A: Only common stockholders of record as of the close of business on March 25, 2005, the record date, are entitled to vote at the meeting.

Q: WHAT STOCKHOLDER APPROVALS ARE REQUIRED TO APPROVE THE PROPOSALS?

A: Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting, and ratification of the appointment of our independent registered public accounting firm and approval of our

Executive Performance Plan will each require the affirmative vote of the holders of a majority of the votes cast at the annual meeting.

Q: IF MY BROKER HOLDS MY SHARES IN "STREET NAME," WILL MY BROKER VOTE MY SHARES?

A: If you do not provide your broker with instructions on how to vote your street name shares, your broker will be able to vote them on the election of directors and the ratification of the appointment of our independent registered public accounting firm but will not be permitted to vote them on the approval of the Executive Performance Plan. OUR ANNUAL MEETING

We are furnishing this proxy statement to our stockholders as part of the solicitation of proxies by our board of directors for use at our annual meeting.

DATE, TIME AND PLACE OF THE ANNUAL MEETING

We will hold our annual meeting on Thursday, May 26, 2005, at 9:30 a.m., local time, at the New York Marriott Marquis, 1535 Broadway, New York, New York 10036.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

PURPOSE OF THE ANNUAL MEETING

At the annual meeting, we are asking holders of record of our common stock to consider and vote on the following proposals:

- o election of three directors for a term of three years each;
- o ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year;
- o approval our Executive Performance Plan; and
- o any matters as may properly come before our annual meeting or any adjournment or postponement thereof.

STOCKHOLDER RECORD DATE

Only holders of record of our common stock at the close of business on March 25, 2005, the record date, are entitled to notice of and to vote at the annual meeting. On the record date, approximately 121,277,699 shares of our common stock were issued and outstanding and held by approximately 2,197 holders of record.

VOTING RIGHTS

Our stockholders are entitled to one vote per share of common stock held as of the record date for the annual meeting.

QUORUM; EFFECT OF ABSTENTION AND BROKER "NON-VOTES"

A quorum will be present at the annual meeting if a majority of the votes entitled to be cast are present, in person or by proxy. Since there were 121,277,699 eligible votes as of the record date, we will need at least 60,638,850 votes present in person or by proxy at the annual meeting for a quorum to exist. If a quorum is not present at the annual meeting, we expect that the annual meeting will be adjourned to solicit additional proxies. Holders of record of our common stock on the record date are entitled to one vote per share.

Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is the voluntary act of not voting by a

5

stockholder who is present at a meeting and entitled to vote. An abstention will not count "for" or "against" the election of directors, the ratification of Deloitte & Touche LLP as our registered public accounting firm or approval of our Executive Performance Plan.

A broker "non-vote" occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner. Under New York Stock Exchange rules, brokers that hold shares of our common stock in street name for customers that are the beneficial owners of those shares may not give a proxy to vote those shares on certain matters without specific instructions from those customers. Broker "non-votes" will be treated as present and entitled to vote for purposes of determining the presence of a quorum. If a stockholder owns shares through a broker and attends the annual meeting, the stockholder should bring a letter

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

from that stockholder's broker identifying that stockholder as the beneficial owner of the shares and acknowledging that you will vote your shares.

Broker non-votes will not count "for" or "against" the election of directors, the ratification of Deloitte & Touche LLP as our registered public accounting firm or approval of our Executive Performance Plan.

VOTES REQUIRED TO APPROVE THE PROPOSALS

Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. Ratification of the appointment of our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the votes cast at the annual meeting. Approval of our Executive Performance Plan will require the affirmative vote of the holders of a majority of the votes cast on the proposal at the annual meeting.

VOTING OF PROXIES

All shares represented by properly executed proxies received in time for the annual meeting will be voted at the annual meeting in the manner specified by the stockholders giving those proxies. Properly executed proxies that do not contain voting instructions will be voted for the election of directors, for the ratification of Deloitte & Touche LLP as our independent registered public accounting firm and for the approval of our Executive Performance Plan.

The individuals named as proxies by a stockholder may vote for one or more adjournments of the annual meeting, including adjournments to permit further solicitations of proxies.

We do not expect that any matter other than the proposals described above will be brought before the annual meeting. If, however, other matters are properly presented at the annual meeting, the individuals named as proxies will vote in accordance with the recommendation of our board of directors.

6

REVOCABILITY OF PROXIES

Submitting a proxy on the enclosed form will not preclude you from voting in person at the annual meeting. You may revoke a proxy at any time before it is voted by filing with us a duly executed revocation of proxy, by submitting a duly executed proxy to us with a later date or by appearing at the annual meeting and voting in person. You may revoke a proxy by any of these methods, regardless of the method used to deliver your previous proxy. Attendance at the annual meeting without voting will not itself revoke a proxy.

SOLICITATION OF PROXIES

We will pay the expenses incurred in connection with the printing and mailing of this proxy statement. In addition to solicitation by mail, the directors, officers and our employees, who will not be specially compensated, may solicit proxies from our stockholders by telephone, facsimile, telegram or other electronic means or in person. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse them for their reasonable out-of-pocket expenses. We will bear the total cost of soliciting proxies.

We will mail a copy of this proxy statement to each holder of record of

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

our common stock on the record date.

Stockholders have the option to vote over the internet or by telephone. Please be aware that if you vote over the internet, you may incur costs such as telephone and access charges for which you will be responsible.

In accordance with a notice sent to eligible stockholders who share a single address, we are sending only one proxy statement to that address unless we received instructions to the contrary from any stockholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement, he or she may request it orally or in writing by contacting us at Annaly Mortgage Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036, Attention: Investor Relations, by emailing us at investor@annaly.com, or by calling us at 212-696-0100, and we will promptly deliver to the stockholder the requested annual report or proxy statement. If a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she may contact us in the same manner. If you are an eligible stockholder of record receiving multiple copies of our annual report and proxy statement, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker or other nominee, you can request householding by contacting the nominee.

POSTPONEMENT OR ADJOURNMENT OF MEETING

If a quorum is not present or represented, our bylaws permit a majority of stockholders entitled to vote at the annual meeting, present in person or represented by proxy, to postpone or adjourn the meeting, without notice other than an announcement.

7

ANNUAL MEETING ADMISSION PROCEDURES

You should be prepared to present valid government-issued photo identification for admittance at the annual meeting. In addition, if you are a record holder of common stock, your name is subject to verification against the list of our record holders on the record date prior to being admitted to the annual meeting. If you are not a record holder but hold shares in street name, that is, with a broker, dealer, bank or other financial institution that serves as your nominee, you should be prepared to provide proof of beneficial ownership on the record date, or similar evidence of ownership. If you do not provide valid government-issued photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting.

