and other compensation was approximately \$20,750,326.

The Company has formed several limited partnerships, The BSC Employee Fund, L.P., The BSC Employee Fund II, The BSC Employee Fund III and The BSC Employee Fund IV, which provide investment opportunities for the Company's key employees.

The BSC Employee Fund, L.P (the "Fund") provides an investment opportunity for the Company's Senior Managing Directors and Managing Directors that are accredited investors. The Fund has committed to invest \$62,000,000 in a diversified group of closed-end acquisition and leveraged buyout funds that are managed by highly regarded private equity firms. As of November 30, 2000, 336 participants in the Fund have purchased a total of 1,201 limited partnership interests. Each limited partnership interest represents a commitment by the participant to invest \$50,000, of which \$25,000 is funded by the participant and \$25,000 is in the form of a nonrecourse, interest-bearing loan from the Company to the Fund participant. The loans bear interest at the London Interbank Offered Rate ("LIBOR") plus 1.0%. Capital calls since June 12, 1997 have totaled 88.92% of each participant's equity commitment. The total amount loaned to the participants in the Fund at November 30, 2000 was \$15,639,542. At such date, loans in excess of \$60,000 were outstanding to the following directors or executive officers in the aggregate dollar amount set forth after each of their respective names: James E. Cayne (\$260,442), Alan D. Schwartz (\$260,442), and Warren J. Spector (\$1,041,768). The aggregate amount of the loans outstanding to all directors and executive officers as a group on such date was \$1,640,785.

The BSC Employee Fund II, L.P. ("Fund II"), provides an investment opportunity for certain key employees of the Company that are accredited

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

investors. Fund II has committed to invest \$60,850,000 in a diversified group of private equity funds, sponsored and managed by well-regarded private equity firms. As of November 30, 2000, 206 participants in Fund II have purchased a total of 602 limited partnership interests. Each limited partnership interest represents a commitment by the participant to invest \$100,000, of which \$50,000 is funded by the participant and \$50,000 is in the form of a nonrecourse, interest-bearing loan from the Company to the participant. The loans bear interest at LIBOR plus 1.0%. Capital calls since September 28, 2000 have totaled 15% of each participant's equity commitment. The total amount loaned to the participants in Fund II at November 30, 2000 was \$4,515,000. At such date, there were no loans in excess of \$60,000 outstanding to any directors or executive officers.

-14-

The BSC Employee Fund III, L.P. ("Fund III"), provides an investment opportunity for certain key employees of the Company. Fund III has committed to invest \$60,017,271 alongside Bear Stearns Merchant Banking Partners II, L.P. (the "Merchant Banking Fund"), which will invest by making private equity and equity-related investments in leveraged buyouts, recapitalizations and growth capital opportunities and may make investments in preferred stock and debt having equity components. Fund III is the first in a series of three employee funds (the "MB Employee Funds") that will invest as side-by-side funds, alongside the Merchant Banking Fund. As of November 30, 2000, 164 participants in Fund III have purchased a total of 281 limited partnership interests. Each limited partnership interest represents a commitment by the participant to invest \$80,000, of which \$20,000 is funded by the participant and \$60,000 is in the form of an advance from the Company to the participant. The advances bear interest at LIBOR plus 1.75%. Capital calls since October 20, 2000 have totaled 30% of each participant's equity commitment. The total amount loaned to the participants in Fund III at November 30, 2000 was \$5,148,000. At such date, there were no loans in excess of \$60,000 outstanding to any directors or executive officers.

The BSC Employee Fund IV, L.P. ("Fund IV"), provides an investment opportunity for Senior Managing Directors of the Company that are accredited investors. Fund IV has committed to invest \$106,649,395 alongside the Merchant Banking Fund. The Merchant Banking Fund will invest in private equity and equity-related investments in leveraged buyouts, recapitalizations and growth capital opportunities and may make investments in preferred stock and debt having equity components. In addition, Fund IV has committed to invest \$37,500,000 alongside Constellation Venture Partners II, L.P. (the "Constellation Fund"), which will invest in equity and equity related securities in early and mid-stage media, communications and technology based companies. Fund IV is the first in a series of three employee funds (the "Combined Employee Funds") that will co-invest alongside the Merchant Banking Fund and a Bear Stearns-sponsored venture capital fund (in the case of Fund IV, the Constellation Fund). As of November 30, 2000, 194 participants in Fund IV have purchased a total of 499 limited partnership interests. Each limited partnership interest represents a commitment by the participant to invest \$80,000 in the Merchant Banking Fund (of which \$20,000 is funded by the participant and \$60,000 is in the form of an advance from the Company to the participant) and \$30,000 to the Constellation Fund (of which \$15,000 is funded by the participant and \$15,000 is in the form of an advance from the Company to the participant). The advances bear interest at LIBOR plus 1.75%. Capital calls since October 20, 2000 have totaled 30% of each participant's equity commitment. The total amount loaned to the participants in Fund IV at November 30, 2000 was \$11,227,500. At such date, loans in excess of \$60,000 were outstanding to the following directors or executive officers in the aggregate dollar amount set forth after each of their respective names: James E. Cayne (\$112,500), Alan D. Schwartz

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

(\$112,500), Warren J. Spector (\$112,500), Mark E. Lehman (\$112,500), Samuel L. Molinaro Jr. (\$90,000) and Michael Minikes (\$90,000). The aggregate amount of the loans outstanding to all directors and executive officers as a group on such date was \$675,000.

Other than as described in this Proxy Statement, no director or executive officer of the Company was indebted to the Company during the last fiscal year for any amount in excess of \$60,000.

Sterling BSC Inc. ("Sterling BSC") and Hines Interests Limited Partnership ("Hines"), as a joint venture (the "Joint Venture"), are acting as a consultant to the Company on certain real estate matters. The Company entered into an agreement with Bradick 383 Associates LLC (the "Developer"), of which Sterling BSC owns a 60% interest and Hines owns a 40% interest. Under the terms of this agreement, relating to the development of the Company's new world headquarters being developed at 383 Madison Avenue, the Company has agreed to pay a development fee of \$12 million and has also agreed to reimburse the Developer for any direct administrative costs associated with the project. During fiscal 2000, the Company paid the Developer \$4,437,797 related to this agreement. Fred Wilpon, a director of the Company, is Chairman, Chief Executive Officer and a 33.75% stockholder of Sterling BSC. Mr. Wilpon and members of his family own approximately 85% of the outstanding stock of Sterling BSC.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The current members of the Company's Compensation Committee are Messrs. Glickman, Harrington, Nickell and Tese, none of whom is or has been an officer or an employee of the Company. There were no "Compensation Committee Interlocks" during fiscal year 2000.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and any persons who own more than ten percent of the Company's Common Stock, to file reports of initial ownership of the Company's Common Stock and subsequent changes in that ownership with the Securities and Exchange Commission and furnish the Company with copies of all forms they file pursuant to Section 16(a). Based solely upon a review of the copies of the forms furnished to the Company, or written representations from certain reporting persons that no Form 5's were required, the Company believes that during the 2000 fiscal year all Section 16(a) filing requirements were complied with.

II. APPROVAL OF AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION

The Board of Directors proposes that the stockholders approve the proposed amendment (the "Amendment") to the Company's Restated Certificate of Incorporation described below. The Amendment was approved by the Board of Directors of the Company on February 14, 2001 subject to approval by the stockholders at the Annual Meeting. The Amendment requires the approval of the Company's stockholders by the affirmative vote of a majority of the outstanding shares of Common Stock.

Article IV of the Company's Restated Certificate of Incorporation currently provides that the Company has the authority to issue 210,000,000 shares, consisting of 10,000,000 shares of preferred stock, par value \$1.00 per share, and 200,000,000 shares of Common Stock. The Board of Directors has determined

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

that it would be appropriate and in the best interests of the Company to amend the Company's Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock from 200,000,000 shares to 500,000,000 shares and to increase the total number of shares which the Company shall have authority to issue from 210,000,000 shares to 510,000,000 shares.

The additional shares of Common Stock would become part of the existing class of Common Stock, and the additional shares, when issued, would have the same rights and privileges as the shares of Common Stock now issued. There are no pre-emptive rights relating to the Common Stock. If the proposed amendment is approved by the stockholders, it will become effective upon filing of a Certificate of Amendment to the Company's Restated Certificate of Incorporation as required by the Delaware General Corporation Law.

Although the Company has no present plans, agreements, or understandings regarding the issuance of the proposed additional shares, the Board of Directors believes that adoption of the amendment is advisable because it will provide the Company with greater flexibility in connection with possible future financing transactions, acquisitions of other companies or business properties, stock dividends or splits, employee benefit plans and other proper corporate purposes. Having such additional authorized shares available will give the Company the ability to issue shares without the expense and delay of a special meeting of stockholders. Such a delay might deprive the Company of the flexibility the Board views as important in facilitating the effective use of the Company's shares. Except as otherwise required by applicable law or stock exchange rules, authorized but unissued shares of Common Stock may be issued at such time, for such purposes, and for such consideration as the Board of Directors may determine to be appropriate, without further authorization by stockholders.

