(1) Description of Plan

The following description of the Heidrick & Struggles, Inc. 401(k) Profit Sharing and Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established as of January 1, 1989, as the result of the merger of the Heidrick & Struggles 401(k) Profit Sharing Plan and the Heidrick & Struggles, Inc. Pension Plan. The plan sponsor is Heidrick & Struggles, Inc. (the Company), a wholly owned subsidiary of Heidrick & Struggles International, Inc. (HSII). The Plan is a defined contribution plan established for the benefit of the Company's eligible employees and the eligible employees of any other organization designated by HSII's Board of Directors.

The Plan provides for elective contributions on the part of the participating employees and for employer matching contributions. The Plan extends coverage to each employee of the participating employers who have completed three months of service and attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and provisions of the Internal Revenue Code of 1986 as it pertains to plans intended to qualify under Section 401(a) of that Code.

## Edgar Filing: HEIDRICK & STRUGGLES INTERNATIONAL INC - Form 11-K

Vanguard Fiduciary Trust Company (VFTC) is the trustee of the Plan under a contractual agreement with the Company. VFTC maintains all records of the Plan and assumes responsibility for proper allocation of income among all participants' accounts in the Plan. The Plan is administered by an Administrative Committee, which is appointed by HSII's Board of Directors.

### Contributions

After completing three months of service and attaining age 21, participants may contribute up to 15% of their eligible compensation up to the maximum allowed by the Internal Revenue Code (IRC). For 2001 and 2000, the Company matched contributions of those employees with one year of service on a two-for-one basis up to a maximum Company contribution of \$2,000 per participant. Additionally, the Company has the option of making discretionary contributions to participants with one year of service. This discretionary amount is determined each year by the Company. For the 2001 plan year, the Company elected not to make a discretionary contribution. For the 2000 plan year, the Company elected to contribute to each eligible participant a sum equal to 3.03% of the participant's total compensation (as defined in the plan document) and an additional 3.03% of the participant's compensation above the Social Security taxable wage base (\$76,200 for 2000).

### Vesting and Forfeitures

Participants are immediately vested in their voluntary contributions as well as in their employer's matching contributions and earnings thereon. Vesting in the Company's discretionary contributions and earnings thereon commences after three years of service (at least 1,000 hours per year) according to the following schedule: 20% vested after three years of service, 40% vested after four years of service, 60% vested after five years of service, 80% vested after six years of service, and 100% vested after seven years of service. Nonvested portions of Company discretionary contributions are forfeited as of a participant's termination date and are offset against the Company's contribution. For the 2001 plan year, forfeitures, and earnings thereon, applied to the Company's contribution totaled \$272,682.

6

(Continued)

In Addendums to the Plan dated June 18, 2001 and October 29, 2001 the Plan was amended to permit certain participants to receive accelerated vesting on any unvested portions of their account so long as they satisfied certain conditions of eligibility.

### Participant Accounts

Participants may direct their account balance among the various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of the Company's discretionary contribution and plan earnings. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Payment of Benefits

## Edgar Filing: HEIDRICK & STRUGGLES INTERNATIONAL INC - Form 11-K

When a participant terminates his/her employment with the Company and elects to receive a distribution, the participant's vested account may (a) be distributed as a lump-sum amount, (b) be applied toward the purchase of various types of annuities, or (c) be distributed in equal monthly or annual installments over a period not to exceed the life expectancy of the participant. If a participant's vested account is less than \$5,000 upon termination, the participant's vested account will automatically be distributed as a lump-sum amount.

### Loans to Participants

Participants may borrow the lesser of \$50,000 or one-half of their vested account balance in the Plan, exclusive of the Heidrick & Struggles International, Inc. Stock Fund, with a minimum loan amount of \$1,000. Loans are repayable through payroll deductions over periods ranging up to 60 months. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

### Plan Termination

Although it has not expressed an interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## (2) Summary of Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

### Valuation of Investments

Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Heidrick & Struggles International, Inc. common stock is valued at its year-end closing share price (comprised of year-end market price plus uninvested cash position). Other equity securities are valued at the last quoted sales price as of the close of trading at year-end; such securities not traded on the year-end date are valued at the last quoted bid prices. Fixed income securities are valued using the last quoted bid price. Participant loans are valued

## Edgar Filing: HEIDRICK & STRUGGLES INTERNATIONAL INC - Form 11-K

at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

### Payments of Benefits

Benefits are recorded when paid.

