NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2002 AND DECEMBER 31, 2001

1. DESCRIPTION OF PLAN

The following description of the Clear Channel Outdoor, Inc. (the Company and Plan Sponsor) 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General -- The Plan is a defined contribution plan generally covering all eligible employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Effective January 1, 1998, the Plan froze employer and employee contributions and ceased new participant loans. Active participants were required to leave their assets in the Plan and allowed to contribute to a new account established under the participant's name in the Clear Channel Communications, Inc. 401(k) Savings Plan. All participants in the Plan became 100% vested in their account balance on the date the Plan was frozen. As of August 1, 1999, new participant loans under the Plan again became available.

Effective April 30, 2002, the Plan merged with the Clear Channel Communications, Inc. 401(k) Savings Plan.

Contributions -- Effective January 1, 1998, the Plan froze new participation and employer and employee contributions. As a result, no contributions were made to the Plan for the four months ended April 30, 2002.

Participants may reallocate their accounts among the investment options offered by the Plan. Prior to the merger, the Plan offered ten registered investment funds and one sponsored stock fund from which participants may invest their funds.

Participant Accounts -- Each participant's account is credited (debited) with an allocation of the Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting -- As of January 1, 1998, all participants of the Plan became 100% vested.

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

Participant Loans -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate determined by the Plan Sponsor.

Payment of Benefits -- On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or quarterly or annual installments over a period not to exceed the joint life expectancy of the participant and his or her spouse. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Effective July 1, 2001, the Plan was amended so that the only form of benefit is a single lump sum distribution.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting -- The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition -- The Plan's investments are stated at fair value. The Plan's investments in the common stock are reported at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan. Participant loans are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Payments of Benefits -- Benefits are recorded when paid.

Use of Estimates -- The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. - MASTER TRUST

Effective July 1, 1999, the Plan transferred all investments to the Clear Channel Communications, Inc. - Master Trust (Master Trust), which is held by Fidelity Management Trust Company (Trustee). The Master Trust was established for the investment of assets of the Plan and five other Clear Channel Communications, Inc., sponsored retirement plans.
