**Item 1.01 Entry into a Material Definitive Agreement.**

**Grant of Stock Options.** On March 8, 2005, QUALCOMM Incorporated (the Company) granted Rich Sulpizio, a member of the Company's Board of Directors and President of the Company's wholly-owned subsidiary, MediaFLO USA, two stock option grants. The following descriptions of the stock option grants are summaries of the material terms of the stock option agreements do not purport to be complete and are qualified in their entirety by reference to the actual forms of stock option agreements, which are attached as exhibits to this Current Report on Form 8-K and are hereby incorporated by reference.

**-Stock Option for Director Service.** Mr. Sulpizio was granted an option, under the Company's 2001 Stock Option Plan (the 2001 Plan), to purchase 18,000 shares of Company stock at an exercise price of \$37.39 per share, which was equal to the fair market value of the Company's stock on March 8, 2005 (the date of grant). The vesting and service requirements for these 18,000 options are identical in all material respects to the terms and conditions of stock options granted to members of the Company's Board of Directors. In particular, the 18,000 options vest and become exercisable over a five year period. During the first year, ten percent of the options vest at the six month anniversary and thereafter 1/60th of the total options vest on a monthly basis. A copy of this stock option agreement is attached as Exhibit 99.1.

**-Stock Option for Employee Service.** Mr. Sulpizio was also granted an option under the 2001 Plan to purchase 157,000 shares of Company stock at an exercise price of \$37.39 per share, which was equal to the fair market value of the Company's stock on March 8, 2005 (the date of grant). Twenty percent of these 157,000 shares become vested and exercisable on the first anniversary of the date of grant and thereafter 1/60th of the total options vest on a monthly basis. The only service recognized under this 157,000 option grant for the purpose of vesting is Mr. Sulpizio's service as an employee of the Company (and consequently if Mr. Sulpizio terminates employment but remains a Company director, the option will be handled as if Mr. Sulpizio no longer provided service to the Company). A copy of this stock option agreement is attached as Exhibit 99.2.

**Amendment of 2001 Non-Employee Directors' Stock Option Plan.** On March 7, 2005, the Board of Directors of the Company approved an amendment to the 2001 Non-Employee Directors' Stock Option Plan (the Directors' Plan). The Directors' Plan provides for the automatic grant of stock options to non-employee directors. The Directors' Plan's share reserve and all outstanding stock options granted under the Director Plan were automatically adjusted to reflect the Company's stock dividend in August of 2004. However, the number of stock options granted automatically to non-employee directors under the Director Plan was not adjusted automatically to reflect the Company's stock dividend. Consequently, the Board of Directors of the Company authorized and approved the adoption of an amendment to the Director Plan which increased the number of initial options to be granted to new directors upon first becoming a non-employee director from 20,000 to 36,000 and the number of annual options granted from 10,000 to 18,000. A copy of the amended Directors' Plan is attached as Exhibit 99.3 to this Current Report on Form 8-K and is hereby incorporated by reference.

**2005 Named Executive Officer Salaries.** In compliance with recent Securities and Exchange Commission interpretive guidance issued with respect to disclosure of executive compensation, the Company is disclosing the following items which the Securities and Exchange Commission (SEC) may deem to be material definitive agreements.

The Compensation Committee (the Committee) of the Board of Directors approved the annual base salaries (effective as of January 1, 2005) of the Company's executive officers after a review of performance and competitive market data. The following table sets forth the annual base salary levels for 2004 and 2005 of the Company's Named Executive Officers (which officers were determined by reference to the Company's proxy statement, dated January 14, 2005):
