PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

JUNE 19, 2003

INFORMATION CONCERNING SOLICITATION AND VOTING

Introduction

This Proxy Statement and the enclosed proxy card (Proxy) are being furnished on behalf of the Board of Directors of Bankrate, Inc., a Florida corporation (the Company), for use at the 2003 Annual Meeting of Stockholders of the Company (the Annual Meeting), or at any adjournments or postponements, for the purposes set forth below and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at The Waterford Hotel & Conference Center, 11360 U.S. Highway One, North Palm Beach, Florida 33408, at 9:00 a.m. local time, on Thursday, June 19, 2003. The Company intends to mail this Proxy Statement and the Proxy on or about May 7, 2003, to all stockholders entitled to vote at the Annual Meeting.

Stockholders Entitled to Notice and to Vote; Quorum

Only holders of record of the Company's Common Stock at the close of business on April 16, 2003 (the Record Date), will be entitled to notice of and to vote at the Annual Meeting. At the Record Date, the Company had outstanding and entitled to vote 14,206,609 shares of Common Stock. Each holder of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

The holders of a majority of the Common Stock outstanding on the Record Date, whether present at the Annual Meeting in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each stockholder who signs and returns a valid Proxy will be counted for purposes of determining the presence of a quorum at the Annual Meeting, whether or not the stockholder abstains on all or any matters to be acted on. Abstentions and broker non-votes both will be counted toward fulfillment of quorum

Edgar Filing: BANKRATE INC - Form DEF 14A

requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Voting Requirements

At the Annual Meeting, stockholders will consider and act upon the election of directors, the ratification of the selection of the Company's independent public accountants, and such other business as may properly come before the Annual Meeting.

The Company's Bylaws provide that directors are elected by a plurality of the votes cast. The withholding of authority by a stockholder (including broker non-votes) as to the election of directors (Proposal 1) thus has no effect on the results of the election.

Under Florida law, the ratification of the selection of the Company's independent public accountants (Proposal 2) must be approved by a majority of the votes cast. Abstentions and broker non-votes are not treated as votes cast and thus have no effect on the vote for Proposal 2.

At the Record Date, the directors and executive officers of the Company owned or controlled the power to vote 8,048,302 shares of Common Stock eligible to be voted at the Annual Meeting, constituting approximately 56.65% of the outstanding Common Stock. The Company believes that directors and executive officers will vote all of their shares of Common Stock in favor of the election of each of the director nominees and in favor of Proposal 2 and, therefore, that the presence of a quorum, the election of the director nominees and the ratification of the selection of the independent public accountants is reasonably assured.

Proxies

When a Proxy is properly signed and returned, the shares that it represents will be voted at the Annual Meeting in accordance with the owner's instructions. In the absence of such instructions, the shares represented by a signed Proxy will be voted in favor of each of the nominees for election to the Board of Directors, as set forth in Proposal 1, and in favor of the ratification of the selection of independent public accountants, as set forth in Proposal 2.

Discretionary authority is provided in the Proxy as to any matters not specifically referred to in the Proxy or this Proxy Statement. The Board of Directors is not aware of any other matters that are likely to be brought before the Annual Meeting. If any other matter is properly presented for action at the Annual Meeting, including a proposal to adjourn or postpone the Annual Meeting to permit the Company to solicit additional proxies in favor of any proposal, the persons named in the Proxy will vote on such matter in their own discretion.

Any stockholder who signs and returns a Proxy has the power to revoke it at any time before it is exercised by providing written notice of revocation to the Secretary of the Company or by filing with the Secretary of the Company a Proxy bearing a later date. Alternatively, a stockholder can revoke a Proxy by attending the Annual Meeting and voting in person.

Proxies will be solicited from the Company's stockholders by mail. The Company will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. The Company may employ a proxy solicitation firm to solicit proxies in connection with the Annual Meeting, and the Company estimates that the fee payable for such services would be less than \$10,000. It is possible that directors, officers and other employees of the Company may make further solicitations personally or by telephone, facsimile or mail. Directors, officers and other employees of the Company will receive no additional compensation for any such further solicitations.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the amount and percent of shares of Common Stock that, at the Record Date, are deemed under the rules of the Securities and Exchange Commission (the "Commission") to be beneficially owned by each member of the Board of Directors, by each nominee for election to the Board of Directors, by each executive officer of the Company named in the Summary Compensation Table below, by all directors and executive officers of the Company as a group, and by any person or group (as that term is used in the Securities Exchange Act of 1934, as amended) known to the Company to be a beneficial owner of more than 5% of the outstanding shares of Common Stock as of that date. The information concerning the beneficial ownership of the Company's directors and officers is based solely on information provided by those individuals.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