Since the issuance of additional shares of Common Stock, other than on a pro rata basis to all current stockholders, would dilute the ownership interest of a person seeking to obtain control of the Company, such issuance could be used as an anti-takeover device to discourage a change in control of the Company by making it more difficult or costly. The Company is not aware of anyone seeking to accumulate Common Stock or obtain control of the Company, and has no present intention to use the additional authorized shares to deter a change in control or otherwise as an anti-takeover device.

PROPOSED AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION

Set forth below is the text of revised Article IV of the Company's Restated Certificate of Incorporation containing the amendment being proposed at the Annual Meeting. The amendment is qualified in its entirety by reference to such text.

The text of Article IV shall be amended to read as follows:

"CAPITALIZATION

The total number of shares which the Corporation shall have authority to issue is Five Hundred Ten Million (510,000,000) shares, consisting of Ten Million (10,000,000) shares of Preferred Stock, of the par value of One Dollar (\$1.00 per share) (hereinafter called "Preferred Stock") and Five Hundred Million (500,000,000) shares of Common Stock, of the par value of One Dollar (\$1.00) per share (hereinafter called "Common Stock")."

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

III. APPROVAL OF THE NON-EMPLOYEE DIRECTORS' STOCK OPTION PLAN

The Board of Directors proposes that the stockholders approve the Non-Employee Directors' Stock Option Plan (the "Directors' Plan"), a copy of which is attached to this Proxy Statement as Exhibit B. Stockholders are encouraged to review the Directors' Plan carefully. Any description in this Proxy Statement of the Directors' Plan is qualified in its entirety by reference to Exhibit B.

On March 15, 2000, the Board of Directors adopted the Directors' Plan, subject to approval by the stockholders at the Annual Meeting. On this date, each of the seven directors of the Company who was not an officer or employee of the Company or any of its subsidiaries (the "Non-Employee Directors") was granted an option to purchase 3,000 shares of Common Stock, which will not become exercisable until the Directors' Plan is approved by stockholders at the Annual Meeting. If the Directors' Plan is approved by stockholders, the Non-Employee Directors will receive a further option to purchase shares of Common Stock immediately following the Annual Meeting, in an amount determined as described below. If stockholder approval of the Directors' Plan is not obtained, all options granted to Non-Employee Directors will become null and void.

PURPOSE

The purpose of the Directors' Plan is to secure for the Company and its stockholders the continued services of Non-Employee Directors who are important to the decision-making process of the Company and its subsidiaries. The Company believes that awards under the Directors' Plan will provide Non-Employee Directors with a more direct stake in the future welfare of the Company and will encourage additional qualified persons to become directors, which will benefit the Company and its stockholders.

DESCRIPTION OF THE NON-EMPLOYEE DIRECTORS' STOCK OPTION PLAN

The Directors' Plan is set forth as Exhibit B to this Proxy Statement and the summary of the material terms of the Directors' Plan contained herein is qualified in its entirety by reference to Exhibit B. All references to the "Directors' Plan" in the remaining text of this subsection shall mean the Non-Employee Directors' Stock Option Plan.

The Directors' Plan shall be administered by the Board of Directors. Subject to the provisions of the Directors' Plan, the Board of Directors shall have the power to construe the Directors' Plan, to determine all questions arising thereunder, and to adopt and amend such rules and regulations as it may deem desirable. Any decision of the Board of Directors in the administration of the Directors' Plan shall be final and conclusive.

Each Non-Employee Director shall be eligible to receive grants of options in accordance with the provisions of the Directors' Plan. All options granted under the Directors' Plan shall be evidenced by an agreement in such form as the Board of Directors shall prescribe from time to time in accordance with the Directors' Plan. All options will be non-qualified options which are not entitled to special tax treatment under Section 422 of the Internal Revenue Code.

An aggregate of 300,000 shares of Common Stock (subject to adjustment as provided below and provided in the Directors' Plan) will be subject to the Directors' Plan. Shares subject to options which terminate, expire or are cancelled without having been exercised will become available for future option grants.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

Each person who is or becomes a Non-Employee Director on the date of an annual meeting of the Company's stockholders and whose service will continue after such meeting shall be granted an option to purchase a number of shares of Common Stock. The number of shares covered by the option will be equal to the quotient of an amount determined by the Executive Committee divided by the average closing price of the Common Stock for the five trading days immediately preceding the date of such meeting, subject to adjustment upon changes in capitalization as provided in the Directors' Plan.

The option price per share of options granted under the Directors' Plan shall equal the fair market value of a share of Common Stock on the date of grant. The "fair market value" of the Common Stock on any date means (i) if the Common Stock is listed on a national securities exchange or quotation system, the closing sales price reported for composite transactions in exchange or quotation system listed securities on such date or, in the absence of reported sales on such date, the closing sales price on the immediately preceding date on which sales were reported, or (ii) if the Common Stock is not listed on a national securities exchange or quotation system, by such other method as the Board of Directors determines in good faith to be reasonable. At the close of trading on February 26, 2001, the closing price of the Common Stock as reported on the NYSE was \$54.70.

Except in the event of a Change of Control of the Company (as defined below), no option may be exercised prior to the expiration of six months from the date of grant. The term of each option may not exceed ten years from the date of grant. Payment of the option price upon exercise of an option may be made (i) by check payable to the Company, (ii) with the consent of the Board of Directors by delivery of Common Stock already owned by the optionee for at least six months (which may include

-17-

shares received as the result of a prior exercise of an option) having a fair market value (determined as of the date such option is exercised) equal to all or part of the aggregate purchase price, (iii) in accordance with a cashless exercise program as specified in the Directors' Plan or (iv) by any combination of the foregoing alternatives or by any other means that the Board of Directors deems appropriate. No optionee shall have any rights to dividends or other rights of a stockholder with respect to his or her shares subject to the option until the optionee has given written notice of exercise and paid in full for such shares.

Awards of options are not transferable except by will or the laws of descent and distribution. However, options may be transferred, for no consideration, to certain family members of the Non-Employee Director or to trusts for such family members. Except as described below, if a Non-Employee Director terminates service on the Board of Directors for any reason, any unexercised option that has not expired may be exercised at any time until the earlier of (i) the third anniversary of the date of termination and (ii) the date of expiration of such option with respect to the number of shares of Common Stock that were exercisable on the date the Non-Employee Director terminated his or her service with the Company. Any such option will terminate immediately if (i) such former Non-Employee Director participates in a business which is directly in competition (as defined in the Directors' Plan) with the Company or any of its subsidiaries or affiliates or (ii) if such individual ceases to be a Non-Employee Director for Cause (as defined in the Directors' Plan).

In the event of a Change in Control of the Company, the Board of Directors may, to assure fair and equitable treatment of the participants in the

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

Directors' Plan (i) accelerate the exercisability of any outstanding options awarded pursuant to the Directors' Plan; (ii) offer to purchase any outstanding option granted pursuant to the Directors' Plan from the holder for its equivalent cash value, as determined by the Board of Directors, as of the date of the Change in Control; and (iii) make adjustments or modifications to outstanding options, as the Board deems appropriate to maintain and protect the rights and interests of participants in the Directors' Plan following such Change in Control. "Change in Control" means: (a) a majority of the Board of Directors ceases to consist of Continuing Directors (as hereinafter defined); (b) any person becomes the beneficial owner of 25% or more of the outstanding voting power of the Company unless such acquisition is approved by a majority of the Continuing Directors; (c) the stockholders of the Company approve an agreement to merge or consolidate into any other entity, unless such merger or consolidation is approved by a majority of the Continuing Directors; or (d) the stockholders of the Company approve an agreement to dispose of all or substantially all of the assets of the Company, unless such disposition is approved by a majority of the Continuing Directors. "Continuing Directors" means those members of the Board of Directors on the effective date of the Directors' Plan or who are elected to the Board of Directors after such date upon the recommendation or with the approval of a majority of the Continuing Directors at the time of such recommendation or approval.

The Board of Directors may terminate, modify or amend the Directors' Plan at any time on or prior to the expiration date, subject to any approval by stockholders which is required under any law or regulation. No amendment may materially impair the rights of an optionee under an outstanding option without such optionee's consent.

In the event of certain changes to the outstanding Common Stock such as stock splits, stock dividends, reclassifications or recapitalizations, the Board of Directors shall appropriately adjust the character and number of shares available under the Directors' Plan and the character, number and price of shares subject to outstanding options to reflect such changes.

The Directors' Plan became effective on the date of its adoption by the Board of Directors, subject to approval by the stockholders at the Annual Meeting. The Directors' Plan will terminate upon the earlier of (i) the adoption of a resolution of the Board of directors to terminate the Directors' Plan or (ii) the date all shares of Common Stock subject to the Directors' Plan are purchased according to the Directors' Plan.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following discussion is based on the Internal Revenue Code and applicable regulations thereunder in effect on the date hereof. Any subsequent changes in the Internal Revenue Code or such regulations may affect the accuracy of this discussion. In addition, this discussion does not consider any state, local or foreign tax consequences or any circumstances that are unique to a particular Non-Employee Director that may affect the accuracy or applicability of this discussion.