VOTING

You will only be entitled to vote at the meeting if you were a holder of record of our common stock at the close of business on the record date, March 25, 2005. There were 121,277,699 shares of common stock outstanding on the record date, and each stockholder will be entitled to one vote at the meeting for each share registered in the stockholder's name on the record date. Holders of common stock are not entitled to cumulate their votes on any matter to be considered at the meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the total number of shares of common stock outstanding on the record date constitutes a quorum for the transaction of business at the meeting.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the annual meeting in accordance with the

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

directions given. Regarding the election of directors to serve until the 2008 annual meeting of stockholders, in voting by proxy, you may vote in favor of all the nominees, withhold your vote as to all the nominees or withhold your vote as to specific nominees. With respect to the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year, you may vote in favor of the proposal or against the proposal, or you may abstain from voting. You may vote in favor of the Executive Performance Plan, abstain from voting on this proposal or you may withhold your vote. You should specify your choices on the enclosed form of proxy.

If you do not provide specific instructions on all the matters to be acted upon, the shares represented by a signed proxy will be voted FOR the election of all nominees, FOR the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year and FOR the approval of our Executive Performance Plan.

Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. Ratification of the appointment of our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the votes cast. The approval of the holders of a majority of the votes cast is required to approve the Executive Performance Plan.

8

CORPORATE GOVERNANCE, DIRECTOR INDEPENDENCE, BOARD MEETINGS AND COMMITTEES

CORPORATE GOVERNANCE

We believe that we have implemented effective corporate governance policies and observe good corporate governance procedures and practices. We have adopted a number of written policies, including corporate governance guidelines, code of business conduct and ethics, and charters for our audit committee, compensation committee and nominating/corporate governance committee.

INDEPENDENCE OF OUR DIRECTORS

New York Stock Exchange rules require that at least a majority of our directors be independent of our company and management. The rules also require that our board of directors affirmatively determine that there are no material relationships between a director and us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) before such director can be deemed independent. We have adopted independence standards consistent with New York Stock Exchange rules. Our board of directors has reviewed both direct and indirect transactions and relationships that each of our directors had or maintained with us, our management and employees. As a result of this review, our board of directors, based upon the fact that none of our non-employee directors have any relationships with us other than as directors and holders of our common stock, affirmatively determined that five of our directors are independent directors under New York Stock Exchange rules. Our independent directors are Kevin P. Brady, Spencer I. Browne, Jonathan D. Green, Donnell A. Segalas and E. Wayne Nordberg. Michael A.J. Farrell and Wellington J. Denahan-Norris are not considered independent because they are employees of the company, and John A. Lambiase is not considered independent because we employ his son.

BOARD COMMITTEES AND CHARTERS

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical

questions that may arise in the workplace and in the conduct of our business. This code is applicable to all employees, officers and directors of the company.

CORPORATE GOVERNANCE GUIDELINES

We have adopted Corporate Governance Guidelines which, in conjunction with the charters and key practices of our board committees, provide the framework for the governance of our company.

OTHER CHARTERS

Our compensation committee, audit committee and nominating/corporate governance committee have also adopted written charters which govern their conduct.

WHERE YOU CAN FIND THESE DOCUMENTS

Our Code of Business Conduct and Ethics, Corporate Governance Principles, Compensation Committee Charter, Audit Committee Charter and Nominating/Corporate Governance Committee Charter are available on our website (WWW.ANNALY.COM). We will provide copies of these documents free of charge to any stockholder who sends a written request to Investor Relations, Annaly Mortgage Management, Inc., 1211 Avenue of the Americas, Suite 2902, New York, New York 10036.

COMPENSATION COMMITTEE

We have a standing compensation committee. The members of our compensation committee are Spencer I. Browne, Jonathan D. Green, and Donnell A. Segalas, each of whom is an independent director within the meaning of the rules of the New York Stock Exchange. The compensation committee administers our Long-Term Stock Incentive Plan, or Incentive Plan, and recommends changes to that Plan to our board of directors when appropriate. The compensation committee will also administer our Executive Performance Plan if it is approved by our stockholders. The compensation committee also approves compensation for our officers. For additional information on the compensation committee, please see "Report of the Compensation Committee" below.

AUDIT COMMITTEE

We have a standing audit committee. The members of our audit committee are Kevin P. Brady, Jonathan D. Green, and E. Wayne Nodberg. Each member of our audit committee is an independent director within the meaning of the rules of the New York Stock Exchange, and Mr. Brady has been designated as our audit committee's financial expert. The audit committee recommends to our board of directors the engagement or discharge of independent public accountants, reviews the plan and results of the auditing engagement with our Chief Financial Officer and our independent public accountants, and reviews with our Chief Financial Officer the scope and nature of our internal auditing system. The activities of the audit committee are described in greater detail below under the caption "The Audit Committee."

The audit committee operates under a written charter adopted by our board of directors, the full text of which is set forth in Appendix I to this proxy statement.

NOMINATING/CORPORATE GOVERNANCE COMMITTEE

We have a standing nominating/corporate governance committee. The members of our nominating/corporate governance committee are E. Wayne Nordberg, Kevin P. Brady, and Donnell A. Segalas. Each of the members of our nominating/corporate governance committee meets the independence requirements of the New York Stock Exchange. The nominating/corporate governance committee recommends to the board of directors persons to be nominated as directors or to be elected to fill vacancies on the board of directors. The nominating/corporate governance committee will consider nominees recommended by our stockholders. These recommendations should be submitted in writing to our Secretary.

Our nominating/corporate governance committee currently considers the following factors in making its recommendations to the board of directors: background, skills, expertise, accessibility and availability to serve effectively on the board of directors. Our nominating/corporate governance committee also conducts inquiries into the background and qualifications of potential candidates.

Our nominating/corporate governance committee uses a variety of methods for identifying and evaluating nominees for director. Our nominating/corporate governance committee regularly assesses the appropriate size of the board of directors, and whether any vacancies on the board of directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, our nominating/corporate governance committee considers various potential candidates for director. Candidates may come to the attention of our nominating/corporate governance committee through current members of our board of directors, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of our nominating/corporate governance committee, and may be considered at any point during the year. As described above, our nominating/corporate governance committee considers properly submitted stockholder nominations for candidates for the board of directors. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by our nominating/corporate governance committee at a regularly scheduled meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to our nominating/corporate governance committee. Our nominating/corporate governance committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, our nominating/corporate governance committee seeks to achieve a balance of knowledge, experience and capability on the board of directors.

Each director attended at least 75% of the aggregate number of meetings held by our board of directors and 75% of the aggregate number of meetings of each committee on which the director served.

MEETINGS OF NON-MANAGEMENT DIRECTORS

Our corporate governance guidelines require that the board have at least three regularly scheduled meetings each year for our non-management directors. These meetings, which are designed to promote unfettered discussions among our non-management directors, are presided over by a non-management director who is the chairman of the compensation committee. During 2004, our non-management directors had three meetings. Spencer I. Browne presided over these meetings.

COMPENSATION OF DIRECTORS

We pay an annual director's fee equal to \$60,000 to each director who is not an officer or employee, as well as a fee of \$500 for each meeting of our board of directors or any committee attended by each independent director (or \$250 for any meeting at which the director participates by conference telephone call). We also reimburse all directors for costs and expenses for attending these meetings.

