#### Item 4. The Solicitation or Recommendation.

Furthermore, Brazilian law does not impose any fiduciary or other duty or obligation on Telemig Holdings or Telemig Holdings' Board of Directors to make any determination or analysis regarding the Offer or the Offer price, including whether or not the terms of the Offer or the Offer price is fair to unaffiliated security-holders, nor does it require either of them to obtain, or retain any outside person to prepare, any report, opinion or appraisal relating to the value of Telemig Holdings, the preferred shares and ADSs or the fairness of the Offer or to negotiate on behalf of the unaffiliated security-holders. Additionally, Vivo Participações designates or appoints all but one of the members of Telemig Holdings' board of directors.

##### Background

On or about February 28, 2007, representatives of Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), acting at the direction of the controlling shareholder of the Company at that time (i.e. Telpart Participações S.A.), contacted Vivo Participações to preliminarily determine if Vivo Participações would be interested in participating in a competitive bid process they were organizing aimed at selling all of the shares of the Company owned by Telpart Participações S.A.

On March 19, 2007, representatives of Vivo Participações communicated Vivo Participações desire to proceed with evaluating a potential acquisition of the Company and, accordingly, its interest in participating in the competitive bid process organized by Merrill Lynch. In order to fulfill such purpose, Vivo Participações entered into a non-disclosure agreement with Telpart Participações S.A., which provided that, among other things, Vivo Participações would protect the confidentiality of all documents and information related to the properties and operations of the Company and its subsidiaries obtained during the competitive bid process.

On May 4, 2007, representatives and advisors of Vivo Participações began conducting their business, legal and financial due diligence investigations regarding the business and properties of the Company and their corresponding subsidiaries. In addition, senior management of Vivo Participações met with senior management of the Company and Telemig Celular S.A. to discuss the businesses of the Company and Telemig Celular S.A., and on May 23, 2007, Merrill Lynch arranged for Vivo Participações to attend management presentations given by the Company and Telemig Celular S.A. in the City of São Paulo, State of São Paulo.

On July 16, 2007, Vivo Participações submitted to Telpart Participações S.A. a binding offer to acquire all shares of the Company held by Telpart Participações S.A. During the period following the submission of such binding offer, representatives of Telpart Participações S.A. and Vivo Participações intensely negotiated the terms and conditions of the proposed acquisition.

On August 2, 2007, Vivo Participações, Telpart Participações S.A., the Company and Tele Norte Celular Participações S.A. entered into a Stock Purchase Agreement providing for the acquisition of control of the Company by Vivo Participações.

Pursuant to the terms of the Stock Purchase Agreement:

(i) Vivo Participações agreed to acquire 72,581,089,368 common shares and 9,699,320,342 preferred shares of the Company, representing approximately 53.90% of voting capital, 4.27% of non-voting capital and 22.73% of total capital for an aggregate purchase price of R\$1,093,090,107.00 or R\$14.21 per lot of 1,000 common shares of the Company and R\$6.39 per lot of 1,000 of preferred shares of the Company (or R\$63.90 per preferred share after giving effect to the 10,000:1 reverse stock split of the preferred shares effected on August 14, 2007, plus an interest rate factor and subject to certain other specified adjustments; and

(ii) The closing was only subject to the receipt of regulatory approval (most notably, the approval of “Agência Nacional de Telecomunicações—ANATEL” (“Anatel”), the Brazilian Communications regulator), the absence of legal prohibitions or impediments to closing, the inapplicability of certain Brazilian laws to the purchase transaction and other customary closing conditions such as the delivery of closing certificates and documentation.

On August 2, 2007, Vivo Participações publicly announced the transaction and the Offer.

On October 23, 2007, ANATEL approved the transfer of control of the Company from Telpart to Vivo Participações. As the Stock Purchase Agreement provided that Vivo Participações would purchase the shares of the Company and the shares of Tele Norte Celular Participações S.A., the parties had to wait for the approval by ANATEL for the transfer of control of the shares of Tele Norte Celular Participações S.A.