Options granted or to be granted under the Directors' Plan will be "non-qualified" stock options and are not intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code. An optionee will realize no income at the time he or she is granted a non-qualified stock option. Ordinary income generally will be realized when a non-qualified stock option is exercised. The amount of such income will be equal to the excess of the fair market value on the exercise date of the shares of Common Stock issued to an optionee over the option price. The Company is generally entitled to a corresponding ordinary income tax deduction, at that time, equal to the amount of such ordinary income.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE NON-EMPLOYEE DIRECTORS' STOCK OPTION PLAN.

IV. APPROVAL OF AMENDMENT TO THE STOCK AWARD PLAN

GENERAL

The Stock Award Plan was adopted by the Board of Directors on September 28, 1999 and was approved by the Company's stockholders at the 1999 Annual Meeting. The purpose of the Stock Award Plan is to provide the Company with greater flexibility in the composition of incentive awards and to secure for the Company and its stockholders the continued services of key employees who are important to the success and growth of the business of the Company and its subsidiaries. The Company believes that awards under the Stock Award Plan may serve to broaden the equity participation of such key employees and further link the long-term interests of management and stockholders. The Company will consider awards pursuant to the Stock Award Plan in light of its overall compensation philosophy and competitive conditions in the marketplace. The Company intends to grant future stock options pursuant to the Stock Award Plan in concert with employee participation in the Capital Accumulation Plan.

The Company relies on the Capital Accumulation Plan to provide long-term incentive compensation to the Company's key executives. The Company adopted the Stock Award Plan in the belief that the flexibility to selectively use options as part of an overall compensation package for key employees may enhance the Company's ability to attract and retain such individuals in an intensely competitive business environment. A number of the Company's competitors utilize equity awards as a significant component of their incentive compensation programs. The use of equity-based compensation as a larger percentage of total compensation should more closely align executive incentives with the long-term goals of the Company's stockholders, yet in a tax-efficient manner.

PROPOSED AMENDMENT TO STOCK AWARD PLAN

Currently, an aggregate of 16,000,000 shares of Common Stock are subject to the Stock Award Plan. Shares subject to options which terminate or expire unexercised will become available for future option grants. During fiscal 2000, the Company granted approximately 12,000,000 options. On January 4, 2001, the Board of Directors approved an amendment to the Company's Restated Certificate of Incorporation, subject to stockholder approval at the Annual Meeting, to increase the number of authorized shares of Common Stock. In light of this proposed amendment, on February 14, 2001, the Board of Directors approved an increase in the number of shares of Common Stock available for the grant of options under the Stock Award Plan to 24,000,000 shares (subject to adjustment as described below and provided in the Plan). The proposed increase in the aggregate number of shares available for the grant of options is intended to enhance the Company's flexibility in structuring incentive awards by facilitating future stock option grants.

Set forth below is the text of revised section 3.1 of the Stock Award Plan containing the amendment being proposed at the Annual Meeting. The amendment is qualified in its entirety by reference to such text.

The text of section 3.1 shall be amended to read as follows:

"3.1 NUMBER OF SHARES. Subject to the provisions of Paragraph 17 (relating to adjustments upon changes in capitalization), the number of shares of Common Stock subject at any one time to options granted under the Plan, plus the number

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

of shares of Common Stock theretofore issued or delivered pursuant to the exercise of options granted under the Plan, shall not exceed 24,000,000 shares. If and to the extent that options granted under the Plan terminate, expire or are cancelled without having been exercised, new options may be granted under the Plan with respect to the shares of Common Stock covered by such terminated, expired or cancelled options; provided, that the granting and terms of such new options shall in all respects comply with the provisions of the Plan."

DESCRIPTION OF THE STOCK AWARD PLAN

All references to the "Plan" in the remaining text of this subsection shall mean the Stock Award Plan. The summary of the material terms of the Stock Award Plan is qualified in its entirety by reference to the full text of the Stock Award Plan, a copy of which is attached to this Proxy Statement as Exhibit C.

The determination of employee recipients of options and awards, their terms and conditions within the parameters of the Plan and the number of shares covered by each option or award is determined and administered by the Compensation Committee.

Key employees of the Company or any of its subsidiaries, including executive officers and directors, to the extent that they are key employees of the Company or any of its subsidiaries, are eligible to participate in the Plan based upon its terms and conditions. Awards may be granted by the Compensation Committee and may include: (i) options to purchase shares of Common Stock in the form of incentive stock options, as defined in Section 422 of the Internal Revenue Code ("ISOs"),

-19-

or non-qualified stock options and (ii) stock appreciation rights granted in tandem with such options ("SARs"). At the time of original grant of options, the Compensation Committee may also authorize the grant of reload options, which shall be non-qualified stock options for such number of shares of Common Stock as were used by the participant to pay the purchase price upon the exercise of previously granted options, but are still subject to the other terms set forth in the Plan. For each calendar year, during any part of which the Plan is in effect, no participant may be granted awards relating in the aggregate to more than 1,000,000 shares of Common Stock, as adjusted to reflect certain changes to the outstanding Common Stock pursuant to the Plan. Awards of options and SARs are not transferable except by will or the laws of descent and distribution. However, non-qualified stock options may be transferred, for no consideration, to certain family members of the plan participant or to trusts for such family members.

The option price per share of options granted under the Plan shall be determined by the Compensation Committee. However, the per share option price of any ISO shall not be less than the fair market value (as hereinafter defined) of a share of Common Stock at the time the ISO is granted, and the per share option price of any non-qualified stock option shall not be less than the fair market value of a share of Common Stock at the time the non-qualified stock option is granted. The "fair market value" of the Common Stock on any date means (i) if the Common Stock is listed on a national securities exchange or quotation system, the closing sales price on such exchange or quotation system on such date or, in the absence of reported sales on such date, the closing sales price on the immediately preceding date on which sales were reported, (ii) if the Common Stock is not listed on a national securities exchange or quotation system, the mean between the bid and offered prices as quoted by the National Association of Securities Dealers, Inc. Automated Quotation System ("NASDAQ")

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

for such date or (iii) if the Common Stock is neither listed on a national securities exchange or quotation system nor quoted by NASDAQ, the fair value as determined by such other method as the Compensation Committee determines in good faith to be reasonable. At the close of trading on February 26, 2001, the closing sales price of the Common Stock as reported on the NYSE was \$54.70 per share. Each option shall be exercisable at such times, or upon the occurrence of such events, and in such amount, as may be determined by the Compensation Committee and stated in the option award agreement. The term of each option may not exceed ten years from the date of grant. Payment of the option price upon exercise of an option may be made (i) by check payable to the Company, (ii) with the consent of the Compensation Committee by delivery of Common Stock already owned by the optionee for at least six months (which may include shares received as the result of a prior exercise of an option) having a fair market value (determined as of the date such option is exercised) equal to all or part of the aggregate purchase price, (iii) in accordance with a cashless exercise program as specified in the Plan or (iv) by any combination of the foregoing alternatives or by any other means that the Compensation Committee deems appropriate. No optionee shall have any rights to dividends or other rights of a stockholder with respect to his or her shares subject to the option until the optionee has given written notice of exercise and paid in full for such shares.

The Compensation Committee may, in its sole discretion, with respect to each option granted under the Plan, grant tandem stock appreciation rights, that is, the right to relinquish such option in whole or in part and to receive a cash payment equal to the excess of the fair market value of the stock covered by the relinquished option (or part thereof) over the applicable option price.

In the event of a Change in Control of the Company, the Compensation Committee may, to assure fair and equitable treatment of the participants in the Plan, (i) accelerate the exercisability of any outstanding options, (ii) offer to purchase any outstanding option granted pursuant to the Plan from the holder for its equivalent cash value and (iii) make adjustments or modifications to outstanding options as the Compensation Committee deems appropriate to maintain and protect the rights and interests of participants in the Plan following such Change in Control. In no event, however, may any option be exercised prior to the expiration of six months from the date of grant (unless otherwise provided in the option agreement pursuant to which such option was granted) or after ten years from the date of grant. "Change in Control" means: (a) a majority of the Board of Directors ceases to consist of Continuing Directors (as hereinafter defined); (b) any person becomes the beneficial owner of 25% or more of the outstanding voting power of the Company unless such acquisition is approved by a majority of the Continuing Directors; (c) the stockholders of the Company approve an agreement to merge or consolidate into any other entity, unless such merger or consolidation is approved by a majority of the Continuing Directors; or (d) the stockholders of the Company approve an agreement to dispose of all or substantially all of the assets of the Company, unless such disposition is approved by a majority of the Continuing Directors. "Continuing Directors" means those members of the Board of Directors on the effective date of the Plan or who are elected to the Board of Directors after such date upon the recommendation or with the approval of a majority of the Continuing Directors at the time of such recommendation or approval.