The Board of Directors is divided into three classes, each of whose members serve for staggered three-year terms. At each annual meeting of stockholders, a class of directors is elected for a three-year term to succeed the directors of the same class whose terms are then expiring. The Board is currently comprised of two Class I directors (Mr. O Block and Mr. Poliner) whose terms expire at the Annual Meeting, two Class II directors (Ms. DeMarse and Mr. Grayson) whose terms expire at the 2004 annual meeting of stockholders, and two Class III directors (Mr. Martin and Mr. Morse) whose terms expire at the 2005 annual meeting of stockholders. The Board of Directors has nominated Messrs. O Block and Poliner to stand for reelection as directors at the Annual Meeting. If reelected, they will serve as Class I directors with terms expiring at the 2006 annual meeting of stockholders. There are no family relationships among any of the directors or the nominees.

Shares represented by validly executed Proxies will be voted for the election of the nominees, if authority to do so is not withheld. In the event that any nominee is unavailable for election, such shares may be voted for the election of such substitute nominee or nominees, if any, as the Board of Directors may select.

The Board of Directors recommends a vote FOR each of the nominees.

Option Grants in Last Fiscal Year

On July 3, 2001, the Company implemented a stock option exchange program in which employees were offered the opportunity to surrender stock options previously granted to them in exchange for new options to purchase an equal number of shares. Options to purchase 1,180,002 shares (with an average exercise price of \$2.87 per share) were surrendered under this program. The new options were granted on February 4, 2002. The exercise price of the new options (\$0.85 per share) was equal to the closing market price of the Company's Common Stock on the date of grant. All of the Named Executive Officers surrendered their previously granted stock options under this program except Ms. Skoran, who retained and continues to hold options to purchase 17,800 shares at an exercise price of \$1.30 per share.

The following table sets forth all individual grants of stock options during the year ended December 31, 2002, to each of the Named Executive Officers:

Name	Individual Grants				Potential Realizable	
	Number of	Percent of			Value at Assumed	
	Securities	Total Options			Annual Rates of Stock	
	Underlying	Granted to	Exercise or	Price Appreciation		
	Options	Employees in	Base Price	Expiration	for Option Term (1)	
	Granted	Fiscal Year	Per Share	Date	5%	10%
Elisabeth DeMarse	541,936	40.1%	\$ 0.85	02/04/2012	\$ 287,226	\$ 731,614
G. Cotter Cunningham	160,000	11.8%	0.85	02/04/2012	84,800	216,000
Robert J. DeFranco	82,500	6.1%	0.85	02/04/2012	43,725	111,375
Edward L. Newhouse	200,000	14.8%	0.85	02/04/2012	106,000	270,000
Procopia T. Skoran	14,000	1.0%	0.85	02/04/2012	7,420	18,900

- (1) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on the fair market value per share on the date of grant and assumed rates of stock price appreciation of 5% and 10%, compounded annually, from the date the respective options were granted to their expiration date. These assumptions are mandated by the rules of the Commission and are not intended to forecast future appreciation of our stock price. The potential realizable value computation is net of the applicable exercise price, but does not take into account federal or state income tax consequences and other expenses of option exercises or sales of appreciated stock. Actual gains, if any, are dependent upon the timing of such exercise and the future performance of our Common Stock. There can be no assurance that the rates of appreciation in this table can be achieved. This table does not take into account any appreciation in the price of our common stock to date.

Option Exercises in Last Fiscal Year and Year-End Option Values

Under the terms of the employment agreement, Ms. DeMarse agrees to assign to the Company all of her copyrights, trade secrets and patent rights that relate to the Company's business. Additionally, during the term of her employment and for a period of one year thereafter, Ms. DeMarse agrees not to compete with the Company and not to recruit any of its employees, unless the Company terminates her without cause or she resigns for good reason (as defined in the agreement). Upon Ms. DeMarse's termination of employment for certain reasons (i.e., without cause, disability, resignation for good reason, or a change of control), the Company agrees to pay her severance amount of \$250,000, as well as reimburse her for health, dental and life insurance coverage premiums for one year after such termination. The agreement terminates on April 27, 2005. Ms. DeMarse was previously granted options to purchase 541,936 shares of the Company's Common Stock under the Company's 1999 Equity Compensation Plan at \$2.69 per share, the fair market value on the date of grant. The options vested over a 24-month period. Ms. DeMarse surrendered all of these options and was granted options to purchase 541,936 shares at \$0.85, the fair market value of the Company's Common Stock on February 4, 2002, the date of grant, in connection with our stock option exchange program (see Option Grants in Last Fiscal Year above).