Our Incentive Plan provides that each independent director, upon appointment to our board of directors, receives a non-discretionary automatic grant of non-qualified stock options for the purchase of 5,000 shares of common stock; these options vest in four equal installments over a period of four years from the date of grant. In addition, each independent director is entitled to receive on June 26 of each year that he or she serves as a director, options to purchase an additional 1,250 shares of common stock; these options vest on the date of grant. The exercise price for each option is the fair market value of our common stock as of the date on which the option is granted. Independent directors also are entitled to receive discretionary awards under the Incentive Plan.

Mr. Farrell's employment agreement provides for an annual base salary of \$2,400,000. Mrs. Denahan-Norris' employment agreement provides for an annual base salary of \$1,900,000. The employment agreements of Mrs. Fagan and Mrs. Karve provide for an annual base salary of \$972,000 for each employee. Mr. Fortescue's employment agreement provides for an annual base salary of \$500,000. In addition, all bonuses paid under these employment agreements are subject to the discretion of our compensation committee.

Pursuant to the employment agreements, the executive officers are also entitled to participate in our benefit plans, including the Incentive Plan. In addition, our board of directors has established a bonus incentive compensation plan for our executive officers. This program permits our board of directors, in its discretion, to award cash bonuses annually to our executive officers. Each employment agreement provides for the officer to receive his or her base salary and bonus compensation to the date of the termination of employment by reason of death, disability or resignation and to receive base compensation to the date of the termination of employment by reason of a termination of employment for cause as defined in the employment agreement. Each employment agreement also provides

for the subject officer to receive, in the event that we terminate the officer's employment without cause, or if the officer resigns for "good reason", an amount, 50% payable immediately and 50% payable in monthly installments over the succeeding twelve months, equal to three times the greater of the officer's combined maximum salary base and actual bonus compensation for the preceding fiscal year or the average for the three preceding years of the officer's combined actual base salary and bonus compensation. Section 280G of the Code may limit our ability to deduct these payments for Federal income tax purposes. In the event that any payments, distributions, or benefits provided or to be provided to the officer are determined to be subject to the excise tax imposed by Section 4999 of Code, he or she is entitled to receive a payment on an after-tax basis equal to the excise tax imposed. Each employment agreement also contains a "non-compete" provision prohibiting the officer from managing, controlling, participating in or operating a competing REIT for a period of one year following termination of employment following our termination of the officer without cause or resignation of the subject officer for "good reason." In addition, all outstanding options and other awards granted to an officer under our Incentive Plan immediately vest upon his or her termination without cause or termination for "good reason." "Good reason" under the employment agreements includes certain events resulting in a change of control of us. "Change of Control" includes a merger or consolidation of us, a sale of all or substantially all of our assets, changes in the identity of a majority of the members of our board of directors (other than due to the death, disability or age of a director) or acquisitions of more than 9.8% of the combined voting power of our capital stock, subject to certain limitations. Each agreement requires that the officer act in accordance with provisions of Maryland law relating to corporate opportunities.

SET FORTH BELOW IS THE REPORT OF OUR COMPENSATION COMMITTEE, A GRAPH DEPICTING OUR PERFORMANCE AND THE REPORT OF THE AUDIT COMMITTEE WITH RESPECT TO OUR AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2004. THE INFORMATION CONTAINED IN THESE THREE SECTIONS OF THIS PROXY SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION, NOR SHALL SUCH INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FUTURE FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THAT WE SPECIFICALLY INCORPORATES BY REFERENCE IN SUCH FILING.

REPORT OF THE COMPENSATION COMMITTEE

The compensation structure for our executive officers and directors has been developed with consideration for the following objectives:

INCENTIVES FOR MANAGEMENT TO MAXIMIZE PERFORMANCE. We have designed our compensation policy in an effort to provide the proper incentives to management to maximize our performance in order to serve the best interests of our stockholders. We have sought to achieve this objective through the granting of stock options under the Incentive Plan, the award of compensation pursuant to our bonus incentive compensation program, and employment agreements with our executive officers where compensation is dependent upon our book value.

To date, our executive officers, pursuant to the Incentive Plan, have been granted options to purchase, in the aggregate, 1,682,801 shares of common stock with exercise prices ranging from \$4.00 to \$17.97. These options vest in equal installments over four, five or ten year periods from the date of grant.

Our board of directors also has adopted a bonus incentive compensation

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

program for executive officers. This program permits the compensation committee, in its discretion, to award bonuses to our officers and employees based upon individual performance, our overall performance, or such other factors as the compensation committee determines to be appropriate. Bonuses may be paid in the form of cash, stock options or other forms of compensation as determined appropriate by the compensation committee. In 2004, bonuses were awarded in the form of cash and were paid in January 2005. The primary factor considered in these awards was our performance and growth during 2004 in view of the interest rate environment and the overall economy.

Pursuant to employment agreements entered into between us and our executive officers, base compensation and bonus for the officers is calculated as a percentage of our book value. Any bonus paid, however, is subject to the discretion of the compensation committee. This arrangement was established based upon our view that successful performance by our management would result in our ability to raise additional capital.

LONG-TERM COMMITMENT OF MANAGEMENT. The committee believes that the long-term commitment of its current management team is a crucial factor in our future performance. This team includes Mr. Farrell, Ms. Denahan-Norris and Ms. Karve, who have worked together at FIDAC since March 1995 and with us since our incorporation in November 1996 and our commencement of operations in February 1997, and Ms. Fagan, who has worked with us since

26

April 1997. In an effort to ensure the long-term commitment of its management team, we, with the approval of our board of directors entered into employment agreements with Mr. Farrell, Ms. Denahan-Norris, Ms. Fagan, Ms. Karve and Mr. Fortescue. Each of these agreements provides for a term through December 31, 2005 with automatic one-year extensions unless we or the officer provides written notice to the contrary.

Consistent with the foregoing, we have structured our executive compensation policies with the goal of promoting the long-term commitment of management. In addition, as indicated above, over 99% of the stock options granted by us since inception have been options with vesting periods of three, four and five years.

COMPARABILITY WITH COMPETITORS' COMPENSATION STRUCTURES. In assisting us to develop guidelines for our compensation structure, including the bonus incentive program, we engaged a compensation consultant in 2003 to examine the compensation structures of other publicly held mortgage REITs and other publicly held companies in the financial services industry. We continue to believe our management compensation structure is consistent, generally, with the management compensation structure of comparable companies. We intend to continue to monitor whether our compensation structure is consistent with the compensation structure of its competitors.