The Company's Board of Directors may terminate, modify or amend the Plan, but no amendment may be made which would, without the approval of the stockholders (i) change the class of employees eligible to receive options payable in Common Stock, (ii) increase the total number of shares reserved for issuance under the Plan or (iii) materially increase the benefits

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

accruing to participants under the Plan, within the meaning of Rule 16b-3 promulgated under the Exchange Act. The Compensation Committee may amend the terms of any award or option already granted, provided that any such retroactive amendment is consistent with the provisions of the Plan and does not disqualify an ISO under the provisions of Section 422 of the Internal Revenue Code.

In the event of certain changes to the outstanding Common Stock such as stock splits, stock dividends, reclassifications or recapitalizations, the Board of Directors shall appropriately adjust the character and number of shares available under the Plan and the Compensation Committee shall appropriately adjust the character, number and price of shares subject to outstanding options to reflect such changes.

The Plan became effective on the date of its adoption by the Board of Directors. The Plan will terminate upon the earlier of (i) the adoption of a resolution of the Company's Board of Directors to terminate the Plan or (ii) ten years from the effective date of the Plan.

Because the Plan is discretionary, benefits to be received by individual optionees are not determinable. The following table shows the number of shares of Common Stock issuable upon exercise of stock options granted to the named individuals and groups under the Plan during the fiscal year ended November 30, 2000.

James E. Cayne Chief Executive Officer and President	108,856

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following discussion is based on the Internal Revenue Code and applicable regulations thereunder in effect on the date hereof. Any subsequent changes in the Internal Revenue Code or such regulations may affect the accuracy of this discussion. In addition, this discussion does not consider any state, local or foreign tax consequences or any circumstances that are unique to a particular Plan participant that may affect the accuracy or applicability of this discussion.

INCENTIVE STOCK OPTIONS ("ISOs")

(a) Neither the grant nor the exercise of an ISO will be treated as

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

the receipt of taxable income by the employee or a deductible item by the Company. The amount by which the fair market value of the shares issued upon exercise exceeds the option strike price will constitute an item of adjustment that must be taken into account in determining the employee's alternative minimum tax.

- (b) If the employee holds shares acquired by him or her upon the exercise of an ISO until the later of two years from the date of grant of the option and one year from such exercise and has been an employee of the Company at all times from the date of grant of the ISO to the day three months before such exercise, then any gain realized by the employee on a later sale or exchange of such shares will be a capital gain and any loss sustained will be a capital loss. The Company will not be entitled to a tax deduction with respect to any such sale or exchange of ISO shares.
- (c) If the employee disposes of any shares acquired upon the exercise of an ISO during the two-year period from the date of grant of the option or the one-year period beginning on the day after such exercise (i.e., a "dis-

-21-

qualifying disposition"), the employee will generally be obligated to report as ordinary income for the year in which the disposition occurred the amount by which the fair market value of such shares on the date of exercise of the option (or, as noted in clause (d) below, in the case of certain sales or exchanges of such shares for less than such fair market value, the amount realized upon such sale or exchange) exceeds the option strike price, and the Company will be entitled to an income tax deduction equal to the amount of such ordinary income reported by the employee on his or her federal income tax return.

- (d) If an ISO holder who has acquired stock upon the exercise of an ISO makes a disqualifying disposition of any such stock, and the disposition is a sale or exchange with respect to which a loss (if sustained) would be recognized by the ISO holder, then the amount includable in the ISO holder's gross income, and the amount deductible by the Company, will not exceed the excess (if any) of the amount realized on the sale or exchange over the tax basis of the stock.

NON-QUALIFIED STOCK OPTIONS ("NQSOs")

In the case of an NQSO, the grant of the option will not result in taxable income to the option holder or an income tax deduction to the Company. The NQSO holder generally recognizes ordinary income at the time the NQSO is exercised in the amount by which the fair market value of the shares acquired exceeds the option strike price. The Company is generally entitled to a corresponding ordinary income tax deduction, at that time, equal to the amount of such ordinary income.

STOCK APPRECIATION RIGHTS ("SARs")

The granting of SARs does not produce taxable income to participating employees or an income tax deduction for the Company. The exercise of a SAR for cash is immediately taxable as ordinary income to the grantee and deductible by the Company.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

LIMITATIONS ON COMPANY DEDUCTIONS; PARACHUTE PAYMENTS

Under Section 162(m) of the Internal Revenue Code, certain compensation payments in excess of \$1,000,000 are subject to a limitation on deductibility by the Company. This limitation on deductibility applies with respect to that portion of compensation in excess of \$1,000,000 paid to individual executive officers named in the Summary Compensation Table per taxable year. However, certain "performance-based compensation" the material terms of which are disclosed to and approved by stockholders is not subject to this limitation on deductibility. The Company has structured the Plan with the intention that compensation resulting therefrom would be such performance-based compensation and would be deductible.

Under certain circumstances, accelerated vesting or exercise of options or SARs in connection with a Change in Control of the Company might be deemed an "excess parachute payment" for purposes of the golden parachute tax provisions of Sections 280G and 499 of the Internal Revenue Code. To the extent it is so considered, the optionee or grantee may be subject to an excise tax equal to 20% of the amount of the excess parachute payment and the Company may be denied a tax deduction.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT TO THE STOCK AWARD PLAN.

EXHIBIT B

THE BEAR STEARNS COMPANIES INC. NON-EMPLOYEE DIRECTORS' STOCK OPTION PLAN

1. PURPOSE. The purpose of The Bear Stearns Companies Inc. Non-Employee Directors' Stock Option Plan (the "Plan") is to secure for The Bear Stearns Companies Inc. and its successors and assigns (the "Company") and its stockholders the benefits of the incentive inherent in holding an equity interest in the Company's Common Stock, par value \$1.00 per share (the "Common Stock"), by the members of the Board of Directors (the "Board") of the Company who are not employees of the Company or any of its subsidiaries ("Non-Employee Directors"). It is expected that such ownership will provide such Non-Employee Directors with a more direct stake in the future welfare of the Company and encourage them to remain directors of the Company. It is also expected that the Plan will encourage qualified persons to become directors of the Company.

Pursuant to the Plan, such Non-Employee Directors will be offered the opportunity to acquire Common Stock through the grant of options.

2. ADMINISTRATION. The Plan shall be administered by the Board. The Board shall have all the powers vested in it by the terms of the Plan, such powers to include authority (within the limitations described herein) to prescribe the form of the agreement embodying grants of stock options made under the Plan. Subject to the provisions of the Plan, the Board shall have the power to construe the Plan, to determine all questions arising thereunder, and to adopt and amend such rules and regulations for the administration of the Plan as it may deem desirable. Any decision of the Board in the administration of the Plan, as described herein, shall be final and conclusive. The Board may act only by a majority of its members in office, except that the members thereof may authorize any one or more of their number or the Secretary or any other officer of the Corporation to execute and deliver documents on behalf of the Board and to perform administrative functions under the Plan. No member of the Board shall be liable for anything done or omitted to be done by such member or by any other member of the Board in connection with the Plan, except for such member's own willful misconduct or as expressly provided by statute.

3. SHARES SUBJECT TO GRANTS.

3.1 NUMBER OF SHARES. Subject to the provisions of Paragraph 13, the number of shares of Common Stock subject at any one time to options granted under the Plan, plus the number of shares of Common Stock theretofore issued or

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

delivered pursuant to the exercise of options granted under the Plan, shall not exceed 300,000 shares. If and to the extent that options granted under the Plan terminate, expire or are cancelled without having been exercised, new options may be granted under the Plan with respect to the shares of Common Stock covered by such terminated, expired or cancelled options; provided, that the granting and terms of such new options shall in all respects comply with the provisions of the Plan.

3.2 CHARACTER OF SHARES. Shares of Common Stock delivered under the Plan may be authorized and unissued Common Stock, issued Common Stock held in the Company's treasury, or both.

3.3 RESERVATION OF SHARES. There shall be reserved at all times for sale or award under the Plan a number of shares of Common Stock (authorized and unissued Common Stock, issued Common Stock held in the Company's treasury, or both) equal to the maximum number of shares set forth in Paragraph 3.1 (less any shares that have been issued pursuant to options granted hereunder).

4. ELIGIBILITY. Each Non-Employee Director shall be eligible to receive grants of options in accordance with the further provisions of the Plan. All options granted under the Plan shall be evidenced by an agreement in such form as the Board shall prescribe from time to time in accordance with the Plan, which agreement shall include the provisions contained in Paragraphs 6, 7.2, 7.3, 7.4, 8, 9 and 12, as well as such other provisions (not inconsistent with the terms of the Plan) as the Board shall deem appropriate.

