**YOUR VOTE IS IMPORTANT
VOTE THE ENCLOSED WHITE PROXY CARD TODAY!**

Dear Fellow Shareholder: May 1, 2015

The Board of Directors (Board) of Telephone and Data Systems, Inc. (TDS) strongly urges all holders of TDS Common Shares to **vote in favor of your Board s four highly qualified nominees** (TDS Board Nominees) for election at the Annual Meeting of Shareholders, to be held on Thursday, May 21, 2015. Please vote **TODAY** by telephone, Internet or by signing, dating and returning the enclosed **WHITE** proxy card in the business reply envelope provided. We urge you to **DISCARD ANY BLUE PROXY CARD you may receive from GAMCO Asset Management Inc. (GAMCO)**, which is seeking to replace two of your Board s nominees with its own representatives.

**FIRST QUARTER FINANCIAL RESULTS CONFIRM YOUR COMPANY CONTINUES TO
SUCCESSFULLY EXECUTE ITS STRATEGIC BUSINESS PLAN**

TDS released financial results for the first quarter on May 1, 2015. Those results show that TDS is continuing to make progress and our U.S. Cellular and TDS Telecom business units are executing on their plans. TDS plans to continue that momentum through the rest of 2015. Highlights of the earnings press release and earnings call for the first quarter 2015 included the following:

Reported total operating revenues were \$1,251.6 million for the first quarter of 2015, up 5% over the comparable period one year ago.

Net income attributable to TDS shareholders and related diluted earnings per share were \$145.7 million and \$1.33 respectively, for the first quarter of 2015, compared to \$18.3 million and \$0.16, respectively, in the comparable period one year ago.

TDS and U.S. Cellular increased guidance for operating cash flow and adjusted EBITDA for 2015.

U.S. Cellular is maintaining a strong momentum from its turnaround in customer growth last year, adding postpaid customers and reducing churn.

More U.S. Cellular customers are adopting shared data plans and adding connected devices to those accounts, leading to increases in revenue.

U.S. Cellular will bring 4G LTE speeds to 98 percent of its customers in 2015, driving continued growth in smartphone penetration, connected devices, and data use.

TDS Telecom achieved continued success with its TDS TV service in the quarter, adding residential customers and increasing residential revenue per connection.

TDS Telecom's acquisition of BendBroadband has been very productive, driving increased revenues, operating cash flow and adjusted EBITDA.

TDS Telecom is evaluating further cable acquisitions and focused on increasing broadband penetration and TDS TV uptake.

GAMCO HAS ONCE AGAIN PROPOSED TWO DIRECTOR CANDIDATES WITH LITTLE RELEVANT EXPERIENCE

We are disappointed that GAMCO has once again commenced a proxy contest that is costly and distracting to TDS. GAMCO once again seeks to elect the same two candidates to the TDS Board in 2015 that it nominated in 2014: Philip T. Blazek and Walter M. Schenker (the GAMCO Candidates). TDS shareholders rejected these candidates in 2014 and we urge shareholders to again not vote for these candidates in 2015. The TDS Board believes that the GAMCO Candidates lack the relevant experience and skill sets that would add value to the Board.

Based on the information provided to TDS by GAMCO and the GAMCO Candidates and other information, the TDS Board believes that: the GAMCO Candidates have minimal experience as directors or officers of a public-company and the limited experience that they do have is with very small public companies; and the GAMCO Candidates have no meaningful experience in the telecommunications or other businesses in which TDS is engaged. In addition, Mr. Schenker consented to a settlement of an SEC enforcement proceeding in which he was required to pay a \$75,000 civil penalty.

In 2009, TDS added two persons designated by GAMCO, Clarence A. Davis and Gary L. Sugarman, to the TDS Board. These two experienced and qualified persons continue to serve on the TDS Board and have been very engaged and effective. On the other hand, we do not believe that the GAMCO Candidates have experience or qualifications comparable to that of Mr. Davis, Mr. Sugarman or the other two TDS Board Nominees, George W. Off and Mitchell H. Saranow.

THE TDS BOARD NOMINEES ARE HIGHLY QUALIFIED AND ARE ACTIVELY WORKING TO CREATE VALUE FOR ALL SHAREHOLDERS

The TDS Board believes that its nominees have significant and relevant business, finance and managerial expertise and qualifications, as set forth on the next page.

TDS Board members have been very active in urging meaningful action and helping TDS pursue changes for sustainable, profitable future growth. We believe that a change in TDS Board composition risks disruption in TDS ability to effect planned changes and would result in a loss of valuable expertise if such persons were to be replaced by new members with no meaningful relevant business experience and skill sets compared to the TDS Board Nominees.

We urge you to support your Board's nominees for election by voting the WHITE proxy card and discarding any BLUE proxy card you may receive from GAMCO.

Please vote the WHITE proxy card in favor of ALL FOUR OF your Board's nominees TODAY.

Thank you for your continued support.

Very truly yours,

LeRoy T. Carlson, Jr. Walter C.D. Carlson
President and Chief Executive Officer Chairman of the Board of Directors