CEO COMPENSATION. Mr. Farrell's total compensation for 2004 was established pursuant to his employment agreement which is described under the caption "Employment Agreements, Termination of Employment and Change-Of-Control Arrangements." Mr. Farrell's compensation was established using substantially the same criteria used to determine compensation levels for our other executive officers which are discussed in this report. Effective January 1, 2002, Mr. Farrell's salary was set at \$2,430,000. For 2004, we determined to pay Mr. Farrell a bonus of \$2,127,500 (which was paid in January 2005). Mr. Farrell's compensation for 2004 was related to our progress over the last year in achieving strong financial results and his commitment for us to be a leader in integrity and corporate governance.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

DEDUCTIBILITY OF EXECUTIVE OFFICER COMPENSATION. Section 162(m) of the Internal Revenue Code denies a tax deduction for compensation in excess of \$1 million paid to our Chief Executive Officer and our four other most highly compensated officers, unless the compensation is paid under a program that has satisfied stockholder approval requirements and the compensation is "performance-based." Currently, the employment agreements of these officers do not contain performance-based criteria and the compensation program has not been approved by our stockholders. As a result, portions of the compensation we pay is subject to the \$1 million deduction limitation because it is not considered performance-based within the meaning of Section 162(m).

During 2004, the compensation committee spent significant portions of its meetings to determine whether we should take steps to permit us to deduct compensation in excess of \$1 million. As noted above, the compensation committee has traditionally believed that it is in the best interests of us and our stockholders that the overall compensation of our officers be calculated as a percentage of book value. Nevertheless, in view of the non-deductibility of a portion of the compensation we pay, the compensation committee is reviewing its policies to determine whether we should in the future add performance-based criteria to executive

27

compensation. As a result, the committee is in favor of the stockholders approving the Executive Performance Plan should it determine to seek to add performance-based criteria to executive compensation. Adding performance-based criteria will require amending the existing employment agreements of the applicable employees.

COMPENSATION OF NON-EMPLOYEE DIRECTORS. Upon the recommendation of our compensation consultant, we granted to each of our non-employee directors during 2004 options to purchase 1,250 shares vesting immediately and options to purchase 15,000 shares vesting over five years.

PERFORMANCE ANALYSIS

The following graph provides a comparison of our cumulative total stockholder return and the cumulative stockholder return of the Standard & Poor's Composite-500 Stock Index, or S&P 500, and the BBG REIT Mortgage Index, BBG Index, an industry index of 11 tax-qualified mortgage REITs. The comparison is for the period from December 31, 1999 to December 31, 2004 and assumes the reinvestment of any dividends. The initial price of our common stock shown in the graph below is based upon the price to public of \$8.75 on December 31, 1999. Upon written request, we will provide stockholders with a list of the REITs included in the BBG Index. The historical information set forth below is not necessarily indicative of future performance.

THE AUDIT COMMITTEE

Since our inception, we have had an audit committee composed entirely of non-employee directors. The members of the audit committee meet the independence and experience requirements of the New York Stock Exchange. The board of directors has determined that Mr. Brady is the audit committee financial expert and is an independent director within the meaning of the applicable rules of the Securities and Exchange Commission and the New York Stock Exchange. In 2004, the Committee met four times. The audit committee has adopted a written charter outlining the practices it follows. A full text of our audit committee charter is set forth in Appendix I to this proxy statement. Any changes in the charter or key practices will be reflected on our website at www.annaly.com.

During the year 2004, at each of its meetings, the audit committee met with the Chief Financial Officer and our independent registered public accounting firm. The audit committee's agenda is established by the audit committee's chairman. The audit committee engaged Deloitte & Touche LLP as our independent registered public accounting firm and reviewed with our financial manager and the independent registered public accounting firm, overall audit scope and plans, the results of internal and external audit examination, evaluations by the registered public accounting firm of our internal controls and the quality of our financial reporting.

The audit committee has reviewed and discussed the audited financial statements with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the audit committee asked for and received management's representations that our audited financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America, and have expressed to both management and registered public accounting firm their general preference for conservative policies when a range of accounting options is available.

In its meetings with representatives of the independent registered public accounting firm, the audit committee asks them to address, and discusses their responses to several questions that the audit committee believes are particularly relevant to its oversight. These questions include:

- o Are there any significant accounting judgments made by

management in preparing the financial statements that would have been made differently had the registered public accounting firm themselves prepared and been responsible for the financial statements?

- o Based on the registered public accounting firm' experience, and their knowledge of us, do our financial statements fairly present to investors, with clarity and completeness, our financial position and performance for the reporting period in accordance with generally accepted accounting principles, and SEC disclosure requirements?
- o Based on the registered public accounting firm' experience, and their knowledge of us, have we implemented internal controls and internal audit procedures that are appropriate?

30

The audit committee believes that, by thus focusing its discussions with the independent registered public accounting firm, it can promote a meaningful dialogue that provides a basis for its oversight judgments.

The audit committee also discussed with the independent registered public accounting firm other matters required to be discussed by the registered public accounting firm with the audit committee under the standards of Public Company Accounting Oversight Board (United States) (required communication with audit committees). The audit committee received and discussed with the registered public accounting firm their annual written report on their independence from us and our management, which is made under Independence Standards Board Standard No. 1 (independence discussions with audit committees), and considered with the registered public accounting firm whether the provision of non-audit services is compatible with the registered public accounting firm' independence.

In performing all of these functions, the audit committee acts only in an oversight capacity and, necessarily, in its oversight role, the audit committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles and on the effectiveness of our internal controls over financial reporting as of year end.

In reliance on these reviews and discussions, and the report of the independent registered public accounting firm, the audit committee has recommended to our board of directors, and our board of directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

The foregoing report has been furnished by the current members of the audit committee:

PROPOSAL II
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

The accounting firm of Deloitte & Touche LLP, or D&T, has served as our independent registered public accounting firm since our formation in November 1996. During this time, it has performed accounting and auditing services for us. We expect that representatives of D&T will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of D&T is not ratified, our audit committee will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR 2005.

31

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In addition to performing the audit of our financial statements, D&T provided audit-related services for us during 2004. The aggregate fees billed for 2004 and 2003 for each of the following categories of services are set forth below:

AUDIT FEES: The aggregate fees billed by D&T for audit and review of our 2004 financial statements were \$337,100. The aggregate fees anticipated for the audit of the Company's internal control over financial reporting were \$175,000. The aggregate fees billed by D&T for audit and review of our 2003 financial statements were \$277,750.

AUDIT-RELATED FEES: The aggregate fees billed by D&T for audit related services during 2004 were \$233,200. The aggregate fees billed by D&T for audit related services during 2003 were \$180,000. The audit related services in 2004 and 2003 principally included due diligence and accounting consultation relating to our public offerings.

TAX FEES: D&T did not perform tax services for us during 2004. The fees billed by D&T for tax services during 2003 were \$7,000. Fees for tax services include tax compliance, tax advice, and tax planning for 2003.

ALL OTHER FEES: Fees for all other services to D&T not described above totaled \$0 for 2004 and \$0 for 2003.

The audit committee has also adopted policies and procedures for pre-approving all non-audit work performed by D&T after January 1, 2003. Specifically, the audit committee pre-approved the use of D&T for the following categories of non-audit services: merger and acquisition due diligence and audit services; tax services; internal control reviews; employee benefit plan audits; and reviews and procedures that we request D&T to undertake to provide assurances on matters not required by laws or regulations. In each case, the audit committee also set a specific annual limit on the amount of such services which we would obtain from D&T, and required management to report the specific engagements to the audit committee on a quarterly basis, and also obtain specific pre-approval from the audit committee for any engagement over five percent of the total amount of revenues estimated to be paid by us to D&T during the then current fiscal year. Our audit committee approved the hiring of D&T to provide all of the services detailed above prior to D&T's engagement.

