On July 27, 2005, Enova Systems, Inc. ("Enova") issued a press release titled "Enova Systems Raises US\$18 Million on UK Listing". A copy of Enova's press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

The sale of common stock described in Enova's press release was conducted pursuant to the requirements of Regulation S under the Securities Act of 1933. Among other things, each investor purchasing shares of Enova's common stock in the offering has represented that he or she is not a "U.S. Person" as defined in Rule 902 of Regulation S. In addition, neither Enova nor the placing agent has conducted any selling effort directed at the United States in connection with the offering. All shares of common stock issued in the offering are endorsed with a restrictive legend indicating that the shares are issued pursuant to Regulation S under the Securities Act and are deemed to be "restricted securities." As a result, the purchasers of such shares are not able to resell the shares in the United States without registration under the Securities Act or an applicable exemption from the registration requirements of the Securities Act.
