Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in Registrant's Certifying Accountant.

(a) On October 1, 2007, Malone & Bailey, PC was terminated as the certifying accountant for Trans Energy, Inc. (the "Registrant").

Malone & Bailey, PC has served since September 8, 2006 as the certifying accountant for the Registrant's financial statements. Its audit report to the Registrant's financial statements for the year ended December 31, 2006, includes

a modification expressing substantial doubt as to the Registrant's ability to continue as a going concern because it (i) has generated significant losses from operations; (ii) recorded a significant accumulated deficit; and (iii) has a working capital deficit. The audit report contains no other adverse opinion, disclaimer of opinion or modification as to uncertainty, audit scope or accounting principles.

During the period Malone & Bailey, PC was engaged by the Registrant, there were no disagreements with Malone & Bailey, PC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Malone & Bailey, PC would have caused Malone & Bailey, PC to make reference to the subject matter of the disagreements in connection with any reports it would have issued. Also, there were no "reportable events" as that term is defined in Item 304(a)(1)(iv) of Regulation S-B.

The Registrant has provided Malone & Bailey, PC with a copy of the foregoing disclosure, and has requested that Malone & Bailey, PC furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with such disclosure. The Registrant has filed as an Exhibit to this Form 8-K a copy of the letter from Malone & Bailey, PC required by Item 304(a)(3) of Regulation S-B.

(b) On October 1, 2007, the Registrant entered into an engagement letter with GBH CPAs, PC to assume the role of its new certifying accountant. GBH CPAs, PC has been asked to audit the Registrant's financial statements for the year ending December 31, 2007. During the two most recent fiscal years and the subsequent interim periods prior to the engagement of GBH CPAs, PC, the Registrant did not consult with GBH CPAs, PC with regard to:

(i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Registrant's financial statements; or

(ii) any matter that was either the subject of a disagreement or a reportable event (as described in Item 304(a)(1)(iv) of Regulation S-B).

The decision to change principal auditors and the engagement of the new principal auditor was recommended and approved by the Registrant's Board of Directors.