Compensation of Directors

Neither employee nor non-employee directors receive any compensation for their services as such. The Company reimburses each director for reasonable out-of-pocket expenses incurred in attending meetings of the Board of Directors and any of its committees.

Compensation Committee Interlocks and Insider Participation

The following non-employee directors were the members of the Compensation Committee of the Board of Directors during 2002: Bruns H. Grayson (Chairman) and Randall E. Poliner. Mr. Grayson resigned from the Compensation Committee in January 2003 and was replaced as Chairman by Randall E. Poliner. Robert P. O Block was appointed as a member of the Compensation Committee. None of the members of the Compensation Committee is an executive officer of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Company's Board of Directors has furnished the following report on executive compensation in accordance with the rules and regulations of the Commission. This report outlines the duties of the Compensation Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers and other key employees, and the basis on which the 2002 compensation was determined for the executive officers, with particular detail given to the 2002 compensation for the Company's Chief Executive Officer.

Compensation of Executive Officers Generally

The Compensation Committee is responsible for establishing compensation levels for the executive officers of the Company, including the annual bonus plan for executive officers, and for administering the Company's equity compensation plans. The Compensation Committee is comprised of two non-employee directors: Messrs. Poliner (Chairman) and O Block. The Compensation Committee's overall objective is to establish a compensation policy that will (1) attract, retain and reward executives who contribute to the achievement of the Company's business objectives; (2) motivate executives to attain these objectives; and (3) align the interests of

executives with those of the Company's long-term investors. The Company compensates executive officers with a combination of salary and incentives designed to focus their efforts on maximizing both the near-term and long-term financial performance of the Company. In addition, the Company's compensation program rewards individual performance that furthers Company goals. The executive compensation program includes base salary, incentive bonuses, long-term equity incentive awards in the form of stock option grants, and other benefits. Each executive officer's compensation package is designed to provide an appropriately weighted mix of these elements, which cumulatively provide a level of compensation roughly equivalent to that paid by companies of similar size and complexity.

Base Salary. Base salary levels for each of the Company's executive officers, including the Chief Executive Officer, are generally set within a range of base salaries that the Compensation Committee believes are paid to executive officers at companies deemed comparable to the Company based on similarities in revenue levels, industry segments and competitive employment markets. In addition, the Compensation Committee generally takes into account the Company's past financial performance and future expectations, as well as the performance of the executives and changes in the executives' responsibilities. The annual base salary paid to Ms. DeMarse (\$300,000) is the amount specified in her employment agreement with the Company.

Incentive Bonuses. The Compensation Committee recommends the payment of bonuses to provide an incentive to executive officers. Bonuses are awarded only if the Company achieves or exceeds certain corporate performance objectives. The incentive bonus to each executive officer is based on the individual executive's performance as it relates to the Company's performance. Pursuant to the Company's employment agreement with Elisabeth DeMarse, the Company is required to pay, and has paid, Ms. DeMarse a bonus of \$100,000 per year.

Equity Incentives. Stock options are used by the Company to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Stock options are also designed to align the interests of the Company's executive officers with those of its stockholders by encouraging executive officers to enhance the value of the Company, the price of the Common Stock, and hence, the stockholders' return over the long term. Generally, stock options are granted to executive officers from time to time based primarily upon the individual's actual and/or potential contributions to the Company and the Company's financial performance over the long term.

In July 2001, the Company implemented a stock option exchange program in which employees were offered the opportunity to surrender stock options previously granted to them in exchange for new options to purchase an equal number of shares. The new options were granted under this program in February 2002; see "Option Grants in Last Fiscal Year" for additional information. The Compensation Committee approved this program in order to enable the Company to attract, retain and motivate executive officers and other employees notwithstanding the significant decline in the market price of the Company's Common Stock in 2000 and 2001.