PROPOSAL III
APPROVAL OF THE EXECUTIVE PERFORMANCE PLAN

Section 162(m) of the Internal Revenue Code of 1986, as amended,

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

provides that in order for compensation in excess of \$1,000,000 paid in any year to any "covered employee" (defined by 162(m) of the Code as a company's chief executive officer or any of such company's four other most highly compensated executive officers named in the proxy statement) to be deductible by the company, such compensation must qualify as "performance-based." Our board of directors has determined that it is in the best interests of our shareholders that it adopt, subject to stockholder approval, an Executive Performance Plan under which covered employees (as they

32

may be constituted from time to time) would be eligible for performance-based compensation which would be exempt from the limitations of Section 162(m). A full text of the Executive Performance Plan is set forth in Appendix II to this proxy statement.

Our existing employment agreements with our covered employees do not contain performance-based criteria. As a result, a portion of the compensation we pay to these officers is not deductible by us. We will need to renegotiate their employment agreements and include performance-based criteria before we will be able to deduct compensation in excess of \$1 million a year.

The compensation committee will administer the Executive Performance Plan and has the responsibility of designating eligible participants and establishing specific "performance targets" for each participant in the plan. The performance targets may be based on one or more of the following business criteria (which are defined in Section 2 of the plan), or on any combination thereof: net income; return on equity; return on assets; earnings per share; revenue; and threshold return. The criteria may be on a consolidated basis or may be with respect to the performance of one or more of our subsidiaries.

The targets must be established not later than 90 days after the beginning of the period of service to which the targets relate and while the performance relative to the target remains "substantially uncertain" within the meaning of Section 162(m). The performance measurement periods are typically a single fiscal year, but may include more than one fiscal year, such as from January 1, 2006 through December 31, 2010.

The compensation committee shall determine whether the applicable performance targets have been met, and in doing so, will eliminate, in whole or in part, in any manner specified by it at the time the performance targets are established, the gain, loss, income and/or expense resulting from the following items: (1) changes in accounting principles that become effective during the performance period; (2) extraordinary, unusual or infrequently occurring events reported in our public filings, excluding early extinguishment of debt, and (3) the disposition of a business, in whole or in part. The compensation committee may, however, provide at the time the performance targets are established that one or more of these adjustments will not be made as to a specific award or awards. Each of the adjustments described in this paragraph may relate to us as a whole or any part of our business or operations, as determined by the compensation committee at the time the performance targets are established. The adjustments are to be determined in accordance with generally accepted accounting principles and standards, unless another objective method of measurement is designated by the compensation committee. Finally, adjustments will be made as necessary to any business criteria related to our stock to reflect changes in corporate capitalization, such as stock splits and certain reorganizations.

We expect that the compensation committee will establish specific annual performance targets that must be met in order for annual bonuses to be paid under the Executive Performance Plan to executive officers subject to

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

Section 162(m). Concurrently with the selection of performance targets, the compensation committee must establish an objective formula or standard for calculating the maximum bonus payable to each participating executive officer. Under the Executive Performance Plan, the maximum cash bonus for each fiscal year may not exceed \$15,000,000 for the Chief Executive Officer, or \$10,000,000 for other participants.

33

Over the five-year term of the Executive Performance Plan, the maximum per participant amounts are thus \$75,000,000 for the Chief Executive Officer and \$50,000,000 for any other participant (excluding restricted stock and restricted stock unit awards, described below).

The compensation committee may not waive the basic performance target as to the business criterion chosen for any particular period. All bonuses generally are expected to be paid in cash or cash equivalents, although the compensation committee may authorize payment in stock or stock units of equivalent market value in its discretion. The Executive Performance Plan also permits the grant to eligible employees of restricted stock or restricted stock units that are intended to qualify as performance-based compensation under Section 162(m). In general, restricted stock is a grant of stock that is subject to forfeiture if specified vesting requirements are not satisfied; and restricted stock units are awards denominated in our shares which are payable to a participant in cash or our shares upon satisfaction of specific conditions set by the compensation committee.

No new restricted shares are being authorized in connection with the adoption of the Executive Performance Plan. Grants of restricted stock would be made as combined grants under the Executive Performance Plan and under our Incentive Plan and would be counted against the aggregate share limitations included in the Incentive Plan.

The performance plan may from time to time be amended, suspended or terminated, in whole or in part, by the board of directors or the compensation committee, but no amendment will be effective without board of directors and/or shareholder approval if such approval is required to satisfy the requirements of Section 162(m).

The compensation committee has not established any performance targets for cash bonuses for fiscal year 2005. The compensation committee believes that specific performance targets will constitute confidential business information, the disclosure of which could adversely affect us. As a result, the compensation committee does not intend to disclose specific performance targets under the Executive Performance Plan. Presently, no employees have been designated to participate in the Executive Performance Plan, and as a result, the amounts that we will pay under the plan for future years are not yet determinable.

The Executive Performance Plan is not exclusive. We may and do pay cash and other bonuses and other compensation to our named officers and other officers under other authority of the board of directors or applicable law and reserve the right to issue restricted stock, restricted stock units and other securities under the Incentive Plan that are not covered by the Executive Performance Plan. You are not being asked at the meeting to approve any such other compensation. If the Executive Performance Plan is not approved by our shareholders, any cash bonuses for future fiscal years for named executive officers would not be deductible under Section 162(m) to the extent that (when combined with other non-exempt compensation paid) they exceed the \$1,000,000 individual limit on non-exempt compensation paid to our named executive officers.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

The board of directors believes, in general, that it is desirable and in the best interest of us and our shareholders to enable the Executive Performance Plan to comply with the requirements of Section 162(m), while retaining the flexibility to make compensation decisions that may not

34

meet Section 162(m) standards in appropriate cases. The board of directors believes that the Executive Performance Plan provides important incentives that complement the prospect of linking in the future significant portions of executive compensation to the Company's performance. The Executive Performance Plan also serves the Company's interests by granting the compensation committee extensive discretion to evaluate the criteria and other factors by which performance is to be measured and to determine the actual amount of each eligible executive's annual bonus within the maximum limits imposed.

FOR THE FOREGOING REASONS, THE BOARD OF DIRECTORS, WITH MR. FARRELL AND MS. DENAHAN-NORRIS ABSTAINING, RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" APPROVAL OF THE EXECUTIVE PERFORMANCE PLAN.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

We believe that, during the fiscal year ended December 31, 2004, all filing requirements under Section 16(a) of the Securities Exchange Act of 1934, as amended, applicable to our officers, directors and beneficial owners of more than ten percent of our common stock were complied with on a timely basis.