5. GRANT OF OPTIONS.

Options shall be granted in the following amounts and on the following dates:

5.1 OPTION GRANTS TO NON-EMPLOYEE DIRECTORS AT EFFECTIVE DATE OF PLAN. An option to purchase 3,000 shares of Common Stock, subject to adjustment as provided in Paragraph 13, shall be granted automatically to each Non-Employee Director who is then a member of the Board on the day following the adoption of the Plan by the Board. These options will not become exercisable until the Plan is approved by the Company's stockholders at the next Annual Meeting.

B-1

If the stockholders do not approve the Plan at the next annual meeting, any option granted hereunder will become null and void.

5.2 ANNUAL OPTION GRANTS. Each person who is or becomes a Non-Employee Director on the date of an annual meeting of the Company's stockholders and whose service will continue after such meeting shall be granted an option to purchase a number of shares of Common Stock. The number of shares covered by the option will be equal to the quotient of an amount determined by the Company's Executive Committee divided by the average closing price of the Common Stock for the five trading days immediately preceding the date of such meeting, subject to adjustment as provided in Paragraph 13, effective as of the date of such meeting.

6. OPTION PRICE.

Subject to Paragraph 13, the option price of each share of Common Stock purchasable under any option granted under the Plan shall equal the fair market value of such share of Common Stock on the date of grant of the option.

For purposes of this Plan, the "fair market value" of the Common Stock on

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

any date means (i) if the Common Stock is listed on a national securities exchange or quotation system, the closing sales price reported for composite transactions in exchange or quotation system listed securities on such date or, in the absence of reported sales on such date, the closing sales price on the immediately preceding date on which sales were reported, or (ii) if the Common Stock is not listed on a national securities exchange or quotation system, by such other method as the Board determines in good faith to be reasonable.

7. EXERCISABILITY AND DURATION OF OPTIONS.

7.1 All options granted under the Plan shall:

- (a) be nonqualified options not entitled to special tax treatment under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"),
- (b) terminate and expire ten (10) years after the date granted, subject to earlier termination as provided in Paragraphs 7.2, 7.3 and 7.4,
- (c) not be exercised for a period of six (6) months from the date of grant subject to Paragraphs 5.1 and 12, and
- (d) be exercisable in the manner provided in Paragraph 8.

7.2 TERMINATION OF SERVICE. Subject to Paragraphs 7.3 and 7.4, if a person shall cease to be a Non-Employee Director for any reason while holding an unexercised option that has not expired, such person, or in the case of his or her death or adjudication of incompetency, his or her executors, administrators, distributees, guardian or legal representative, as the case may be, may, at any time until the earlier to occur of the (y) third anniversary of the date of cessation and (z) the tenth anniversary of the date of grant, exercise the option with respect to any shares of Common Stock as to which it is exercisable on the date the person ceased to be a Non-Employee Director. To the extent that options granted hereunder were not exercisable on the date the person ceased to be a Non-Employee Director, such options shall terminate.

7.3 PARTICIPATION IN A COMPETING BUSINESS. If a person shall cease to be a Non-Employee Director for any reason while holding an option that has not expired and has not been fully exercised, such option will terminate immediately if and at such time as such person, acting alone or with others, directly or indirectly, shall engage, either as employee, employer, independent contractor, consultant, advisor, or director, or as an owner, investor, partner, or stockholder unless such person's interest is insubstantial, in any business in an area or region in which the Company or any subsidiary or affiliate conducts business at the date the event occurs, which is directly in competition with a business then conducted by the Company or any subsidiary or affiliate. The Board shall, in its discretion, determine which lines of business the Company or any subsidiary or affiliate conducts on any particular date and which third parties may reasonably be deemed to be in competition with the Company or any subsidiary or affiliate. For purposes of this Paragraph 7.3, a person's interest as a stockholder is insubstantial if it represents beneficial ownership of less than three percent of the outstanding class of stock, and a person's interest as an owner, investor or partner is insubstantial if it represents ownership, as determined by the Board in its discretion, of less than three percent of the outstanding equity of the entity.

B-2

7.4 TERMINATION OF SERVICE WITH CAUSE. In the event such person

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

shall cease to be a Non-Employee Director for Cause while holding an option that has not expired and has not been fully exercised, such option shall terminate immediately. Cause means (A) the Non-Employee Director is charged with a felony or commission of any act, which would rise to the level of a felony, (B) the Non-Employee Director is charged with the commission of a lesser crime or offense that adversely impacts on the business or reputation of the Company, (C) the Non-Employee Director is charged with the commission of a dishonest or wrongful act involving fraud, misrepresentation or moral turpitude causing damage or potential damage to the Company or (D) the Non-Employee Director commits a breach of fiduciary duty.

8. EXERCISE OF OPTIONS.

Options granted under the Plan shall be exercised by the Non-Employee Director (or by his or her executors, administrators, distributees, guardian or legal representative as provided in Paragraph 7.2) as to all or part of the shares covered thereby, by the giving of written notice of exercise to the Company, specifying the number of shares to be purchased, accompanied by payment of the full exercise price for the shares being purchased. Payment of such exercise price shall be made (a) by check payable to the Company, (b) with the consent of the Board, by delivery of shares of Common Stock already owned by the Non-Employee Director for at least six months (which may include shares received at least six months earlier as the result of a prior exercise of an option) having a fair market value (determined as of the date such option is exercised) equal to all or part of the aggregate exercise price, (c) in accordance with a "cashless exercise" program established by the Board in its sole discretion under which if so instructed by the Non-Employee Director, shares may be issued directly to the Non-Employee Director's broker or dealer upon receipt of the purchase price in cash from the broker or dealer, (d) by any combination of (a), (b), or (c) above, or (e) by other means that the Board deems appropriate. Such notice of exercise, accompanied by such payment, shall be delivered to the Company at its principal business office or such other office as the Board may from time to time direct, and shall be in such form, containing such further provisions consistent with the provisions of the Plan, as the Board may from time to time prescribe. The date of exercise shall be the date of the Company's receipt of such notice and payment. The Company shall effect the transfer of the shares so purchased to the Non-Employee Director (or such other person exercising the option pursuant to Paragraph 7.2) as soon as practicable. No Non-Employee Director or other person exercising an option shall have any of the rights of a stockholder of the Company with respect to shares subject to an option granted under the Plan until due exercise and full payment has been made as provided above. No adjustment shall be made for cash dividends or other rights for which the record date is prior to the date of such due exercise and full payment except as provided under Paragraph 13. In no event may any option granted hereunder be exercised for a fraction of a share.

9. NON-TRANSFERABILITY OF OPTIONS. Except as provided herein, no option granted under the Plan or any right evidenced thereby shall be transferable by the Participant other than by will or by the laws of descent and distribution, and an option may be exercised, during the lifetime of a Participant, only by such Participant. Notwithstanding the preceding sentence, the Non-Employee Directors with the approval of the Committee, may transfer his or her options for no consideration to or for the benefit of the Participant's spouse, parents, children (including stepchildren or adoptive children), grandchildren, or siblings, or to a trust for the benefit of any of such persons.

10. DEFERRAL OF OPTIONS. Subject to rules prescribed by the Board, a Non-Employee Director may elect to defer receipt of shares of Common Stock which would otherwise be received upon exercise of an option. Such an election must be made at least six month prior to the exercise of the option and must be irrevocable.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

11. RESTRICTIONS ON DELIVERY AND SALE OF SHARES. Each option granted under the Plan is subject to the condition that if at any time the Board, in its discretion, shall determine that the listing, registration or qualification of the shares covered by such option upon any securities exchange or under any state or federal law or compliance with another legal obligation is necessary or desirable as a condition of or in connection with the granting of such option or the purchase or delivery of shares thereunder, the delivery of any or all shares pursuant to exercise of the option may be withheld unless and until such listing, registration, qualification or compliance, shall have been effected. The Board may require, as a condition of exercise of any option that the Non-Employee Director represent, in writing, that the shares received are being acquired for investment and not with a view to distribution and agree that the shares will not be disposed of except pursuant to an effective registration statement, unless the Company shall have received an opinion of counsel satisfactory to the Company that such disposition is exempt from such requirement under the Securities Act of 1933. The Board may require that the sale or other disposition of any shares acquired upon exercise of an option hereunder shall be subject to a right of first refusal in favor of the Company, which right shall permit the Company to repurchase such shares from the Non-Employee Director or his or her representative prior to their sale or other disposition at their then current fair market value in accordance with such terms and conditions as shall be specified in the agreement evidencing the grant of the option. The Company may endorse on cer-

B-3

tificates representing shares issued upon the exercise of an option such legends referring to the foregoing representations or restrictions or any other applicable restrictions on resale as the Company, in its discretion, shall deem appropriate.

12. CHANGE IN CONTROL.

(a) In the event of a Change in Control of the Company, as defined below, the Board may, in its sole discretion, provide that any of the following applicable actions be taken as a result, or in anticipation, of any such event to assure fair and equitable treatment of Non-Employee Directors:

- (i) accelerate the exercisability of any outstanding options awarded pursuant to this Plan;
- (ii) offer to purchase any outstanding options made pursuant to this Plan from the holder for its equivalent cash value, as determined by the Board, as of the date of the Change in Control; or
- (iii) make adjustments or modifications to outstanding options as the Board deems appropriate to maintain and protect the rights and interests of the Non-Employee Directors following such Change in Control.