On March 4, 2008, ANATEL issued its consent, valid for sixty days, regarding the transfer of control of Tele Norte from Telpart to Vivo Participações and subsequently from Vivo Participações to Telemar Norte Leste S.A.. Such consent was granted in addition to the ANATEL consent granted on October 23, 2007 for the transfer of control of the Company from Telpart to Vivo Participações.

On April 3, 2008, Vivo Participações completed the purchase of shares contemplated by the Stock Purchase Agreement.

The Stock Purchase Agreement and Telemar Stock Purchase Agreement have been filed as exhibits to the Schedule TO and summaries of their terms have been included with this Schedule 14D-9 to provide you with information regarding the terms of the agreements and are not intended to modify or supplement any factual disclosures about the Company or Vivo Participações in the public reports of the Company or Vivo Participações filed with the United States Securities and Exchange Commission.

#### Intent to Tender

Each current director of the Company only owns one preferred share of the Company, which was purchased in order to satisfy a Brazilian law requirement that each individual standing for election as a director of a company at a General Meeting of Shareholders be a shareholder at such company. Because such preferred shares were purchased to comply with Brazilian law, the Company understands that each current director does not intend to tender his preferred share.

We cannot affirm whether the former directors of the Company and its subsidiary, Telemig Celular S.A., will or will not accept this present offer and pursuant to Brazilian law, the former directors are not required to disclose their intent.

#### Item 5. Person/Assets Retained, Employed, Compensated or Used.

Neither Telemig Holdings nor any person acting on its behalf has directly or indirectly employed, retained or compensated, or currently intends to employ, retain or compensate, any other person to make solicitations or

recommendations to holders of preferred shares (including preferred shares represented by ADSs) on Telemig Holdings' behalf with respect to the Offer.

Item 6. Interest in Securities of the Subject Company.

Except as described below, no transactions in the preferred shares or ADSs has been effected during the past 60 days by the Company or, to the knowledge of the Company, by any executive officer, director (including directors prior to the closing of the Stock Purchase Agreement and current directors) or affiliate of the Company.

On March 27, 2008, each of the current directors bought a preferred share of the Company and five of the current directors purchased one preferred share each in the Company's subsidiary, Telemig Celular S.A. (each as indicated in Item 3 above). These purchases were made in order to satisfy a Brazilian law requirement that each individual standing for election as a director of a company at a General Meeting of Shareholders be a shareholder of such company. The purchases were made at a price of R\$50.80 for each preferred share of the Company and R\$650.00 for each preferred share of Telemig Celular S.A., except for the purchase by Mr. Santos Barbosa, who bought 1 preferred share of the Company at a price of R\$50.90 on March 28, 2008.

#### Item 7. Purposes of the Transaction and Plans or Proposals.

Telemig Holdings is not undertaking or engaged in any negotiations in response to the Offer which relate to, or would result in, one or more of the following or a combination thereof: (i) a tender offer for or other acquisition of securities of the Company by the Company, its subsidiary or any other person, (ii) any extraordinary transaction, such as a merger, reorganization or liquidation, involving Telemig Holdings or its subsidiary, (iii) any purchase, sale or transfer of a material amount of the assets of Telemig Holdings or its subsidiary or (iv) any material change in the present dividend rate or policy, or indebtedness or capitalization of Telemig Holdings.

There are no transactions, board resolutions, agreements in principle or signed contracts that have been entered into in response to the Offer that relate to one or more of the matters referred to in this Item 7.

#### Item 8. Additional Information.

##### Certain Legal Matters

The Company is not aware of any licenses or other regulatory permits that appear to be material to the business of the Company and that might be adversely affected by the acquisition of preferred shares (including preferred shares represented by ADSs) by TCO IP pursuant to the Offer or of any approval or other action by any governmental, administrative or regulatory agency or authority that would be required for the acquisition or ownership of preferred shares by TCO IP pursuant to the Offer. TCO IP's obligation under the Offer to accept for payment and pay for preferred shares is subject to certain conditions that are set forth in Section 12 of the Offer to Purchase and are incorporated herein by reference.