APPENDIX I

AUDIT COMMITTEE CHARTER

AUDIT COMMITTEE CHARTER

This Audit Committee Charter (Charter) has been adopted by the Board of Directors (the Board) of Annaly Mortgage Management, Inc (the Company). The Audit Committee of the Board (the Committee) shall review and reassess this charter annually and recommend and proposed changes for the Board of approval.

ROLE AND INDEPENDENCE: ORGANIZATION

The Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, internal control, and financial reporting practices of the Company. It may also have such other duties as may from time to time be assigned to it by the Board. The membership of the Committee shall consist of at least three directors, who are each free of any relationship that, in the opinion of the Board, may interfere with such member's individual exercise of independent judgement. Each Committee member shall also meet the independence and financial literacy requirements for serving on audit committees, and at least one member shall have accounting or related financial expertise, all as set forth in the applicable rules of the New York Stock Exchange and to the extent required by the rules of the Securities and Exchange Commission. No member may serve on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to serve effectively on the Committee, and discloses this determination in the Company's annual proxy statement. The Committee shall maintain free and open communication with independent registered public accounting firm and the Company management. In discharging its oversight role, the Committee is empowered to investigate any matter relating to the Company's accounting, auditing, internal control, and financial reporting practices brought to its attention, with full access to all Company books, records, facilities, and personnel. The Committee shall also annually review its own performance. The Committee may retain outside counsel, registered public accounting firm, or other advisors.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling and presiding over meetings, preparing agendas, and making regular reports to the Board. The chair will also maintain regular liaison with the CEO, CFO, and the lead independent audit partner. The Committee shall meet at least four times a year, or more frequently as the Committee considers necessary. At least once each year the Committee shall have separate private meetings with the independent registered public accounting firm.

RESPONSIBILITIES

Although the Committee may wish to consider other duties from times to time, the general recurring activities of the Committee in carrying out its oversight rolls are described below. The Committee shall be responsible for:

APP I-1

- [] The sole responsibility to retain and terminate the Company's independent registered public accounting firm (subject to shareholder ratification for the hiring or retention) to audit the financial statements of the Company. Such registered public accounting firm are ultimately accountable to the board and the Committee, as representatives of the shareholders.
- [] Evaluating, together with the Board and management, the performance of the independent registered public accounting firm including reviewing and evaluating the qualifications, performance, and independence of the lead partner of the independent registered public accounting firm.
- [] Obtaining annually from the independent registered public accounting firm a formal written statement describing all relationships between the registered public accounting firm and the Company, consistent with the Independence Standards Board Standards Number 1. The Committee shall actively engage in a dialogue with the independent registered public accounting firm with respect to any relationships that may impact the objectivity and independence of the registered public accounting firm and shall take, or recommend that the Board take, appropriate actions to oversee and satisfy itself as to the registered public accounting firm' independence.
- [] Establishing policies and procedures for the engagement of the independent registered public accounting firm to provide permissible non-audit services, which shall include pre-approval of permissible non-audit services to be provided by the independent registered public accounting firm. The Committee shall approve in advance all permissible non-audit services to be provided by the independent registered public accounting firm.
- [] Reviewing the audited financial statements and discussing them with management and the independent registered public accounting firm. Included in these discussions, would be the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operation," to be included in the Form 10K. These discussions shall include the matters required to be discussed under Statement of Auditing Standards No. 61 and consideration of the quality of the Company's accounting principles as applied in its financial reporting, including a review of particularly sensitive accounting estimates, reserves and accruals, judgmental areas, audit adjustments (whether or not recorded), the clarity of the financial statements and other such inquiries as the Committee or the independent auditions

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

shall deem appropriate. Based on such review, the Committee shall make its recommendation to the Board as to the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10K.

- [] Meet separately with independent registered public accounting firm and the person responsible for the internal audit function. The separate sessions are intended to be more productive in identifying any issues warranting Committee attention than joint sessions with management.
- [] Issuing annually a report to be included in the Company's proxy statement as required by the rules of the Securities and Exchange Commission.

APP I-2

- [] Overseeing the relationship with the independent registered public accounting firm, including discussing with the registered public accounting firm the nature and rigor of the audit process, receiving and reviewing audit reports, and providing the registered public accounting firm full access to the Committee (and the Board) to report on any and all appropriate matters.

APP II-3

ARTICLE 3 ADMINISTRATION OF THE PLAN

SECTION 3.1 THE COMMITTEE.

The Plan shall be administered by a Committee consisting of at least three members of the Board of Directors of the Company, duly authorized by the Board of Directors of the Company to administer the Plan who are "outside directors" within the meaning of Section 162(m).

SECTION 3.2 POWERS OF THE COMMITTEE.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

The Committee shall have the sole authority to establish and administer the Business Criteria and Performance Target(s) and the responsibility of determining from among the Executives those persons who will participate in and receive Awards under the Plan and, subject to the terms of the Plan, the amount or Shares under such Awards, and the time or times at which and the form and manner in which Awards will be paid (which may include elective or mandatory deferral alternatives) and shall otherwise be responsible for the administration of the Plan, in accordance with its terms. The Committee shall have the power to establish Business Criteria and Performance Target(s) with respect to the Company on a consolidated basis or with respect to one or more of the Company's subsidiaries. The Committee shall have the authority to construe and interpret the Plan (except as otherwise provided herein) and any agreement or other document relating to any Awards under the Plan, may adopt rules and regulations governing the administration of the Plan, and shall exercise all other duties and powers conferred on it by the Plan, or which are incidental or ancillary thereto.

SECTION 3.3 REQUISITE ACTION.

A majority (but not fewer than two) of the members of the Committee shall constitute a quorum. The vote of a majority of those present at a meeting at which a quorum is present or the unanimous written consent of the Committee shall constitute action by the Committee.

SECTION 3.4 EXPRESS AUTHORITY (AND LIMITATIONS ON AUTHORITY) TO CHANGE TERMS AND CONDITIONS OF AWARDS; ACCELERATION OR DEFERRAL OF PAYMENT.

Without limiting the Committee's authority under other provisions of the Plan, but subject to any express limitations of the Plan and compliance with Section 162(m), the Committee shall have the authority to accelerate an Award (after the attainment of the applicable Performance Target(s)) and to waive restrictive conditions for an Award (including any forfeiture conditions, but not Performance Target(s)), in such circumstances as the Committee deems appropriate. In the case of any acceleration of an Award after the attainment of the applicable Performance Target(s), the amount payable shall be discounted to its present value using an interest rate equal to Moody's Average Corporate Bond Yield for the month preceding the month in which such acceleration occurs (or such other rate of interest that is deemed to constitute a "reasonable rate of interest" for purposes of Section 162(m)). Any deferred payment shall be subject to Section 4.9 and, if applicable, Section 4.10. In addition, and notwithstanding anything elsewhere in the Plan to the contrary, the Committee shall have the authority to provide under the terms of an

APP II-4

Award that payment or vesting shall be accelerated upon the death or disability of an Executive, a change in control of the Company, or upon termination of the Executive's employment without cause or as a constructive termination, as and in the manner provided by the Committee, and subject to such provision not causing the Award to fail to satisfy the requirements for performance-based compensation under Section 162(m) generally.