Compensation of the Chief Executive Officer

Pursuant to her employment agreement with the Company, the Company has paid Ms. DeMarse an annual salary of \$300,000 plus an annual bonus of \$100,000. The Committee believes the compensation paid to Ms. DeMarse is reasonable.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its Chief Executive Officer and the other four most highly compensated executive officers. The Company has not established a policy with regard to Section 162(m) of the Internal Revenue Code, because the

Company has not

paid and does not currently anticipate paying annual compensation in excess of one million dollars to any employee. None of the compensation paid by the Company in 2002 was subject to limitations on deductibility. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

STOCK PERFORMANCE GRAPH

The following graph provides a comparison of the cumulative total stockholder return on the Company's Common Stock for the period from May 13, 1999 (the closing date of the Company's initial public offering) through December 31, 2002, against the cumulative stockholder return during such period achieved by the Nasdaq Stock Market Index for U.S. Companies ("Nasdaq US") and the Media General Financial Services Internet Information Providers Index ("MG Internet Index"). The graph assumes that \$100 was invested on May 13, 1999 in the Company's Common Stock and in each of the comparison indices, and assumes reinvestment of dividends.

The Stock Performance Graph shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under either of such Acts.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, certain of its officers, and beneficial owners of more than 10% of the outstanding Common Stock are required to file reports with the Commission concerning their ownership of and transactions in Common Stock; such persons are also required to furnish the Company with copies of such reports. Based solely upon the reports and related information furnished to the Company, the Company believes that all such filing requirements were complied with in a timely manner during and with respect to 2002.

Certain Transactions

The Company entered into a lease with Bombay Holdings, Inc. for its principal corporate offices and facilities on January 1, 2003. Bombay is wholly-owned by Peter C. Morse, a director and principal stockholder of the Company. The lease is for one year, expiring on December 31, 2003, and requires the Company to pay a percentage of the common maintenance charges. Rent expense paid to Bombay for the year ended December 31, 2002 was approximately \$296,000. The Company believes that the terms of the lease agreement are no less favorable to us than those that could have been obtained from unaffiliated third parties.

The Board of Directors has adopted a resolution requiring that all future transactions with related parties be approved by a majority of the Board of Directors, including a majority of the independent and disinterested members of the Board of Directors, or a majority of the disinterested stockholders, and be on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed the accounting firm of KPMG LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2003. A proposal to ratify that appointment will be presented at the Annual Meeting. Representatives of KPMG LLP are expected to be present at the meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of selection of independent public accountants.

Information Regarding Our Independent Public Accountants

KPMG LLP served as our independent accountants for the fiscal year ended December 31, 2002. The appointment of this firm was recommended to our Board of Directors by our Audit Committee and was ratified by stockholders at the 2002 annual meeting. KPMG LLP has

been our independent public accountants since 1998.

Audit Fees

The aggregate fees billed by KPMG LLP for professional services rendered for the audit of our annual financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2002, as well as for the review of our financial statements included in our Quarterly Reports on Form 10-Q during the fiscal year ended December 31, 2002, totaled \$105,000.

Financial Information Systems Design and Implementation Fees

During 2002, KPMG LLP did not perform any services for the Company relating to financial information systems design or implementation.

All Other Fees

No fees other than those described above under the caption "Audit Fees" were billed to us by KPMG LLP for professional services in the fiscal year ended December 31, 2002.

Report of the Audit Committee

As set forth in more detail in the Audit Committee Charter attached as Appendix A, the Audit Committee's primary responsibilities include assessing the adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements; the independence and performance of the Company's independent public accountants; and the Company's compliance with legal, ethical and regulatory requirements.

The Audit Committee recommends the selection of the Company's independent public accountants to the Board of Directors and meets with the Company's independent public accountants to discuss the scope and review the results of the annual audit.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's Charter. The Audit Committee met four times during 2002.

All of the directors who serve on the Audit Committee are "independent" for purposes of the National Association of Securities Dealers listing standards. That is, the Board of Directors has determined that none of the members of the Committee has any relationship to the Company that may interfere with his independence from the Company and its management. In October 2002, Peter C. Morse resigned as Chairman of the Audit Committee. Bruns H. Grayson was appointed as a member of the Audit Committee and Robert P. O'Block was appointed Chairman.

The Audit Committee has reviewed the Company's 2002 financial statements and met with both management and KPMG LLP, the Company's independent public accountants, to discuss those financial statements. Management has represented to us that the financial statements were prepared in conformity with accounting principles generally accepted in the United States of America. The Committee also has received from and discussed with KPMG LLP the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), relating to that firm's independence from the Company. The Audit Committee has also discussed with KPMG LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

On the basis of these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission.