### (3) Investments

The following presents investments that represent 5% or more of the Plan's net assets at December 31, 2001 and 2000, respectively.

	2001 -----	2000 -----
Vanguard Total Bond Market Index Fund	\$10,915,888	\$ N/A
Vanguard Windsor II Fund Investor Shares	8,308,168	N/A
Heidrick & Struggles Pre-IPO Stock Fund	35,587,286	179,361,230
Vanguard Prime Money Market Fund	22,716,654	17,676,863

During 2001, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value as follows:

Mutual funds	\$ (4,190,446)
Heidrick & Struggles International, Inc. stock funds	(83,678,841)
	-----
	\$ (87,869,287)
	=====

The Plan provides for investments in common stock and mutual funds that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### (4) Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Vanguard Group, an affiliate of VFTC. VFTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Administrative and trustee fees related to the general administration of the Plan are paid by the Plan. The Company provides certain administrative services to the Plan and pays substantially all other expenses of the Plan.

## Edgar Filing: HEIDRICK & STRUGGLES INTERNATIONAL INC - Form 11-K

As of December 31, 2001, the Plan held 1,960,732 shares of HSII common stock with a cost of \$3,919,670 and a current value of \$35,587,286. This represents 11% of HSII's outstanding stock at December 31, 2001. During the year ended December 31, 2001, 1,103,298 shares were sold at an average weighted price of \$24.30 per share, for total sales of \$26,809,323 (see Note 6). There were 1,200,130 shares distributed to participants during the year ended December 31, 2001. As of December 31, 2000, the Plan held 4,264,160 shares of HSII common stock with a cost of \$7,995,713 and a current value of \$179,361,230. This represents 22% of HSII's outstanding stock at December 31, 2000.

### (5) Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 7, 1998, that the Plan and related trust, as amended and restated effective January 1, 1997, are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter, and the IRS has determined and informed the Company by a letter dated May 5, 2000, that the amendments do not affect the qualified status of the Plan. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

### (6) Initial Public Offering

On April 27, 1999 an initial public offering of HSII common stock was completed, at \$14.00 per share, resulting in a valuation of the Plan's investment in HSII of \$73,300,612 and a 34.5% ownership of HSII stock. A two-year lock-up on the sale of HSII was in effect from the initial public offering date. On April 27, 2001 the two-year lock-up expired and participants were no longer precluded from transferring out of the HSII common stock and into the other available funds. On May 1, 2001, certain plan participants were involved in a block trade of HSII stock arranged by the Company with Robinson-Humphrey Company, LLC. The Plan sold a total of 252,400 shares at \$24.50 per share for aggregate proceeds of \$6,183,800.

### (7) Subsequent Events

On February 22, 2002 the Company adopted the amended and restated Heidrick & Struggles, Inc. 401(k) Profit Sharing and Retirement Plan, generally effective as of January 1, 2002. The amendment and restatement of the Plan was adopted to comply with the provisions of the General Agreement on Tariffs and Trade/Uruguay Round Agreements Act, the Uniformed Services Employment and Reemployment Rights Act of 1994, the Small Business Job Protection Act of 1996, the Taxpayer Relief Act of 1997, the Internal Revenue Service Restructuring and Reform Act of 1998, the Community Renewal Tax Relief Act of 2000, the Economic Growth and Tax Relief Reconciliation Act, and such other issues identified by the Company and necessary to comply with regulatory regulations. In connection with the amendment and restatement of the Plan, the Company filed for an IRS determination of the qualified status of the Plan on February 28, 2002 and has received confirmation from the IRS that the request was received and is in process. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.