Any such action approved by the Board shall be conclusive and binding on the Company, its subsidiaries and all Non-Employee Directors.

(b) To the extent not otherwise defined in this Plan, the following terms used in this Paragraph 12 shall have the following meanings:

"Associate" of a Person means (a) any corporation or organization of which such Person is an officer or partner or is, directly or indirectly, the Beneficial Owner of 10% or more of any class of equity securities, (b) any trust

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

or other estate in which such Person has a substantial beneficial interest or as to which such Person serves as trustee or in a similar fiduciary capacity and (c) any relative or spouse of such Person, or any relative of such spouse, who has the same home as such Person or who is a director or officer of such Person or any of its parents or subsidiaries.

"Beneficial Owner" has the meaning ascribed thereto in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") except that, in any case, a Person shall be deemed the Beneficial Owner of any securities owned, directly or indirectly, by the Associates of such Person.

"Change in Control" means (a) a majority of the Board of Directors ceases to consist of Continuing Directors; (b) any Person becomes the Beneficial Owner of 25% or more of the outstanding voting power of the Company unless such acquisition is approved by a majority of the Continuing Directors; (c) the stockholders of the Company approve an agreement to merge or consolidate into any other entity, unless such merger or consolidation is approved by a majority of the Continuing Directors; or (d) the stockholders of the Company approve an agreement to dispose of all or substantially all of the assets of the Company, unless such disposition is approved by a majority of the Continuing Directors.

"Continuing Director" means any member of the Board of Directors who is a member on the effective date of the Plan as set forth in Paragraph 16 or who is first elected to the Board of Directors after such date upon the recommendation or with the approval of a majority of the Continuing Directors at the time of such recommendation or approval.

"Person" means an individual, a corporation, a partnership, an association, a joint stock company, a trust, any unincorporated organization or a government or a political subdivision thereof.

13. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, ETC.

In the event that any large, special and non-recurring dividend or other distribution (whether in the form of cash or other property), Common Stock dividend, forward or reverse split, recapitalization, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Common Stock such that an adjustment is determined by the Board to be appropriate in order to prevent dilution or enlargement of an optionee's rights under the Plan, then the Board shall, in such manner as it may deem equitable, adjust any or all of (i) the number and kind of shares reserved and available for delivery pursuant to the exercise of options under Paragraph 3.1, (ii) the number of shares subject to options automatically granted under Paragraph 5.1 and the kind of shares granted under Paragraph 5, (iii) the number and kind of shares deliverable upon exercise of outstanding options, and the exercise price per share thereof (provided that no fractional shares will be delivered upon exercise of any option), and (iv) the fair market value of shares determined under Paragraph 6.

B-4

14. EXPIRATION AND TERMINATION OF THE PLAN.

14.1 GENERAL. The Plan shall expire at such time as no shares remain available for option grants and no options remain outstanding (the "Expiration Date"). Outstanding options shall remain in effect until they have been exercised, terminated or have expired. The Plan may be terminated, modified or amended by the Board of Directors at any time on or prior to the Expiration Date; provided, however, that the approval of

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

the Company's stockholders will be required for any amendment to the extent required under any law or regulation; and provided further, that any amendments that materially impair the rights of an optionee under an outstanding option shall be effective as to such option only if consented to by such optionee.

14.2 MODIFICATIONS. No modification, extension, renewal or other change in any option granted under the Plan shall be made after grant, unless the same is consistent with the provisions of the Plan. In addition, the option price of an option may not be changed after grant, other than in the case of an adjustment described in Paragraph 13.

15. MISCELLANEOUS PROVISIONS OF THE PLAN. The following are miscellaneous provisions of the Plan:

15.1 Except as expressly provided for in the Plan, no Non-Employee Director or other person shall have any claim or right to be granted an option under the Plan. Neither the Plan nor any action taken hereunder shall be construed as giving any Non-Employee Director any right to be retained in the service of the Company.

15.2 The expenses of the Plan shall be borne by the Company.

15.3 If an option is exercised by the executors, administrators, legatees or distributees of the estate of a deceased optionee or by the guardian or legal representative of an optionee, the Company shall be under no obligation to issue stock thereunder unless and until the Company is satisfied that the person or persons exercising the option are the duly appointed legal representatives of the optionee or of the deceased optionee's estate or the proper legatees or distributees of such estate.

16. EFFECTIVE DATE OF PLAN. The Plan shall become effective on March 15, 2000, the date of its adoption by the Board of Directors, subject, however, to the approval of the Plan by the Company's stockholders.

17. GOVERNING LAW. The Plan shall be governed by the laws of the State of New York, without reference to the principles of conflicts of law.

Compensation awarded under the Plan is intended to qualify for tax deductibility pursuant to the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended from time to time or any successor statute or statutes (the "Code"), to the extent deemed appropriate by the Committee (as defined in Paragraph 2.1).

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

Pursuant to the Plan, such employees will be offered the opportunity to acquire Common Stock through the grant of options and stock appreciation rights in tandem with such options. Options granted under the Plan will be either "incentive stock options," intended to qualify as such under the provisions of Section 422 of the Code, or "nonqualified stock options." For purposes of the Plan, the terms "parent" and "subsidiary" shall mean "parent corporation" and "subsidiary corporation," respectively, as such terms are defined in Sections 424(e) and (f) of the Code.

2. COMMITTEE.

2.1 ADMINISTRATION. The Plan shall be administered by the Compensation Committee of the Board of Directors of the Company (the "Committee"). Any vacancy on the Committee, whether due to action of the Board of Directors or due to any other cause, may be filled, and shall be filled if required to maintain a Committee of at least two disinterested persons, by resolution adopted by the Board of Directors. For purposes of the Plan, a person shall be deemed to be a "disinterested person" if, at the time of reference, such person is not, and has not been at any time during the preceding one-year period, eligible to participate in the Plan or any other plan of the Company or any of its affiliates entitling participants therein to acquire stock, stock options or stock appreciation rights of the Company or any of its affiliates. Notwithstanding any of the foregoing, the Board of Directors may designate one or more persons, who at the time of such designation are not disinterested persons, to serve on the Committee effective upon the date such person or persons qualify as disinterested persons.

2.2 PROCEDURES. The Committee shall select one of its members as Chairman and shall adopt such rules and regulations as it shall deem appropriate concerning the holding of its meetings and the administration of the Plan. A majority of the whole Committee shall constitute a quorum, and the acts of a majority of the members of the Committee present at a meeting at which a quorum is present, or acts approved in writing by all of the members of the Committee, shall be the acts of the Committee.

2.3 INTERPRETATION. The Committee shall have full power and authority to interpret the provisions of the Plan and any agreement evidencing options granted under the Plan, and to determine any and all questions arising under the Plan, and its decisions shall be final and binding on all participants in the Plan.

3. SHARES SUBJECT TO GRANTS.

3.1 NUMBER OF SHARES. Subject to the provisions of Paragraph 17 (relating to adjustments upon changes in capitalization), the number of shares of Common Stock subject at any one time to options granted under the Plan, plus the number of shares of Common Stock theretofore issued or delivered pursuant to the exercise of options granted under the Plan, shall not exceed 16,000,000 shares. If and to the extent that options granted under the Plan terminate, expire or are cancelled without having been exercised, new options may be granted under the Plan with respect to the shares of Common Stock covered by such terminated, expired or cancelled options; provided, that the granting and terms of such new options shall in all respects comply with the provisions of the Plan.

3.2 CHARACTER OF SHARES. Shares of Common Stock delivered under the Plan may be authorized and unissued Common Stock, issued Common Stock held in the Company's treasury, or both.

3.3 RESERVATION OF SHARES. There shall be reserved at all times for sale or award under the Plan a number of shares of Common Stock (authorized and unissued Common Stock, issued Common Stock held in the Company's treasury, or

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

both) equal to the maximum number of shares set forth in Paragraph 3.1.

4. EMPLOYEES ELIGIBLE. Options may be granted under the Plan to any key employee of the Company or any of its subsidiaries, or to any prospective key employee of the Company or any of its subsidiaries, conditioned upon, and effective not earlier than, such person's becoming an employee. Directors and executive officers shall be eligible to receive grants under the Plan only if they are also key employees of the Company or any of its subsidiaries. Notwithstanding the foregoing:

(a) No member of the Committee, while serving as such, shall be eligible to receive any grants under the Plan and no person designated by the Board of Directors pursuant to Paragraph 2.1 to serve on the Committee effective at the time he or she qualifies as a disinterested person shall be eligible to receive any grants under the Plan during the period from the date such designation is made to the date such designation becomes effective.