STOCKHOLDER PROPOSALS

Rules of the Commission require that any proposal by a stockholder for consideration at the 2004 annual meeting of stockholders must be received by the Company no later than January 2, 2004, if it is to be eligible for inclusion in the Company's proxy materials for its 2004 annual meeting of stockholders. Under these rules, the Company is not required to include stockholder proposals in its proxy materials unless certain other conditions specified in such rules are met.

In order for a stockholder to bring any other business or nominations before an annual meeting of stockholders, certain conditions set forth in Article II, Sections 16 and 17, of the Company's Amended and Restated Bylaws must be complied with, including delivery of notice to the Company in sufficient time prior to the meeting.

HOUSEHOLDING

If a stockholder and other residents at his or her mailing address own shares of the Company's Common Stock in street name, the stockholder's broker or bank may have given notice that each household will receive only one annual report and one proxy statement for each company in which stock is held through that broker or bank. This practice is known as householding. Unless the stockholder responded to that notice that he or she did not wish to participate in householding, he or she would be deemed to have consented to participating, and only one copy of each company's annual report and proxy statement would be sent to that address (however, each stockholder would continue to receive a separate proxy card).

Any stockholder who wishes to receive his or her own set of the Company's future annual reports and proxy statements, or who shares an address with another stockholder of the Company and together would like to receive only one set of annual disclosure documents, should contact the Company at 11811 U.S. Highway One, Suite 101, North Palm Beach, Florida 33408, Attention: Secretary, being sure to supply the names of all stockholders at the same address, the name of the bank or brokerage firm, and the account number(s). The revocation of a consent to householding should be effective 30 days after the notice is received.

BY ORDER OF THE BOARD OF DIRECTORS,

Elisabeth DeMarse

President and Chief Executive Officer

APPENDIX A

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

CHARTER

Purpose

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") of Bankrate, Inc. (the "Company"). The primary function of the Committee is to assist the Board in fulfilling its oversight responsibilities, primarily through:

overseeing management's conduct of the Company's financial reporting process and systems of internal accounting and financial controls;

monitoring the independence and performance of the Company's outside auditors; and

providing an avenue of communication among the outside auditors, management and the Board.

Composition

1. The Committee shall have at least three (3) members at all times, each of whom must be independent of management, as well the Company and each of its affiliates. A member of the Committee shall be considered independent if:

(a) in the sole discretion of the Board, it is determined that he or she has no relationship that may interfere with the exercise of his or her independent judgment; and

(b) he or she meets The Nasdaq Stock Market, Inc. Marketplace Rules regarding independence of audit committee members.

2. If any member of the Committee develops a conflict of interest (as that term is defined in The Nasdaq Stock Market, Inc. Marketplace Rules, Rule 4350 (h)), that member shall have an affirmative obligation to promptly disclose such relationship to the Board.

Edgar Filing: BANKRATE INC - Form DEF 14A

3. No member of the Committee shall accept any consulting, advisory or other compensatory fee from the Company other than in connection with serving on the Committee or as a member of the Board.
4. All members of the Committee shall have a practical knowledge of finance and accounting and be able to read and understand fundamental financial statements or be able to do so within a reasonable period of time after appointment to the Committee.
5. At least one member of the Committee shall have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.
6. Each member of the Committee shall be appointed by the Board and shall serve until the earlier to occur of the date on which he or she shall be replaced by the Board, resigns from the Committee, or resigns from the Board.

Meetings

1. The Committee shall meet as frequently as circumstances dictate, but no less than four times annually. The Board shall name a chairperson of the Committee, who shall prepare and/or approve an agenda in advance of each meeting. A majority of the members of the Committee shall constitute a quorum. The Committee shall maintain minutes or other records of meetings and activities of the Committee.
2. The Committee shall, through its chairperson, report regularly to the Board following the meetings of the Committee, addressing such matters as the quality of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the outside auditors, the performance of the internal audit function or other matters related to the Committee's functions and responsibilities.

RESPONSIBILITIES AND DUTIES

The Committee's principal responsibility is one of oversight. The Company's management is responsible for preparing the Company's financial statements and the outside auditors are responsible for auditing and/or reviewing those financial statements.

