Item 5. Other Events

On February 27, 2003, ONEOK, Inc. (the Company ) announced earnings guidance for 2003 of \$2.40 to \$2.45 per share of common stock, excluding the effect of the EITF 02-3 accounting change. EITF 02-3 requires certain energy-related contracts, which have been accounted for at fair value, to be accounted for on an accrual basis. This will result in going from mark-to-market accounting to accrual accounting. The impact of EITF 02-3 will require a pre-tax charge of \$231 million in the first quarter of 2003. In addition, the effect of EITF Topic D-95 was eliminated beginning in February 2003 by the implementation of a new shareholder agreement with Westar Energy. The Company will be required to calculate earnings under Topic D-95 only for the first month of 2003. The remaining 11 months will be calculated under the traditional dilutive earnings calculation method.

Item 7. Financial Statements, Pro Forma Financial Information and Exhibits