ARTICLE 4 BONUSES

SECTION 4.1 PROVISION FOR BONUS.

Each participating Executive may receive a Bonus if the Performance Target(s) established by the Committee, relative to the applicable Business

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

Criteria, are attained in the applicable Performance Period established by the Committee. The applicable Performance Period and Performance Target(s) shall be determined by the Committee consistent with the terms of the Plan and Section 162(m). Notwithstanding the fact that the Performance Target(s) have been attained, the Company may, in accordance with Section 4.7, pay a Bonus of less than the amount determined by the formula or standard established pursuant to Section 4.2 or may pay no Bonus at all, unless the Committee otherwise expressly provides by written contract or other written commitment.

SECTION 4.2 SELECTION OF PERFORMANCE TARGET(S).

The specific Performance Target(s) with respect to the Business Criteria shall be established by the Committee (i) during a period when the performance relating to the Performance Target(s) remains substantially uncertain within the meaning of Section 162(m) and (ii) prior to the deadlines applicable under Section 162(m). The Performance Target(s) with respect to any Performance Period may be established on a cumulative basis or in the alternative, and may be established on a stand-alone basis with respect to the Company or on an a relative basis with respect to any peer companies or index selected by the Committee. At the time the Performance Target(s) are selected, the Committee shall provide, in terms of an objective formula or standard for each participating Executive, and for any person who may become an Executive after the Performance Target(s) are set, the method of computing the specific amount that will represent the maximum amount of Bonus payable to the Executive if the Performance Target(s) are attained, subject to Sections 4.1, 4.3, 4.7, 6.1 and 6.7. The objective formula or standard shall preclude the use of discretion to increase the amount of any Bonus earned pursuant to the terms of the Award.

SECTION 4.3 MAXIMUM INDIVIDUAL BONUS.

Notwithstanding any other provision hereof, no Executive shall receive Bonuses under the Plan for Performance Periods ending with or within any one Year in excess of \$15 million (\$10 million for Executives other than the Chief Executive Officer). The foregoing limits shall be subject to adjustments consistent with Section 3.4 in the event of acceleration or deferral.

APP II-5

SECTION 4.4 SELECTION OF EXECUTIVES.

For each Performance Period, the Committee shall determine, at the time the Business Criteria and the Performance Target(s) are set, those Executives who will participate in the Plan.

SECTION 4.5 TERMINATION OF EMPLOYMENT.

If a participating Executive terminates employment prior to the payment of a Bonus, the Executive shall not be entitled to any payment in respect of the Bonus, unless otherwise expressly provided by the terms of the Awards to that Executive or other written contract between the Company and the Executive.

SECTION 4.6 ADJUSTMENTS TO BUSINESS CRITERIA, PERFORMANCE TARGETS AND OTHER TERMS OF BONUSSES.

To preserve the intended incentives and benefits of an Award, the Committee shall apply the objective formula or standard with respect to the applicable Performance Target in a manner that eliminates the effects of the following: (i) the gain, loss, income or expense resulting from changes in accounting principles that become effective during the Performance Period; (ii) the gain, loss, income or expense reported by the Company in its public filings

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

with respect to the Performance Period that are extraordinary or unusual in nature or infrequent in occurrence, excluding gains or losses on the early extinguishment of debt, as determined in accordance with Opinion No. 30 of the Accounting Principles Board, and (iii) the gains or losses resulting from, and the direct expenses incurred in connection with, the disposition of a business, in whole or in part. The Committee may, however, provide at the time the Performance Targets are established that one or more of the foregoing adjustments will not be made as to a specific Award. Each of the adjustments described in this Section 4.6 may relate to the Company as a whole or any part of the Company's business or operations, as determined by the Committee at the time the Performance Targets are established. The adjustments are to be determined in accordance with generally accepted accounting principles and standards, unless another objective method of measurement is designated by the Committee. In addition to the foregoing, the Committee shall adjust any Business Criteria, Performance Targets or other features of an Award that relate to or are wholly or partially based on the number of, or the value of, any Shares, to reflect a change in the Company's capitalization, such as a stock split or dividend, or a corporate transaction, such as a merger, consolidation, separation (including a spin-off or other distribution of stock or property), or a reorganization of the Company.

SECTION 4.7 COMMITTEE DISCRETION TO DETERMINE BONUSES.

The Committee shall have the sole discretion to determine the standard or formula pursuant to which each Executive's Bonus shall be calculated (in accordance with Sections 4.1 and 4.2), whether all or any portion of the amount so calculated will be paid, and the specific amount (if any) to be paid to each Executive, subject in all cases to the terms, conditions and limits of the Plan and of any other written commitment authorized by the Committee. To this same extent, the Committee may at any time establish (and, once established, rescind, waive or amend) additional conditions and terms of payment of Bonuses (including but not limited to the achievement of other financial, strategic or individual goals, which may be objective or

APP II-6

subjective) as it may deem desirable in carrying out the purposes of the Plan and may take into account such other factors as it deems appropriate in administering any aspect of the Plan. The Committee may not, however, increase the maximum amount permitted to be paid to any individual under Section 4.2 or 4.3 of the Plan or award a Bonus under this Plan if the applicable Performance Target(s) have not been satisfied.

SECTION 4.8 COMMITTEE CERTIFICATION.

No Executive shall receive any payment under the Plan unless the Committee has certified, by resolution or other appropriate action in writing, that the amount thereof has been accurately determined in accordance with the terms, conditions and limits of the Plan and that the Performance Target(s) and any other material terms previously established by the Committee or set forth in the Plan were in fact satisfied.

SECTION 4.9 TIME OF PAYMENT; DEFERRED AMOUNTS.

Any Bonuses granted by the Committee under the Plan shall be paid as soon as practicable following the Committee's determinations under this Section 4 and the certification of the Committee's findings under Section 4.8. Any such payment shall be in cash or cash equivalent or in such other form of equal value on such payment date (including Shares or share equivalents as contemplated by Section 4.10) as the Committee may approve or require, subject to applicable withholding requirements and, if applicable, Section 4.10. Notwithstanding the

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

foregoing, the Committee, in its sole discretion (but subject to compliance with Section 162(m) and to any prior written commitments and to any conditions consistent with Sections 3.4, 4.3, 4.10 and 6.7 that it deems appropriate), defer the payout or vesting of any Bonus and/or provide to Executives the opportunity to elect to defer the payment of any Bonus under a nonqualified deferred compensation plan and as contemplated by Section 4.10. In the case of any deferred payment of a Bonus after the attainment of the applicable Performance Target(s), any amount in excess of the amount otherwise payable shall be based on either Moody's Average Corporate Bond Yield (or such other rate of interest that is deemed to constitute a "reasonable rate of interest" for purposes of Section 162(m)) over the deferral period or the return over the deferral period of one or more predetermined actual investments (including Shares) such that the amount payable at the later date will be based upon actual returns, including any decrease or increase in the value of the investment(s).