While the Committee has the powers and responsibilities set forth in this charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements present fairly the financial position, the results of operations and the cash flows of the Company, in conformity with accounting principles generally accepted in the United States of America. This is the responsibility of management and the outside auditors. In carrying out these oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditors' work.

The Committee's specific responsibilities are as follows:

General

1. The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall have unrestricted access to members of management and other employees of the Company, as well as all information relevant to the carrying out of its responsibilities.

2. The Committee shall, with the assistance of management, the outside auditors and legal counsel, as the Committee deems appropriate, review and evaluate, at least annually, the Committee's:

(a) charter;

(b) powers and responsibilities; and

(c) performance.

The Committee shall report and make recommendations to the Board with respect to the foregoing, as appropriate.

3. The Committee shall ensure inclusion of its then-current charter in the proxy statement for the Company's annual meetings of shareholders, at least once every three years in accordance with regulations of the SEC.

4. The Committee shall prepare annual Committee reports for inclusion in the proxy statements for the Company's annual meetings, as required by rules promulgated by the SEC.
5. The Committee shall, in addition to the performance of the duties described in this charter, undertake such additional duties as from time to time may be:
- (a) delegated to it by the Board;
 - (b) required by law or under The Nasdaq Stock market, Inc. Marketplace Rules; or
 - (c) deemed desirable, in the Committee's discretion, in connection with its functions described in this charter.
6. The Committee shall be empowered to retain, at the Company's expense, independent counsel, accountants or other advisors for such purposes as the Committee, in its sole discretion, determines to be appropriate to carry out its responsibilities. The Company will provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

Internal Controls and Risk Assessment

1. The Committee shall review annually, with management and the outside auditors, if deemed appropriate by the Committee, the effectiveness of or weaknesses in the Company's internal controls, including computerized information system controls and security, the overall control environment and accounting and financial controls.
2. The Committee shall obtain from the outside auditors their recommendations regarding internal controls and other matters relating to the accounting procedures and the books and records of the Company.
3. The Committee shall, in accordance with SEC regulations, establish procedures for:
 - (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and
 - (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
4. The Committee shall review major financial risk exposures and the guidelines and policies which management has put in place to govern the process of monitoring, controlling and reporting such exposures.

Outside Auditors; Their Performance and Independence

1. The outside auditors are ultimately accountable to the Board and the Committee, as the representatives of the shareholders of the Company. The Committee shall evaluate and recommend to the Board the selection and, where appropriate, the replacement of the outside auditors. The Committee shall recommend to the Board the outside auditors to be proposed for shareholder approval in any proxy statement.
2. The Committee shall:
 - (a) confer with the outside auditors concerning the scope of their examinations of the books and records of the Company and its subsidiaries;
 - (b) review the scope, plan and procedures to be used on the annual audit, as recommended by the outside auditors;

Edgar Filing: BANKRATE INC - Form DEF 14A

(c) review the results of the annual audits and interim financial reviews performed by the outside auditors, including:

(1) the outside auditors' audit of the Company's annual financial statements, accompanying footnotes and its report thereon;

(2) any significant changes required in the outside auditors' audit plans or scope;

(3) any material differences or disputes with management encountered during the course of the audit (the Committee to be responsible for overseeing the resolution of such differences and disputes);

(4) any material management letter comments and management's responses to recommendations made by the outside auditors in connection with the audit;

(5) matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communications with Audit Committees), relating to the conduct of the audit;

(d) authorize the outside auditors to perform such supplemental reviews or audits as the Committee may deem desirable; and

(e) obtain from the outside auditors assurance that they have complied with Section 10A, as amended, of the Securities Exchange Act of 1934.

