Ball Corporation  
Current Report on Form 8-K  
Dated July 29, 2004

**Item 5. Other Events**

On July 28, 2004, Ball Corporation (the "Company") announced that its Board of Directors declared a two-for-one split of the Company's common stock, increased the second quarter dividend in 2004 and authorized the repurchase of up to a total of 12 million post-split shares.

The distribution date for the stock split will be August 23, 2004, for shareholders of record on August 4, 2004. The split is the fourth since Ball became a public company in 1972 and the second since 2002. As a result of the stock split the rights attaching to the shares automatically split so that one half of the right attaches to each Ball Corporation Common Stock Share outstanding upon the effective date of the stock split, which is August 23, 2004, for shareholders of record on August 4, 2004.

The Board of Directors declared a quarterly cash dividend of 10 cents per post-split share, payable September 15, 2004, to shareholders of record on September 1, 2004, which represents an increase of 33 percent over the quarterly dividend of 15 cents per pre-split share Ball has paid since 2002.

The Board of Directors authorized the repurchase of up to 12 million of its post-split shares. The repurchase authorization replaces all previous authorizations.