(b) No incentive stock options may be granted under the Plan to any person who owns, directly or indirectly (within the meaning of Sections 422(b)(6) and 424(d) of the Code), at the time the incentive stock option is granted, stock possessing more than 10% of the total combined voting power of all classes of stock of the employee's employer corporation or of its parent, if any, or any of its subsidiaries, unless the option price is at least 110% of the fair market value of the shares subject to the option, determined on the date of the grant, and the option by its terms is not exercisable after the expiration of five years from the date such option is granted.

(c) In each calendar year during any part of which the Plan is in effect, no Participant (as defined below) may be granted options relating in the aggregate to more than 1,000,000 shares of Common Stock, subject to adjustment as provided in Paragraph 17.

An individual receiving any option under the Plan is hereinafter referred to as a "Participant." Any reference herein to the employment of a Participant by the Company shall include (i) his or her employment by the Company or any of its subsidiaries, and (ii) with respect to a Participant who was not an employee of the Company or any of its subsidiaries at the time of grant of his or her option, his or her period of service in the capacity for which the option was granted. For all purposes of this Plan, the time at which an option is granted, in the case of the grant of an option to a key employee shall be deemed to be the effective date of such grant.

5. GRANT OF OPTIONS.

The Committee shall determine, within the limitations of the Plan, the persons to whom options are to be granted, the number of shares that may be purchased under each option, the option price, and shall designate options at the time of grant as either "incentive stock options" or "nonqualified stock options"; provided, that the aggregate fair market value (determined as of the time the option is granted) of the Common Stock with respect to which incentive stock options become exercisable for the first time by any Participant (as defined in Paragraph 4) in any calendar year (under all stock option plans of the employee's employer corporation and its parent, if any, and its subsidiaries) shall not exceed \$100,000 (the provisions of Section 422(d) of the Code are intended to govern). In determining the persons to whom options shall be granted and the number of shares to be covered by each option, the Committee

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

shall take into consideration the person's present and potential contribution to the success of the Company and its subsidiaries and such other factors as the Committee may deem proper and relevant. Each option granted under the Plan shall be evidenced by a written agreement between the Company and the Participant containing such terms and conditions and in such form, not inconsistent with the provisions of the Plan or, with respect to incentive stock options, Section 422 of the Code, as the Committee shall provide.

6. OPTION PRICE. Subject to Paragraph 17, the option price of each share of Common Stock purchasable under any incentive stock option or non-qualified stock option granted under the Plan shall not be less than the fair market value of such share of Common Stock at the time the option is granted. The option price of an option issued in a transaction described in Section 424(a) of the Code shall be an amount which conforms to the requirements of that Section and the regulations thereunder.

For purposes of this Plan, the "fair market value" of the Common Stock on any date means (i) if the Common Stock is listed on a national securities exchange or quotation system, the closing sales price on such exchange or quotation system on such date or, in the absence of reported sales on such date, the closing sales price on the immediately preceding date on which sales were reported, (ii) if the Common Stock is not listed on a national securities exchange or quotation system, the mean between the bid and offered prices as quoted by the National Association of Securities Dealers, Inc. Automated Quotation System ("NASDAQ") for such date or (iii) if the Common Stock is neither listed on a national securities exchange or quotation system nor quoted by NASDAQ, the fair value as determined by such other method as the Committee determines in good faith to be reasonable.

7. STOCK APPRECIATION RIGHT. The Committee, in its sole discretion, may in connection with the grant of any option also grant to the Participant a stock appreciation right. Such stock appreciation right shall be granted by the Committee simultaneously with the grant of the related stock option. A stock appreciation right shall be exercised in the manner provided

C-2

in Paragraph 9, and shall result in the cancellation of options on shares with respect to which the Participant exercises a stock appreciation right, and, upon such exercise, the Company shall pay to the Participant an amount equal to the excess of the fair market value of such shares with respect to which options are cancelled on the date of exercise over the option price of such shares. A stock appreciation right shall be exercisable to the same extent and under the same conditions as the underlying option, except that a stock appreciation right granted in connection with an incentive stock option may be exercised only when the fair market value of the shares subject to the option exceeds the option price of such shares. Payments on the exercise of stock appreciation rights shall be made by the Company in cash to the Participant as soon as practicable following exercise.

8. EXERCISABILITY AND DURATION OF OPTIONS.

8.1 DETERMINATION OF COMMITTEE; ACCELERATION. Each option granted under the Plan shall be exercisable at such time or times, or upon the occurrence of such event or events, and in such amounts, as the Committee shall specify in the agreement evidencing the option. Subsequent to the grant of an option which is not immediately exercisable in full, the Committee, at any time before complete termination of such option, may accelerate the time or times at which such option may be exercised in whole or in part.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

8.2 AUTOMATIC TERMINATION. The unexercised portion of any option granted under the Plan shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following:

(a) The expiration of ten years from the date on which such option was granted;

(b) The expiration of 30 days from the date of termination of the Participant's employment by the Company unless a longer period is provided by the Committee (other than a termination described in subparagraph (c) below or in the event of termination as a result of death, in which case expiration will be at the end of the term set forth in the option agreement or such other time specified therein);

(c) The termination of the Participant's employment by the Company if such termination constitutes or is attributable to a breach by the Participant of an employment or consulting agreement with the Company or any of its subsidiaries, or if the Participant is discharged or his or her services are terminated for cause; or

(d) The expiration of such period of time or the occurrence of such event as the Committee in its discretion may provide upon the granting thereof.

The Committee or the Board of Directors shall have the right to determine what constitutes cause for discharge or termination of services, whether the Participant has been discharged or his or her services terminated for cause and the date of such discharge or termination of services, and such determination of the Committee or the Board of Directors shall be final and conclusive.

9. EXERCISE OF OPTIONS, STOCK APPRECIATION RIGHTS. Options and stock appreciation rights granted under the Plan shall be exercised by the Participant (or by his or her executors or administrators, as provided in Paragraph 10) as to all or part of the shares covered thereby, by the giving of written notice of exercise to the Company, specifying the number of shares to be purchased or the number of shares with respect to which stock appreciation rights are being exercised, accompanied, in the case of an option, by payment of the full purchase price for the shares being purchased. Payment of such purchase price shall be made (a) by check payable to the Company, (b) with the consent of the Committee, by delivery of shares of Common Stock already owned by the Participant for at least six months (which may include shares received as the result of a prior exercise of an option) having a fair market value (determined as of the date such option is exercised) equal to all or part of the aggregate purchase price, (c) in accordance with a "cashless exercise" program established by the Committee in its sole discretion under which if so instructed by the Participant, shares may be issued directly to the Participant's broker or dealer upon receipt of the purchase price in cash from the broker or dealer, (d) by any combination of (a), (b), or (c) above, or (e) by other means that the Committee deems appropriate. Such notice of exercise, accompanied by such payment, shall be delivered to the Company at its principal business office or such other office as the Committee may from time to time direct, and shall be in such form, containing such further provisions consistent with the provisions of the Plan, as the Committee may from time to time prescribe. The date of exercise shall be the date of the Company's receipt of such notice. The Company shall effect the transfer of the shares so purchased to the Participant (or such other person exercising the option pursuant to Paragraph 10 hereof) as soon as practicable. No Participant or other person exercising an option shall have any of the rights of a stockholder of the Company with respect to shares subject to an option granted under the Plan until due exercise and full payment has been made as provided above. No adjustment shall be made for cash dividends or other rights for which the record date is prior to the date of such due exercise and full payment. In no event may any option granted hereunder be exercised for a

fraction of a share.

C-3

10. NON-TRANSFERABILITY OF OPTIONS. Except as provided herein, no option granted under the Plan or any right evidenced thereby shall be transferable by the Participant other than by will or by the laws of descent and distribution, and an option may be exercised, during the lifetime of a Participant, only by such Participant. Notwithstanding the preceding sentence: (a) in the event of a Participant's death during his or her employment by the Company, its parent, if any, or any of its subsidiaries, or during the 30 day period following the date of termination of such employment, his or her options shall thereafter be exercisable, during the period set forth in the option agreement, or, if no period is specifically set forth, during the remaining term of the option, by his or her executors or administrators; and (b) the Participant, with the approval of the Committee, may transfer his or her options (other than incentive stock options) for no consideration to or for the benefit of the Participant's spouse, parents, children (including stepchildren or adoptive children), grandchildren, or siblings, or to a trust for the benefit of any of such persons.

11. RELOAD OPTIONS. At the time an option (the "original option") is granted, the Committee may also authorize the grant of a "reload option," which shall be subject to the following terms:

(a) The number of shares of Common Stock subject to the reload option shall be the number of shares, if any, used by the Participant to pay the purchase price upon exercise of the original option, plus the number of shares, if any, delivered by the Participant to satisfy the tax withholding requirement relating to such exercise.

(b) The reload option shall be a nonqualified stock option.

(c) The grant of the reload option shall be effective upon the date of exercise of the original option, and the term of the reload option shall be the period, if any, remaining from that date to the date upon which the original option would have expired.

(d) The grant of the reload option shall not be effective if, on the date of exercise of the original option, the Participant is not employed by the Company.