3. The Committee shall inquire into any accounting adjustments that were noted or proposed by the outside auditors but were passed as immaterial or otherwise.
4. The Committee shall inquire as to any matters that were referred to the outside auditors' national office relating to accounting policies and/or financial statement disclosure within the Company's financial statements and, to the extent deemed appropriate, request an opportunity to address such issues directly with a representative of such national office.
5. Pre-approval by the Committee shall be required with respect to the fees for all audit and other services performed by the outside auditors as negotiated by management.
6. The Committee's approval of any non-audit services to be rendered by the outside auditors must be obtained in advance of engaging the outside auditors to render such services. The Committee shall not approve the engagement of the outside auditors to render non-audit services prohibited by law or rules and regulations promulgated by the SEC. The Committee shall consider whether the provision of non-audit services is compatible with maintaining the outside auditors' independence, including, but not limited to, the nature and scope of the specific non-audit services to be performed and whether the audit process would require the outside auditors to review any advice rendered by the outside auditors in connection with the provision of non-audit services.
7. The Committee shall receive from the outside auditors on a periodic basis a formal written statement delineating all relationships between the outside auditors and the Company, consistent with the Independence Standards Board, Standard No. 1, regarding relationships and services, which may impact the objectivity and independence of the outside auditors, and other applicable standards. The statement shall include a description of all services provided by the outside auditors and the related fees. The Committee shall actively engage in a dialogue with the outside auditors regarding any disclosed relationships or services that may impact the objectivity and independence of the outside auditors and shall evaluate, after gathering information from management, and other Board members, the performance of the outside auditors and recommend that the Board take action to satisfy itself of the independence of the outside auditors.
8. The Committee shall establish written hiring policies for current and former employees of the outside auditors.
9. The Committee shall consider whether it is appropriate to adopt a policy of insisting upon the rotation of the outside auditors' lead audit partner or rotating the outside auditors on a periodic basis. Based upon its evaluation, the Committee shall take, or recommend that the Board take, appropriate action to monitor the independent status of the outside auditors.

Financial Reporting

1. The Committee shall review and discuss with the outside auditors and management the Company's audited annual financial statements that are to be included in the Company's annual report on Form 10-K and the outside auditors' opinion with respect to such financial statements, including reviewing the nature and extent of any significant changes in accounting principles or the application of such accounting principles; and determine whether to recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K for filing with the SEC.

Edgar Filing: BANKRATE INC - Form DEF 14A

2. The Committee shall review and discuss with the outside auditors and management, and require the outside auditors to review, the Company's interim financial statements to be included in the Company's quarterly reports on Form 10-Q prior to filing such reports with the SEC.

A-4

3. The Committee shall review and discuss:

(a) the existence of significant estimates and judgments underlying the financial statements, including the rationale behind those estimates as well as the details on material accruals and reserves and the Company's accounting principles;

(b) all critical accounting policies identified to the Committee by the outside auditors;

(c) major changes to the Company's accounting principles and practices, including those required by professional or regulatory pronouncements and actions, as brought to its attention by management and/or the outside auditors; and

(d) material questions of choice with respect to the appropriate accounting principles and practices to be used in the preparation of the Company's financial statements, as brought to its attention by management and/or the outside auditors.

4. The Committee shall review and discuss the Company's disclosure under Management's Discussion and Analysis of Financial Condition and Results of Operations included in any annual or quarterly report, or other report or filing filed with the SEC.

5. The Committee shall discuss generally with management earnings press releases of the Company, as well as financial information and earnings guidance provided by the Company to analysts and rating agencies.

6. The Committee shall review and discuss with outside auditors any related party transactions and relationships that could enable the negotiation of terms on other than an independent, arms-length basis.

7. The Committee shall discuss with the outside auditors any item not reported as a contingent liability or loss in the Company's financial statements as a result of a determination that such item does not satisfy a materiality threshold. The Committee shall review with the outside auditors the quantitative and qualitative analysis applied in connection with such assessment of materiality, including, without limitation, the consistency of such assessment with the requirements of SEC Staff Accounting Bulletin No. 99.

8. The Committee shall review and consider other matters in relation to the financial affairs of the Company and its accounts, and in relation to the internal and external audit of the Company as the Committee may, in its discretion, determine to be advisable.

9. The Committee shall meet at least annually with management, and the outside auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believes should be discussed privately.

Compliance with Laws, Regulations and Policies

1. The Committee shall review with management actions taken to ensure compliance with any code or standards of conduct for the Company which may be established by the Board.
2. The Committee shall review with the Company's legal counsel any legal compliance matters, including securities trading practices and any other legal matters that could have a significant, adverse impact on the Company's financial statements.
3. The Committee shall review with the Company's counsel and others any federal, tax or regulatory matters that may have a material impact on the Company's operations and the financial statements, related Company compliance programs and policies, and programs and reports received from regulators, and shall monitor the results of the Company's compliance efforts.

A-5

4. The Committee shall periodically review the rules promulgated by the SEC and the The Nasdaq Stock Market, Inc. relating to the qualifications, activities, responsibilities and duties of audit committees and shall take, or recommend that the Board take, appropriate action to comply with such rules.