SECTION 4.10 SHARE PAYOUTS OF BONUS.

Any Bonus payable in Shares shall be pursuant to a combined Award under the Plan and the Stock Plan. The number of Shares or stock units (or similar deferred award representing a right to receive Shares) awarded in lieu of all or any portion of a Bonus shall be equal to the largest whole number of Shares which have an aggregate fair market value no greater than the amount of cash otherwise payable as of the date the cash payment of the Bonus would have been made. For this purpose, "fair market value" shall mean the average of the high and low prices of the Shares on such date. Any such Shares, stock units (or similar rights) shall thereafter be subject to adjustments for changes in corporate capitalization as provided in the Stock Plan. Dividend equivalent rights thereafter earned may be accrued and payable in additional stock units, cash or Shares or any combination thereof, in the Committee's discretion.

APP II-7

ARTICLE 5 RESTRICTED STOCK AND RESTRICTED UNITS

SECTION 5.1. AWARDS.

The Committee may grant Awards under the Plan in the form of Restricted Stock or Restricted Units, which shall become vested or payable based upon the achievement of Performance Target(s) established by the Committee and upon the continued employment of the Executive for such period or periods as the Committee shall specify. Such Awards may be granted at any time after the Plan is approved by the stockholders of the Company in accordance with Section 162(m) and before the date of the first meeting of stockholders in 2010. The selection of Executives, Business Criteria, Performance Targets and Performance Period and other terms and conditions of the Award shall be established and administered by the Committee on the same basis as provided for Bonuses under Article 4 hereof (other than Section 4.3 hereof), except as context otherwise requires. Any Shares subject to a Restricted Stock Award or distributed to an Executive under a Restricted Unit Award shall be pursuant to a combined Award under the Plan and Stock Plan, and shall be subject to adjustments for changes in corporate capitalization as provided in the Stock Plan. Unless otherwise provided by the Committee, any dividends, distributions and equivalent rights payable with respect to Restricted Stock or Restricted Units shall be subject to the same vesting or payment conditions established pursuant to the Award. Notwithstanding the fact that Performance Targets have been attained with respect to any Award in the form of Restricted Stock or Restricted Units, the Company may, on the same basis as provided for Bonuses under Section 4.1 and 4.7, reduce the amount vesting or payable, or eliminate vesting or payment, unless the Committee otherwise expressly provides by written contract or other written commitment.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

SECTION 5.2 MAXIMUM AWARDS.

The maximum number of Shares or stock units that may be subject to Restricted Stock and/or Restricted Units granted to any one Executive under Section 5.1 shall be limited to 2,500,000 Shares, subject to adjustment to reflect changes in corporate capitalization in the same manner as provided in the Stock Plan. An Award of Restricted Stock or Restricted Units shall not affect the Executive's maximum Bonus under Section 4.3, and the provisions of Section 4.3 shall not apply to Awards under this Article 5.

ARTICLE 6 GENERAL PROVISIONS

SECTION 6.1 NO RIGHT TO AWARDS OR CONTINUED EMPLOYMENT.

This Plan or the provision for or payment of any amounts under the Plan does not and shall not be construed to confer upon any person any legal right to receive, or any interest in, an Award or any other benefit under the Plan, or any legal right to be continued in the employ of the Company. Subject to any other written agreement between an Executive and the Company, the Company expressly reserves any and all rights to discharge an Executive in its sole discretion, without liability of any person, entity or governing body under the Plan or otherwise. This Plan does not, and shall not be construed to adversely affect any express independent right of any

APP II-8

person under a separate employment agreement. Notwithstanding any other provision hereof and notwithstanding the fact that the Performance Target(s) have been attained and/or the individual maximum amounts hereunder have been calculated, the Company shall have no obligation to pay any Bonus or distribute any Award hereunder nor to pay the maximum amount so calculated or any prorated amount based on service during the period, except to the extent that the specific amount to be paid or distributed to a participating Executive has been determined by the Committee pursuant to Section 4.7 hereof, unless the Committee otherwise expressly provides by written contract or other written commitment.

SECTION 6.2 DISCRETION OF COMPANY, BOARD OF DIRECTORS AND COMMITTEE.

Any decision made or action taken by the Company or by the Board of Directors of the Company or by the Committee arising out of or in connection with the creation, amendment, construction, administration, interpretation and effect of the Plan shall be within the absolute discretion of such entity and shall be conclusive and binding upon all persons. No member of the Committee shall have any liability for actions taken or omitted under the Plan by the member or any other person.

SECTION 6.3 NO FUNDING OF PLAN.

The Company shall not be required to fund or otherwise segregate any cash or any other assets which may at any time be paid to Executives under the Plan. The Plan shall constitute an "unfunded" plan of the Company. The Company shall not, by any provisions of the Plan, be deemed to be a trustee of any property, and any rights of any Executive or former Executive shall be no greater than those of a general unsecured creditor or stockholder of the Company, as the case may be.

SECTION 6.4 NON-TRANSFERABILITY OF BENEFITS AND INTERESTS.

Except as expressly provided by the Committee, no benefit payable under the Plan shall be subject in any manner to anticipation, alienation, sale,

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form DEF 14A

transfer, assignment, pledge, encumbrance or charge, and any such attempted action shall be void and no such benefit shall be in any manner liable for or subject to debts, contracts, liabilities, engagements or torts of any Executive or former Executive. This Section 6.4 shall not apply to an assignment of a contingency or payment due (i) after the death of an Executive to the deceased Executive's legal representative or beneficiary or (ii) after the disability of an Executive to the disabled Executive's personal representative.

SECTION 6.5 LAW TO GOVERN.

All questions pertaining to the construction, regulation, validity and effect of the provisions of the Plan shall be determined in accordance with the laws of the State of New York.

SECTION 6.6 NON-EXCLUSIVITY.

The Plan does not limit the authority of the Company, the Board or the Committee, or any subsidiary of the Company to grant awards or authorize any other compensation to any

APP II-9

person under any other plan or authority of the Company, including, without limitation, the payment of cash bonuses or the issuance of restricted stock or restricted stock units or any other awards.

SECTION 6.7 SECTION 162(m) CONDITIONS; BIFURCATION OF PLAN.

It is the intent of the Company that the Plan and Awards made hereunder satisfy and be interpreted in a manner, that, in the case of Executives who are persons whose compensation is subject to Section 162(m), satisfies any applicable requirements as performance-based compensation. Any provision, application or interpretation of the Plan inconsistent with this intent to satisfy the standards in Section 162(m) of the Code shall be disregarded.

ARTICLE 7 AMENDMENTS, SUSPENSION OR TERMINATION OF PLAN

The Board of Directors or the Committee may from time to time amend, suspend or terminate in whole or in part, and if suspended or terminated, may reinstate, any or all of the provisions of the Plan. Notwithstanding the foregoing, no amendment shall be effective without Board of Directors and/or stockholder approval if such approval is necessary to comply with the applicable provisions of Section 162(m).