(e) Except as specified in (a) through (d) above, the terms of the reload option shall be as prescribed in the preceding Paragraphs of this Plan.

12. WITHHOLDING TAX. Whenever under the Plan shares of stock are to be delivered upon exercise of a nonqualified stock option, the Company shall be entitled to require as a condition of delivery that the Participant remit or, in appropriate cases, agree to remit when due an amount sufficient to satisfy all federal, state and local withholding tax requirements relating thereto. At the option of the Company, such amount may be remitted by check payable to the Company, in shares of Common Stock (which may include shares received as the result of a prior exercise of an option), by the Company's withholding of shares of Common Stock issuable upon the exercise of any option or stock appreciation right pursuant to the Plan, or any combination thereof. Whenever an amount shall become payable to a Participant in connection with the exercise of a stock appreciation right, the Company shall be entitled to withhold therefrom an amount sufficient to satisfy all federal, state and local withholding tax requirements relating to such amount.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

13. RESTRICTIONS ON DELIVERY AND SALE OF SHARES. Each option granted under the Plan is subject to the condition that if at any time the Committee, in its discretion, shall determine that the listing, registration or qualification of the shares covered by such option upon any securities exchange or under any state or federal law is necessary or desirable as a condition of or in connection with the granting of such option or the purchase or delivery of shares thereunder, the delivery of any or all shares pursuant to exercise of the option may be withheld unless and until such listing, registration or qualification shall have been effected. The Committee may require, as a condition of exercise of any option that the Participant represent, in writing, that the shares received are being acquired for investment and not with a view to distribution and agree that the shares will not be disposed of except pursuant to an effective registration statement, unless the Company shall have received an opinion of counsel satisfactory to the Company that such disposition is exempt from such requirement under the Securities Act of 1933. The Committee may require that the sale or other disposition of any shares acquired upon exercise of an option hereunder shall be subject to a right of first refusal in favor of the Company, which right shall permit the Company to repurchase such shares from the Participant or his or her representative prior to their sale or other disposition at their then current fair market value in accordance with such terms and conditions as shall be specified in the agreement evidencing the grant of the option. The Company may endorse on certificates representing shares issued upon the exercise of an option such legends referring to the foregoing representations or restrictions or any other applicable restrictions on resale as the Company, in its discretion, shall deem appropriate.

C-4

14. CHANGE IN CONTROL.

(a) In the event of a Change in Control of the Company, as defined below, the Committee may, in its sole discretion, provide that any of the following applicable actions be taken as a result, or in anticipation, of any such event to assure fair and equitable treatment of Participants:

(i) accelerate the exercisability of any outstanding options awarded pursuant to this Plan;

(ii) offer to purchase any outstanding options made pursuant to this Plan from the holder for its equivalent cash value, as determined by the Committee, as of the date of the Change in Control; or

(iii) make adjustments or modifications to outstanding options as the Committee deems appropriate to maintain and protect the rights and interests of the Participants following such Change in Control.

Any such action approved by the Committee shall be conclusive and binding on the Company, its subsidiaries and all Participants.

(b) In no event, however, may (i) any option be exercised prior to the expiration of six (6) months from the date of grant (unless otherwise provided in the agreement evidencing the option), or (ii) any option be exercised after ten (10) years from the date it was granted.

(c) To the extent not otherwise defined in this Plan, the following terms used in this Paragraph 14 shall have the following meanings:

"Affiliate" means (a) Bear Stearns (b) any other subsidiary of the Company and (c) any other corporation or other entity which is controlled, directly or indirectly, by, or under common control with, the Company and which the

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

Committee designates as an "Affiliate" for purposes of the Plan.

"Associate" of a Person means (a) any corporation or organization of which such Person is an officer or partner or is, directly or indirectly, the Beneficial Owner of 10% or more of any class of equity securities, (b) any trust or other estate in which such Person has a substantial beneficial interest or as to which such Person serves as trustee or in a similar fiduciary capacity and (c) any relative or spouse of such Person, or any relative of such spouse, who has the same home as such Person or who is a director or officer of such Person or any of its parents or subsidiaries.

"Bear Stearns" means Bear, Stearns & Co. Inc., a Delaware corporation, and its successors and assigns.

"Beneficial Owner" has the meaning ascribed thereto in Rule 13d-3 under the Exchange Act, except that, in any case, a Person shall be deemed the Beneficial Owner of any securities owned, directly or indirectly, by the Affiliates and Associates of such Person.

"Change in Control" means (a) a majority of the Board of Directors ceases to consist of Continuing Directors; (b) any Person becomes the Beneficial Owner of 25% or more of the outstanding voting power of the Company unless such acquisition is approved by a majority of the Continuing Directors; (c) the stockholders of the Company approve an agreement to merge or consolidate into any other entity, unless such merger or consolidation is approved by a majority of the Continuing Directors; or (d) the stockholders of the Company approve an agreement to dispose of all or substantially all of the assets of the Company, unless such disposition is approved by a majority of the Continuing Directors.

"Continuing Director" means any member of the Board of Directors who is a member on the effective date of the Plan as set forth in Paragraph 19 or who is elected to the Board of Directors after such date upon the recommendation or with the approval of a majority of the Continuing Directors at the time of such recommendation or approval.

"Person" means an individual, a corporation, a partnership, an association, a joint stock company, a trust, any unincorporated organization or a government or a political subdivision thereof.

15. RIGHT TO TERMINATE EMPLOYMENT. Nothing in the Plan or in any option granted under the Plan shall confer upon any Participant the right to continue as an employee of the Company or affect the right of the Company or any of its subsidiaries, to terminate the Participant's employment at any time, subject, however, to the provisions of any agreement of employment between the Participant and the Company, its parent, if any, or any of its subsidiaries.

16. TRANSFER, LEAVE OF ABSENCE. For purposes of this Plan, neither (i) a transfer of an employee from the Company to a subsidiary or other affiliate of the Company, or vice versa, or from one subsidiary or affiliate of the Company to another, nor (ii) a duly authorized leave of absence, shall be deemed a termination of employment.

17. ADJUSTMENT UPON CHANGES IN CAPITALIZATION, ETC. In the event of any stock split, stock dividend, reclassification or recapitalization which changes the character or amount of the Company's outstanding Common Stock while any portion of any option theretofore granted under the Plan is outstanding but unexercised, the Committee shall make such

Edgar Filing: BEAR STEARNS COMPANIES INC - Form DEF 14A

adjustments in the character and number of shares subject to such options and in the option price, as shall be equitable and appropriate in order to make the option, as nearly as may be practicable, equivalent to such option immediately prior to such change; provided, however, that no such adjustment shall give any Participant any additional benefits under his or her option; and provided further, that, with respect to any outstanding incentive stock option, if any such adjustment is made by reason of a transaction described in Section 424(a) of the Code, it shall be made so as to conform to the requirements of that Section and the regulations thereunder.

If any transaction (other than a change specified in the preceding paragraph) described in Section 424(a) of the Code affects the Company's Common Stock subject to any unexercised option theretofore granted under the Plan (hereinafter for purposes of this Paragraph 17 referred to as the "old option"), the Board of Directors or any surviving or acquiring corporation may take such action as it deems appropriate, and in conformity with the requirements of that Section and the regulations thereunder, to substitute a new option for the old option, in order to make the new option, as nearly as may be practicable, equivalent to the old option, or to assume the old option.

If any such change or transaction shall occur, the number and kind of shares for which options may thereafter be granted under the Plan shall be adjusted to give effect thereto.

18. EXPIRATION AND TERMINATION OF THE PLAN.

18.1 GENERAL. Options may be granted under the Plan at any time and from time to time on or prior to the tenth anniversary of the effective date of the Plan as set forth in Paragraph 19 (the "Expiration Date"), on which date the Plan will expire except as to options then outstanding under the Plan. Such outstanding options shall remain in effect until they have been exercised, terminated or have expired. The Plan may be terminated, modified or amended by the Board of Directors at any time on or prior to the Expiration Date, except with respect to any options then outstanding under the Plan; provided, however, that the approval of the Company's stockholders will be required for any amendment which (i) changes the class of employees eligible for grants, as specified in Paragraph 4, (ii) increases the maximum number of shares subject to grants, as specified in Paragraph 3 (unless made pursuant to the provisions of Paragraph 17) or (iii) materially increases the benefits accruing to participants under the Plan, within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

18.2 MODIFICATIONS. No modification, extension, renewal or other change in any option granted under the Plan shall be made after grant, unless the same is consistent with the provisions of the Plan and does not disqualify an incentive stock option under the provisions of Section 422 of the Code. In addition, the option price of an option may not be changed after grant, other than in the case of an adjustment described in Paragraph 14 or pursuant to Paragraph 17.

19. EFFECTIVE DATE OF PLAN. The Plan shall become effective on September 28, 1999, the date of its adoption by the Board of Directors, subject, however, to the approval of the Plan by the Company's stockholders within 12 months of such adoption.
